### STUDENT FEATURE: SHU-FEI (TINA) CHENG

Tina was selected for Cisco's Dream Team at the Cisco GSX sales convention in Las Vegas this fall. The team is composed of 10 students/alumni selected from various Network Academies and are tasked with helping to set up the Network Operations Center (NOC). The NOC is the nerve center for all of the network communications at the event.

Tina has been a SMCC Cisco Networking Academy student (and grant participant) since the fall of 2014. She has consistently performed at the top of her classes and earned her CCNA certification this past spring. Her long-term goal is to become a full-time instructor at a Cisco Networking Academy.

The Maricopa Community Colleges are EEO/AA Institutions.
