Welcome to the 2010/2011 South Mountain Community College!

If you are currently a student, our catalog contains everything you need to know about pursuing your education at our college. If you are currently considering enrolling, we hope that this information will inspire you to join our college community.

Inside, you will find information on the many degrees and certificates we offer, as well as descriptions of all of the courses we provide. You will also find information on transferring to four-year universities, an academic calendar, college policies, and a listing of our faculty and staff.

At SMCC, we pride ourselves on our commitment and service to our students. Our talented and dedicated faculty and staff work hard to provide an enriching, rewarding, productive and safe learning environment.

Our Vision Statement effectively sums up our college philosophy: South Mountain Community College educates minds, transforms lives, touches hearts, and builds community.

Over our three decades of service to the community, many thousands of students have passed through our doors and gone on to enjoy successful lives and careers. We are proud to have been a part of their journey, just as we are excited to work with you as you continue your own.

We wish you all the best in the pursuit of your educational goals. We look forward to helping you climb higher!

Sincerely,

Dr Joyce K Elsner
Interim President, South Mountain Community College
Joyce Elsner, Interim President
B.A., California State University, Long Beach; M.S., University of Arizona; Ed. D. University of California, Los Angeles

Helen Smith, Interim Vice President Academic Affairs

Position Vacant
District 1
STATEMENTS

Vision Statement
South Mountain Community College educates minds, transforms lives, touches hearts, and builds community.

Mission Statement
South Mountain Community College provides quality higher education for our diverse community. We create a caring teaching and learning environment that fosters student development and supports productive citizenship in an increasingly global and technological society.

Our purpose is to meet these needs by offering:
- General Education Courses
- Transfer Programs
- Occupational Education and Career Development
- Continuing Education
- Developmental Studies and English as a Second Language
- Cultural, Civic and Social Events
- Academic Support and Student Services

Values
We are inspired and guided by our core values:
- Excellence in teaching, learning and services
- Integrity as the foundation for actions
- Inclusiveness of people and ideas
- Collegiality, respect and cooperation
- Creativity, leadership and innovation
- Nurturance of self, others and our community

Accreditation
South Mountain Community College and the Maricopa Community College District Board reserve the right to change or withdraw, without notice, any of the materials, information, requirements, and regulations stated in this catalog.

South Mountain Community College is a member of the Maricopa County Community College District and is recognized by the Arizona State Community College Board.

South Mountain Community College is accredited by the Higher Learning Commission, North Central Association of Colleges and Schools.

How to Use This Catalog

This is a brief introduction to how the South Mountain Community College Catalog is designed and how to use it. The catalog is published annually and the information contained in this catalog is subject to change, and it is the student’s responsibility to be knowledgeable of its contents. The 2010-2011 South Mountain Community College Catalog includes program requirements for new students enrolling in the Summer I 2010 semester, Summer II 2010 semester, the Fall 2010 semester and the Spring 2011 semester. If you are a new student, or a student who has been readmitted after three or more semesters of inactivity, you may fall under the new catalog requirements outlined on page 79 (Catalog under Which a Student Graduates). Contact South Mountain’s Enrollment Services at 602-243-8123 with any questions.

South Mountain Community College is dedicated to serving you. This catalog contains everything you need to know about South Mountain Community College and our degree options, course descriptions, and numerous college resources available to you.

There are several ways to access information in this catalog:
• For example, the Table of Contents found on page 6 provides quick and simple way to find information.
• There is also a detailed, alphabetical Index on page 253.
• For a listing of all our certificate and degree programs, turn to page 31.
• We also have sections dedicated to the various areas of South Mountain Community College including Student Support Services (page 11), Registration Information (page 136), and Financial Information (page 139).

• Finally, we have a new section on Vocabulary on College Survival – Terms You Should Know (page 19) and College Success (page 18).

Use this catalog to find out about certificate and degree requirements. This information is located on pages (31–63) Course numbers and descriptions (on pages 181-248) are necessary to ensure proper course selection to satisfy degree requirements. To map out your educational goal with South Mountain Community College, please contact an academic advisor at 602-243-8331 or check out the web site at www.southmountaincc.edu.

The catalog is a helpful tool, detailing the many services available and the necessary information needed to make your college experience a rewarding one. You will find information on Academic Advising (page 15), Counseling (page 15), How to Register (page 122), Tuition (page 136), Bookstore (page 14), and Tutoring (page 17). Other areas include South Mountain’s Library (page 18), Policy and Procedures (page 117), and College Success/Study Skills (page 18).

The South Mountain Community College Catalog is published once a year. Please be aware that some courses and programs may be modified throughout the year. Students should always consult with an academic advisor to ensure that the most current information is available when making academic decisions. www.southmountaincc.edu

Bookstore
Student Services | 602.243.8145
Textbooks, supplemental reading material, school supplies, college apparel and miscellaneous items for students are available at the campus bookstore. The bookstore is located in the Student Services Building. Regular hours during the Fall and Spring semesters are Monday through Thursday 8:00 a.m. to 7:00 p.m. and Friday 8:00 a.m. to 2:00 p.m. Store manager can be reached at (602) 243 8159.

RENTING BOOKS IS A NEW SERVICE at SMCC!
You need to be 18 years of age (or older) and have a valid credit card. You must also have an email address and a driver's license or state ID. Finally, you will need to fill out a rental agreement with the bookstore. You can rent directly from the bookstore or online; which signifies your commitment to return your book by the check-in-date. It's that simple!

Refunds - An original receipt is required for all refunds. Textbooks can be returned for a full refund within seven days of the first day of class and within two days from the date of purchase thereafter. Books purchased the last week of classes or during final exams are not eligible for refunds. Textbooks must be returned in the same condition as purchased.

Buy Back - Students can sell their books to the bookstore at the end of each semester. Your textbook adoption form is required in order for the bookstore to buy books at half the current selling price. Your cooperation in submitting this information in a timely manner is critical and greatly appreciated. Questions, comments, and concerns please call (602) 243 8159.

College Business Services/ Cashier's Office
Student Enrollment Services Bldg. | 602.243.8125
The Cashier’s Office handles all financial transactions such as tuition and fee payment, refunds; The Cashier's Office handles all financial transactions such as tuition and fee payment, refunds, financial aid checks, payroll, time cards, and petty cash for the college. Any questions regarding tuition & fee payments should be directed to this office. During the
STUDENT SERVICES AND RESOURCES

Fall and Spring semesters the office will be open Monday through Thursday 8:00 a.m. to 7:00 p.m., Friday, 8:00 a.m. to 4:00 p.m. During the Summer Semester office hours will be Monday through Thursday 7:30 a.m. to 7:00 p.m. For further information please call (602) 243 8125 or visit http://students.southmountaincc.edu/Resources/CashiersOffice/

Career/Counseling Services
Student Services | 602.243.8383

Counselors are available to assist students with personal, educational, and vocational concerns.

Services provided by the counseling faculty include:

- **Personal-Social Counseling**: To help examine concerns which interfere with your personal development and growth or relationships with others.

- **Referral**: To provide resource information and referral to outside agencies for ongoing assistance with personal and emotional concerns.

- **Crisis Counseling**

  All Counseling Services are available to current students. Career and Educational Counseling services are also available to prospective and past students on a limited basis only. Stop by or call 602.305.5608 for an appointment. Counselors are located in the Student Services Building next to the Learning Assistance Center.

NEED HELP WITH YOUR CAREER DECISIONS?

South Mountain Community College’s Career Services are designed with you, the learner, in mind. Whether you are exploring your career option for the first time, thinking of a career change or need to learn job search skills, our services can help you reach your personal and professional goals.

- **Career Guidance**: Career decision making, assessment of interests, needs, personality traits, values

- **Career Information**: Description of careers, market outlook, educational requirements.

- **Job Hunting Skills**: Applications, resumes, interviewing, strategies for networking.

- **Academic Success**: Time management, study skills, management of test anxiety.

- **Personal Counseling**: Stress management, motivation, goal setting, or any other concern interfering with academic work. Information on community services and agencies.

For more information, call 602-243-8383 or visit: www.southmountaincc.edu/counseling

ACADEMIC ADVISEMENT

The Advisement Center guides students in planning and achieving their educational, career and life goals.

Meet with an academic advisor for assistance with:

- Planning your educational goal(s)
- Interpretation of placement scores and course selection
- Unofficial transcript evaluation
- Scheduling classes & registration
- Planning for graduation
- Choosing courses for transfer to another institution
- Locating & exploring educational web resources

SMCC Disability Resources & Services | 602.243.8027

The Disability Resources and Services Office (DRS) coordinate the provision of reasonable accommodation for qualified students with disabilities. All accommodations are provided on a case by case basis. Any student requesting accommodation must begin the process by informing the institution of any accommodation needs within a reasonable time frame, and presenting appropriate documentation of disability.

Guidelines for documentation and minimum notification time for any requested accommodations are available through the DRS office. Reasonable accommodation is the provision of an auxiliary aid, device, or modification to the course or program that will allow access to the educational program, material, activity or degree. Contact DRS to obtain a copy and/or for more information. You may also visit the DRS web-site at: http://students.southmountaincc.edu/Services/DisabilityResources/

The Disability Resources and Services Director is located in the Student Enrollment Services Building, Room 130. If you have any questions, feel free to contact the DRS office at 602.243.8027, fax 602.243.8226, or TT/DD 602.243.8110.
## Types of Financial Aid

The eligibility requirements listed on this page are general in nature and not intended to be comprehensive. The requirements for individual types of aid do vary and students should contact the Financial Aid Office for details. Students are advised to keep current regarding any federal changes which may affect their eligibility for financial assistance.

<table>
<thead>
<tr>
<th>Type of Aid</th>
<th>Name of Program</th>
<th>Eligibility Requirements</th>
<th>Amount of* Assistance</th>
<th>Priority Date to Apply &amp; where to Obtain Forms</th>
</tr>
</thead>
<tbody>
<tr>
<td>Federal</td>
<td>Federal Pell Grant Program</td>
<td>Undergraduates, have not earned bachelors/first professional degree. Demonstrate need as determined by the FAFSA process. U.S. citizen, permanent resident or other eligible status. Students must be enrolled in an approved degree or certificate program. Apply through <a href="http://www.fafsa.ed.gov">www.fafsa.ed.gov</a>.</td>
<td>Dependent on need as determined by FAFSA process. Ranges: minimum $200; maximum $5,550.</td>
<td>April 1 preferred, FAFSA available from SMCC Financial Aid Office, or at any high school, or at <a href="http://www.fafsa.ed.gov">www.fafsa.ed.gov</a></td>
</tr>
<tr>
<td>Grant</td>
<td>Federal Supplemental Educational Opportunity (FSEOG)</td>
<td>Financial need as determined by SMCC Financial Aid Office through the FAFSA. Students must be enrolled in an approved degree or certificate program.</td>
<td>Minimum $600 Maximum $1,800</td>
<td>April 1 preferred, FAFSA available from SMCC Financial Aid Office, or at any high school, or at <a href="http://www.fafsa.ed.gov">www.fafsa.ed.gov</a></td>
</tr>
<tr>
<td>State</td>
<td>Arizona State Incentive Grant (LEAP)</td>
<td>Resident of Arizona financial need as determined by SMCC Financial Aid Office through the Federal FAFSA process. Student must enroll into a degree or certificate program of study. U.S. citizen or permanent resident, or other eligible status.</td>
<td>Minimum $600 Maximum $1,200</td>
<td>April 1 preferred, FAFSA available from SMCC Financial Aid Office, or at any high school, or at <a href="http://www.fafsa.ed.gov">www.fafsa.ed.gov</a></td>
</tr>
<tr>
<td>Grants &amp; Scholarships</td>
<td>Bureau of Indian Affairs Tribal Scholarships</td>

</tbody>
</table>

*MAXIMUM AWARDS (2010-2011)*
Early Childhood Development Center
(Child Care)
Day time daycare services are available for students on a first come, first-served basis. Hours are 7:30 am – 5:00 pm, Monday through Friday. Contact the center at 602.243.8260.

Financial Aid Office

General Information
The Financial Aid Office at South Mountain Community College administers and coordinates aid funds from federal, state, institutional and private sources. (See chart, page 16).

Awards are made on the basis of financial need. Need is the difference between the cost of attending SMCC and the resources an applicant has available. Those resources include, but are not limited to, the following: expected parental contribution, student contribution (through savings and employment), social security, veterans’ and other benefits available to the student.

In order to assess need, all applicants must submit financial information concerning themselves and their parents. The information is submitted by a free application form (FAFSA). Students are encouraged to file this application through www.fafsa.edu.gov. The Financial Aid Office uses this information in determining need and eligibility after verifying the information in the Financial Aid Office.

In assessing an applicant’s need, all available resources are subtracted from the budget. For example:

<table>
<thead>
<tr>
<th>Academic Year Budget (commuter)</th>
<th>$12,018</th>
</tr>
</thead>
<tbody>
<tr>
<td>Parent's Contribution</td>
<td>$2,000</td>
</tr>
<tr>
<td>Student's Contribution</td>
<td>$1,000</td>
</tr>
<tr>
<td>Financial Aid Eligibility (need)</td>
<td>$9,018</td>
</tr>
</tbody>
</table>

How Much Does It Cost To Attend SMCC Full Time? The direct cost of attendance annually is approximately $1,700 for tuition for full-time students and $1,200 for books. The total cost for the 2010 – 2011 academic year may vary from $12,018 to $19,898, depending on residency and tuition status, books, and supplies, room and board, travel and personal expenses.

Priority Deadline
The process of applying for financial aid requires time and attention. The priority filing date for SMCC financial and applicants is April 1. The earlier a student applies for aid, the better his/her options are for obtaining funding. Students are encouraged to complete their process by July 15.

Financial Aid Student Responsibilities
Prior to receiving any source of financial aid, the student is required to: (1) Successfully complete academic assessment testing if non-high school graduate; (2) Enroll for those classes that apply to a specific program of study leading to a degree or certificate; (3) Have an student services specialist approve a specific major course of study (degree objective); (4) Maintain satisfactory progress each semester; (5) Notify the Financial Aid Office and Business Services Office of withdrawal from school; (7) Repay any debts as stated on a promissory note signed by the student; and (8) Meet other requests and requirements established by the Financial Aid Office not expressed here.

Satisfactory Academic Progress (see page 139).

Payment of Award
The Business Services Office is responsible for processing and distributing all funds. Students who have met the application priority date of April 1 should expect to have their award credited to cover school expenses by the start of the regular fall term. Students having awards completed by the 1st of December should have their awards processed by the start of the regular spring semester registration. Students not meeting the dates stated above may be considered late and they may have to pay their tuition prior to receiving their award.

NOTE: The amount of cash the student is to receive is determined after the financial obligations to South Mountain Community College are deducted.

For more information about the application process, student’s rights and responsibilities, enrollment requirements, verification and academic progress policies, disabled student assistance, refund policies, and summaries of various state, federal, and local aid programs, contact the Financial Aid Office located in the Student Enrollment Services Building. Telephone: 602.243.8300.

See grid on page 16 for various types of financial aid.

Learning Assistance Center/Tutoring (LAC)
Student Enrollment Services | 602.243.8181

LAC help students by providing free study skills assistance, tutoring, tutorial software and videos, study guides, study rooms and a cyber café. Tutoring is free only for registered SMCC and BNFP students. The LAC tutoring program is a peer-tutoring program. Student tutors must be taking six credit hours at SMCC, have an A or B in the class they want to tutor, have a faculty recommendation, and required to complete ten hours of training.

Additionally, several RPS tutors, graduates of college or advanced students attending ASU participate in the tutoring program. The Learning Assistance Center Techs and Director also tutor and provide assistance in their own specialty areas. If you know or have a good candidate for tutoring please contact or refer them to Julie Wechsler, 602.243.8181.

Instructors are welcome to use the LAC to work with their students. A computer, phone and simple office supplies are available for faculty use.
The Learning Assistance Center (LAC) is located in the Student Services Building, SS-100, call (602) 243 8189 for more information. During the Fall and Spring semesters while classes are in session the LAC will be open Monday through Thursday 8:00 a.m. - 8:00 p.m., Friday 8:00 a.m. – 2:00 p.m. Saturday 9:00 a.m. – 2:00 p.m.

**Library | 602.243.8187**

The South Mountain Community College Library is "presently" located at the center of the campus in the Learning Resources Center Building (LRC). A new Library is under construction and will be partnered with the Phoenix Public Library and South Mountain Community College and is expected to open the spring of 2012.

The SMCC Library serves the educational, informational, recreational, and cultural needs of the students, the staff and faculty, and the multicultural South Phoenix community by providing personnel, equipment, and material resources in a setting that encourages learning. The SMCC Library integrates traditional library services, with access to audio and video materials, electronic databases, computer technology, and multimedia resources in support of the college’s instructional program and the South Phoenix community.

The librarians, through consultation with faculty, provide library research and library skills instruction to classes. Classes may be scheduled by contacting the SMC Library Reference Desk at (602) 243 8194. During Fall and Spring semesters the library will be open Monday through Thursday 7:30 a.m. to 9:30 p.m., Friday 7:30 a.m. to 4:30 p.m., and Saturday 8:30 a.m. to 2:30 p.m. During the Summer Session the library will be open Monday through Thursday 7:30 a.m. to 9:00 p.m. For more information call the Reference Desk at (602) 243 8194 or the Circulation Desk at (602) 243 8187.

**Veterans Services | 602.243.8369**

The mission of the Veterans Services Department at South Mountain Community College is to act as a liaison between the veteran student and the Department of Veterans Affairs, for the purposes of certifying veteran educational benefits. This office serves as the primary contact in assisting veterans with completing the necessary paperwork to insure proper VA educational entitlements. Students are provided:

- Registration Assistance
- Educational Benefits Information
- Academic Advisement

South Mountain Community College Veterans Services will also make referrals and guide the student to other campus resources including tutoring, personal and career counseling, disability services and financial aid. The SMCC Veterans Services Department is located in the Student Enrollment Services Building on the main SMCC campus, 7050 S. 24th Street, Phoenix, AZ 85042. The office is open Monday through Thursday from 8 a.m. to 7 p.m., and Fridays from 8 a.m. to 4 p.m. (The office is closed Fridays during the summer months.)

---

**SUCCEEDING IN COLLEGE**

Your success in college requires high motivation and effort, strong study skills, effective time management, and good test-taking strategies. You will generally find that students are more motivated; teachers are more demanding; and students are expected to be independent. Further, if you are living away from home for the first time, you will have many new experiences. Here are some ideas that will help you succeed in college:

**Have Clear Goals**

College success requires commitment and a lot of hard work. You must be very certain about the importance of a college education.

- Be clear about why you are going to college.
- Establish specific goals you wish to accomplish.
- Know what it will take to reach these goals.
- Be certain your goals are consistent with your interests and abilities.
- Be flexible – change your goals if needed based on your experience as you progress through college.

**Get Financial Aid if Needed**

College is expensive. Even if you attend a public college or university and live at home, you still must pay for tuition, fees, and books. There are many sources of financial aid that can help you meet the high costs of college. Become aware of and pursue these sources.

- Consider all possible sources of financial aid in addition to your college's financial aid office.
- Meet all deadlines for submitting applications and documentation.
- Respond quickly and completely to all requests for additional information.
- Be persistent in following up your application.
- If you do receive financial aid, meet all requirements to keep and continue your aid.

**Manage Your Money**

There are many ways to spend money in the college setting for other than education purposes. Take steps to ensure that you do not waste the money set aside for your college education.

- Set a budget and keep to it.
- Be careful about your use of credit cards. Don’t overspend. Pay balances promptly to avoid high interest costs.
- Open a checking account and carefully monitor your balance.
- Keep your cell phone under control. Those minutes and fees can really add up.
Stay Physically and Emotionally Healthy
You will need to be at your best to succeed in college. This means taking care of your body and maintaining a good frame of mind.
- Get enough sleep.
- Don’t rely on coffee and drinks that contain high doses of caffeine to provide you with energy. Foods such as pasta, peanut butter, non-sugar cereals, and fresh fruit are healthy alternatives to provide the energy you need.
- Avoid junk foods. Fast food is convenient but usually not good for you.
- Use the services of the counseling office. The professionals there can help you overcome feelings of loneliness, depression, and anxiety.

Work With Your Advisor
As a student you may select a faculty or program advisor to help you with both academic and career issues. It is up to you to get the most out of this guidance.
- Know your advisor’s office location, schedule of office hours, and contact information.
- Schedule an appointment with your advisor at any time you have problems that affect your academic performance.
- Consider your advisor’s ideas when selecting your major or at any time you are considering changing your major or career goals.
- Have specific questions in mind whenever meeting with your advisor.

Make Good Use of the Library
You are going to spend a lot of your time in college at the library. Take full advantage of this major resource.
- Get to know the resources of the library as soon as you get to college.
- Learn to use its computer resource.
- Check out its quiet study areas.

Get Involved in Campus Life
There is a lot more to college than just classes. A college campus is an exciting, dynamic environment that can provide you with many opportunities for enhancing your college experience.
- Join a student organization that is consistent with your interests. You will find many organizations from which to choose.
- Join a club in your major. This cannot only help you in your studies but can provide contacts that may be very useful in your future career.
- Join an athletic team. This is a great way to keep yourself in good physical shape and make new friends.
- Attend social events. Your college experience should not be all work and no play.

VOCABULARY FOR COLLEGE SURVIVAL:
Terms You Should Know

Academic Advisor – See: Student Services Specialist

Add/Drop Period – A period of time before classes begin when schedule changes are made.

Adjunct Faculty – Part-time certified instructors.

Admission – Acceptance into a college after the student has filed a completed Student Information Form with the Admissions and Records Office and has been admitted according to admission criteria. Students who have been admitted are eligible to register for courses.

Advisor – A counselor, faculty, or other designated staff member who has received training to provide students with academic information that will direct them to the appropriate classes to achieve their goals and enhance their success.

AGEC – A 35-semester credit general education program of study that fulfills lower-division general education requirements for students planning to transfer to any Arizona public community college or university and transfers as a block without loss of credits.

Assessment – Also known as placement or Assessment of skills for Successful Entry and Transfer (ASSET) testing. Assessment is a way of evaluating student’s present skills in English, reading and math so students may choose courses that match their skills. Assessment is based on scores on the ASSET course placement tests. Scores are used as a guide for proper course placement, which leads to greater success.

Associate Degree – A degree awarded for the completion of a minimum of 64 credits selected to meet specific requirements. Degrees designed for transfer to a university include Associate in Arts (AA), Associate in Science (AS), and Associate in Business (ABus). The Associate in General Studies (AGS) allows more flexibility in course selection, and the Associate in Applied Sciences (AAS) emphasizes a particular occupational field.

Associate in Transfer Partnership (ATP) - The Maricopa County Community College District Associate in Transfer Partnership (ATP) degree is designed to meet the needs of the Maricopa Community College students transferring to public and private colleges and universities. This degree is developed specifically for students who have an identified major and have selected the baccalaureate degree-granting institution to which they intend to transfer.

Attachment – A file that is included with an e-mail message. Oftentimes, the file must be saved to the desktop before it can be opened.

Audit – An option for class registration in which the student pays to attend class but does not want to receive credit. Students sometimes choose to audit courses in which they do not wish to complete assignments.
Bachelor's Degree – A degree awarded by a four-year college. The B.A., B.S., or B.A.S. requires approximately 120 credits.

Blackboard – A course management system designed to support teaching and learning in an educational setting; often referred to as a virtual learning environment. Blackboard works over the Internet and provides a variety of tools that a student and instructor use to communicate with each other such as uploading of course content, return of student's assignments, peer and group interaction, collecting and organizing student grade, questionnaires, etc. Blackboard is used to supplement the face-to-face classroom environment, commonly known as Blended Learning.

Blended Learning – Blended learning is often referred to as Hybrid learning and typically is the combination of multiple approaches to learning. An example of blended learning would be to give a well-structured introductory lesson face-to-face in the classroom, and then provide follow-up materials online, often times provided through Blackboard (a course management system).

Blog – A user-generated website where entries are made in journal style. A blog provides interactive commentary on a particular subject.

Campus: The College a course is being offered at (SMC).

Catalog – The annual publication which explains college policies, procedures, and programs, including course descriptions.

Catalog Year – A policy that allows students who maintain continuous enrollment to follow the program requirements of the catalog year in which they began.

Certificate of Completion (CCL) – A certificate awarded for the completion of a specified career program.

Class Notes – Notes unique to the class attached to in SIS that give specific instruction to the student.

Class Number – The five-digit number following the subject code and course number of a class (i.e., PSY101 55673). (formerly referred to as section number of a class ID).

Class Section – The numerical order of several classes within the same subject area (4 digits long).

