

# TECHNOLOGY SUMMER CAMP

A STEMulating summer opportunity for rising 8th, 9th, and 10th grade students

Focused on STEM: This camp introduces students to technical careers via hands-on activities using computers and state-of-the-art equipment.

Each day focuses on emerging technologies where students will:

- Create an App for mobile devices
- Learn basic programming and computer networking
- Enhance images using specialized software
- Participate in cyber challenge competitions
- Create Financial costing models using Microsoft Excel

Lunch and snacks are provided daily. Students to attend will receive a t-shirt and enjoy daily activities and competitions. Our summer camp will conclude with a Parent Open House. See details and apply to attend at:

[southmountaincc.edu/STEMcamp](http://southmountaincc.edu/STEMcamp)

## COST

The camp is \$25 for selected students thanks to generous sponsors Gila River Indian Community and South Mountain Community College

## CHOOSE ONE OF TWO SESSIONS OFFERED:

June 4-8, 2018
