TECHNOLOGY SUMMER CAMP!

A STEMulating summer opportunity for 8th, 9th and 10th grade students

**ULTIMATE TECHNOLOGY SUMMER CAMP:
STEM IN ACTION**

Focused on STEM: This camp introduces students to technical careers via hands-on activities using computers and state-of-the-art equipment.

Each day focuses on emerging technologies where students will:

Create an App for mobile devices
Learn basic programming and computer networking
Enhance images using specialized software
Participate in cyber challenge competitions
Create financial costing models using Microsoft Excel

Lunch and snacks are provided daily. Students selected to attend will receive a t-shirt and enjoy daily activities and competitions. Our summer camp will conclude with a Parent Open House Showcase featuring a pizza party and cool door prizes. See details and apply to attend at:
southmountaincc.edu/STEMcamp

CHOOSE ONE OF TWO SESSIONS OFFERED:
June 5 - 9, 2017
June 12 - 16, 2017