Class Status – Active (open for enrollment), Cancelled Section (class placed in cancelled status due to low enrollment), Stop Further Enrollment (class placed in this status to prevent any further enrollment), and Tentative Section (temporarily closed status until enrollment determined; usually a class set up for our ACE or Charter School students).

College Orientation – A session during which new students are introduced to academic programs, facilities, and services provided by a college. See NSO.

College Work/Study – A form of financial aid based on need, which provides the student with paid employment while in school.

Commencement – Also known as graduation. A ceremony during which colleges award certificates of completion and degrees to graduating students.

Continuous Enrollment – The process of registering for and completing courses during consecutive semesters, which may include summer sessions. Determines catalog year for graduation.

Contact Time – The number of 50-minute periods per week that a course should be offered during a standard 16-week semester.

Content Outline – An outline reflects the content that will be covered by a course.

Co-requisite – Requirement(s) which must be met concurrently with a course.

Counselor – A faculty member available to help you with personal, career, or school-related questions.

Course – A specific subject studied within a limited period of time, such as a semester, and taught by a faculty member. Also called course offering or class.

Course Career – When a course is offered as Credit or Non Credit.

Course Competencies – Statements which describe skills and/or knowledge students are expected to acquire as a result of completing the course successfully. Includes an Outline Reference (Roman Numerals) which identifies a relationship between a major outline point and a Competency.

Course Component – When a class is offered as a lecture (LEC), a lab (LAB), or a combination of the two; Lecture/Lab (L/L).

Course Description – The brief, official statement of the content and prerequisites and/or co-requisites of each course included in the catalog.

Course Fee – A charge for services, supplies, and/or materials for a course, in addition to tuition and registration fees for the course.

Course ID – A number identifying a course and linked to the Course Bank (repository of all MCCD courses created).

Course Notes – Contains critical course information such as credit/no credit option and course repeat statements.
Course Number – Number that is assigned to a course that provides information about course level and sequence. Numbers range from 001-299. Numbers below 100 are not transferable to Universities and do not apply toward MCCD degrees or certificates (i.e., ENG101 First Year Composition).

Credits – Credit hour is the term used to indicate the value of an academic credit. Credit hours are awarded for the successful completion of a course.

Course Prefix – A three-letter code that identifies a specific course and indicates its level and sequence (i.e., ENG in ENG101 indicating a course in First Year Composition).

Course Title – The name of a specific course that indicates subject and content (e.g., First Year Composition, title for ENG101).

Credit Hour – The numerical unit of college credits earned for the satisfactory completion of a specific course. Also referred to as semester hours or units (i.e., 3 credit hours).

Cross-referenced courses – Two or more disciplines connected to the course. All course elements are identical except for the prefix. Some variation may occur at number level if a number is not available for use.

Curriculum – A series of courses which meet a particular academic or vocational goal. Also called a program of study.

Division – A group of faculty who teach classes in related subjects, such as English, Critical Reading, and Journalism in the Language Arts Division.

Drop/Add Period – The period during which you can make changes in your schedule without penalty. The drop/add period varies with the length of the class.

Electives – Courses a student can select in order to complete a program of study, sometimes with restrictions.

e-Learning – Electronic learning is designed in such a way that the student really, if ever, attends face-to-face classroom setting and most times no in-person interaction may take place. Instruction delivered using e-Learning involves using interchangeably a wide variety of technologies, mainly Internet or computer-based instruction.

E-mail – Electronic mail, a means of sending written messages electronically. Students are automatically assigned a gmail account once registered as a student of SMCC. You will receive student e-mail regarding class enrollment, financial aid, tuition due dates, changes to your class meeting pattern, etc. Most official college communications will come to you through this account. If you have any problems with your email account or need support, go to: www.google.com/support.

Enrollment Status – Active, Cancelled, Closed, etc.

Extracurricular Activities – Also known as co-curricular. Activities, clubs, or organizations students may participate in above and beyond their academic courses.

Faculty – Instructors

Final Exams – Tests or exercises given at the end of a term that are often comprehensive; that is, they may include all material covered during the semester. The schedule of final exam dates and times for both the fall and spring term is included in the Schedule of Classes.

Fiscal Office – Also known as the Cashier's or Business Office. Students may pay tuition and fees, course fees, and other encumbrances owed the college at the Fiscal Office.

Full Course Descriptions – Information which communicates the content of a course.

Grade Point – The numerical value of a grade multiplied by the credit hours for a course (A = 4 points; B = 3 points; C = 2 points; D = 1 point). If, for example, a student earns an A in English 101 (3 credit hours), then the students earns 12 points; A = 4 points X 3 (credit hours) = 12 points.

Grade Point Average

Grading Basis – GRD or P/Z

Grant – Student financial aid based on need. Grants do not have to be repaid.

Helpdesk – A college service that assists students when they are having technical/computer related problems while enrolled in an Internet course.

Hybrid Class – Delivery of instruction using a combination of multiple approaches to learning that may involve web-based resources, computer-based training, collaborative activities, moderate discussion, or other as appropriate for the specific course. Content delivery and participation in a hybrid course may range from 25% up to 100% outside of the traditional classroom/lab environment. In most cases, a student will need to attend an orientation the first week of classes in the Technology Center. See also: Blended Learning and e-Learning.

Instruction Mode – Hybrid, Internet or In Person

Internet Class – Classes on the World Wide Web.

Load – Also called academic load. The total number of credit hours taken in a term. Twelve credit hours is considered a full-time load.

Location of Class – The physical location that a class will be held at. Often times, a class is offered through a college but is held at a separate site from the main campus (i.e., offered by SMCC; held at the Guadalupe Center, Ahwatukee Foothills Center or at a location in Laveen).
Lower Division – First and second year college courses referred to as freshman and sophomore-level (100 and 200) courses offered by a college. Community colleges offer ONLY lower division courses. Four-year institutions offer lower division courses and upper division courses, which are junior-level and senior-level (300 and 400) courses.

Major – An area of concentrated study often for a specific degree or occupation, such as English, nursing, or engineering.

MCCD OR MCCCD – Maricopa County Community College District

MEID – Maricopa Enterprise ID used to log on to My.maricopa.edu to access the Student Center (see Student Center).

My.maricopa.edu – The official log in where students can access the Student Center to perform a variety of functions (i.e., enroll in classes, pay for classes, request transcript, print schedule, etc.)

Netiquette – Rules of conduct that define polite behavior in an email and on the Internet.

New Student Orientation (NSO) | 602.243-8330 – New Student Orientation is designed to provide you with the resources you’ll need to maximize your potential and to successfully manage your college experience. This is a great opportunity to meet new friends, interact with faculty and take a campus tour. For more information, contact the Advisement Department.

Official Absence – Absence from class approved by the Dean of Student Services for students who are participants in an official college activity. Students must present approved absence documentation to their instructors before the official absence and make arrangements to complete the work they will miss.

Online – One of the delivery options of a class. You would complete a course by connecting to the Internet and submitting class assignments through Blackboard. Online can also be used to describe services that are available to you through the Internet.

Pass/Fail – An option for class registration in which students choose to receive a grade of Pass or Fail in lieu of a letter grade (A, B, C, D, F). Students can earn credits towards graduation by passing these courses but the grades will not count in their GPAs. It is best to check with an advisor to make sure that Pass/Fail grades will transfer to another college or university.

Password – A secret word you use to gain access to a computer system. Some times there are restrictions on the types of characters you can use (i.e., letters, numbers, or incidentals) as well as a maximum number of them. Periodically you will be alerted by a system generated memo to renew your password by a scheduled date in order to continue assessing the system.

Periods – Time spent in class and/or lab each week. One period is equivalent to 50 minutes per week for a one-credit course that meets during a 16-week semester.

Placement Test – See Assessment.

Prerequisite – Specified conditions, requirements, or classes that must be completed before enrolling in a class. For example, ENG102 has a prerequisite of ENG101.

Probation – A warning that a student is not in good academic standing. May be accompanied by restricted credit hour enrollment.

Quick Admit – Admitting an individual for a specific term.

Quick Enroll – Registering a Student.

Registration – Actual enrollment of a student into specific courses after the student has been admitted to the college and has received academic advisement.

Required Course – A course that a student must complete to meet certain goals or to complete a certificate or degree program.

Requisites (Pre/Co requisites) – Prerequisites define requirements which must be completed prior to enrollment in a course. Co requisites define requirements that must be met concurrently with a course.

Residential Faculty – Full-time certified instructors.

Restricted Electives – A listing of selected courses students can choose from to complete a certificate or degree program.

Schedule of Classes – A college publication that lists all courses offered during a semester, including dates and times of class meetings, names of instructors, buildings and rooms, credit hours, and other important registration information.

Scholarships – Student financial aid based on academic achievement, need, or a combination of factors. Scholarships do not have to be repaid. Student must apply for them through the Financial Aid Office.

Scholastic Suspension – Not being allowed to enroll in the college for one semester. This is caused by not maintaining the minimum required GPA for two consecutive semesters.

Section Number – See Class Number

Semester – Traditionally half an academic year; 16 weeks in length. Fall semester begins in August and spring semester begins in January.
**STUDENT SERVICES AND RESOURCES**

**Service Learning** – Combines community service with classroom instruction, focusing on critical thinking, value clarification and social responsibility. The key components of Service Learning are linkage to course competencies or objectives, a relevant experience and a meaningful contribution to the community.

**SIS** – Student Information System (PeopleSoft)

**SMCC** – South Mountain Community College (some times referred to as SM or SMC).

**Social Security Number/National ID** – A nine-digit number assigned to an individual from the Social Security Administration once an application has been submitted. This number is used by SMCC to identify your records. If you chose not to use your Social Security Number; Confirmation ID’s can be obtained at Admissions and Records.

**Student Self Service** – On-Line Registration

**Student Center** – Internet access to the Student Center (My.maricopa.edu) allows you to search for classes, register for classes, view class schedule, drop/withdraw from a class, view financial aid, view changes to account, view grades, register for classes at another Maricopa Community College, request official transcripts and update contact and address information.

**Student Services Specialist** – A resource person who is able to help you plan your career of study and select appropriate courses.

**Subject Area/Course Prefix** – Three letter designation for the discipline to which a course belongs.

**Suffix** – Alphabetic characters grouped with the Course Number that often identifies a modularized course. (e.g., AA, AB, BB, AX...).

**Syllabus** – One or more pages of course requirements that instructors give to students on the first day of class. The syllabus may include detailed information about a course, such as an instructor’s grading system, attendance policies, and testing and assignment dates.

**Term** – A grouping for classes and tuition; a period of time a campus has determined as an instructional accounting period.

- The Term Code consists of 4 digits (i.e., 4106 which refers to the Fall 2010 term.).
- The first number represents an arbitrary number chosen to correspond to the 21st century (i.e., 4XXX).
- The second and third numbers represent the year (X10X).
- The fourth number represents the term of spring (2), summer I (4), summer II (5), or fall (6).

**Transcript** – An official record of a student’s college course work that is maintained by the college registrar. Courses taken, grades, GPA, and graduation information are included on a transcript.

**Transfer Credit** – Credit earned at other regionally accredited institutions that is accepted at South Mountain Community College to meet requirements in a major or as general education. Credits accepted in transfer do not necessarily apply to all certificates and degrees.

**Tuition and Fees** – The cost per semester credit unit that students must pay for their college courses. Tuition and fees are determined by the Maricopa County Community College Governing Board.

**Units/Credits** – The term used to indicate the value of an academic credit.

**Upper Division** – Courses usually taken during junior and senior years, offered at four-year institutions.

**Username** – A unique name used to access resources on a computer. If you are registered for an Internet course, your username, along with your password, allows you to get access to course information and the messaging system. In an e-mail address, the characters before the ‘@’ symbol are the username.

**Withdrawal** – Officially dropping any or all courses during a semester. Students withdrawing from one or more courses must notify the Admissions and Records Office in writing and requires that they be officially withdrawn. Refunds are based on the refund schedule set forth in the catalog. After a specified date, students must have instructor approval before withdrawing from a course.
SMCC Campus Programs
CAMPUS PROGRAMS

Achieving a College Education (ACE)
The Achieving a College Education (ACE) program was developed in 1987. South Mountain Community College was the first of the ten (10) Maricopa County Community College District campuses to implement the ACE program. ACE targets high school students who may be considering going to college in order to earn a bachelor degree from a four year institution. The mission of the program is to support and assist high school juniors and seniors in earning transferrable college level courses. The program is designed to help students make a smooth transition from high school to community college and on to a four year university. It is important to note that an ACE student at one Maricopa community College is considered a college student with all the corresponding rights, responsibilities, privileges and benefits of traditional college age students.

The ACE is made up of several key components: completion of a nationally recognized scholarship program; guaranteed course transfer to all in-state universities; a cohort based format designed to enhance student support, friendship and sharing of diverse ideas; empowering students through self respect and personal responsibility; extensive interaction with faculty, advisors, and professional staff at the community college level; “real life” experience on a community college campus; and exposure to additional financial resources and workshops and career exploration.

The typical ACE student is a high school junior and/or senior who is enrolled as a concurrent student – someone who is taking college courses while still attending high school. The program is designed to be completed in two years. Students take classes at the SMCC campus, thus giving them the true community college campus experience. Classes meet four days per week during the summer school sessions and on Saturday during the fall and spring semester. Upon graduating from high school, and completion of the program, ACE students may have earned up to 24 transferable college credits.

Once an ACE prospective student has been accepted into the program the student and their families participate in an orientation and a series of activities and events. These events ranged from workshops designed to keep them informed and connected during their two years with ACE. These workshops focus on such issues as financial aid to developing college study skills.

Bilingual Nursing Fellowship Program (BNFP)
The Bilingual Nursing Fellowship Program (BNFP) is designed to increase the number of nurse graduates who speak, read and write English and Spanish fluently.

BNFP is collaboration between GateWay Community College and South Mountain Community College, in cooperation with Banner Health.

It is anticipated that each Fellow will complete an AAS in Nursing and obtain a nursing license within three years after acceptance into the program.

PROGRAM ADVANTAGES
• Tutoring
• Employment Assistance
• Nurse Mentors

Bilingual Nursing Fellowship Program Advisor
Phone: 602.243.8269, Fax: 602.243.8263

Developmental Education
South Mountain Community College offers a wide range of developmental education courses and programs. Developmental mathematics, reading and English courses are embedded within the appropriate instructional divisions.

Newly enrolled students are required by MCCCD policy to take the ASSET reading, mathematics and English tests. Based on assessment results, students are advised to enroll in the appropriate courses to prepare them for 100 level transfer or occupational focused courses. By Maricopa District policy, students have the right to waive the assessment and placement recommendations.

The division chairs are responsible for signing the waiver forms if requested by students.

English as a Second Language (ESL)
Program Administrator: Dr. Steven Fountaine, 305-5648

The intensive English Program at SMCC is intended to prepare students for the world of work as well as for a college degree program. It also allows qualified students to earn college credit while learning English as a Second Language. Classes are designed to reinforce and build on one another and our wide range of support services will help you achieve your goals. English as a Second Language Program has been in existence for over 25 Years.

Experienced faculty with advanced degrees provides instruction for four levels of ESL courses. Our class size is small to ensure attention to the student and free tutoring and other academic support services are available.

Admission
An applicant for admissions to the Intensive English must complete the application process as set forth by the Maricopa County Community College District policy. Admission forms and application are on line or simply contact the Admissions and Records Office of SMCC. Tuition will vary according to classification of student's status. For more information on cost please contact either the Admission and Records Office or the Business Services Department (Cashiers).

Fitness Center
The Fitness Center offers a personalized fitness program for individuals 16 or older and of all level of ability. The facility has
Honors Program
The College Honors program is designed to enhance students' intellectual growth by offering challenging classes and increased contact with other Honor students. The program includes Honors sections of general education classes (through concurrent sections or contract format), faculty mentors, special activities, and Forum presentations which permit students to hear and talk with prominent lecturers. The Forum course is also offered to prepare students for concepts discussed at the lectures. Finally, each Honors course is designated HONORS on the student’s official college transcript. Students graduating with at least 15 credits of Honors courses (including 3 credits of HUM190) and maintaining at least a cumulative 3.5 GPA will be designated HONORS PROGRAM GRADUATE. The Honors designation indicates excellence and commitment both to prospective employers and to the admissions offices at other colleges and universities. Honors students enjoy:

- Honors sections of general education classes
- Individualized Course Enrichment Programs
- Faculty mentors
- Fee waivers and scholarships
- Cultural and social activities
- Special recognition of Honors achievements on transcripts and diplomas

Entering high school graduates who were ranked in the top 15 percent of their class (or with high college placement test scores) are eligible to apply, as are continuing or transferring students with a cumulative GPA of at least 3.25 for 12 college level hours. Students enrolled in the Honors Program are required to take at least one Honors course each semester. Other students may petition to take Honors courses and receive Honors credit. Applications are available in the Honors Office (SS-129) or by contacting the Honors Coordinator at (602) 243-8122.

HOOPS | 602.243.8314
South Mountain Community College offers high school students who plan to pursue a college degree two pathways, a two-year Dynamic Learning Teacher Education and General Studies program. Enrollment in these degrees includes guaranteed acceptance of transfer courses to a four-year Arizona institution, and possible internship experience.

The Summer Hoop of Learning program is designed to provide Native American 9th through 12th grade students the opportunity to earn college credits while in high school. The program will consist of a five week summer session offering one orientation course, an academic course and one elective course, preparing the students to enter into their first college semester. In partnership with the Phoenix Union High School District, selected students will receive scholarships for tuition, books and assistance for transportation.

Selected applicants are required to complete the Asset/COMPASS placement test in reading, English, and math in the Student Enrollment Services (SES) center at South Mountain Community College. Student test scores will determine appropriate placement in academic courses. In addition, South Mountain Community College will host a student/parent orientation and registration session and a financial aid seminar for graduating seniors.

Student participating in the program at South Mountain can complete as many as 24 college credits that transfer to the three Arizona University.

For more information, please contact Lynette Jim at (602) 243-8314

International Education Services
Coordinator of International Services/Chair International/Intercultural Committee:
Dr. Steven J. Fountaine (602) 305-5648

The office of International Education Services at South Mountain Community College promotes global awareness among students, faculty and staff, advises the college community about college issues related to various services needed by international students and visitors, and assists in the development of study abroad opportunities for students and staff.

International Education Services at South Mountain Community College is made up of the International Education Office, the International/Intercultural Committee and the Study Abroad Program. The aim of the IES Office is to create and maintain a civil campus environment that values diversity. In addition, the IES Office presents the campus community with a wide variety of events/projects that will increase the student knowledge of culturally different groups and maintain cultural sensitivity and visibility throughout the campus.
In particular, the IES Office aids in recruitment and increased enrollment of international students, supports an international student club (International Friends), works closely with the English as a Second Language program, creates and distributes SMCC information in other languages, supports faculty for international/intercultural projects and supports students with Study Abroad Programs.

Opportunities for International Students at SMCC
The IESO at SMCC offers several educational opportunities for global awareness and sharing for international students. These include:

- International Friends student club (events and activities for international students)
- International Week (fall and spring semesters) promoting global awareness
- English Language Conversation Club (conducted by SMCC native English speaking students and volunteers)
- Festivals with Student Life, highlighting different cultures/ethnicities (Native Americans Heritage Week, African-American Month and Hispanic Heritage Month)
- African, Indian, Islamic and Asian cultural festivals (fall and spring semesters)
- Study Abroad programs for language and cultural development (Spain, Czech Republic and Mexico)
- Guest speakers on cultural and educational themes (art and sciences)
- International storytelling
- Tutoring in all subject areas, especially English

Phi Theta Kappa
Phi Theta Kappa is the international honor society for community colleges. Alpha Eta Delta, the South Mountain Community College chapter of Phi Theta Kappa, was chartered in 1982. It has earned distinction among 1,100 chapters around the world.

Phi Theta Kappa involves students in numerous leadership development opportunities, service projects and social activities. Phi Theta Kappa members travel to conferences, Honors seminars and conventions across the state, region and nation. They work on campus as tutors and guides, and provide service for projects in the community.

Many transfer scholarships are exclusively available to Phi Theta Kappa members. Applications for the fall ALL-USA competition and the prestigious Guistewhite Scholarship are available through the Honors Office. Membership is extended by invitation to students after completing 12 credits at SMCC with a cumulative grade point average of 3.5 or higher.

Public Safety
South Mountain Community College enjoys excellent relations with its neighbors and maintains a highly visible Public Safety Department. The Public Safety team at SMCC is committed to providing a professional service for the students, staff and guests who attend, work, or visit our teaching and learning community.

We strive to ensure that our campus environment is safe, accessible, cheerful, and conducive to academic achievement. Compared to other colleges and universities in Maricopa County, South Mountain Community College has the fewest reported crimes.

The Public Safety staff consists of a diverse group of AZPOST certified police officers, non-certified public safety officers, lead patrol aides, student patrol aides, and other office-support personnel. The department also maintains a cooperative working relationship with the Phoenix Police Department and will request assistance as needed. Public safety services are provided at the SMCC Main Campus. The college also offers classes at rented and shared facilities in Guadalupe, Ahwatukee and Laveen.

To decrease the chances of crimes occurring within the campus community, everyone’s cooperation and vigilance is needed. All members of the campus community are encouraged to immediately report all suspected crimes, unusual or suspicious activities, and emergencies to Public Safety.

General information about campus safety may be obtained from the SMCC Public Safety Office or online at http://publicsafety.southmountaincc.edu.

Statistics available on the SMCC Public Safety website are gathered in accordance with guidelines established under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 U.S.C. 1092(f)). The crime definitions outlined in the Federal Bureau of Investigation’s National Incident Based Reporting System, as modified by the Hate Crime Statistics Act, are utilized in compiling the numbers.

Location: SMCC Main Campus, 7050 S. 24th Street, Student Union Building
Hours of Operation: 24/7
Office Hours: Monday-Friday, 6 a.m.-10 p.m., Saturday 8 a.m.-3 p.m.
Telephone: 602.243.8100
Email: safety@smcmail.maricopa.edu
Contact: Craig Emanuel, Director of Public Safety

The Storytelling Institute
Storytelling is an art form that enriches the community and promotes cultural understanding for adults and children alike. Students, faculty and staff tell personal and family stories or folktales that offer insight into cultural heritage or the human condition. Storytelling is applicable to careers in education, human relations, and any other areas where multicultural sensibility is vital. The Storytelling Institute offers monthly workshops, numerous concerts, including the fall Myth Informed series and the spring Folktales for Grownups series, plus an annual festival which feature workshops and performances by nationally known tellers, local tellers and student storytellers. Students may earn a 30-credit hour

TRIO Programs
http://students.southmountaincc.edu/Support/TRIO/
Location: Learning Resource Center (LRC) room 168
Dept. Hours: Fall/Spring Semesters: 8:00 am – 5 p.m. M-F
Summer Semester: 8:00 a.m. – 6:30 p.m. M-TH

What We Do:
Students Transfer with Educational Preparation (STEP) offers qualifying participants with a strong academic support system and learning community that will assist them in mastering their college transitions. The primary goal of the program is to increase the persistency and graduation rates of participants who are committed to transferring to a four-year institution by increasing their access and opportunities to higher education. We offer free English and math tutoring, college orientations, financial aid assistance, academic advising, cultural enrichment, university tours, workshops (career and transfer), supplemental math instruction and laptop/calculator rentals. See website for eligibility requirements.

Upward Bound provides participants with academic instruction in mathematics, laboratory sciences, composition, literature, and foreign languages. Also included: tutoring, counseling, mentoring, cultural enrichment, SAT/ACT preparation, and work-study programs. In addition, they will spend one week on the campus of Northern Arizona University in Flagstaff. Also, participants have the opportunity to earn college credit.

The teens will attend SMCC on weekends throughout the fall and spring semesters. During summers, they will take elective courses at the college. Students will be grouped according to their grade level and the curriculum will be designed according to individual graduation requirements.

- Telecommunications Technology (5992)

### Academic and Occupational Certificates and Degrees Offered at SMCC:

#### ACCOUNTING
**Chairperson: Mark Nielsen**

**Certificates/Degrees**
- Certificate of Completion in Accounting (5665)
- Associate in Applied Science in Accounting (3149)

**Description:** The Certificate of Completion (CCL) in Accounting is for students seeking to gain skills and knowledge in the field of accounting. Possible entry-level jobs for this program include accounting clerk, accounts payable/receivable clerk, claims clerk, credit clerk, full-charge bookkeeper, accounting intern, or comparable positions. An Associate in Applied Science (AAS) is also available.

**Program Notes:**
- + indicates course has prerequisites and/or co requisites.
- Students must earn a grade of “C” or better in all courses required within the program. Consultation with an Academic Advisor is recommended for course selection.

