

# Maricopa Emergency Alerts

## Brief Text Messages Just for You!

All students are enrolled in a text-message ALERT notification system that sends messages with key directives in the event of incidents affecting the health and safety of people on campus/site.

To receive the alerts students **must** add or update the cellular number field in [My.Maricopa.edu](http://My.Maricopa.edu), Student

### STUDENT INSTRUCTIONS:

- Login to your [Student Center](#)
- Scroll to the bottom of the page to Personal Information. Click on "Home Phone" link
- To **add** a **Cellular** number, click "**Add A Phone Number**", then select "**Cellular**" from the drop down menu
- Enter **Cellular** number and click "**Save**"
- To **update Cellular** number, type new cellular number into the existing cellular field, then click "**Save**"
