

Hello, again, History Buffs...this week's featured clip takes us back to June 23, 1982, for a look at the SMCC Athletic Department...under the direction of the suave and bearded Doug Ferguson (third from the left)...towering over woman's basketball coach Janet Denson. The tennis and track teams are now history, but we've added baseball, softball, golf and soccer....

Cougar coaches

New faces are coming to the South Mountain Community College coaching corps. The only coach returning from last year is Janet Denson (third from right). The others are (from left) Annette Adams, volleyball; Steve Stine, men's tennis; Doug Ferguson, athletic director; Edward Cottrell, men's basketball; and Steve Turkovich, men's track. Not pictured is women's track coach John Treadwell. A women's tennis coach has yet to be named.