**Admission Criteria:** None

**Program Prerequisites:** None

**Required Courses: Credits 23-26**
- ACC111 Accounting Principles I (3) AND
- ACC230 Uses of Accounting Information I (3) AND
- ACC240 Uses of Accounting Information II (3), OR
- ACC230 Uses of Accounting Information I (3) AND
- ACC240 Uses of Accounting Information II (3) AND
CERTIFICATES & DEGREES

Restricted Electives: Credits 9-10
Note: Students must select one of the following four Tracks.

Track 1: Violence and Abuse Prevention Track: Credits 10
AJS101 Introduction to Criminal Justice 3
BHS265 Violence and Abuse Matters 2
+BHS266 Violence and Abuse Counseling 3
+BHS268 Grief and Bereavement Issues 2

Track 2: Grief and Bereavement Recovery Track: Credits 10
BHS168 Hospice Volunteer Training 2
+BHS268 Grief and Bereavement Issues 2
+BHS269 Grief Counseling Techniques 3
+BHS281 Introduction to Art Therapy 3

Track 3: General Integrated Track: Credits 10
Select a total of 10 credits from the following area:
BHS265 Violence and Abuse Matters 2
+BHS266 Violence and Abuse Counseling 3
+BHS267 Introduction to Play Therapy 3
+BHS268 Grief and Bereavement Issues 2
+BHS269 Grief Counseling Techniques 3
+BHS270 Intro. To Dance and Movement Therapy 3
+BHS272 Managing Difficult Children 3
+BHS281 Introduction to Art Therapy 3
+BHS285 Facilitating Art Therapy Groups 3
STO289AC Storytelling in Healing Settings 1

Track 4: Employment Support Track: Credits 9
CPD125 Employee Development: Problem Solving/Decision Making 1
ESS101 Introduction to Employment Support 3
+ESS103 Employment Support Systems Practices 3
ESS110 Americans with Disabilities Act Overview 2
ASSOCIATE IN APPLIED SCIENCE IN ADVANCED BEHAVIORAL HEALTH SCIENCES CREDITS: 71-74 (3067)

Description: The Associate in Applied Science (AAS) in Advanced Behavioral Health Sciences/Recovery Program prepares students for careers as behavioral health technicians, case managers, parent aides, family advocates, respite care workers, and paraprofessional counselors. The program includes courses designed to provide students with the skills necessary to deliver basic, specialized, and comprehensive behavioral health services. The core focus of the program is practical training and service learning experiences.

Program Notes:
+ indicates course has prerequisites and/or co requisites.

Student must select one of the following tracks in the Restricted Electives area:
Track 1: Violence & Abuse Prevention Track
Track 2: Grief & Bereavement Recovery Track
Track 3: General Integrated Track
Track 4: Employment Support Track

Admission Criteria: None
Program Prerequisites: None

Required Courses: Credits 37
Students must earn a grade of "C" or better in each course in the Required Course area.

- BHS101 Approach to Paraprofessional Counseling 3
- BHS105 Introduction to Human Relations 2
- BHS115 Group Dynamics 3
- BHS130 Chemical Dependency 3
- BHS151 Communications Skills in Counseling I 3
- BHS156 Supervised Practice I 3
- BHS204 Counseling in Multicultural Setting 3
- BHS205 Therapeutic Intervention Models 3
- BHS215 Group Process 3

BIOMEDICAL RESEARCH TECHNOLOGY
Chairperson: Dr. Teresa Leyba Ruiz

ASSOCIATE IN APPLIED SCIENCES IN BIOMEDICAL RESEARCH TECHNOLOGY: CREDITS 64 (3113)

Description: The Associate in Applied Science (AAS) in Biomedical Research Technology program includes significant course work in both biology and chemistry. Additionally, it includes an emphasis in bio-safety, business and regulatory issues and a structured internship component that has been developed in partnership with Southeast Valley biomedical companies along with local educational institutions. The program is designed to provide students with a working knowledge of the field by focusing on both theory and application in lab settings, as well as consideration of current topics in biomedical research.

Program Notes:
+ indicates course has prerequisites and/or corequisites.

Students must earn a grade of “C” or better for all courses required within the program.

EARLY CHILDHOOD DEVELOPMENT
Chairperson: Dr. Jerome Garrison

Certificate/Degree

CERTIFICATE OF COMPLETION IN EARLY CHILDHOOD DEVELOPMENT (5376)

CERTIFICATE OF COMPLETION IN EARLY CHILDHOOD DEVELOPMENT:
MONTESSORI (5512)
ASSOCIATE IN APPLIED SCIENCE IN EARLY CHILDHOOD DEVELOPMENT (3361)
ASSOCIATE IN APPLIED SCIENCE IN EARLY CHILDHOOD DEVELOPMENT: MONTESSORI (3066)

CERTIFICATE OF COMPLETION IN EARLY CHILDHOOD DEVELOPMENT: CREDITS: 30 (5376)

Program Description: The Certificate of Compleatin (CCL) in Early Childhood Development program is designed to meet the needs of individuals who are interested in working in early childhood. The program emphasizes working with multilingual and multi-cultural children. Upon completion of the program students will be equipped to work effectively with children and families in both school and home environments and also initiate upward career movement or improve existing skills.

Program Notes:
+ indicates course has a prerequisite and/or co requisites.
Students must earn a grade of “C” or better for all courses required within the program.
Student should consult with the Program Director prior to enrollment in ECH269, CFS/ECH284AA and EED261.
ECH269, Child Care Seminar and CFS/ECH284AA, Early Childhood Teaching Internship or EED261 Early Childhood Preschool Internship can only be taken after all courses have been completed in the Required Courses area.

Admission Criteria: None
Program Prerequisites: None

Required Courses: Credits 30
CFS101AH Art Activities for the Young Child 1
CFS101AR Learning with Toys 1
CFS114 Working with Hyperactive Child 1
CFS/ECH176 Child Development (3) OR
EED276 Global Child Development (3) 3
CFS194AB Early Childhood Program Management: Human Relations 1
+CFS242 Curriculum Planning for Diversity (3) OR
EED230 Diversity in Early Childhood Education (3) 3
+CFS282 Mainstreaming the Young Child with a Disability 1
+CFS284AA/ ECH284AA Early Childhood Teaching Internship (2) OR 2
CERTIFICATES & DEGREES

ASSOCIATE IN APPLIED SCIENCE IN EARLY CHILDHOOD DEVELOPMENT: CREDITS: 64-67 (3361)

Description: The Associate in Applied Science (AAS) program in Early Childhood Development is designed to meet the needs of individuals who are interested in working in early childhood. The program emphasizes working with multi-linguistic and multi-cultural children. Upon completion students will be equipped to work effectively with children and families in both school and home environments and also initiate upward career movement or improve existing skills.

Program Notes:
+ indicates course has prerequisites and/or co requisites.
Student should consult with the Program Director prior to enrollment in ECH269, CFS/ECH284AA and EED261.
ECH269, Child Care Seminar and CFS/ECH284AA, Early Childhood Teaching Internship or EED261 Early Childhood Preschool Internship can only be taken after all courses have been completed in the Required Courses area.

Admission Criteria: None
Program Prerequisites: None

Required Courses: Credits 30
Students must earn a grade of “C” or better for each course listed in the “Required Courses” area.

CERTIFICATE OF COMPLETION IN EARLY CHILDHOOD DEVELOPMENT: MONTESSORI: CREDITS: 30 (5512)

Editor’s Note: The Certificate of Completion (CCL) and Associate in Applied Science (AAS) degree in Early Childhood Development: Montessori will discontinue effective the Fall 2010 semester.

Program Description: The Certificate of Completion (CCL) in Early Childhood Development: Montessori program is designed to meet the needs of individuals who are interested in working in the field of Montessori Education in preschools or for teachers who would like to use the concrete Montessori materials for remedial work in other educational settings.

Public school teachers, aides, and preschool teachers are welcome to enroll for state recertification hours with the permission of the Montessori Director when space is available. The certificate emphasizes working with multicultural children. Upon completion of the program, students will be equipped to work with children and families in both school and home environments.

Program Notes:
+ indicates course has prerequisites and/or co requisites. Students must earn a grade of “C” or better for all course listed within the program.

Students are eligible to apply for national Montessori certification after completing 21 semester hours in the Required Courses area. The 21 hours cannot include: CFS178, Survey of Early Childhood Education (3 credits), CFS242, Curriculum Planning for Diversity (3 credits), or CFS280, Children with Special Needs in Early Childhood Education (3 credits).

Individuals employed in state licensed early childhood facilities are required to meet regulatory standards in effect at the time of employment. This may typically include a fingerprint check, tuberculosis (TB) test and CPR first aid training. A nine month internship is required for national Montessori certification.

Admission Criteria: None
Program Prerequisites: None

MANAGEMENT - BUSINESS MANAGEMENT
Chairperson: Mark Nielsen

Associate in Applied Science in Business Management
Credits: 66-67 (3054)

Description: The Associate in Applied (AAS) degree in Business Management provides students with a basic inventory of skills and competencies that will meet their needs when they become practitioners in the field. Recognizing that many persons already involved in business and industry desire to improve their skills, the program also seeks to offer alternative for the increase of knowledge and the improvement of skills by current practitioners in the field.

Program Notes:
Students must earn a grade of “C” or better for all courses required within the program.
+ indicates course has prerequisite.

Admission Criteria: None
Program Prerequisites: None

MANAGEMENT - EMERGENCY MANAGEMENT
Chairperson: Mark Nielsen

Certificate/Degree:
Certificate of Completion in Emergency Management (5304)
Associate in Applied Science in Emergency Management (3018)

Certificate of Completion in Emergency Management: Credits: 18 (5304)

Description: The Certification of Completion (CCL) in Emergency Management provides the student with knowledge and skills required to conduct a comprehensive emergency management program. The program prepares
students to manage fire department operations, hazardous materials incidents, tactics, strategy, and safety of firefighting activities, and customer service in the public sector. The student will be prepared for positions such as Emergency Manager, Emergency Management Planner, Emergency Operations Coordinator, Environmental Compliance Planner, and Emergency Management Specialist, working in state, local, federal, and international governments, business and industry, military installations, and health care facilities.

Program Notes:
+ indicates course has prerequisites and/or co requisites. Students must earn a grade of “C” or better in all courses within the program.

Associate in Applied Science in General Business: Credits 61-63 (3148)

Description: The Associate in Applied Science (AAS) in General Business program meets the needs of students who wish a broad overview of business and desire not to enroll in a specialized curriculum in business. The program is designed to acquaint students with major subject areas of business, to improve the student’s business vocabulary, and to provide students with an understanding of influencing factors in business decision making and activities. In addition, this program could aid a student in recognizing a specific business field to be pursued in future studies. Although many courses will transfer to a four-year institution, some courses do not. This curriculum is not designed to meet the needs of students who wish to transfer to a four-year institution. A Certificate of Completion (CCL) is also available.

Program Notes:
+ indicates course has prerequisites and/or corequisites.
Students must earn a grade of “C” or better in all courses required within the program.

- **CFS205** Human Development (3) OR
- **HES100** Healthful Living (3) 3

**Natural Sciences: Credits: 4**
- **BIO160** Introduction to Human Anatomy and Physiology 4

**STORYTELLING**

**Chairperson: Dr. Jerome Garrison**

**Academic Certificate of Completion in Storytelling:**
**Credits 30 (6200)**

**Description:** The Academic Certificate (AC) in Storytelling is not designed to prepare students for employment in a specific occupation. This program is designed to provide students with an understanding of universal themes and basic practices, which are the foundation for storytelling. While completion of this certificate does not lead to a particular degree program, it does provide interactive storytelling training, which will enhance the skills of persons in areas such as education, library science, the arts, human relations, law, mental health, law enforcement, business, prevention programs, the ministry, and interpretive settings such as museums and parks. This program will also aid students interested in enhancing interpersonal relations skills and in using stories in family settings.
Program Notes:
+ indicates course has prerequisites and/or corequisites.
++ indicates any module.
Students must earn a grade of “C” or better in all courses within the program.

Admission Criteria: None
Program Prerequisites: None

Required Courses: Credits 18
STO289 courses may not be applied to both Required Courses and Restricted Electives areas.

+STO282AC Volunteerism for Education: A Service Learning Experience 3
STO286 Using Storytelling in a Variety of Settings (3) OR
EDU283AA/STO289AA Using Storytelling in Educational Settings (1) OR

TELECOMMUNICATIONS TECHNOLOGY
Chairperson: Mark Nielsen

Certificate of Completion in Telecommunications Technology: Credits: 16 (5992)

Description: The Certificate of Completion (CCL) in Telecommunications Technology provides students with the background to work in the telecommunications industry. Program content includes: Telephony (telephone), fiber optics, copper cabling, cable TV, and wireless. Emphasis is placed on providing the technical knowledge required to properly install, maintain, and service telecommunications networks.

Program Notes:
Students must earn a grade of “C” or higher for all courses required in the program.
+ indicates course has prerequisites and/or corequisites

Admission Criteria: None
Program Prerequisites: None

Required Courses: Credits 3
TLT101 Introduction to Telecommunications 3

Restricted Electives: Credits 13
TLT105 Cable (TV) Telecommunications I 3
TLT115 Telecommunications Electronics I 4
TLT118 Copper-Based Cabling 3
TLT204 Telephony 3
TLT206 Fiber Optics 3
Occupational Program Matrix
**DESCRIPTION**

The Maricopa County Community College Occupational Program Matrix identifies all programs currently available for offering within the 10 community colleges and two skill centers of the district. The programs are grouped under broad occupational areas as requested by the colleges. For specific information regarding individual programs, contact the college(s) listed as participating institutions.

The Maricopa Skill Center (MSC), a division of GateWay Community College, offers entry-level courses and programs for hands-on job training at 1245 E. Buckeye Road, Phoenix. The more than 200 courses and 60 non-credit programs at Maricopa Skill Center certificates are open-entry/open-exit, and self-paced. Several of our programs hold credit articulation agreements with ASU and Gateway Community College and most programs culminate in leading industry certifications.

### Accounting
- Accounting Associate Certificate Program
- Accounting Clerk Certificate Program
- Accounts Payable Clerk Certificate Program
- Accounts Receivable / Payable Clerk Certificate Program
- Payroll Clerk Certificate Program

### Administrative Assistant
- Administrative Assistant Certificate Program
- Administrative Clerk Certificate Program

### Computer Aided Drafting
- AutoCAD Draftsmen 2-D Technician Certificate Program
- AutoCAD Draftsmen 2-D, 3-D, & Solids Technician Certificate Program

### Computer Repair & Networking
- Computer Support Specialist Certificate Program

### Cosmetology
- Aesthetician Certificate Program
- Cosmetologist Certificate Program
- Nail Technician Certificate Program

### Customer Service
- Call Center Operator Certificate Program
- Customer Service Specialist Certificate Program

### Information Processor & Data Entry
- Data Entry Operator Certificate Program
- Information Processor Specialist Certificate Program
- Legal Administrative Assistant

### Printing
- Digital Press Operator Certificate Program
- Offset Press Operator Certificate Program

### Soldering
- IPC Certified Soldering

### Travel & Tourism
- Reservations & Hospitality Representative Certificate Program
- Travel & Tourism Specialist Certificate Program

### Medical Assistant
- Medical Administrative Assistant Certificate Program
- Medical Assistant Front & Back Office Certificate Program
- Medical Biller/Coder Certificate Program

### Nursing
- Practical Nursing Certificate Program

### Auto Body
- Auto Body Basic Metal Repair & Refinishing Certificate Program
- Auto Body Basic Metal Repair Certificate Program
- Auto Body Basic Refinishing Certificate Program

### Automation Technology
- Automation Technology Certificate Program

### Construction Trades
- Construction Trades with Introduction to HVAC Certificate Program
- Construction Trades Worker I Certificate Program
- Construction Trades Worker II Certificate Program
- Maintenance Carpenter Worker Certificate Program
- Maintenance Electrician Worker Certificate Program
- Maintenance Electrician Worker with Introduction to HVAC Certificate Program

### Construction Trades
- Maintenance Plumbing Worker Certificate Program

### Culinary Arts
- Baker Certificate Program
- Cook Certificate Program

### Industrial Spray Painter
- Industrial Spray Painter Certificate Program

### Machine Trades
- CNC Machinist Certificate Program
- Machinist’s Assistant Certificate Program
- Manual Machinist Certificate Program

### Meat Cutter
- Apprentice Meat Cutter Certificate Program
- Meat & Deli Counterperson Certificate Program
- Meat Department Helper Certificate Program
- Meat Room Cleanup Certificate Program
- Portion Control Cutter Certificate Program
- Self-service Meat Wrapper Certificate Program

### Welding
- Arc Welder Certificate Program
- Combination Welder - 2 Process Certificate Program
- Combination Welder - 3 Process Certificate Program
- Combination Welder - 3 Process with Intro to Pipe Welding Certificate Program
- Combination Welder - 4 Process Certificate Program
- Flux Core Welder Certificate Program
- MIG Welder Certificate Program
- TIG Welder/TIG Fingertip Welder Certificate Program

### Accounting
- Small Business Accounting Course Bundle

### Online/Hybrid Delivery Programs
- Automation Technology Certificate Program
The SouthWest Skill Center at Estrella Mountain Community College, located at 3000 North Dysart Road, Avondale, offers entry-level courses and programs for hands-on job training.

Our Programs are listed below and reference any certificate issued by that program:

Distribution Logistics Technician Program
Certified Distribution Logistics Technician (2/2008)

Emergency Medical Technology Program
Emergency Medical Technician (1/2008)

Medical Assistant Program
Medical Assistant Front/Back Office
Medical Assistant Front Office
Medical Assistant Back Office
Medical Billing & Coding
Phlebotomy (beginning 7/1/2006)

Nursing Programs
Nurse Assistant Program
Practical Nurse Program

In collaboration and partnership with the healthcare community and its response to the dynamic changes occurring in the healthcare arena and healthcare professions’ practice, the Maricopa Community Colleges integrated the curriculum of all allied health and nursing programs. All allied health or nursing program pathways and educational offerings emphasize the achievement of relevant competencies and provide value to the individual, the employer, and the community. As a result, graduates of the various allied health or nursing program pathways will meet the community’s demand for a flexible, multi-skilled healthcare workforce that meets employer and consumer needs. Refer to individual college catalogs for specific healthcare program pathways. For further information, http://healthcare.maricopa.edu is a comprehensive information source.

Allied Health or Nursing Assumption of Risk/Release of Liability

Most of the allied health or nursing program pathways include a program of study in a clinical training environment which may contain exposures to risks inherent in patient-oriented educational experiences, such as but not limited to, bodily injury or communicable and infectious diseases. Students enrolling in clinical educational courses will be asked to sign a statement assuming all risks inherent in their coursework.

Use of Confidential Information

Students enrolled in allied health or nursing program pathways will have learning experiences in a healthcare setting where they will have access to confidential information. Prior to beginning any clinical studies, the students will be asked to sign an agreement to adhere to the requirements of those clinical sites and applicable law, including the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

Allied Health or Nursing College of Attendance

As the allied health or nursing programs are integrated across the Maricopa County Community College District, college of attendance requirements for the completion of the healthcare program pathways can be met through the completion of coursework taken at all the Maricopa Community Colleges and Skill Centers.

Requirement of Background Check

Students enrolled in an allied health or nursing program will be in clinical learning experiences, working with children, elderly persons, and other vulnerable populations. Healthcare agency policies require evidence of background clearance prior to entering such learning experiences. The background clearance will consist of a fingerprint clearance, verification of social security number, and a periodic query of the Office of the Inspector General (OIG) List of Excluded Individuals/Entities (LEIE) List. ARS §15-1881 provides the Department of Public Safety the authority to conduct background checks and issue clearance cards to healthcare students for the purpose of meeting the requirements for clinical training. Students seeking enrollment into health programs will be required to provide a current clearance card provided by DPS as evidence of an independent background check that meets healthcare industry standards. Individual programs will establish program policy regarding when the background check needs to be completed, either at the time of application to or enrollment in clinical courses. Evidence of a completed background clearance must be maintained for the duration of time of program enrollment. It is advised that students carry proof of the background clearance at all times.
during any agency learning experience. Any change in status that would affect the background clearance of a healthcare student may result in the interruption of student progress or dismissal from the program.

**Note:** Certain licensing boards may require a separate background check or clearance card upon application for licensure or certification.

**Duty to Report**
All students enrolled in health programs holding or receiving certification or licensure as a healthcare professional from a US state or territory must remain in good standing with that agency. Students receiving any disciplinary action against their certification and/or license must notify the program director within five (5) business days. Any student who is placed on the Office of the Inspector General (OIG) List of Excluded Individuals/Entities List must notify their program director within five (5) business days. Any student who has his/her fingerprint clearance card revoked, suspended, or modified in any way must notify the program director within five (5) business days. The program director reserves the right to restrict the student’s participation in clinical experience and involvement in patient care until the certificate or license is valid and unrestricted as determined by the agency who issued the disciplinary action; the student is removed from the OIG Exclusion List; and/or the fingerprint card is valid and unrestricted.

**Waiver of Licensure/Certificate Guarantee**
Many of the nursing and allied health programs prepare graduates for application for State or National certificates or licenses. In some professions, such licensure and certification is required prior to employment or practice in the profession. Graduation from a nursing and allied health program does not guarantee the receipt of a license or certificate to practice in the field of study.
Graduation Policies
 DISTRICT-WIDE PROGRAMS

CATALOG UNDER WHICH A STUDENT GRADUATES

Students maintaining continuous enrollment at any public Arizona community college or university may graduate according to the requirements of the catalog in effect at the time of initial enrollment or according to the requirements of any single catalog in effect during subsequent terms of continuous enrollment. Students may maintain continuous enrollment whether attending a single public community college or university in Arizona or transferring among public institutions in Arizona while pursuing their degrees.

1. A semester in which a student earns course credit will be counted toward continuous enrollment. Non-credit courses, audited courses, failed courses, or courses from which the student withdraws do not count toward the determination of continuous enrollment for catalog purposes.

EXAMPLE A:
Admitted & Earned Course Credit at a Public Community
College or University Fall '05 (Active)
Continued at a Public Community College Spring '06, Fall '06 (Active)
Transferred to a University Spring '07 (2005 or Any Subsequent Catalog)

EXAMPLE B:
Admitted & Earned Course Credit at a Public Community
College or University Fall '02 (Active)
Enrolled But Earned All Ws, Zs, or Fs Spring '03 (Inactive)
Enrolled in Audit Courses Only Fall '03 (Inactive)
Nonattendance Spring '04 (Inactive)
Transferred to a University Fall '04 (2004 or Any Subsequent Catalog)

2. Students who do not meet the minimum enrollment standard stipulated in No. 1 during three consecutive semesters (fall/spring) and the intervening summer term* at any public Arizona community college or university are no longer considered continuously enrolled, and must meet requirements of the public Arizona community college or university catalog in effect at the time they are readmitted or of any single catalog in effect during subsequent terms of continuous enrollment after readmission.

EXAMPLE A:
Admitted & Earned Course Credit at a Public Community
College or University Fall '02 (Active)
Nonattendance Spring '03, Fall '03, Spring '04 (Inactive)
Readmitted & Earned Course Credit at a Public Community College Fall 04 (Active)
Transferred to a University Spring 05 (2004 or Any Subsequent Catalog)

EXAMPLE B:
Admitted & Earned Course Credit at a
Public Community College or University Fall '02 (Active)
Nonattendance Spring '03 (Inactive)
Readmitted & Earned Course Credit at a Public Community College Summer ' 03 (Active)
Nonattendance Fall ' 03, Spring ' 04 (Inactive)
Transferred to a University Fall '04 (2002 or Any Subsequent Catalog)

*Students are not obligated to enroll and earn course credit during summer terms, but summer enrollment may be used to maintain continuous enrollment status.

3. Students admitted or readmitted to a public Arizona community college or university during a summer term must follow the requirements of the catalog in effect the following fall semester or of any single catalog in effect during subsequent terms of continuous enrollment.

EXAMPLE:
Admitted & Earned Course Credit at a Public Community
College or University Summer ' 04 (Active)
Continued at a Public Community College Fall '04, Spring '05 (Active)

4. Students transferring among Arizona public higher education institutions must meet the admission requirements, residency requirements, and all curricular and academic requirements of the degree-granting institution.

**NOTE:**

University Department Time Limit for Transfer Coursework.

In areas of study in which the subject matter changes rapidly, material in courses taken long before graduation may become obsolete or irrelevant. Coursework that is more than eight years old is applicable to completion of degree requirements at the discretion of the student’s major department at the university. University departments may accept such coursework, reject it, or request that the student revalidate its substance. The eight-year limit on coursework applies except when program accreditation agencies limit the life of coursework to fewer than eight years. University departments may also require students to satisfy current major requirements rather than major requirements in earlier catalogs, when completing earlier requirements is no longer possible or educationally sound.

