

STEM ACADEMY FOR BIOSCIENCE

FREE PROGRAM

Preparing you for college success in Science, Technology, Engineering, and Math fields.

Focused on STEM fields, this summer program includes college success workshops on business etiquette, research, poster presenting, and grant writing and application. Students will attend field trips to labs, and participate in industry mentorship and mentor meals. Lunch is provided.

Minority students who qualify will receive a stipend that will cover the cost of the program. The program consists of five college credits (BIO 107 and AAA 115).

MAY. 31 – JUN. 30 | MON. – THURS. | 9 AM – 5 PM

Who can apply:

High school seniors (class of 2016) or high school students who have previously completed at least one college course
US Citizens or legal residents
