The **2017-2018** financial aid awards are based on **2016** calendar year income and resources. In some cases, circumstances may arise that warrant using a more recent twelve month time period for the purpose of assessing your ability to finance your education. If your income has decreased or if there are unusual expenses (job loss*, medical, private school expenses, or other unexpected expenses, etc.) in the **2016 calendar year**, it may be possible for the Student Financial Aid Office to amend your financial aid eligibility. This process has been provided to allow you to present information that will allow us to review and recalculate your FSA (Federal Student Aid) eligibility, which will more accurately reflect your current income situation. **Please Note:** Information you provide will be submitted to the Department of Education on your behalf. Results must be used to adjust aid amounts *even if it is less than originally awarded*.

As of the date received, please allow approximately **3 weeks for processing**. This time may vary depending on the time of year. **Note: For loss of income, submit after August 1st.**

Section 1. PARENT(S), PLEASE EXPLAIN THE REASON FOR THE REDUCTION OF YOUR RESOURCES OR FOR EXTENUATING EXPENSES YOU MAY HAVE INCURRED. Please print clearly.
Attach documentation to substantiate reasons listed (i.e. termination letter, unemployment statement, tuition payment etc...). Additional information can be typed on a separate page.