The college reserves the right to make necessary course and program changes in order to meet current educational standards.

### GENERAL GRADUATION REQUIREMENTS

All students are required to complete the degree and/or certificate requirements as approved by the MCCCDD Governing Board. The college reserves the right to make necessary course and program changes in order to meet current educational standards. In addition, students must:

1. be credited in the Admissions and Records Office/Office of Student Enrollment with not fewer than: 60 semester credit units in courses numbered 100 or above for the Associate in Arts degree, Associate in Science degree, Associate in Transfer Partnership degree, and Associate in General Studies degree; 60 semester credit units for the Associate in Applied Science degree; 62 semester credits for the Associate in Business degrees. For specific certificate programs, be credited with not fewer than the minimum total of credit units required for the certificate program.

Students not continuously enrolled, as outlined in the Catalog Under Which a Student Graduates policy, must satisfy current graduation requirements.

2. have earned a minimum of 12 semester credit units toward the degree or certificate at the district college granting the degree or certificate. The 12 hours in the AAS degree curricula may be in the Required Courses area and/or Restricted Electives courses. Courses from the General Education Core and Distribution area are excluded. In cases where the certificate requires fewer than 12 credit units, a minimum of six credit units must be completed at the college granting the certificate. The minimum of six credit hours in the certificate or degree curricula may be in the Required Courses area and/or the Restricted Electives. Courses from the General Education Core and Distribution areas are excluded;

Shared Programs are programs offered at multiple colleges but not available at all colleges. The requirements are identical at all the colleges offering the program.

A shared program requires a minimum of six credit hours from the total program requirements to be completed with a grade of “C” or better at the college awarding the certificate or degree. The exception is the Nursing program. For those shared programs with less than six credit hours, the total hours for the program must be completed at the college awarding the certificate.

3. have filed an application for the degree or certificate with the Admissions and Records Office/Office of Student Enrollment Services on the date determined by the college/center.

Students must apply for graduation from the college where they have successfully completed Block 4 of the Associate in Applied Science in Nursing.

4. have a minimum cumulative grade point average of 2.000 at the college granting the degree.

5. have a minimum cumulative grade point average of 2.000 in all courses used to fulfill degree requirements Some specific programs have higher grade requirements. It is the student’s responsibility to be aware of these program requirements.

6. have removed, thirty (30) days after the anticipated graduation date, all deficiencies on the record to use those courses toward program completion.

7. have removed any indebtedness to any MCCCDD college/center.
8. have paid required degree or certificate application fee.

See fee schedule for charges.

See Graduation with Honors for information on honors designation.

CERTIFICATES/DEGREES
The Maricopa Community Colleges offer Certificates of Completion as well as Associate Degrees, one of which is conferred on each student who has completed a program of study. These certificates and degrees are as follows: (1) Certificate of Completion (Career Program Specified); (2) Academic Certificate; (3) General Education Certificate; (4) Associate in Arts; (5) Associate in Science; (6) Associate in Business; (7) Associate in General Studies; (8) Associate in Transfer Partnership; (9) Associate in Applied Science (Career Program Specified).

All candidates for a degree and/or certificate must complete the General Graduation Requirements as approved by the MCCCD Governing Board.

All students are urged to meet with a faculty advisor, program advisor or counselor as soon as possible to determine which program meets their needs and to plan their course of study.

GRADUATE GUARANTEE POLICY
The Governing Board believes so strongly in the quality of its colleges' occupational training programs that it guarantees graduate competence.

1. Graduation from an Associate of Applied Science (AAS) is designed to prepare a person for entry-level employment in a specific career field. A graduate's ability to perform approved program competencies will be judged by employers. Should the employer of a graduate who has earned an AAS Degree find the employee lacking in the technical skills normally expected of an entry-level employee in the specific career field for which that graduate prepared, the District will provide the graduate with up to the equivalent of twelve (12) credit hours of retraining for no additional tuition.

2. Because technical occupations change rapidly, initial employment in an AAS Degree-related field must occur within one year of graduation from the AAS Degree program in question.

Retraining needs to occur as cost effectively as possible. The graduate's employer must present a list of the graduate's skill deficiencies to the appropriate vice president or designee at the graduate's alma mater. All retraining will be completed in a reasonable time as agreed to by the employer, the student, and the college.

LICENSURE DISCLAIMER
Maricopa Community Colleges courses and programs prepare students for entry into a variety of professions. Many of these professions require that a person hold an occupational license or certificate in order to work in a particular field. Typically, a person must meet certain legal requirements before obtaining such a license or certificate. These requirements are established by county, state or federal agencies, and often are based on a person's character, or whether the person has been convicted of a criminal offense. It is possible for a student who has obtained a degree or certificate from a community college to be denied the right to work in a particular profession after completing the degree or certificate because of concerns over the student's character or criminal background. Any student preparing to enter a field for which a professional license or certificate is required is strongly advised to consult with the appropriate government agency that issues such credentials. That agency can provide the student complete information about any requirements the law imposes for working in a particular occupation.
District Wide Programs
MCCCD General Education Statement

The general education core of the program of study for an associate degree or a certificate helps students develop a greater understanding of themselves, of their relationship with others, and of the richly diverse world in which they live. The general education experience provides students with opportunities to explore broad areas of commonly held knowledge and prepares them to contribute to society through personal, social, and professional interactions with others. General education fosters students’ personal development by opening them to new directions, perspectives, and processes.

Through its general education requirements, the Maricopa County Community College District is committed to helping students develop qualities and skills that will serve them throughout their lives. General education opportunities encourage students to:

- Build self-awareness, self-respect, and self-confidence
- Recognize and respect the beliefs, traditions, abilities, and customs of all people and all cultures
- Consider the local, global, and environmental impacts of personal, professional, and social decisions and actions
- Access, evaluate, analyze, synthesize, and use information wisely
- Communicate effectively personally, socially, and professionally
- Think critically, make informed decisions, solve problems, and implement decisions
- Consider the ethical implications of their choices
- Value the learning process throughout their lives
- Integrate and connect ideas and events in a historical perspective, and see relationships among the past, the present, and the future
- Develop a personal sense of aesthetics
- Use technological resources appropriately and productively
- Work cooperatively and respectfully with others to serve their communities

The general education experience at MCCCD is composed of specific elements across the curriculum designed to provide the learner with essential knowledge and skills:

- Communication
- Arts and Humanities
- Numeracy
- Scientific Inquiry in the Natural and Social Sciences
- Information Literacy
- Problem-Solving and Critical Thinking
- Cultural Diversity

Arizona General Education Curriculum (AGEC) – A, B, S

Description
The Maricopa County Community College District Arizona General Education Curriculum (MCCCD AGEC) is a 35-38 semester-credit general education certificate that fulfills lower-division general education requirements for students planning to transfer to any Arizona public community college or university. Generally, the MCCCD AGEC transfers as a block without loss of credit.

In most cases, all courses used to satisfy the MCCCD AGEC will apply to graduation requirements of the university major for which the AGEC was designed.

For students planning to pursue an associate degree or transfer to an Arizona public community college or university, the AGEC A is a component of the MCCCD Associate in Arts, the AGEC B is a component of the MCCCD Associate in Business, and the AGEC S is a component of the MCCCD Associate in Science.

Purpose of the AGECs

There are three types of MCCCD AGECs. They are the AGEC A, the AGEC B, and the AGEC S. Designed to articulate with different academic majors, their requirements vary accordingly. Additional information on academic majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

1. The AGEC A is designed to satisfy requirements in many liberal arts majors as well as other majors that articulate with the Associate in Arts (e.g., social sciences, fine arts, humanities). AGEC A requires a minimum of college mathematics or college algebra to satisfy the Mathematics [MA] requirement. AGEC A Mathematics requirement is less stringent than the AGEC B and AGEC S. AGEC A and AGEC B Natural Sciences requirements are less stringent than AGEC S.

2. The AGEC B is designed to satisfy requirements in business majors that articulate with the Associate in
DISTRICT WIDE PROGRAMS

Business. AGEC B requires a minimum of brief calculus to satisfy the Mathematics [MA] requirement.

3. The AGEC S is designed to satisfy requirements in majors with more prescriptive mathematics and mathematics-based science requirements. AGEC S articulates with the Associate in Science. AGEC S requires a minimum of the first course in a calculus sequence to satisfy the Mathematics [MA] requirement, and a minimum of eight credits of either university chemistry, university physics or general biology to satisfy the Natural Sciences [SQ/SG] requirement. In addition, students must select six to eight additional credits of math and/or science appropriate to the major.

Academic Policies that Govern the AGEC A, B, S:

- Requires 35-38 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better. Credit units transferred from outside of the district need to be at a grade of “C” or better. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent; A minimum of 60 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better; On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions;

- Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC;

- Uses the following policies to help students complete the required Core and Awareness Areas without exceeding the 35-38 semester credits
  1. Courses can satisfy a Core area and one or two Awareness areas simultaneously.
  2. A course cannot be used to satisfy more than one Core area requirement in the AGEC A and B.
  3. A course can be used to satisfy the L and SB or L and HU requirements simultaneously in the Core area for the AGEC S.

- Follows the general education policy below:

  General Education Designations (example: (FYC), [SB], [HU], etc.) Effective fall 2000 the course evaluation and/or the general education designation as listed in the Arizona CEG (Course Equivalency Guide) within the Arizona Course Applicability System (AZCAS) is valid for the term in which the student is awarded credit on the transcript.

  A course evaluation and/or general education designation may be subject to change. Given that curriculum is dynamic at both MCCCD and the institutions to which MCCCD students transfer, students have the option to petition for course evaluations and/or general education designations.

  - Require courses that transfer as equivalent courses, departmental elective credit (XXXXDEC), or general elective credit (Elective) at all Arizona public universities according to the Arizona CEG (Course Equivalency Guide). The course evaluation and/or general education designation as listed in AZCAS is valid for the term in which the student is awarded credit on the transcript;

  - Require that a minimum of 12 semester credits of course work be taken at any of the MCCCD colleges;

  - Include both courses and their modular equivalents, either the course or the modular equivalents will satisfy the AGEC;

  - Accept one of the courses that is cross-referenced with other courses;

  - Provide for exemption from Arizona university admission requirements for: Students who complete the AGEC A, AGEC B, or AGEC S with a minimum 2.5 on a 4.0=A scale, or students who complete an associate or higher degree from a regionally accredited post-secondary institution with a minimum 2.0 on a 4.0=A scale for Arizona residents and a minimum 2.5 on a 4.0=A scale for non-residents.

AGEC Requirements

The 35-38 semester credits required for each of the three AGECs follow. See the list entitled MCCCD Courses That Can Be Used to Satisfy MCCCD AGEC A, AGEC B and/or AGEC S for specific course information via the following website: www.maricopa.edu/academic/ccta/

The list identifies the courses in alpha-order by prefix as well as the different Core Areas and Awareness Areas where the course will apply

<table>
<thead>
<tr>
<th>Credits</th>
<th>A. Core Areas:</th>
</tr>
</thead>
<tbody>
<tr>
<td>35</td>
<td>1. First-Year Composition (FYC) 6</td>
</tr>
<tr>
<td></td>
<td>2. Literacy and Critical Inquiry [L] 0-3</td>
</tr>
<tr>
<td></td>
<td>AGEC A &amp; AGEC B: Select a course that satisfies the [L] requirement (3)</td>
</tr>
<tr>
<td></td>
<td>AGEC S: Select a course that satisfies L and SB (Social and Behavioral Sciences) OR L and HU (Humanities and Fine Arts) requirements simultaneously (0-3)</td>
</tr>
</tbody>
</table>
3. Mathematical Studies [MA/CS]  4-6

The Mathematics [MA] requirement differs for AGEC A, AGEC B, and AGEC S.

To complete the Mathematical Studies requirement for AGEC A and AGEC B, select one course to satisfy Mathematics [MA], and a second course from Computer/Statistics/Quantitative Applications [CS]. AGEC S does not require the [CS] area.

AGEC A requires;
   a. Mathematics [MA] (3 credits) AND
      (Requires a course in college mathematics (MAT142) or college algebra (MAT 150, MAT 151, MAT152) or pre calculus (MAT 187) or any other mathematics course designated with the MA general education value and for which college algebra is a pre-requisite.)
   b. Computer/Statistics/Quantitative Applications [CS] (3 credits)

AGEC B requires;
   a. Mathematics [MA] (3 credits) AND
      (Requires a course in brief calculus (MAT212) or a higher level mathematics course (MAT216, MAT220, or MAT221 or any course for which these courses are prerequisites).
   b. Computer/Statistics/Quantitative Applications [CS] (3 credits) CIS105 Survey of Computer Information Systems

AGEC S requires;
   a. Mathematics [MA] (4 credits) AND
      Requires a calculus course (MAT220 or MAT221) OR any mathematics course for which MAT220 or MAT221 are prerequisites OR if pursuing a degree at ASU in Life Sciences select MAT251 Calculus for Life Science.

4. Humanities and Fine Arts [HU]  6

AGEC A and AGEC B: Students are encouraged to choose courses from more than one discipline for a total of six semester credits.

AGEC S: Select a course that satisfies both L and SB or L and HU requirements simultaneously.

5. Social and Behavioral Sciences [SB]  6

AGEC A and AGEC B: Students are encouraged to choose courses from more than one discipline for a total of six semester credits.

AGEC S: Select a course that satisfies both L and SB (Social and Behavioral Sciences) or L and HU (Humanities and Fine Arts) requirements simultaneously

6. Natural Sciences [SQ/SG]  8

To complete the Natural Sciences requirement:

AGEC A and AGEC B require four (4) semester credits of [SQ] and four (4) semester credits of [SG] for a total of eight (8) semester credits, OR eight (8) semester credits of [SQ]. Students cannot take eight (8) semester credits of [SG] to meet the Natural Sciences requirement.

The Natural Sciences requirement differs for AGEC S. AGEC S requires eight (8) semester credits of either university chemistry or eight (8) semester credits of university physics or eight (8) semester credits of general biology appropriate to the major.

The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course. The lecture and corresponding laboratory course(s) may carry separate credit. Students should consult with an advisor for appropriate course selection. Students should also access the AZ Course Equivalency Guide (CEG) within the AZ Course Applicability System (AZCAS) for information on equivalencies.

7. Subject Options (Subject based on major) (AGEC S)  6-8

Students completing AGEC S, through careful selection of courses that meet the other major or pre-requisite requirements for Science degrees, will meet this requirement. Using a transfer guide, select Mathematics courses above Calculus, and/or Science courses from: Astronomy, Biology, Botany, Chemistry, Environmental Science, Geology, Physical Geography, Physics, Zoology.

B. Awareness Areas:

Students must satisfy two Awareness areas: Cultural Diversity in United States [C] and either Global Awareness [G] or Historical Awareness [H]. However, it is not necessary for students to exceed thirty-five to thirty-eight semester credits to complete any of the three MCCCD AGECs because courses can satisfy a Core area and one or two Awareness areas simultaneously. Therefore, no additional semester credits are required to satisfy the two Awareness areas.

1. Cultural Diversity in the United States [C] AND
2. Global Awareness [G] OR
3. Historical Awareness [H]

AGEC Area Requirements Descriptions/Definitions

CORE AREAS

First-Year Composition (FYC)

Courses must be completed with a grade of “C” or better in the First-Year Composition Core area. Courses must
Mathematics [MA] AGEC A
The AGEC A Mathematics Core area requires a course in college mathematics, college algebra, pre-calculus, or any other mathematics course for which college algebra is a prerequisite.

Mathematics [MA] AGEC B
The AGEC B Mathematics Core area requires a course in Brief Calculus or a higher level mathematics course.

Mathematics [MA] AGEC S
The AGEC S Mathematics Core area requires the first course in the calculus sequence or any mathematics course for which that course is a prerequisite. MAT251 is required if transferring to a Life Sciences degree at Arizona State University (ASU).

Computer/Statistics/Quantitative Applications [CS]
AGEC A, B [CS] requires: courses that emphasize the use of statistics or other mathematical methods in the interpretation of data and in describing and understanding quantitative relationships, courses that involve the use of computer programming languages or software in the development of skills in analytical thinking. AGEC B specifies CIS105 as the course that meets the [CS] requirement.

Literacy and Critical Inquiry [L]
Courses must be completed with a grade of “C” or better in the Literacy and Critical Inquiry Core area. In the [L] course, typically at the sophomore level, students gather, interpret, and evaluate evidence and express their findings in writing or speech. This course includes a series of graded written or spoken formal assignments.

For AGEC S, students will select a course that satisfies both Literacy and Social & Behavioral Sciences or Literacy and Humanities and Fine Arts requirements simultaneously.

Literacy is defined broadly as communicative competence in written and oral discourse; critical inquiry is defined as the gathering, interpreting, and evaluating of evidence. Building on the proficiency attained in traditional First-Year Composition courses, the Literacy and Critical Inquiry requirement helps students sustain and extend their ability to reason critically and communicate clearly through language.

Mathematical Studies
Courses must be completed with a grade of “C” or better in the Mathematical Studies Core Area. One course must be selected from Mathematics [MA]. In AGEC A and AGEC B, a second course must be selected from Computer/Statistics/Quantitative Applications [CS].

The Mathematical Studies requirement is intended to ensure that students have skill in basic mathematics, can use mathematical analysis in their chosen fields, and can understand how computers make mathematical analysis more powerful and efficient.

First, the acquisition of essential skill in basic mathematics requires the student to complete a course in college algebra or to demonstrate a higher level of skill by completing a course for which college algebra is a prerequisite.

Second, the real-world application of mathematical reasoning requires the student to take a course in statistics or the use of quantitative analysis to solve problems of substance.

Third, the use of the computer to assist in serious analytical work is required. Computers are widely used to study the implications of social decisions or to model physical systems.

Humanities and Fine Arts [HU]
Courses must be completed with a grade of “C” or better in the Humanities and Fine Arts Core area. Students are encouraged to choose coursework from more than one discipline. The Humanities and Fine Arts Core area enables students to broaden and deepen their consideration of basic human values and their interpretation of the experiences of human beings.

The humanities are concerned with questions of human existence and the universality of human life, questions of meaning and the nature of thinking and knowing, and questions of moral, aesthetic, and other human values. The humanities investigate these questions in both the present and the past and make use of philosophy, foreign languages, linguistics and communications studies, religious studies, literature, and fine arts.

The fine arts constitute the artist’s creative deliberation about reality, meaning, knowledge, and values.

Social and Behavioral Sciences [SB]
Courses must be completed with a grade of “C” or better in the Social and Behavioral Sciences Core area. Students are encouraged to choose course work from more than one discipline.

The Social and Behavioral Sciences Core area provides scientific methods of inquiry and empirical knowledge about human behavior, both within society and within individuals. The forms of study may be cultural, economic, geographic, historical, linguistic, political, psychological, or social. The courses in this area address the challenge of understanding the diverse natures of individuals and cultural groups who live together in a world of diminishing economic, linguistic, military, political, and social distance.

Natural Sciences [SQ/SQ]
Courses must be completed with a grade of “C” or better in the Natural Sciences Core area.

Courses in the Natural Sciences Core area help the student to develop an appreciation of the scope and limitations of
scientific capability to contribute to the quality of society. This Core area emphasizes knowledge of methods of scientific inquiry and mastery of basic scientific principles and concepts, in particular those that relate to matter and energy in living and non-living systems. Firsthand exposure to scientific phenomena in the laboratory is important in developing and understanding the concepts, principles, and vocabulary of science. At least one of the two laboratory courses required in the Natural Sciences Core area must include an introduction to the fundamental behavior of matter and energy in physical or biological systems.

**Natural Sciences [SQ] A & B**
The AGEC A and B Natural Sciences Core area requires one laboratory course in natural sciences that includes a substantial introduction to the fundamental behavior of matter and energy in physical or biological systems.

**Natural Sciences [SG] A & B**
The AGEC A and B Natural Sciences Core area requires a second laboratory course in the natural sciences, for example, from anthropology, astronomy, biology, chemistry, experimental psychology, geology, microbiology, physical anthropology, physical geography, physics, plant biology

**Natural Sciences S**
The AGEC S Natural Sciences Core area requires eight semester credits of either university chemistry or eight semester credits of university physics or eight semester credits of general biology appropriate to the major.

\[
\begin{align*}
\text{SQ} &= \text{Natural Science-Quantitative} \\
\text{SG} &= \text{Natural Science-General}
\end{align*}
\]

**Subject Options (for AGEC S)**
Courses in the Subject Options area help the student to be prepared for specific majors in science. Students completing AGEC S, through careful selection of courses that meet the other major or prerequisite requirements for Science degree, will meet this requirement. Using a transfer guide, courses would be selected from Mathematics courses above Calculus, and/or Science courses from: Astronomy, Biology, Botany, Chemistry, Environmental Science, Geology, Physical Geography, Physics, Zoology.

**Awareness Areas**
Students must satisfy two Awareness areas: Cultural Diversity in U.S. and either Global Awareness or Historical Awareness. Courses can satisfy a Core area and one or two Awareness areas simultaneously. Therefore, no additional semester credits are required to satisfy the two Awareness areas.

**Cultural Diversity in the United States [C]**
The contemporary “culture” of the United States involves the complex interplay of many different cultures that exist side by side in various states of harmony and conflict. U.S. history involves the experiences not only of different groups of European immigrants and their descendants, but also of diverse groups of American Indians, Hispanic Americans, African Americans and Asian Americans—all of whom played significant roles in the development of contemporary culture and together shape the future of the United States. At the same time, the recognition that gender, class, and religious differences cut across all distinctions of race and ethnicity offers an even richer variety of perspectives from which to view one. Awareness of cultural diversity and its multiple sources can illuminate the collective past, present, and future and can help to foster greater mutual understanding and respect.

The objective of the Cultural Diversity area requirement is to promote awareness of and appreciation for cultural diversity within the contemporary United States. This is accomplished through the study of the cultural, social, or scientific contributions of women and minority groups, examination of their experiences in the United States, or exploration of successful or unsuccessful interactions between and among cultural groups.

**Global Awareness [G]**
Human organizations and relationships have evolved from being family and village centered to the modern global interdependence that is apparent in many disciplines—for example, contemporary art, business, engineering, music, and the natural and social sciences. Many serious local and national problems are world issues that require solutions which exhibit mutuality and reciprocity. These problems occur in a wide variety of activities, such as food supply, ecology, health care delivery, language planning, information exchange, economic and social developments, law, technology transfer, and even philosophy and the arts. The Global Awareness Area recognizes the need for an understanding of the values, elements, and social processes of cultures other than the culture of the United States. The Global Awareness Area includes courses that recognize the nature of other contemporary cultures and the relationship of the American cultural system to generic human goals and welfare.

Courses that satisfy the global awareness option in the requirements are of one or more of the following types:

1. Area studies that are concerned with an examination of culture-specific elements of a region of the world;
2. The study of a non-English language;
3. Studies of international relationships, particularly those in which cultural change is facilitated by such factors as social and economic development, education, and the transfer of technology; and
4. Studies of cultural interrelationships of global scope such as the global interdependence produced by problems of world ecology.
Historical Awareness [H]  
The Historical Awareness Area option in the requirements aims to develop a knowledge of the past that can be useful in shaping the present and future. Because historical forces and traditions have created modern life and lie just beneath its surface, historical awareness is an aid in the analysis of present-day problems. Also, because the historical past is a source of social and national identity, historical study can produce intercultural understanding by tracing cultural differences to their origins. Even the remote past may have instructive analogies for the present.

The Historical Awareness Area consists of courses that are historical in method and content. In this area, the term “history” designates a sequence of past events or a narrative whose intent or effect is to represent such a sequence.

The requirement presumes that these are human events and that history includes all that has been felt, thought, imagined, said, and done by human beings. History is present in the languages, art, music, literature, philosophy, religion, and the natural sciences, as well as in the social science traditionally called history.

Academic Policies that Govern the Associate in Arts Degree

- Completion of the Associate in Arts and the AGEC-A provides for exemption from Arizona public university admission requirements for Arizona residents who have a minimum Grade Point Average of 2.0 on a 4.0=A scale and a minimum 2.5 on a 4.0=A scale for non-residents.

- The graduation policies within the general catalog must be satisfied for completion of the Associate in Arts degree.

- A minimum of 60 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better. Credit units transferred from outside of the district need to be at a grade of “C” or better. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent. On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions.

- Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC.

- The General Education Requirements for AGEC-A may be completed in 35 semester credits with the following stipulations
  - Courses can satisfy a Core Area and one or two Awareness Areas simultaneously
  - A course cannot be used to satisfy more than one Core Area

- General Education Courses can satisfy multiple areas within the degree simultaneously (AGEC-A Core Area, AGEC Awareness Area, MCCCD Additional Requirements, or lower-division courses applicable to the major).

Academic Policies that Govern the Associate in Arts Degree Continued:

- Effective Fall 2000, the course evaluation and/or general education designation as listed in the Arizona Course Equivalency Guide (CEG) within the Arizona Course Applicability System (AZCAS), is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Students do have the option to petition for general education evaluations and/or general education designations upon transfer.

- Courses completed at one of the Maricopa Community Colleges to meet AGEC-A requirements must be listed in...
the Course Equivalency Guide within the Arizona Course Applicability System as an equivalent course, departmental elective credit (XXXXDEC), or general elective credit (Elective) at all Arizona public universities. The course's evaluation and/or general education designation is valid for the term in which the student is awarded credit on the transcript. See the list titled MCCCD Courses That Can Be used to Satisfy MCCCD AGEC-A, AGEC-B, and/or AGEC-S for specific course information via the following website: www.maricopa.edu/academic/ccta/

- Courses completed at one of the Maricopa Community Colleges to meet the General Electives requirement must be transferable to the university or universities to which the student plans to transfer, as elective credit or better. For appropriate course selection, students should consult with an advisor.

- Courses transferred from another regionally accredited institution to one of the Maricopa Community Colleges will be evaluated by the college for inclusion in the AGEC-A or Associate in Arts Degree.

- Courses and their modular equivalents will satisfy AGEC-A and Associate in Arts requirements.

- If a course is cross-referenced with one or more other courses, then only one of the cross-referenced courses will be accepted to meet requirements.

- Courses completed at one of the Maricopa Community Colleges to satisfy Common Courses must be transferable as elective or better to the universities that have the shared majors listed on a Common Course Matrix. A shared major is a university degree program that has similar academic preparation to one or more degree programs at other Arizona public universities as listed on the Common Course Matrices. For appropriate course selection, students should consult with an advisor.

### Degree Requirements

The 60-64 semester credits required for the Associate in Arts follow. See the list titled MCCCD Courses That Can Be used to Satisfy MCCCD AGEC-A, AGEC-B, and/or AGEC-S for specific course information via the following website: www.maricopa.edu/academic/ccta/ This list identifies the courses in alpha-order by prefix as well as the Core Areas and Awareness Areas where the course will apply. For purposes of clarifying requirements in the Mathematics and Natural Sciences areas on the list and the AGEC requirements, an A, B, and/or S character may follow the [MA], [SQ], [SG] general education designations and refers to the specific AGEC.

#### I. MCCCD General Education

The MCCCD General Education includes two areas: MCCCD AGEC-A and MCCCD Additional Requirements.

##### MCCCD AGEC-A

1. Core Areas:

   a. First-Year Composition (FYC) 6
   b. Literacy and Critical Inquiry [L] 3
   c. Mathematical Studies [MA/CS] 6

   To complete the Mathematical Studies requirement, select one course to satisfy Mathematics [MA] A and a second course from Computer/Statistics/Quantitative Applications [CS].

   1) Mathematics [MA] A (3 credits)

      Note: requires a course in college mathematics (MAT142) or college algebra (MAT 150, MAT 151, MAT152) or pre calculus (MAT 187) or any other mathematics course designated with the MA general education value and for which college algebra is a pre-requisite.

   AND

   2) Computer/Statistics/Quantitative Applications [CS] (3 credits)

   d. Humanities and Fine Arts [HU] 6

   Students are encouraged to choose course work from more than one discipline for a total of six semester credits.

   e. Social and Behavioral Sciences [SB] 6

   Students are encouraged to choose course work from more than one discipline for a total of six semester credits.

   f. Natural Sciences [SQ/SG] 8

   To complete the Natural Sciences requirement: Select four (4) semester credits of [SQ] and four (4) semester credits of [SG] for a total of eight (8) semester credits, OR eight (8) semester credits of [SQ]. Students can not take eight (8) semester credits of [SG] to meet the Natural Sciences requirement.

   The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course. The lecture and corresponding laboratory course(s) may carry separate credit. Students should consult with an advisor for appropriate course selection. Students should also access the AZ Course Equivalency Guide (CEG) within the AZ Course Applicability System (AZCAS) for information on equivalencies.

2. Awareness Areas:

   Students must satisfy two Awareness Areas: Cultural Diversity in the United States [C] and either Global Awareness [G] or Historical
DISTRICT WIDE PROGRAMS

Awareness [H]. However, it is not necessary for students to exceed thirty-five semester credits to complete the Awareness Areas because courses can satisfy a Core Area and one or two Awareness Areas simultaneously. Therefore no additional semester credits are required to satisfy the two Awareness Areas.

   Cultural Diversity in the United States [C] AND
   Global Awareness [G] OR
   Historical Awareness [H]

3. MCCCD Additional Requirements 0-6

Students must satisfy Oral Communication and Critical Reading areas. However, it is not necessary for students to exceed the thirty-five semester credits required in order to complete the MCCCD Additional Requirements because courses can satisfy a Core Area and MCCCD Additional Requirements simultaneously. Therefore no additional semester credits are required to satisfy Oral Communication and Critical Reading.

a. Oral Communication

A total of three (3) semester credits is required for Oral Communication. However, if students select a communication course that satisfies both the Oral Communication area and an area within the Core, then the Oral Communication requirement has been satisfied and additional electives may be taken.

Select from the following options:

COM100 [SB] (3 credits) OR
COM100AA & COM100AB & COM100AC [SB] (3 credits) OR
COM110 [SB] (3 credits) OR
COM110AA & COM110AB & COM110AC [SB] (3 credits) OR
COM225 [L] (3 credits) OR
COM230 [SB] (3 credits)

b. Critical Reading

A total of three (3) semester credits is required for the Critical Reading area. However, if students complete CRE 101 and apply it to AGEC-A Core Requirements or if the students demonstrate proficiency through assessment, then the Critical Reading requirement has been satisfied and additional electives may be taken.

Select from the following options:

CRE101 [L] OR equivalent as indicated by assessment

II. General Electives

Select courses to complete a minimum of 60 semester credits but no more than a total of 64 semester credits.

For students who have decided on a major that articulates with the AA, but who are undecided on the university to which they will transfer, courses satisfying the General Electives area should be selected from the list of Common Courses, Arizona Transfer Pathway Guides, and/or University Transfer Guides in order for the courses to apply in the major upon transfer.

The list of Common Courses for each major is included in the Arizona Transfer Pathway Guides. University Transfer Guides are also available for the Arizona public universities. These guides, both statewide and institutional, are accessible on the following web site: www.aztransfer.com/

Students must select MCCCD courses that are transferable to the university or universities to which the student plans to transfer, as elective credit or better according to the Arizona CEG within the AZCAS. For appropriate course selection, students should consult with an advisor.

For some majors, students must demonstrate 4th semester proficiency at the 202 course level to satisfy the Non-English Language Requirements. Students should consult the Arizona Transfer Pathway Guides and/or the University Transfer Guides to determine this requirement for the major at the university to which they intend to transfer. If required, it is recommended that students choose Maricopa courses as electives to meet this requirement as part of the Associate in Arts degree.

Students who are undecided on a major or university should consult an advisor. Not all majors have common courses, so it is recommended that students consult with an advisor for a list of common courses or assistance with selecting appropriate electives.

Associate in Arts Total Credits: 60-64

Associate in Arts, Elementary Education Degree (AAEE)

Description

The MCCCD Associate in Arts in Elementary Education (AAEE) requires the student to complete a total of 60-63 semester credits in the program of study. The degree has two major components:

I. MCCCD General Education
   Arizona General Education Curriculum for Arts (AGEC-A) Additional MCCCD Requirements

II. Elementary Education Requirements
   Education Foundations
   Electives for Arizona Professional Teacher Standards

Purpose of the Degree

The AAEE is designed for the student who plans to transfer to an Elementary Education, Early Childhood, Multicultural/ Multilingual, or Special Education program at an Arizona public higher education institution and/or who plans to become a classroom instructional aide.
Generally, the degree transfers as a block without loss of credit to Arizona’s public universities. In most cases, courses applied to the MCCCDD Associate in Arts in Elementary Education also apply to graduation requirements of the university major for which the AAEE was designed.

**Academic Policies that Govern the Associate in Arts Elementary Education Degree:**

- Completion of the Associate in Arts and the AGEC-A provides for exemption from Arizona public university admission requirements for Arizona residents who have a minimum Grade Point Average of 2.0 on a 4.0=A scale and a minimum 2.5 on a 4.0=A scale for non-residents.

- The graduation policies within the general catalog must be satisfied for completion of the Associate in Arts degree.

- A minimum of 60 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better. Credit units transferred from outside of the district need to be at a grade of “C” or better. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent. On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions.

- Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC.

- The General Education Requirements for AGEC-A may be completed in 35 semester credits with the following stipulations:
  - Courses can satisfy a Core Area and one or two Awareness Areas simultaneously
  - A course cannot be used to satisfy more than one Core Area
  - Courses can satisfy an Elementary Education Requirement and one or more Awareness Areas simultaneously.
  - A course cannot satisfy both the Elementary Education Requirement and a Core Area Requirement simultaneously.

- Effective Fall 2000, the course evaluation and/or general education designation as listed in the Arizona Course Equivalency Guide (CEG) within the Arizona Course Applicability System (AZCAS), is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Students do have the option to petition for general education evaluations and/or general education designations upon transfer.

- Courses completed at one of the Maricopa Community Colleges to meet AGEC-A requirements must be listed in the Course Equivalency Guide within the Arizona Course Applicability System as an equivalent course, departmental elective credit (XXXXDEC), or general elective credit (Elective) at all Arizona public universities. The course’s evaluation and/or general education designation is valid for the term in which the student is awarded credit on the transcript. See the list titled MCCCDD Courses That Can Be used to Satisfy MCCCDD AGEC-A, AGEC-B, and/or AGEC-S for specific course information via the following website: [http://www.maricopa.edu/academic/ccctta/](http://www.maricopa.edu/academic/ccctta/)

- Courses transferred from another regionally accredited institution to one of the Maricopa Community Colleges will be evaluated by the college for inclusion in the AGEC A or the Associate in Arts Elementary Education degree.

- Courses and their modular equivalents will satisfy AGEC-A and Associate in Arts in Elementary Education requirements.

- If a course is cross-referenced with one or more other courses, then only one of the cross-referenced courses will be accepted to meet requirements.

- Courses completed at one of the Maricopa Community Colleges to satisfy Common Courses must be transferable as elective or better to the universities that have the shared majors listed on a Common Course Matrix. A shared major is a university degree program that has similar academic preparation to one or more degree programs at other Arizona public universities as listed on the Common Course Matrices. For appropriate course selection, students should consult with an advisor.

**Degree Requirements**

I. MCCCDD General Education Requirements
   
   **Credits**
   
   A. MCCCDD AGEC - A
      
      1. Core Areas 35-38
         
         a. First-Year Composition (FYC) 6
            ENG101/102 OR
            ENG107/108
         
DISTRICT WIDE PROGRAMS

1) MAT142 [MA] College Mathematics, or higher (NOTE: MAT150, MAT151, MAT152, MAT156 and MAT157 are excluded) AND

c. Literacy and Critical Inquiry [L] 3
   Select the following:
   COM225 Public Speaking

d. Humanities and Fine Arts [HU] 6
   1) Select (3) semester credits from the following courses:
      ARH100 Introduction to Art
      ARH101 Prehistoric through Gothic Art
      ARH102 Renaissance through Contemporary Art
      AND
   2) Select (3) semester credits from the following courses:
      ENH110 Introduction to Literature
      ENH241 American Literature Before 1860
      ENH242 American Literature After 1860
      AND
      EDU/ENH291 Children’s Literature
      HUM250 or HUM251 Ideas and Values in the Humanities
      THE111 Introduction to Theatre
      DAH100 Introduction to Dance
      DAH201 World Dance Perspectives
      MHL140 Survey of Music History
      MHL143 Music in World Cultures

e. Social and Behavioral Sciences [SB] 6
   1) Select 3 semester credits from the following courses:
      HIS103 United States History to 1870
      HIS104 United States History 1870 to Present
      AND
   2) Select 3 semester credits from the following courses:
      PSY101 Introduction to Psychology
      GCU121 World Geography I: Eastern Hemisphere
      GCU122 World Geography II: Western Hemisphere
      ECN211 Macroeconomic Principles
      ECN212 Microeconomic Principles
      POS110 American National Government
      ECH/CFS176 Child Development
      CFS205 Human Development

f. Natural Sciences—Science-Quantitative [SQ] and Science-General [SG] 8
   To complete the Natural Sciences requirement, select a total of 8 semester credits from the following categories. At least 4 credits must be SQ courses. You can select 4 semester credits of SG and 4 semester credits of SQ for a total of 8 semester credits. Natural Sciences courses must include or be accompanied by the corresponding laboratory course. When the lecture and corresponding laboratory are awarded separate credit, both will be counted as equivalent to one course in that discipline.
   1) Life Sciences-Select 4 semester credits of SQ or SG from BIO AND
   2) Physical Sciences or Earth/Space Sciences- Select 4 semester credits of SQ or SG credits from the following prefixes:
      AGS
      ASM
      AST
      CHM
      GPH
      GLG
      PHS
      PHY

Note: Students are advised to check with the university they plan to attend as requirements for lab sciences may vary.

g. Awareness Areas 0
   The MCCCD AAEE requires coursework in two Awareness Areas: Cultural Diversity in the U.S. [C] AND Historical Awareness [H] OR Global Awareness [G]

Courses can satisfy a Core Area Requirement and one or more Awareness Areas, or can satisfy an Elementary Education Requirement and one or more Awareness Areas simultaneously. Therefore, no additional semester credits are required to satisfy the two Awareness Areas.

II. Elementary Education Requirements 25
   A total of 25 semester credits are required to satisfy the Elementary Education Requirements.
   A. Education Foundations 18
      Complete the following courses to satisfy the Education Foundations requirements:
      EDU220 Introduction to Serving English Language Learners
      EDU221 Introduction to Education
      EDU222 Introduction to the Exceptional Learner
      EDU230 Cultural Diversity in Education
      MAT156 Mathematics for Elementary Teachers I
      MAT157 Mathematics for Elementary Teachers II
B. Electives for Arizona Professional Teacher Standards
A total of 7 semester credits are required to satisfy the Electives for Arizona Professional Teacher Standards. Courses must transfer to all public Arizona universities as Elective Credit, Departmental Elective, or Equivalent to a university course as indicated in the Arizona Course Equivalency Guide in effect when the course is taken. Courses identified as Non-transferable in the Arizona Course Equivalency Guide cannot be used to satisfy this requirement.

Content Area Electives
Select 7 credits from the following:
- Any ARH, ART, CIS, ECN, BPC, ENG, ENH, GCU, GPH, HIS, MHL, MTC, POS, THE, THP prefixed course(s)
- Any EDU prefixed course(s) (except EDU250)
- Any MAT (courses numbered higher than 142 except MAT156 and MAT157)
- Any Foreign Language course(s)
- Any Natural Science course(s)
- CFS/ECH176 Child Development
- CFS205 Human Development
- EED215 Early Learning: Heath, Safety, Nutrition and Fitness
- FON100 Introductory Nutrition

AAEE Total Credits: 60-63

Associate in Arts, Fine Arts (AAFA) – Dance

Description
The Maricopa County Community College District Associate in Arts, Fine Arts - Dance degree requires a minimum of 64 semester credits for the program of study. The degree includes the following components:

I. General Education:
   - Arizona General Education Curriculum for Arts (AGEC-A) MCCCD Additional Requirements
II. Fine Arts Requirements – Dance

Purpose of the Degree
The Associate in Arts, Fine Arts - Dance degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors in the Fine Arts. The degree is designed to prepare students to meet selective admission criteria for programs such as the Bachelor of Fine Arts, which may require a portfolio or performance requirement.

The semester credits used to satisfy the MCCCD Associate in Arts, Fine Arts - Dance degree may apply to university graduation requirements of the university major for which the degree is designed. Information regarding the articulation of the degree with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com
DISTRICT WIDE PROGRAMS

• Courses completed at one of the Maricopa Community Colleges to meet AGEC-A requirements must be listed in the Course Equivalency Guide within the Arizona Course Applicability System as an equivalent course, departmental elective credit (XXXXDEC), or general elective credit (Elective) at all Arizona public universities. The course's evaluation and/or general education designation is valid for the term in which the student is awarded credit on the transcript. See the list titled MCCCD Courses That Can Be used to Satisfy MCCCD AGEC-A, AGEC-B, and/or AGEC-S for specific course information via the following website:  www.maricopa.edu/academic/ccta/

• Courses completed at one of the Maricopa Community Colleges to meet the General Electives requirement must be transferable to the university or universities to which the student plans to transfer, as elective credit or better. For appropriate course selection, students should consult with an advisor.

• Courses transferred from another regionally accredited institution to one of the Maricopa Community Colleges will be evaluated by the college for inclusion in the AGEC-A or Associate in Arts, Fine Arts-Dance Degree.

• Courses and their modular equivalents will satisfy AGEC-A and Associate in Arts, Fine Arts - Dance requirements.

• If a course is cross-referenced with one or more other courses, then only one of the cross-referenced courses will be accepted to meet requirements.

• Courses completed at one of the Maricopa Community Colleges to satisfy Common Courses must be transferable as elective or better to the universities that have the shared majors listed on a Common Course Matrix. A shared major is a university degree program that has similar academic preparation to one or more degree programs at other Arizona public universities as listed on the Common Course Matrices. For appropriate course selection, students should consult with an advisor.

Degree Requirements

The 64 semester credits required for the Associate in Arts, Fine Arts - Dance degree follow. See the list titled MCCCD Courses That Can Be used to Satisfy MCCCD AGEC-A, AGEC-B, and/or AGEC-S for specific course information via the following website:  www.maricopa.edu/academic/ccta/

This list identifies the courses in alpha-order by prefix as well as the Core Areas and Awareness Areas where the course will apply. For purposes of clarifying requirements in the Mathematics and Natural Sciences areas on the list and the AGEC requirements, an A, B, and/or S character may follow the [MA], [SQ], [SG] general education designations and refers to the specific AGEC.

I. MCCCD General Education

The MCCCD General Education includes two areas: MCCCD AGEC-A and MCCCD Additional Requirements.

MCCCD AGEC-A

1. Core Areas: Credits: 35
   a. First-Year Composition (FYC): Credits: 6
   b. Literacy and Critical Inquiry [L]: Credits: 3
   c. Mathematical Studies [MA/CS]: Credits: 6
      To complete the Mathematical Studies requirement, select one course to satisfy Mathematics [MA] A and a second course from Computer/Statistics/Quantitative Applications [CS].
      1) Mathematics [MA] A (3 credits)
         Select a course in college mathematics or college algebra or pre-calculus or any other mathematics course for which college algebra is a prerequisite.
         AND
         Computer/Statistics/Quantitative Applications [CS] (3 credits)
   d. Humanities and Fine Arts [HU]: Credits: 6
      Students are encouraged to choose course work from more than one discipline for a total of six semester credits.

      Select from the following options to complete three credits:

      | Credits | Course                                |
      |---------|---------------------------------------|
      | 3       | DAH100 Introduction to Dance          |
      | 3       | DAH201 World Dance Perspectives       |
   e. Social and Behavioral Sciences [SB]: Credits: 6
      Students are encouraged to choose course work from more than one discipline for a total of six semester credits.
   f. Natural Sciences [SQ/SG]: Credits: 8
      To complete the Natural Sciences requirement: Select four (4) semester credits of [SQ] and four (4) semester credits of [SG] for a total of eight (8) semester credits, OR eight (8) semester credits of [SQ]. Students cannot take eight (8) semester credits of [SG] to meet the Natural Sciences requirement.

      The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course. The lecture and corresponding laboratory course(s) may carry separate credit. Students should consult with an advisor for appropriate course selection. Students should also access the AZ Course Equivalency Guide (CEG) within the AZ Course Applicability System (AZCAS) for information on equivalencies.
DISTRICT WIDE PROGRAMS

Select from the following options to complete four credits:

<table>
<thead>
<tr>
<th>Credits</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>4</td>
<td>BIO160 Introduction to Human Anatomy and Physiology</td>
</tr>
<tr>
<td>4</td>
<td>BIO201 Human Anatomy and Physiology I</td>
</tr>
</tbody>
</table>

2. Awareness Areas: Credits: 0

Students must satisfy two Awareness Areas: Cultural Diversity in the United States [C] and either Global Awareness [G] or Historical Awareness [H]. However, it is not necessary for students to exceed thirty-five semester credits to complete the Awareness Areas because courses can satisfy a Core Area and one or two Awareness Areas simultaneously. Therefore no additional semester credits are required to satisfy the two Awareness Areas.

Cultural Diversity in the United States [C] 
AND 
Global Awareness [G] OR Historical Awareness [H]

MCCCD Additional Requirements: Credits: 0-6

Students must satisfy Oral Communication and Critical Reading areas. However, it is not necessary for students to exceed the thirty-five semester credits required in order to complete the MCCCD Additional Requirements because courses can satisfy a Core Area and MCCCD Additional Requirements simultaneously. Therefore no additional semester credits are required to satisfy Oral Communication and Critical Reading.

a. Oral Communication: Credits: 3

A total of three (3) semester credits is required for Oral Communication. However, if students select a communication course that satisfies both the Oral Communication area and an area within the Core, then the Oral Communication requirement has been satisfied and additional electives may be taken.

Select from the following options:

- COM100 [SB] (3 credits) OR
- COM100AA & COM100AB & COM100AC [SB] (3 credits) OR
- COM110 [SB] (3 credits) OR
- COM110AA & COM110AB & COM110AC [SB] (3 credits) OR
- COM225 [L] (3 credits) OR
- COM230 [SB] (3 credits)

b. Critical Reading: Credits: 3

A total of three (3) semester credits is required for the Critical Reading area. However, if students complete CRE 101 and apply it to AGEC-A Core Requirements or if the students demonstrate proficiency through assessment, then the Critical Reading requirement has been satisfied and additional electives may be taken.

Select from the following options to complete 3 credits:

- CRE101 [L] (3 credits) OR equivalent as indicated by assessment

II. Fine Arts Requirements – Dance: Credits: 29

A minimum of 29 credits are required to satisfy the Fine Arts Requirements – Dance.

Part I: Credits 11

Select the following:

<table>
<thead>
<tr>
<th>Credits</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>DAN150 Dance Performance I</td>
</tr>

DAN133 Modern Jazz Dance I 1
DAN136 Modern Jazz Dance II 1
DAN140 Tap Dance I 1
DAN141 Dance Workshop 1
DAN145 Tap Dance II 1
DAN146 Tap Dance Ensemble 1
DAN150 Dance Performance I 1
DAN164 Improvisation 1
DAN230 Musical Theatre Dance IV 1
DAN231 Ballet III 1
DAN231AA Ballet III: Intensive 2
DAN232 Modern Dance III 1
DAN233 Modern Jazz Dance III 1
DAN234 Ballet IV 1
DAN234AA Ballet IV: Intensive 2
DAN235 Modern Dance IV 1
DAN236 Modern Jazz Dance IV 1
DAN237 Ballet Pointe I 1
DAN290++ Dance Conservatory I (any module) 1-3
DAN291++ Dance Conservatory II (any module) 1-3
DAN292++ Dance Conservatory III (any module) 1-3
*DAN298++ Special Projects (any module) 1-3

*Selection of DAN298 courses to satisfy degree requirements should be done in consultation with a program advisor or faculty member as Special Projects courses do not currently transfer to any of the three Arizona state public universities.

Associate in Arts, Fine Arts – Dance Total Credits: 64

Associate in Arts, Fine Arts (AAFA) – Art

Description
The Maricopa County Community College District Associate in Arts, Fine Arts - Art degree requires a minimum of 63 semester credits for the program of study. The degree includes the following components:

I. General Education:
   Arizona General Education Curriculum for Arts (AGEC-A) MCCCD Additional Requirements

II. Fine Arts Requirements – Art

Purpose of the Degree
The Associate in Arts, Fine Arts - Art degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors in the Fine Arts. The degree is designed to prepare students to meet selective admission criteria for programs such as the Bachelor of Fine Arts, which may require a portfolio or performance requirement.

The semester credits used to satisfy the MCCCD Associate in Arts, Fine Arts - Art degree may apply to university graduation requirements of the university major for which the degree is designed. Information regarding the articulation of the degree with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

Academic Policies that Govern the Associate in Arts, Fine Arts – Art Degree

- Completion of the Associate in Arts, Fine Arts - Art degree and the AGEC-A provides for exemption from Arizona public university admission requirements for Arizona residents who have a minimum Grade Point Average of 2.0 on a 4.0=A scale and a minimum 2.5 on a 4.0=A scale for non-residents.

- The graduation policies within the general catalog must be satisfied for completion of the Associate in Arts, Fine Arts - Art degree.

- A minimum of 63 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better. Credit units transferred from outside of the district need to be at a grade of “C” or better. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent. On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions.

- Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC.

- The General Education Requirements for AGEC-A may be completed in 35 semester credits with the following stipulations
  - Courses can satisfy a Core Area and one or two Awareness Areas simultaneously
  - A course cannot be used to satisfy more than one Core Area
DISTRICT WIDE PROGRAMS

• General Education Courses can satisfy multiple areas within the degree simultaneously (AGEC-A Core Area, AGEC Awareness Area, MCCCD Additional Requirements, or lower-division courses applicable to the major).

• Effective Fall 2000, the course evaluation and/or general education designation as listed in the Arizona Course Equivalency Guide (CEG) within the Arizona Course Applicability System (AZCAS), is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Students do have the option to petition for general education evaluations and/or general education designations upon transfer.

• Courses completed at one of the Maricopa Community Colleges to meet AGEC-A requirements must be listed in the Course Equivalency Guide within the Arizona Course Applicability System as an equivalent course, departmental elective credit (XXXXDEC), or general elective credit (Elective) at all Arizona public universities. The course's evaluation and/or general education designation is valid for the term in which the student is awarded credit on the transcript. See the list titled MCCCD Courses That Can Be used to Satisfy MCCCD AGEC-A, AGEC-B, and/or AGEC-S for specific course information via the following website: www.maricopa.edu/academic/ccta/

• Courses completed at one of the Maricopa Community Colleges to meet the General Electives requirement must be transferable to the university or universities to which the student plans to transfer, as elective credit or better. For appropriate course selection, students should consult with an advisor.

• Courses transferred from another regionally accredited institution to one of the Maricopa Community Colleges will be evaluated by the college for inclusion in the AGEC-A or Associate in Arts, Fine Arts Degree.

• Courses and their modular equivalents will satisfy AGEC-A and Associate in Arts, Fine Arts – Art requirements.

• If a course is cross-referenced with one or more other courses, then only one of the cross-referenced courses will be accepted to meet requirements.

• Courses completed at one of the Maricopa Community Colleges to satisfy Common Courses must be transferable as elective or better to the universities that have the shared majors listed on a Common Course Matrix. A shared major is a university degree program that has similar academic preparation to one or more degree programs at other Arizona public universities as listed on the Common Course Matrices. For appropriate course selection, students should consult with an advisor.

Degree Requirements
The 63 semester credits required for the Associate in Arts, Fine Arts - Art degree follow. See the list titled MCCCD Courses That Can Be used to Satisfy MCCCD AGEC-A, AGEC-B, and/or AGEC-S for specific course information via the following website: www.maricopa.edu/academic/ccta/
This list identifies the courses in alpha-order by prefix as well as the Core Areas and Awareness Areas where the course will apply. For purposes of clarifying requirements in the Mathematics and Natural Sciences areas on the list and the AGEC requirements, an A, B, and/or S character may follow the [MA], [SQ], [SG] general education designations and refers to the specific AGEC.

I. MCCCD General Education
The MCCCD General Education includes two areas: MCCCD AGEC-A and MCCCD Additional Requirements.

MCCCD AGEC-A
1. Core Areas: Credits: 35
   a. First-Year Composition (FYC): Credits: 6
   b. Literacy and Critical Inquiry [L]: Credits: 3
   c. Mathematical Studies [MA/CS]: Credits: 6
      To complete the Mathematical Studies requirement, select one course to satisfy Mathematics [MA] A and a second course from Computer/Statistics/Quantitative Applications [CS].
      1) Mathematics [MA] A (3 credits)
         Select a course in college mathematics or college algebra or pre-calculus or any other mathematics course for which college algebra is a prerequisite.
         AND
      2) Computer/Statistics/Quantitative Applications [CS] (3 credits)
   d. Social and Behavioral Sciences [SB]: Credits: 6
      Students are encouraged to choose course work from more than one discipline for a total of six semester credits.
      Select the following:
      ARH101 Prehistoric Through Gothic Art 3
   e. Social and Behavioral Sciences [SB]: Credits: 6
      Students are encouraged to choose course work from more than one discipline for a total of six semester credits.
      f. Natural Sciences [SQ/SG]: Credits: 8
      To complete the Natural Sciences requirement:
DISTRICT WIDE PROGRAMS

Select four (4) semester credits of [SQ] and four (4) semester credits of [SG] for a total of eight (8) semester credits, OR eight (8) semester credits of [SQ]. Students cannot take eight (8) semester credits of [SG] to meet the Natural Sciences requirement.

The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course. The lecture and corresponding laboratory course(s) may carry separate credit. Students should consult with an advisor for appropriate course selection. Students should also access the AZ Course Equivalency Guide (CEG) within the AZ Course Applicability System (AZCAS) for information on equivalencies.

2. Awareness Areas: Credits: 0
Students must satisfy two Awareness Areas: Cultural Diversity in the United States [C] and either Global Awareness [G] or Historical Awareness [H]. However, it is not necessary for students to exceed thirty-five semester credits to complete the Awareness Areas because courses can satisfy a Core Area and one or two Awareness Areas simultaneously. Therefore no additional semester credits are required to satisfy the two Awareness Areas.

- Cultural Diversity in the United States [C]
- AND
- Global Awareness [G] OR
- Historical Awareness [H]

MCCCD Additional Requirements: Credits: 0-6

Students must satisfy Oral Communication and Critical Reading areas. However, it is not necessary for students to exceed the thirty-five semester credits required in order to complete the MCCCD Additional Requirements because courses can satisfy a Core Area and MCCCD Additional Requirements simultaneously. Therefore no additional semester credits are required to satisfy Oral Communication and Critical Reading.

a. Oral Communication: Credits: 3
A total of three (3) semester credits is required for Oral Communication. However, if students select a communication course that satisfies both the Oral Communication area and an area within the Core, then the Oral Communication requirement has been satisfied and additional electives may be taken.

Select from the following options:
- COM100 [SB] (3 credits) OR
- COM100AA & COM100AB & COM100AC [SB]

b. Critical Reading: Credits: 3
A total of three (3) semester credits is required for the Critical Reading area. However, if students complete CRE 101 and apply it to AGEC-A Core Requirements or if the students demonstrate proficiency through assessment, then the Critical Reading requirement has been satisfied.

Select from the following options to complete 3 credits:
- CRE101 (3 credits) OR equivalent as indicated by assessment

II. Fine Arts Requirements – Art Credits: 28
A minimum of 28 credits are required to satisfy the Fine Arts Requirements – Art.

Foundations: Credits: 16

Select the following:

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Credits</th>

Associate in Arts, Fine Arts – Art Total Credits: 63
DISTRICT WIDE PROGRAMS

Associate in Arts, Fine arts (AAFA) – Theatre

Description
The Maricopa County Community College District Associate in Arts, Fine Arts - Theatre degree requires a minimum of 60-64 semester credits for the program of study. The degree includes the following components:
I. General Education:
   Arizona General Education Curriculum for Arts (AGEC-A) MCCCD Additional Requirements
II. Fine Arts Requirements – Theatre

Purpose of the Degree
The Associate in Arts, Fine Arts - Theatre degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors in the Fine Arts the degree is designed to prepare students to meet selective admission criteria for programs such as the Bachelor of Fine Arts, which may require a portfolio or performance requirement.

The semester credits used to satisfy the MCCCD Associate in Arts, Fine Arts - Theatre may apply to university graduation requirements of the university major for which the degree is designed. Information regarding the articulation of the degree with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

Academic Policies that Govern the Associate in Arts, Fine Arts - Theatre Degree

• Completion of the Associate in Arts, Fine Arts - Theatre and the AGEC-A provides for exemption from Arizona public university admission requirements for Arizona residents who have a minimum Grade Point Average of 2.0 on a 4.0=A scale and a minimum 2.5 on a 4.0=A scale for non-residents.

• The graduation policies within the general catalog must be satisfied for completion of the Associate in Arts, Fine Arts - Theatre degree.

• A minimum of 60 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better. Credit units transferred from outside of the district need to be at a grade of “C” or better. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent. On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions.

• Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC.

• The General Education Requirements for AGEC-A may be completed in 35 semester credits with the following stipulations:
  – Courses can satisfy a Core Area and one or two Awareness Areas simultaneously
  – A course cannot be used to satisfy more than one Core Area

• General Education Courses can satisfy multiple areas within the degree simultaneously (AGEC-A Core Area, AGEC Awareness Area, MCCCD Additional Requirements, or lower-division courses applicable to the major)

• Effective Fall 2000, the course evaluation and/or general education designation as listed in the Arizona Course Equivalency Guide (CEG) within the Arizona Course Applicability System (AZCAS), is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Students do have the option to petition for general education evaluations and/or general education designations upon transfer.

• Courses completed at one of the Maricopa Community Colleges to meet AGEC-A requirements must be listed in the Course Equivalency Guide within the Arizona Course Applicability System as an equivalent course, departmental elective credit (XXXXDEC), or general elective credit (Elective) at all Arizona public universities. The course's evaluation and/or general education designation is valid for the term in which the student is awarded credit on the transcript. See the list titled MCCCD Courses That Can Be used to Satisfy MCCCD AGEC-A, AGEC-B, and/or AGEC-S for specific course information via the following website: www.maricopa.edu/academic/ccta/

• Courses completed at one of the Maricopa Community Colleges to meet the General Electives requirement must be transferable to the university or universities to which the student plans to transfer, as elective credit or better. For appropriate course selection, students should consult with an advisor.

• Courses transferred from another regionally accredited institution to one of the Maricopa Community Colleges will be evaluated by the college for inclusion in the AGEC-A or Associate in Arts, Fine Arts - Theatre Degree.
DISTRICT WIDE PROGRAMS

- Courses and their modular equivalents will satisfy AGEC-A and Associate in Arts, Fine Arts - Theatre requirements.
- If a course is cross-referenced with one or more other courses, then only one of the cross-referenced courses will be accepted to meet requirements.
- Courses completed at one of the Maricopa Community Colleges to satisfy Common Courses must be transferable as elective or better to the universities that have the shared majors listed on a Common Course Matrix. A shared major is a university degree program that has similar academic preparation to one or more degree programs at other Arizona public universities as listed on the Common Course Matrices. For appropriate course selection, students should consult with an advisor.

Degree Requirements

The 60-64 semester credits required for the Associate in Arts, Fine Arts - Theatre follow. See the list titled MCCCD Courses that can be used to Satisfy MCCCD AGEC-A, AGEC-B, and/or AGEC-S for specific course information via the following website: www.maricopa.edu/academic/ccta/ This list identifies the courses in alpha-order by prefix as well as the Core Areas and Awareness Areas where the course will apply. For purposes of clarifying requirements in the Mathematics and Natural Sciences areas on the list and the AGEC requirements, an A, B, and/or S character may follow the [MA], [SQ], [SG] general education designations and refers to the specific AGEC.

I. MCCCD General Education

The MCCCD General Education includes two areas: MCCCD AGEC-A and MCCCD Additional Requirements.

MCCCD AGEC-A

1. Core Areas: Credits: 35
   a. First-Year Composition (FYC): Credits: 6
   b. Literacy and Critical Inquiry [L]: Credits
      Select the following:
      Credits
      THE220 Modern Drama 3
   c. Mathematical Studies [MA/CS]: Credits: 6
      To complete the Mathematical Studies requirement, select one course to satisfy Mathematics [MA] A and a second course from Computer/Statistics/Quantitative Applications [CS].
      1) Mathematics [MA] A (3 credits)
         Select a course in college mathematics or college algebra or pre-calculus or any other mathematics course for which college algebra is a prerequisite.
         AND

   2) Computer/Statistics/Quantitative Applications [CS] (3 credits)
   d. Humanities and Fine Arts [HU]: Credits: 6
      Students are encouraged to choose course work from more than one discipline for a total of six semester credits.
      Select the following:
      Credits
      THE205 Introduction to Cinema 3
   e. Social and Behavioral Sciences [SB]: Credits: 6
      Students are encouraged to choose course work from more than one discipline for a total of six semester credits.
   f. Natural Sciences [SQ/SG]: Credits: 8
      To complete the Natural Sciences requirement: Select four (4) semester credits of [SQ] and four (4) semester credits of [SG] for a total of eight (8) semester credits, OR eight (8) semester credits of [SQ]. Students cannot take eight (8) semester credits of [SG] to meet the Natural Sciences requirement.
      The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course. The lecture and corresponding laboratory course(s) may carry separate credit. Students should consult with an advisor for appropriate course selection. Students should also access the AZ Course Equivalency Guide (CEG) within the AZ Course Applicability System (AZCAS) for information on equivalencies.

      Students must satisfy two Awareness Areas: Cultural Diversity in the United States [C] and either Global Awareness [G] or Historical Awareness [H]. However, it is not necessary for students to exceed thirty-five semester credits to complete the Awareness Areas because courses can satisfy a Core Area and one or two Awareness Areas simultaneously. Therefore no additional semester credits are required to satisfy the two Awareness Areas.

      Cultural Diversity in the United States [C] AND Global Awareness [G] OR Historical Awareness [H]

MCCCD Additional Requirements: Credits: 0-6

Students must satisfy Oral Communication and Critical Reading areas. However, it is not necessary for students to exceed the thirty-five semester credits required in
order to complete the MCCCD Additional Requirements because courses can satisfy a Core Area and MCCCD Additional Requirements simultaneously. Therefore no additional semester credits are required to satisfy Oral Communication and Critical Reading.

a. Oral Communication: Credits: 3
A total of three (3) semester credits is required for Oral Communication. However, if students select a communication course that satisfies both the Oral Communication area and an area within the Core, then the Oral Communication requirement has been satisfied and additional electives may be taken.

Select from the following options:
- COM100 [SB] (3 credits) OR
- COM100AA & COM100AB & COM100AC [SB] (3 credits) OR
- COM110 [SB] (3 credits) OR
- COM110AA & COM110AB & COM110AC [SB] (3 credits) OR
- COM225 [L] (3 credits) OR
- COM230 [SB] (3 credits)

b. Critical Reading: Credits: 3
A total of three (3) semester credits is required for the Critical Reading area. However, if students complete CRE 101 and apply it to AGEC-A Core Requirements or if the students demonstrate proficiency through assessment, then the Critical Reading requirement has been satisfied.

Select from the following options to complete 3 credits:
- CRE101 [L] (3 credits) OR equivalent as indicated by assessment

II. Fine Arts Requirements – Theatre: Credits: 25-29
A minimum of 25 credits are required to satisfy the Fine Arts Requirements – Theatre.

Foundations: Credits: 13
Select the following:
- THE111 Introduction to Theatre 3
- THP112 Acting I 3
- THP115 Theatre Makeup 3
- THP201AA Theatre Production I OR
- THP201AB Theatre Production II 1
- THP213 Introduction to Technical Theatre 3

Restricted Electives: Credits: 12-16
Students may choose from the following courses to specialize in Acting, Technical Theatre, Teacher Education, or Cinema. Students should consult with the theatre advisor for the restricted electives recommended for each specialization track.

Select from the following options to complete a minimum of 12 semester credits:

**Associate in Arts, Fine Arts - Theatre Total Credits: 60-64**

**Associate in Science Degree (AS)**

**Description**
The Maricopa County Community College District Associate in Science degree requires 60-64 semester credits for the program of study. The degree includes the following components:

I. General Education:
- Arizona General Education Curriculum for Science (AGEC-S) MCCCD Additional Requirements

II. General Electives

**Purpose of the Degree**
The Associate in Science degree is designed for students planning to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors with more stringent mathematics and mathematics-based science requirements. Generally, the degree will transfer as a block without loss of credit to Arizona’s public universities and other institutions with district-wide articulation agreements.

In most cases, courses used to satisfy the MCCCD Associate in Science will apply to university graduation requirements of the university major for which the Associate in Science is designed. Information regarding the articulation of the Associate in Science with majors at the Arizona public universities can be accessed via the following website: www.aztransfer.com

**Academic Policies that Govern the Associate in Science Degree**

- Completion of the Associate in Science and the AGECS-S provides for exemption from Arizona public
university admission requirements for Arizona residents who have a minimum Grade Point Average of 2.0 on a 4.0=A scale and a minimum 2.5 on a 4.0=A scale for non-residents.

- The graduation policies within the general catalog must be satisfied for completion of the Associate in Science degree.

- A minimum of 60 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better. Credit units transferred from outside of the district need to be at a grade of “C” or better. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent. On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions.

- Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC.

- The General Education Requirements for AGEC-S may be completed in 36-38 semester credits with the following stipulations:
  - Courses can satisfy a Core area and one or two Awareness areas simultaneously.
  - A course cannot be used to satisfy more than one Core area requirement in the AGEC A and B.
  - A course can be used to satisfy the L and SB or L and HU requirements simultaneously in the Core area for the AGEC S.

- General Education Courses can satisfy multiple areas within the degree simultaneously (AGEC-S Core Area, AGEC Awareness Area, MCCCD Additional Requirements, or lower-division courses applicable to the major).

- Effective fall 2000, the course evaluation and/or general education designation as listed in the Arizona Course Equivalency Guide (CEG) within the Arizona Course Applicability System (AZCAS), is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Students do have the option to petition for general education evaluations and/or general education designations upon transfer.

- Courses completed at one of the Maricopa Community Colleges to meet AGEC-S requirements must be listed in the Course Equivalency Guide within the Arizona Course Applicability System as an equivalent course, departmental elective credit (XXXXDEC), or general elective credit (Elective) at all Arizona public universities. The course’s evaluation and/or general education designation is valid for the term in which the student is awarded credit on the transcript. See the list titled MCCCD Courses That Can Be used to Satisfy MCCCD AGEC-A, AGEC-B, and/or AGEC S for specific course information via the following website: www.maricopa.edu/academic/ccta/

- Courses transferred from another regionally accredited institution to one of the Maricopa Community Colleges will be evaluated by the college for inclusion in the AGEC-S or Associate in Science Degree.

- Courses and their modular equivalents will satisfy AGEC-S and Associate in Science requirements.

- If a course is cross-referenced with one or more other courses, then only one of the cross-referenced courses will be accepted to meet requirements.

- Courses completed at one of the Maricopa Community Colleges to satisfy Common Courses must be transferable as elective or better to the universities that have the shared majors listed on a Common Course Matrix. A shared major is a university degree program that has similar academic preparation to one or more degree programs at other Arizona public universities as listed on the Common Course Matrices. For appropriate course selection, students should consult with an advisor.

**Degree Requirements**

The 60-64 semester credits required for the Associate in Science follow. See the list titled MCCCD Courses That Can Be used to Satisfy MCCCD AGEC-A, AGEC-B, and/or AGEC S for specific course information via the following website: www.maricopa.edu/academic/ccta/ This list identifies the courses in alpha-order by prefix as well as the Core Areas and Awareness Areas where the course will apply. For purposes of clarifying requirements in the Mathematics and Natural Sciences areas on the list and the AGEC requirements, an A, B, and/or S character may follow the [MA], [SQ], [SG] general education designations and refers to the specific AGEC.
I. MCCCD General Education
The MCCCD General Education includes two areas: MCCCD AGEC-S and MCCCD Additional Requirements.

MCCCD AGEC-S
1. Core Areas: 36-38
   a. First-Year Composition (FYC) 6
   b. Literacy and Critical Inquiry [L] 0-3
      Select a course that satisfies L (Literacy and Critical Inquiry) and SB (Social and Behavioral Sciences) OR L (Literacy and Critical Inquiry) and HU (Humanities and Fine Arts) requirements simultaneously.
   c. Mathematical Studies [MA] 4
      To complete the Mathematical Studies requirement, select one course to satisfy Mathematics [MA] S.
      1) Mathematics [MA] S (4 credits)
         Select a calculus course MAT220 or MAT221, OR Any mathematics course for which MAT220 or MAT221 is a prerequisite,
   d. Humanities and Fine Arts [HU] 6
      Students are encouraged to choose course work from more than one discipline for a total of six semester credits. Select a course that satisfies both L and HU requirements simultaneously.
   e. Social and Behavioral Sciences [SB] 6
      Students are encouraged to choose course work from more than one discipline for a total of six semester credits. Select a course that satisfies both L and SB requirements simultaneously.
   f. Natural Sciences 8
      To complete the Natural Sciences requirement: Select eight (8) semester credits of either general chemistry CHM151 & CHM151LL and CHM152 & CHM152LL OR Eight (8) semester credits of university physics PHY115 & PHY116 or PHY121 & PHY131 OR Eight (8) semester credits of general biology, BIO181 & BIO182 appropriate to the major.
   g. Subject Options (subject based on major) 6-8
      Students completing AGEC S, through careful selection of courses that meet the other major or pre-requisite requirements for Science degree, will meet this requirement. Using a transfer guide, select courses from Mathematics courses above Calculus, and/or Science courses from:

Astronomy, Biology, Botany, Chemistry, Environmental Science, Geology, Physical Geography, Physics, Zoology.

2. Awareness Areas:
Students must satisfy two Awareness Areas: Cultural Diversity in the United States [C] and either Global Awareness [G] or Historical Awareness [H]. However, it is not necessary for students to exceed thirty-six to thirty-eight semester credits to complete the Awareness Areas because courses can satisfy a Core Area and one or two Awareness Areas simultaneously. Therefore no additional semester credits are required to satisfy the two Awareness Areas.

Cultural Diversity in the United States [C] AND
Global Awareness [G] OR
Historical Awareness [H]

3. MCCCD Additional Requirements 0-6
Students must satisfy Oral Communication and Critical Reading areas. However, it is not necessary for students to exceed the thirty-six to thirty-eight semester credits required in order to complete the MCCCD Additional Requirements.

   a. Oral Communication
      A total of three (3) semester credits are required for Oral Communication. However, if students select a communication course that satisfies both the Oral Communication area and an area within the Core, then the Oral Communication requirement has been satisfied and additional electives may be taken.

      Select from the following options:
      COM100 [SB] (3 credits) OR
      COM100AA & COM100AB & COM100AC [SB] (3 credits) OR
      COM110 [SB] (3 credits) OR
      COM110AA & COM110AB & COM110AC [SB] (3 credits) OR
      COM225 [L] (3 credits) OR
      COM230 [SB] (3 credits)

   b. Critical Reading
      A total of three (3) semester credits are required for the Critical Reading area. If students demonstrate proficiency through assessment, then the Critical Reading requirement has been satisfied and additional electives may be taken.

      CRE101 [L] OR equivalent as indicated by assessment
II. General Electives

Select courses to complete a minimum of 60 semester credits but no more than a total of 64 semester credits.

For students who have decided on a major that articulates with the AS, but who are undecided on the university to which they will transfer, courses satisfying the General Electives area should be selected from the list of Common Courses, Arizona Transfer Pathway Guides, and/or University Transfer Guides in order for the courses to apply in the major upon transfer.

The list of Common Courses for each major is included in the Arizona Transfer Pathway Guides. University Transfer Guides are also available for the Arizona public universities. These guides, both statewide and institutional, are accessible on the following web site: www.aztransfer.com

Students must select MCCCD courses that are transferable to the university or universities to which the student plans to transfer, as elective credit or better according to the Arizona CEG within the AZCAS. For appropriate course selection, students should consult with an advisor.

For some majors, students must demonstrate 4th semester proficiency at the 202 course level to satisfy the Non-English Language Requirements. Students should consult the Arizona Transfer Pathway Guides and/or the University Transfer Guides to determine this requirement for the major at the university to which they intend to transfer. If required, it is recommended that students choose Maricopa courses as electives to meet this requirement as part of the Associate in Science degree.

Students who are undecided on a major or university should consult an advisor. Not all majors have common courses, so it is recommended that students consult with an advisor for a list of common courses or assistance with selecting appropriate electives.

Associate in Science Total Credits: 60-64

Associate in Business (ABUS) Degree, General Requirements (GR)

Description

The Maricopa County Community College District Associate in Business General Requirements (ABus GR) degree requires a total of 62-63 semester credits for the program of study. The degree has three major components:

I. MCCCD General Education, which includes Arizona General Education Curriculum for Business (AGEC-B),
II. Common Lower Division Program Requirements,
III. General Electives.

Purpose of the Degree

The ABus GR degree is designed for students who plan to transfer to Arizona’s public universities into majors that articulate with the Associate in Business General Requirements pathway and for students who plan to complete lower division course work toward a baccalaureate program at other degree granting institutions. All business majors except Accountancy and Computer Information Systems should follow the ABus GR pathway. Accountancy majors should follow the Transfer Guide (TG-XR) pathway. Computer Information Systems majors should follow the Associate in Business Special Requirements pathway.

Generally, the degree transfers as a block without loss of credit to Arizona’s public universities and other institutions with district-wide articulation agreements. In most cases, courses used to satisfy the MCCCD Associate in Business General Requirements will apply to university graduation requirements of the university major for which the ABus GR was designed.

Academic Policies that Govern the Associate in Business General Requirements Degree:

- Requires 62-63 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better. Credit units transferred from outside of the district need to be at a grade of “C” or better. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent. On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions;
- Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC.
- Uses the following policies to help students complete the required Core and Awareness Areas in AGEC B without exceeding the 35 semester credits
  - Courses can satisfy a Core Area and one or two Awareness Areas simultaneously.
  - A course cannot be used to satisfy more than one Core Area requirement.
- Uses the following policies to help students complete the program requirements at a minimum of 62 semester credits but not more than 63 semester credits:
DISTRICT WIDE PROGRAMS

- Courses can satisfy multiple areas within the degree simultaneously (AGEC B Core Area, AGEC B Awareness Area, and/or Common Lower Division Program Requirements)

- Follows the general education policy below:
  
  **General Education Designations (example: (FYC), [SB], [HU], etc.)**
  
  Effective Fall 2000 the course evaluation and/or general education designation as listed in the Arizona CEG (Course Equivalency Guide) within the Arizona Course Applicability System (AZCAS) is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Given that curriculum is dynamic at both MCCCD and the institutions to which MCCCD students transfer, students have the option to petition for general education evaluations and/or general education designations.

- Requires courses that transfer as an equivalent course, departmental elective credit (XXXXXDEC), or general elective credit (Elective) at all Arizona public universities according to the Arizona Course Equivalency Guide (CEG) within the Arizona Course Applicability System (AZCAS). The course evaluation and/or general education designation as listed in AZCAS is valid for the term in which the student is awarded credit on the transcript.

- Follows the graduation policies within the general catalog

- Includes both courses and their modular equivalents, either the course or the modular equivalents will satisfy the Associate in Business General Requirements

- Accepts one of the courses that is cross-referenced with other courses

- Provides for exemption from Arizona university admission requirements for students who complete the ABus GR degree from a regionally accredited post-secondary institution with a minimum 2.0 on a 4.0=A scale for Arizona residents and a minimum 2.5 on a 4.0=A scale for non-residents.

**Degree Requirements**

The 62-63 semester credits required for the Associate in Business General Requirements follow. See the list entitled MCCCD Courses That Can Be Used to Satisfy MCCCD AGEC A, AGEC B and/or AGEC S for specific course information via the following website: www.maricopa.edu/academic/ccta/

The list identifies the courses in alpha-order by prefix as well as the different Core Areas and Awareness Areas where the course will apply. When selecting Mathematical Studies and Natural Sciences options, select from the appropriate AGEC A, B, or S list.

I. **MCCCD General Education**

   **Credits**

   A. MCCCD AGEC B
      
      1. Core Areas: 35
         
         a. First-Year Composition (FYC) 6
         b. Literacy and Critical Inquiry [L] 3
         c. Mathematical Studies [MA/CS] 6
            
            To complete the Mathematical Studies requirement select one course to satisfy
               
               Mathematics [MA] B and a second course from Computer/Statistics/Quantitative Applications [CS].
               
               1) Mathematics [MA] B (3 credits) MAT212, Brief Calculus, or a higher level mathematics course AND
            
            d. Humanities and Fine Arts [HU] 6
            Students are encouraged to choose course work from more than one discipline for a total of six semester credits.
            
            e. Social and Behavioral Sciences [SB] 6
            Students are encouraged to choose course work from more than one discipline for a total of six semester credits.
            
            f. Natural Sciences [SQ/SG] 8
            To complete the Natural Sciences requirement: Select four (4) semester credits of [SQ] and four (4) semester credits of [SG] for a total of (8) semester credits, OR eight (8) semester credits of [SQ]. Students cannot take eight (8) semester credits of [SG] to meet the Natural Sciences requirement.

   The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course. The lecture and corresponding laboratory course(s) may carry separate credit. Students should consult with an advisor for appropriate course selection. Students should also access the AZ Course Equivalency Guide (CEG) within the AZ Course Applicability System (AZCAS) for information on equivalencies.

   2. Awareness Areas
      
      Students must satisfy two Awareness Areas: Cultural Diversity in the United States [C] and either Global Awareness [G] or Historical Awareness [H]. However, it is not necessary for students to exceed thirty-five semester credits
to complete the Awareness Areas because courses can satisfy a Core Area and one or two Awareness Areas simultaneously. Therefore no additional semester credits are required to satisfy the two Awareness Areas.

Cultural Diversity in the United States [C]
AND
Global Awareness [G] OR
Historical Awareness [H]

II. Common Lower Division Program Requirements: 27-28
A total of 27-28 credits are required to satisfy the Common Lower Division Program Requirements. However, if students select courses that simultaneously satisfy multiple areas of the degree, then the number of semester credits required for Common Lower Division Program Requirements is reduced. Additional semester credits may be required in General Electives to complete the minimum 62-63 total program semester credits.

Complete the following:
Accounting:
*ACC111 Accounting Principles I AND
ACC230 Uses of Accounting Information I
AND
ACC240 Uses of Accounting Information II
OR
**ACC211 Financial Accounting AND
ACC212 Managerial Accounting 6-7

*MCCCD ACC250 or ACC211 may be taken in lieu of ACC111.
**MCCCD ACC111 and ACC112 together are equivalent to ACC211.

ECN211 [SB] Macroeconomic Principles 3
ECN212 [SB] Microeconomic Principles 3
GBS205 Legal, Ethical, Regulatory Issues in Business 3
GBS221 [CS] Business Statistics 3

Quantitative Methods
GBS220 Quantitative Methods in Business
OR
*MAT217 Mathematical Analysis for Business
OR
*MAT218 Mathematical Analysis for Business

*Students planning to attend ASU W.P. Carey will be required to take MAT217 or MAT218

Business Electives: 6
Select from the following options:
CIS114DE Excel Spreadsheet
CIS133DA Internet/Web Development Level I
CIS159 [CS] Visual Basic Programming I
CIS162AD C#: Level I
GBS151 Introduction to Business

GBS233 [L] Business Communication
**GBS 220 Quantitative Methods in Business
GBS110 OR Human Relations in Business and Industry
MGT251 Human Relations in Business
IBS101 Introduction to International Business
MGT253 Owning and Operating a Small Business
REA179 Real Estate Principles I
REA180 Real Estate Principles II
MTK271 Principles of Marketing
SBU200 Society and Business
**If course used to satisfy Common Lower Division Program Requirements, it cannot be used to satisfy Business Electives.

III. General Electives
Select courses to complete a minimum of 62 semester credits but no more than a total of 63 semester credits. General Electives semester credits may be necessary if courses selected for the degree satisfy multiple areas. For appropriate course selection, students should consult an advisor.

All courses used to satisfy electives must be transferable to the university or universities to which the student plans to transfer, as elective credit or better. For appropriate course selection, students should consult with an advisor.

ABus GR Degree Total Credits: 62-63

Associate in Business (ABUS) Degree, Special Requirements (SR)

Description
The Maricopa County Community College District Associate in Business, Special Requirements (ABus SR) degree requires a total of 62–63 semester credits for the program of study. The degree has three major components:
I. MCCCD General Education which includes the Arizona General Education Curriculum for Business (AGEC B),
II. Common Lower Division Program Requirements,
III. General Electives.

Purpose of the Degree
The ABus SR degree is designed for Computer Information Systems majors who plan to transfer to Arizona’s public universities and for students who plan to complete lower division course work toward a baccalaureate program at other degree granting institutions. Currently the pathway for accountancy majors is a Transfer Guide Pathway (TG-XR). The Associate in Business General Requirements (ABus GR)
is designed for all other business majors. Additional information on academic majors at the Arizona public universities can be accessed via the following web site: www.aztransfer.com/.

Generally, the degree transfers as a block without loss of credit to Arizona’s public universities and other institutions with district-wide articulation agreements. In most cases, courses used to satisfy the MCCCD Associate in Business Special Requirements may apply to university graduation requirements of the university major for which the ABus SR was designed.

Academic Policies that Govern the Associate in Business Special Requirements Degree:

- Requires 62-63 semester credits in courses numbered 100 and above to be completed with a grade of “C” or better. Credit units transferred from outside of the district need to be at a grade of “C” or better. A grade of “C” equals 2.0 on a 4.0 grading scale or equivalent. On an exception basis, P-grades may be allowed in the AGEC for credit transferred if documentation collected by the community college indicates that the P-grade issued was the only option for the student and the P-grade is a “C” or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions;

- Credit received through prior learning assessment or credit by evaluation is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. No more than 20 semester credit hours may be applied toward AGEC.

- uses the following policies to help students complete the required Core and Awareness Areas in AGEC B without exceeding the 35 semester credits
  - Courses can satisfy a Core Area and one or two Awareness Areas simultaneously.
  - A course cannot be used to satisfy more than one Core Area requirement.

- uses the following policy to help students complete the program requirements at a minimum of 62 semester credits but not more than 63 semester credits:
  - Courses can satisfy multiple areas within the degree simultaneously (AGEC B Core Area, AGEC B Awareness Area, and/or Common Lower Division Program Requirements)

- follows the general education policy below:

  General Education Designations (example: (FYC), [SB], [HU], etc.)

Effective Fall 2000 the course evaluation and/or general education designation, as listed in the Arizona CEG (Course Equivalency Guide) within the Arizona Course Applicability System (AZCAS) is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Given that curriculum is dynamic at both MCCCD and the institutions to which MCCCD students transfer, students have the option to petition for course evaluations and/or general education designations.

- requires courses that transfer as an equivalent course, departmental elective credit (XXXXXDEC), or general elective credit (Elective) at all Arizona public universities according to the Arizona Course Equivalency Guide (CEG). The course evaluation and/or general education designation as listed in AZCAS is valid for the term in which the student is awarded credit on the transcript

- follows the graduation policies within the general catalog

- includes both courses and their modular equivalents, either the course or the modular equivalents will satisfy the Associate in Business Special Requirements

- accepts one of the courses that is cross-referenced with other courses

- provides for exemption from Arizona university admission requirements for students who complete the ABus SR degree from a regionally accredited post-secondary institution with a minimum 2.0 on a 4.0=A scale for Arizona residents and a minimum 2.5 on a 4.0=A scale for non-residents

Degree Requirements

The 62-63 semester credits required for the Associate in Business Special Requirements follow. See the list titled MCCCD Courses That Can Be Used to Satisfy MCCCD AGEC A, AGEC B and/or AGEC S for specific course information via the following website: www.maricopa.edu/academic/ccta/

The list identifies the courses in alpha-order by prefix as well as the different Core Areas and Awareness Areas where the course will apply. When selecting Mathematical Studies and Natural Sciences options, select from the appropriate AGEC A, B, or S list.

I. MCCCD General Education

  Credits

  A. MCCCD AGEC B
    1. Core Areas: 35
      a. First-Year Composition (FYC) 6
b. Literacy and Critical Inquiry [L] 3

c. Mathematical Studies [MA/CS] 6
   To complete the Mathematical Studies requirement select one course to satisfy the Mathematics [MA] B and a second course from Computer/Statistics/Quantitative Applications [CS]
   1) Mathematics [MA] B (3 credits)
      MAT212, Brief Calculus, or a higher level mathematics course
      AND
   2) Computer/Statistics/Quantitative Applications [CS]
      CIS105 [CS] Survey of Computer Information Systems

d. Humanities and Fine Arts [HU] 6
   Students are encouraged to choose course work from more than one discipline for a total of six semester credits.

e. Social and Behavioral Sciences [SB] 6
   Students are encouraged to choose course work from more than one discipline for a total of six semester credits

f. Natural Sciences [SQ/SG] 8
   To complete the Natural Sciences requirement:
   Select four (4) semester credits of [SQ] and four (4) semester credits of [SQ] for a total of eight (8) semester credits, OR eight (8) semester credits of [SQ]. Students cannot take eight (8) semester credits of [SQ] to meet the Natural Sciences requirement.

The lecture course(s) selected for Natural Sciences must include or be accompanied by the corresponding laboratory course. The lecture and corresponding laboratory course(s) may carry separate credit. Students should consult with an advisor for appropriate course selection. Students should also access the AZ Course Equivalency Guide (CEG) within the AZ Course Applicability System (AZCAS) for information on equivalencies.

2. Awareness Areas:
   Students must satisfy two Awareness Areas: Cultural Diversity in the United States [C] and either Global Awareness [G] or Historical Awareness [H]. However, it is not necessary for students to exceed thirty-five semester credits to complete the Awareness Areas because courses can satisfy a Core Area and one or two Awareness Areas simultaneously. Therefore no additional semester credits are required to satisfy the two Awareness Areas.

   Cultural Diversity in the United States [C]
   AND
   Global Awareness [G]
   OR
   Historical Awareness [H]

II. Common Lower Division Program Requirements: 27-28
   A total of 27-28 credits are required for the Common Lower Division Program Requirements. Common courses meeting general education areas are noted with the general education designations encased in brackets.

   Complete the following:
   Accounting:
      *ACC111 Accounting Principles I AND
      ACC230 Uses of Accounting Information I AND
      ACC240 Uses of Accounting Information II
      OR
      **ACC211 Financial Accounting AND
      ACC212 Managerial Accounting
      6-7
      *MCCCD ACC250 or ACC211 may be taken in lieu of ACC111.
      **MCCCD ACC111 and ACC112 together are equivalent to ACC211.

   Programming I:
      CIS162ADC#: Level I
      3

   Programming II:
      CIS250 Management Information Systems
      GBS205 Legal, Ethical, and Regulatory Issues in Business
      3
      GBS221 [CS] Business Statistics
      3
      EGN211 [SB] Macroeconomic Principles
      3
      EGN212 [SB] Microeconomic Principles
      3

   Quantitative Methods
   GBS220 Quantitative Methods in Business
   OR
   *MAT217 Mathematical Analysis for Business
   OR
   *MAT218 Mathematical Analysis for Business
   *Students planning to attend ASU W.P. Carey will be required to take MAT217 or MAT218

III. General Electives: 0-6
   Select courses to complete a minimum of 62 semester credits but no more than a total of 63 semester credits for the program. General Electives semester credits may be necessary if courses selected for the degree satisfy multiple areas. For appropriate course selection, students should consult an advisor.

   For appropriate course selection, students should consult with an advisor.

ABus SR Total Credits: 62-63
Associate in Transfer Partnership (ATP) Degree

Purpose of the Degree
The Maricopa County Community College District Associate in Transfer Partnership (ATP) degree is designed to meet the needs of the Maricopa County Community College students transferring to public and private colleges and universities. This degree is developed specifically for students who have an identified major and have selected the baccalaureate degree-granting institution to which they intend to transfer.

The Associate in Transfer Partnership degree is an articulated academic program of study established among the student, the accredited baccalaureate degree-granting institution selected by the student, and the primary Maricopa Community College the student attends. The program of study will “parallel” the student's four-year degree as designated by the baccalaureate degree-granting institution. That is, the courses and number of credit hours in the degree will consist of the Freshman and Sophomore lower division course degree requirements of the major as jointly planned and agreed on with the community college and the accredited institution to which the student plans to transfer.

The ATP degree requires a core of general education credits in the following general education categories: First-Year Composition (6 credits); Mathematics (3 credits); Natural Sciences (4 credits); and Humanities and Fine Arts/Social and Behavioral Sciences or related area general education requirements (6 credits). Also included in the ATP degree are the general education and major requirements to meet the lower division requirements of the major at the baccalaureate degree-granting institution. The ATP degree must consist of at least a minimum of 60 credit hours. The ATP degrees are accessible on the following web site: www.maricopa.edu/academic/ccta/curric/atp.php

Exemption From Arizona University Admission Requirements
The Associate in Transfer Partnership degree provides for exemption from Arizona university admission requirements for students who complete the degree from a regionally accredited post-secondary institution with a minimum 2.0 on a 4.0=A scale for Arizona residents and a minimum 2.5 on a 4.0=A scale for non-residents.

The ATP degree does not assure admission to the specific program at the baccalaureate degree-granting institution. Students participating in the ATP degree will be treated as “native” students by the upper division institution in terms of course evaluation and course changes.

Advising is a critical element of the transfer partnership degree, and students must work closely with a community college academic advisor prior to entering into a transfer partnership agreement. Once a transfer partnership agreement has been initiated by the student, approved and signed off by a community college academic advisor and university authorized official, the student is responsible for periodic meetings with the community college advisor and, if/when determined necessary, with the appropriate baccalaureate degree-granting institution academic advisor. Upon completion of 36 hours, the student must receive formal advising at a Maricopa Community College before the remainder of their classes can be scheduled.

</tbody>
</table>

The Associate in Transfer Partnership (ATP) degrees may not be available at all the MCCCD colleges. Associate in Transfer Partnership degrees are available in the following areas. Other ATP degrees may be added later depending on curricular needs: ATP information may be accessed via the following website: www.maricopa.edu/academic/ccta/curric/atp.php

Early Childhood Teacher Education

Associate in General Studies (AGS) Degree

Description
The Maricopa County Community College District Associate in General Studies (AGS) degree is recommended for students whose educational goals require flexibility. The AGS allows students to choose any elective courses numbered 100 or above to complete the degree. Therefore, this degree may be less appropriate for students who intend to transfer to a baccalaureate-granting institution.

Students who demonstrate skills comparable to those in Critical Reading and/or Mathematics and/or Computer Usage may substitute acceptable elective courses to satisfy the total credits required for the degree.

Academic Policies That Govern the Associate in General Studies Degree:
- requires a minimum of 60 semester credits in courses numbered 100 and above.
- AGS degree requirements follow with the use of a diagonal character (/) between course numbers to signify
options. An asterisk (*) following the course number defines requirements with an effective begin term of spring;

• requires grades as listed for specific areas such as the General Education Core where a minimum grade of “C” is required. Courses applied to other areas may be completed with a minimum grade of “D”; 

• uses the following policies for course(s ) satisfying multiple program areas;
  1. A course can simultaneously satisfy one Core area and one Distribution area. Courses that meet this criterion are bold print and underscored in the Core areas and Distribution areas.
  2. A course cannot satisfy more than one Core area, even if it is approved for more than one Core area.
  3. A course cannot satisfy more than one Distribution area, even if it is approved for more than one Distribution area.

• follows the graduation policies within the general catalog;

• includes both courses and their modular equivalents; either the course or the modular equivalents will satisfy the Associate in General Studies;

• accepts one of the courses that is cross-referenced with other courses;

• provides for exemption from Arizona university admission requirements for students who complete the Associate in General Studies degree from a regionally accredited post-secondary institution with a minimum 2.0 on a 4.0=A scale for Arizona residents and a minimum 2.5 on a 4.0=A scale for non-residents.

Degree Requirements

GENERAL EDUCATION CORE
(16 credits - grade of “C” or better)

First-Year Composition (6 credits)
ENG English [101/107] & [102/108]

Oral Communication (3 credits)
COM Communication 100/100AA & 100AB & 100AC/110/110AA &110AB & 110AC/ 225/230

Critical Reading (3 credits)
CRE Critical Reading 101/Equivalent as indicated by assessment

Mathematics (3 credits)

Computer Usage (1 credit)
Computer-related course or demonstration of comparable computer skills. Additional courses may be approved by individual colleges. Students should contact their advisor for college-specific courses satisfying the requirement.

Elective Courses (15-16 credits)
May select courses from prefixes already chosen for General Education Distribution requirements in order to develop depth in one or more subject areas

ASSOCIATE IN APPLIED SCIENCE

GENERAL EDUCATION REQUIREMENTS

Purpose of the Degree
The Maricopa County Community College District Associate in Applied Science (AAS) degree is recommended for students who wish to gain a depth of technical expertise by completing an occupational program presented in the college catalog. Students should consult this catalog to determine specific program requirements.

Academic Policies that Govern the AAS degree:

• requires 60 or more credits numbered 100 or above and includes credits in the General Education Core areas and credits in the Distribution areas. AAS degree requirements follow with the use of a diagonal character (/) between course numbers to signify options. An asterisk (*) following the course number defines requirements with an effective begin term of spring;

• requires grades as listed for specific areas such as the General Education Core where a minimum grade of “C” is required. See specific AAS occupational degree for specific program grade requirements;

• follows the graduation policies within the general catalog;

• includes both courses and their modular equivalents, either the course or the modular equivalents will satisfy the Associate in Applied Science requirements;

• requires at least 12 semester credit hours earned at the college awarding the AAS degree. The 12 hours in the AAS degree curricula may be in the Required Courses area and/or Restricted Electives courses. Courses from the General Education Core and Distribution area are excluded.

Shared Programs are programs offered at multiple colleges but not available at all colleges. The requirements are identical at all the colleges offering the program.

A shared program requires a minimum of six credit hours from the total program requirements to be completed with a grade of “C” or better at the college awarding the certificate or degree. The exception is the Nursing program. For those shared programs with less than six credit hours, the total hours for the program must be completed at the college awarding the certificate. The minimum of six credit hours in the certificate or degree curricula may be in the Required Courses area and/or the Restricted Electives. Courses from the General Education Core and Distribution areas are excluded;

Students must apply for graduation from the college where they have successfully completed Block 4 of the Associate in Applied Science in Nursing.

• requires completion of General Education courses as indicated in the General Education Requirements for the Associate in Applied Science degree from the Maricopa County Community College District, or completion of a curriculum as stated in the catalog;

• accepts one of the courses that is cross-referenced with other courses;

• provides for exemption from Arizona university admission requirements for students who complete the Associate in Applied Science (AAS) degree from a regionally accredited post-secondary institution with a minimum 2.0 on a 4.0=A scale for Arizona residents and a minimum 2.5 on a 4.0=A scale for non-resident

GENERAL EDUCATION CORE
(15 credits - grade of “C” or better.)
Demonstrate college-level skills in the following areas:

First-Year Composition (6 credits)
ENG  English [101/107] & [102/108/111]

Oral Communication (3 credits)
COM  Communication 100/100AA & 100AB & 100AC/110/110AA & 110AB & 110AC/225/230

Critical Reading (3 credits)
CRE  Critical Reading 101/111/Equivalent as indicated by assessment
Mathematics (3 credits)
MAT Mathematics 102/120/121/122/
   122AA/122AB/122AC/126/140/141/142/150/
   151/151A/151AB/151AC/151AD/152/

Academic Certificate (AC)

Purpose of the Academic Certificate (area of emphasis)
The Maricopa Community College District Academic Certificate (area of emphasis) is a defined and coherent program of study that is recommended for students who wish to gain additional expertise in an academic area. While this program of study can result in proficiency in specified skills and competencies, as well as mastery of knowledge, it is not designed to prepare someone for employment in a specific occupation. The content for an Academic Certificate (area of emphasis) may be derived from a variety of disciplines or it can be discipline specific. The Academic Certificate does not require a general studies component even though requirements of the certificate may include courses that currently meet specific general studies designations such as Humanities and Fine Arts, Social and Behavioral Sciences, etc.

Academic Policies that Govern the Academic Certificate (area of emphasis):

- generally ranges from 12-39 credit hours in courses numbered 100 or above, although there is no minimum number of credit hours required for an Academic Certificate;
- requires a cumulative GPA of 2.0 or better for completion;
- follows the graduation policies within the general catalog;
- accepts one of the courses that is cross-referenced with other courses;
- includes both courses and their modular equivalents, either the course or the modular equivalents will satisfy the Academic Certificate requirements:
- does not presume block transfer value. Consequently, in most cases the Academic Certificate should not be a subset of an existing transfer degree;
- may have admission criteria established by the college if and when appropriate;
- is for the most part college specific
The following are a portion of the Administrative Regulations used in managing the day-to-day operations of the Maricopa County Community College District (MCCCD) and are subject to change. Administrative Regulations are amended, adopted, or deleted as necessary and are subject to a formal approval process. Administrative Regulations are referenced as “AR” followed by a regulation number, which corresponds with the regulations on the MCCCD web site: http://www.maricopa.edu/publicstewardship/governance/adminregs/adminregs_toc.php

Some regulations include reference to Arizona Revised Statutes from the State of Arizona and are noted as “ARS” followed by a reference number.

1. General Statement (AR 2.4.1)
The Maricopa Community Colleges are dedicated to providing a healthy, comfortable and educationally productive environment for students, employees and visitors.

2. Nondiscrimination Policy (AR 2.4.2)
It is the policy of the Maricopa Community Colleges (consisting of Chandler-Gilbert Community College, the District Office, Estrella Mountain Community College, Gateway Community College, Glendale Community College, Maricopa Skill Center, Southwest Skill Center, Mesa Community College, Paradise Valley Community College, Phoenix College, Rio Salado College, Scottsdale Community College, and South Mountain Community College) to promote equal employment opportunities through a positive continuing program. This means that Maricopa will not discriminate, nor tolerate discrimination, against any applicant or employee because of race, color, religion, gender, sexual orientation, national origin, age, disability, or veteran status. Additionally, it is the policy of the Maricopa Community Colleges to provide an environment for each job applicant and employee that is free from sexual harassment, as well as harassment and intimidation on account of an individual’s race, color, religion, gender, sexual orientation, national origin, age, disability, or veteran status.

This nondiscrimination policy covers all aspects of the employment relationship and admission to, access to, and treatment of students in the Maricopa Community Colleges’ programs and activities including vocational education. This policy also prohibits discrimination on the basis of sexual orientation in the admission and treatment of students in the Maricopa Community Colleges’ programs and activities and in the hiring, treatment, promotion, evaluation, and termination of employees.

3. Equal Opportunity Statement (AR 2.4.3)
It is the policy of the Maricopa Community Colleges to promote equal employment opportunities through a positive continuing program. This means that Maricopa will not discriminate, nor tolerate discrimination, against any applicant or employee because of race, color, religion, gender, sexual orientation, national origin, age, disability, or veteran status. Additionally, it is the policy of the Maricopa Community Colleges to provide an environment for each job applicant and employee that is free from sexual harassment, as well as harassment and intimidation on account of an individual’s race, color, religion, gender, sexual orientation, national origin, age, disability, or veteran status.

AFFIRMATIVE ACTION STATEMENTS

1. Affirmative Action Policy Statement for Individuals with Disabilities
In conformance with the provisions of Section 503 of the Rehabilitation Act of 1973, as amended, and the implementing regulations, 41 CFR 60-741.5 (a), as amended, Maricopa Community College District will not discriminate, or tolerate discrimination, against any applicant or employee because of physical or mental disability in regard to any position for which the known applicant or employee is qualified. Maricopa agrees to take affirmative action to employ, advance in employment and otherwise treat known qualified individuals with disabilities without regard to their physical or mental disability in all human resources selection and decision practices, such as the following: advertising, benefits, compensation, discipline (including probation, suspension, and/or termination for cause or layoff), employee facilities, performance evaluation, recruitment, social/recreational programs, and training. Maricopa will also continue to administer these practices without regard to race, color, religion, gender, sexual orientation, national origin, age, disability, or veteran status.

Additionally, all applicants and employees are protected from coercion, intimidation, interference, or discrimination for filing a complaint or assisting in an investigation under the Act.

2. Affirmative Action Policy Statement for Other Eligible Veterans, Special Disabled Veterans, and Vietnam Era Veterans
In conformance with the Vietnam Era Veterans Readjustment Assistance Act of 1974, the Veterans Employment Opportunities Act of 1998, and the
implementing regulations, 41 CFR 60-250(k), Maricopa County Community College District will not discriminate, or tolerate discrimination, against any applicant or employee because he or she is a special disabled veteran or Vietnam era veteran in regard to any position for which the known applicant or employee is qualified. Maricopa agrees to take affirmative action to employ, advance in employment, and otherwise treat known qualified special disabled veterans and Vietnam era veterans without discrimination based upon their disability or veteran status in all human resources section and decision practices, such as the following: advertising, benefits, compensation, discipline (including probation, suspension, and/or termination for cause or layoff), employee facilities, performance evaluation, recruitment, social/recreational programs, and training. Maricopa will continue to administer these practices without regard to race, color, religion, gender, sexual orientation, national origin, age, disability, or veteran status. Additionally, Maricopa agrees to post all suitable job openings at the local office of the State employment service where the job opening occurs. This includes full-time, temporary greater than 3 days’ duration, and part-time employment. Finally, all applicants, employees are protected from coercion, intimidation, interference, or discrimination for filing a complaint or assisting in an investigation under the Act.

3. Notice of Americans with Disabilities Act (ADA)/Section 504 of the Rehabilitation Act/Title IX Coordinator
Disability Resource Services, ADA/504/Title IX Coordinator, 7050 S. 24th Street, Phoenix, Arizona 85042, 602-243-8027. Under the ADA and Section 504, the District and its colleges recognize the obligation to provide overall program accessibility throughout its locations for persons with disabilities. The designated ADA/504/Title IX Coordinator at each college will provide information as to the existence and location of services, activities and facilities that are accessible to and usable by persons with disabilities. Requests for accommodation should be addressed to the coordinator. Likewise, under Title IX, there is an obligation to provide services and program accessibility in a gender-neutral manner.

Students with disabilities may request catalog information in an alternative format from the college ADA/504 Coordinator.

DECLARACIONES DE ACCIÓN AFIRMATIVA

1. Póliza de No Descriminación
Es la póliza de los Colegios Comunitarios del Condado de Maricopa (The Maricopa Community Colleges) que consisten del Centro de Apoyo del Distrito, los colegios comunitarios de Chandler-Gilbert, Estrella Mountain, Gateway, Glendale, Mesa, Paradise Valley, Phoenix, Rio Salado, Scottsdale, South Mountain y el Centro de Capacitación de Maricopa, proveer igualdad en las oportunidades de empleo mediante un programa continuo positivo. Esto significa que Maricopa no descriminará o tolerará descriminación en contra de ningún aplicante o empleado debido a su raza, color, religión, sexo, orientación sexual, nacionalidad, edad, incapacitación o por ser veterano incapacitado. Así mismo, es la póliza de los Colegios Comunitarios proveer para cada aplicante y empleado un ambiente libre de acoso sexual como también de acoso intimidación referente a raza, color, religión, sexo, orientación sexual, nacionalidad, edad o estado de veterano de cualquier individuo.

Esta póliza de no descriminación cubre todos los aspectos de contratación del empleado, ingreso, acceso a, y tratamiento de alumnos en los Colegios Comunitarios de Maricopa los cuáles incluyen también programas de educación vocacional. Esta póliza también prohíbe descriminación en base de orientación sexual en la admisión y tratamiento de estudiantes, en sus programas y actividades y en la contratación, tratamiento, promoción/ascensos, evaluación y despido de empleados.

2. Declaración de Igualdad de Oportunidad
Es la póliza de los Colegios Comunitarios del Condado de Maricopa proveer igualdad en las oportunidades de empleo mediante un programa continuo positivo. Esto significa que Maricopa no descriminará o tolerará descriminación en contra de ningún aplicante o empleado debido a su raza, color, religión, sexo, orientación sexual, nacionalidad, edad, incapacitación o por ser veterano incapacitado. Agregando, es la póliza de los Colegios Comunitarios proveer para cada aplicante y empleado un ambiente libre de acoso sexual como también de acoso e intimidación referente a la raza, color, religión, sexo, orientación sexual, nacionalidad, edad y condición de veterano de cualquier individuo.

3. Declaración de Acción Afirmativa
Póliza y Declaración de Acción Afirmativa para Individuos con Incapacidades De acuerdo a lo que provee la Sección 503 de la Ley de Rehabilitación de 1973, como enmienda, y las leyes de implementación, 41 CFR 60-741.5 (a), declara que el Distrito de Colegios Comunitarios de Maricopa no descrimirarán o tolerarán descriminación en contra ningún aplicante o empleado debido a su desabilidad/incapacitación física o mental referente a cualquier posición para la cuál el aplicante o empleado ha calificado. Maricopa promete tomar acción afirmativa para emplear, dar ascenso en empleo y tratar a dichos individuos con incapacidades sin hacer incapi en sus incapacidades físicas o mentales en la selección de recursos humanos y prácticas decisivas como son las siguientes: anuncios, beneficios, compensación, disciplina (incluyendo período de prueba, suspensión, y/o terminación de empleo por causa de paro forzoso), facilidades para empleados, evaluación de trabajo, recrutamiento, programas sociales/recreacionales y entrenamiento. Maricopa continuará llevando a cabo
éstas prácticas de no discriminar por razones de raza, color, religión, sexo, orientación sexual, nacionalidad, edad, incapacidad o estado de veterano. Así mismo, todo los aplicantes y empleados están protegidos en contra de coacción, intimidación, interferencia o discriminación por quejas o por ayudar en una investigación cubierta bajo éste Acto.

4. Declaración de Política de Acción Afirmativa para Otros Veteranos Elegibles, Veteranos con Incapacitación Especial y Veteranos de la Era Vietnamita
Conforme a la ley de Reajuste y Asistencia para los Veteranos de la Era Vietnamita de 1974, acta de Oportunidades de Empleo para Veteranos de 1998 y reglamentos de implementación, 41 CFR 60-250(k), el Distrito de Colegios Comunitarios del Condado de Maricopa no discriminará ni tolerará discriminación en contra de ningún aplicante o empleado veterano o veterano de la Era Vietnamita con desabilidad/incapacitación especial referente a cualquier posición la cual dicho aplicante o empleado califique. Maricopa promete aplicar acción afirmativa para emplear, ascender en empleo y tratar a dichos veteranos incapacitados y de la Era Vietnamita que califiquen sin discriminar base a su desabilidad/incapacitación o condición de veterano en todas las áreas de recursos humanos y decisiones como son las siguientes: anuncios, beneficios, compensación, disciplina (incluyendo período de prueba, suspensión, y/o despido por causa o paro forzoso), facilidades para empleados, evaluación de trabajo, reclutamiento, programas sociales/recreacionales y entrenamiento. Maricopa continuará llevando a cabo estas prácticas sin discriminar por razones de raza, color, religión, sexo, orientación sexual, nacionalidad, edad, incapacidad o condición de veterano. Maricopa promete anunciar todas las oportunidades de empleo disponibles en la oficina local del servicio de empleo del Estado donde el empleo esté disponible. Esto incluye empleo de tiempo completo, temporal de más de tres días de duración y empleo de tiempo medio. Finalmente, todos los aplicantes y empleados están protegidos en contra de coacción, intimidación, interferencia o discriminación por quejas o por ayudar en una investigación cubierta sobre este Acto.

5. Notificación del Acta de Americanos con Impedimentos (ADA)/Sección 504 del Acta de Rehabilitación/Coordinador del Título IX
Disability Resource Services, ADA/504/Title IX Coordinador, 7050 S. 24th Street, Phoenix, Arizona 85042, 602-243-8027. De acuerdo a ADA y a la sección 504, el distrito y sus colegios reconocen la obligación de proveer acceso a programas en todas sus localidades a personas incapacitadas. El coordinador designado de ADA/504/Título IX proveerá información tocante a la existencia y localidad de servicios, actividades y facilidades que son accesibles y de utilidad a personas incapacitadas. Solicitudes para acomodación deben ser dirigidas al coordinador. Del mismo modo, bajo el Título IX, hay obligación de proveer acceso a servicios y programas de una manera imparcial según el género.

Estudiantes incapacitados pueden solicitar información de catálogo en una forma diferente por medio del Coordinador designado por ADA/504 en cada colegio.

VISION
A Community of Colleges...Colleges for the Community... working collectively and responsibly to meet the life-long learning needs of our diverse students and communities.

MISSION
The Maricopa Community Colleges provide access to higher education for diverse students and communities. We focus on learning through:
- University Transfer Education
- General Education
- Developmental Education
- Workforce Development
- Student Development Services
- Continuing Education
- Community Education
- Civic Responsibility
- Global Engagement

VALUES
The Maricopa Community Colleges are committed to:

Community
We value all people – our students, our employees, their families, and the communities in which they live and work. We value our global community of which we are an integral part.

Excellence
We value excellence and encourage our internal and external communities to strive for their academic, professional and personal best.

Honesty and integrity
We value academic and personal honesty and integrity and believe these elements are essential in our learning environment. We strive to treat each other with respect, civility and fairness.

Inclusiveness
We value inclusiveness and respect for one another. We believe that team work is critical, that each team member is important and we depend on each other to accomplish our mission.

Innovation
We value and embrace an innovative and risk-taking approach so that we remain at the forefront of global educational excellence.

Learning
We value lifelong learning opportunities that respond to the
needs of our communities and are accessible, affordable, and of the highest quality. We encourage dialogue and the freedom to have an open exchange of ideas for the common good.

Responsibility
We value responsibility and believe that we are each accountable for our personal and professional actions. We are responsible for making our learning experiences significant and meaningful.

Stewardship
We value stewardship and honor the trust placed in us by the community. We are accountable to our communities for the efficient and effective use of resources as we prepare our students for their role as productive world citizens.

GENERAL REGULATION (AR 2.1)

1. General Statement

Compliance with Policies, Rules and Regulations
Every student is expected to know and comply with all current published policies, rules and regulations as printed in the college catalog, class schedule, and/or student handbook. Copies are available at each college.

Policies, courses, programs, fees and requirements may be suspended, deleted, restricted, supplemented or changed through action of the Governing Board of the Maricopa Community Colleges.

The Maricopa Community Colleges reserve the right to change, without notice, any materials, information, curriculum, requirements and regulations.

Note: The regulations that comprise the student section contain language that appears in various sources such as the Catalog Common Pages and the Student Handbook. All areas became Administrative Regulations with the 1996 adoption of the Governance Model. Changes are made annually either through the Administrative Regulations approval process, or by Board approval for those items that fall under its statutory duty, such as Tuition and Fees. In an effort to prevent duplication, topics in this section may be incorporated by reference, as they are featured in other areas of the manual and are noted accordingly.

The Maricopa Community Colleges District Vision, Mission and Values that are featured in the Common Pages are a part of approved Governing Board policy and are located in the policy section of the manual. As such, the following statement related to Outcomes Assessment that appears in the Common Pages is presented here as a general statement.

2. Outcomes Assessment
The mission of the Maricopa Community Colleges is “to create and continuously improve affordable, accessible, and effective learning environments for the lifelong educational needs of the diverse communities we serve.” In order to evaluate how successfully the Maricopa County Community College District accomplishes this mission, student outcomes will be assessed as part of the continuous improvement process.

Students may be asked to participate in a variety of assessment activities at each college. Assessment results will be used to improve educational programs, services and student learning.

ADMISSION/REGISTRATION/ENROLLMENT

ADMISSION POLICY (AR 2.2.1)

Persons meeting the admissions criteria may attend any Maricopa Community College of their choice. Falsification of any admission materials or official college records may be cause for denial or cancellation of admission. Exceptions to the admissions policies may be requested through the Admissions and Standards Committee. Admission is determined in accordance with state law (ARS §§15-1805.01 and 15-1821) and regulations of the Maricopa Community Colleges Governing Board.

Admission Classifications

1. Admission of Regular Students

Admission to the community college in Arizona may be granted to any person who meets at least one of the following criteria:

A. Is a graduate of a high school, which is accredited by a regional accrediting association as defined by the United States Office of Education or approved by a State Department of Education or other appropriate state educational agency.

B. Has a high school certificate of equivalency.

C. Is at least 18 years of age and demonstrates evidence of potential success in the community college.

D. Is a transfer student in good standing from another college or university.

2. Admission of Students Under 18 Years of Age

A. Admission to the community colleges in Arizona shall be granted to any student who is under age 18 and who completes course prerequisites and meets any one of the following requirements:

i. A composite score of 93 or more on the Preliminary Scholastic Aptitude Test (PSAT).

ii. A composite score of 930 or more on the Scholastic Aptitude Test (SAT).

iii. A composite score of twenty-two or more on the American College Test (ACT).

iv. A passing score on the relevant portions of the Arizona Instrument to Measure Standards test (AIMS).

v. The completion of a college placement test
POLICIES AND PROCEDURES

5. Admission of F-1 Nonimmigrant Students

Prospective students should contact the Admissions and Records Office/Office of Student Enrollment Services or designated office for the international student application form(s). When completed, the form(s) should be returned to the Admissions and Records Office/Office of Student Enrollment Services or the International Education office with all requested supporting documents. After the file has been reviewed, a notice will be sent to the applicant indicating either acceptance or denial of admission.

To be guaranteed consideration for admission, all application materials must be received by July 1 for the fall semester and November 1 for the spring semester.

Prospective students seeking admission based on F-1 nonimmigrant status must provide proof of secondary school completion with documentation comparable to a United States high school diploma or higher degree. It is recommended that F-1 nonimmigrant students have graduated in the upper 50% of their secondary school (high school or equivalent) in order to ensure success in academic classes at this college. Applicants for admission to the college must have high school and college (if applicable) transcripts sent directly from the high school or college to the Admissions and Records Office/Office of Student Enrollment Services or designated office. In addition, it is the applicant’s responsibility to have all transcripts translated into English and evaluated by a foreign credential evaluation service if necessary.

A. Admission to Academic Programs

Applicants who wish to enroll in an academic program at the college must present evidence of English language proficiency. If the Test of English as a Foreign Language (TOEFL) is used to satisfy this requirement, the applicant must attain a score of at least 500 (on the paper-based TOEFL) or 61 (on the internet-based TOEFL, known as the iBT). If the International Language Testing System (IELTS) is used to satisfy this requirement, an IELTS overall Band Score of 5.5 or better is required, and a minimum IELTS individual Band Score of 5.0 on each module is recommended. The dean or director of Admissions and Records/Enrollment Services of the college may accept other proof of English language proficiency for admission purposes, such as the ASSET, ACCUPLACER, COMPASS or CELSA tests.

B. Admission to an Intensive English Program

Applicants for admission to an Intensive English Program are advised to check with individual colleges for their respective admission requirements. Applicants must provide evidence of at least an intermediate command of English by way of one or more of the following criteria:

i. At least six years of English language instruction as shown by the applicant’s school transcript(s);

ii. A minimum TOEFL score of 400 (on the paper-based TOEFL) or 23 (on the internet-based test);

iii. An original letter of recommendation from a teacher, school principal or headmaster/headmistress, or the director of an English language institute attesting to the applicant’s proficiency at the intermediate level;

iv. Other credentials, test scores, interview results, or evidence accepted by the coordinator of an intensive English program or the college’s responsible designee. Students admitted to an Intensive English Program will not be allowed to enroll in courses outside those officially designated as part of the program unless and until they have met all of the prerequisites or other course requirements.

v. Foreign students under certain types of visas may need special permission to enroll and should contact the appropriate college official.
C. Financial Support

Evidence of financial support will be required prior to issuance of the I-20 form. The colleges have no scholarship or financial aid provisions for foreign students; therefore, students must be fully prepared to meet the necessary financial obligations for the full time they will be in the United States. The colleges estimate a student’s average expenses for 10 months to be:

<table>
<thead>
<tr>
<th>Tuition and Fees</th>
<th>$7,570</th>
</tr>
</thead>
<tbody>
<tr>
<td>Living Expenses</td>
<td>10,140</td>
</tr>
<tr>
<td>Books</td>
<td>1,200</td>
</tr>
<tr>
<td>Health Insurance</td>
<td>1,000</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$19,910</strong></td>
</tr>
</tbody>
</table>

D. Dependent Financial Guarantee

Evidence of financial support for dependents of F-1 students (spouse and dependent children) is also required: $5,000 for the first dependent and $2,500 for each additional dependent.

E. Health Insurance

All F-1 students who have an I-20 issued by one of the Maricopa Community Colleges are required to purchase the Maricopa Community Colleges’ international student health insurance plan. Health insurance coverage for dependents of F-1 students is highly recommended. The Maricopa Community Colleges contracts with an insurance provider annually to offer a health insurance plan for F-1 students. For more information contact the college Admissions and Records Office/Office of Student Enrollment Services or designated international student office.

3. Residency for Tuition Purposes (Appendix S-1)

All students are classified for tuition purposes under one of the following residency classifications:

A. Maricopa County resident
B. Out-of-County resident
C. Out-of-State resident (including F-1 non-immigrant students)
D. Unclassified, Out-of-County/Out-of-State (1-6 credit hours system-wide)

Residency for tuition purposes is determined in accordance with state law (ARS §§15-1801et seq.) and regulations of the Maricopa Community Colleges Governing Board. All of the Maricopa Community Colleges are subject to the above statutes and regulations. Students who have questions about their residency should contact the Admissions and Records Office/Office of Student Enrollment Services for clarification.

A. Implementation

i. Domicile status must be established before the student registers and pays fees. It is the student’s responsibility to register under the correct domicile status.

ii. Enforcement of domicile requirements shall be the responsibility of the Chancellor of the Maricopa Community Colleges. The Chancellor has charged the Director of Admissions and Records or other designee at each college to make the initial domicile classification. In determining a student’s classification, the college may consider all evidence, written or oral, presented by the student and any other information received from any source which is relevant to determining classification. The college may request written sworn statements or sworn testimony of the student.

iii. A request for review of the initial classification may be made to a district review committee. The request must be in writing, signed by the student and accompanied by a sworn statement of all facts relevant to the matter. The request must be filed with the admissions officer of the college within ten days of receipt of notification of classification as a non-resident. Failure to properly file a request for review within the prescribed time limit constitutes a waiver of review for the current enrollment period. The decision of the review committee shall be final.

B. Definitions

i. “Armed Forces of the United States” means the Army, the Navy, the Air Force, the Marine Corps, the Coast Guard, the commissioned corps of the United States Public Health Services, the National Oceanographic and Atmospheric Administration, the National Guard, or any military reserve unit of any branch of the Armed Forces.
ii. "Continuous attendance" means enrollment at one of Maricopa Community Colleges as a full-time or part-time student for a normal academic year since the beginning of the period for which continuous attendance is claimed. Students need not attend summer sessions or other such intersession beyond the normal academic year in order to maintain continuous attendance.

iii. "Maricopa County resident" means an individual who has lived in Maricopa County for at least fifty (50) days before the first day of classes of the semester. In-state residency must be established prior to country residency for those moving from other states. Refer to section C for guidelines.

iv. "Domicile" means a person's true, fixed, and permanent home and place of habitation. It is the place where he or she intends to remain and to which he or she expects to return when he or she leaves without intending to establish a new domicile elsewhere.

v. "Emancipated person" means a person who is neither under a legal duty of service to his parent nor entitled to the support of such parent under the laws of this state.

vi. "Full-time student" means one who registers for at least twelve (12) credit hours per semester.

vii. "Part-time student" means one who registers for fewer than twelve (12) credit hours per semester.

viii. "Parent" means a person's father, or mother, or if one parent has custody, that parent, or if there is no surviving parent or the whereabouts of the parents are unknown, then a guardian of an unemancipated person if there are not circumstances indicating that such guardianship was created primarily for the purpose of conferring the status of an in-state student on such unemancipated person.

C. Criteria for Determining Residency
i. In-State Student Status
1. Except as otherwise provided in this article, no person having a domicile elsewhere than in this state is eligible for classification as an in-state student for tuition purposes.
2. A person is not entitled to classification as an in-state student until the person is domiciled in this state for one year preceding the official starting day of the semester, except that a person whose domicile is in this state is entitled to classification as an in-state student if the person meets one of the following requirements:
   a. The person's parent's domicile is in this state and the parent is allowed to claim the person as an exemption for state and federal tax purposes.
   b. The person is an employee of an employer which transferred the person to this state for employment purposes or the person is the spouse of such an employee.
3. The domicile of an unemancipated person is that of such person's parent.
4. An unemancipated person who remains in this state when such person's parent, who had been domiciled in this state, removes from this state is entitled to classification as an in-state student for tuition purposes.
5. A person who is a member of the Armed Forces of the United States and who is stationed in this state pursuant to military orders or who is the spouse or a dependent child of a person who is a member of the armed forces of the United States and who is stationed in this state pursuant to military orders is entitled to classification as an in-state student. The student does not lose in-state student classification while in continuous attendance toward the degree.
POLICIES AND PROCEDURES

for which he or she is currently enrolled.

6. A person who is a member of the armed forces of the United States or the spouse or a dependent of a member of the armed forces of the United States is entitled to classification as an in-state student if the member of the armed forces has claimed this state as the person's state of home record for at least twelve consecutive months before the member of the armed forces, spouse or dependent enrolls in a university under the jurisdiction of the Arizona Board of Regents or a community college under jurisdiction of a community college district governing board. For purposes of this subsection, the requirement that a person be domiciled in this state for one year before enrollment to qualify for in-state student classification does not apply.

7. A person who is honorably discharged from the armed forces of the United States shall be granted immediate classification as an in-state student on honorable discharge from the armed forces and, while in continuous attendance toward the degree for which currently enrolled, does not lose in-state student classification if the person has met all of the following requirements:
   a. Declared Arizona as the person's legal residence with the person's branch of service at least one year prior to discharge from the armed forces.
   b. Demonstrated objective evidence of intent to be a resident of Arizona which, for the purposes of this section, include at least one of the following:
      1. An Arizona driver license
      2. Arizona motor vehicle registration
      3. Employment history in Arizona
      4. Arizona voter registration
      5. Transfer of major banking services to Arizona
      6. Change of permanent address on all pertinent records
      7. Other materials of whatever kind or source relevant to domicile or residency status
   c. Filed an Arizona income tax return with the Arizona Department of Revenue during the previous tax year.

8. A person who is a member of an Indian tribe recognized by the United States Department of the Interior whose reservation land lies in the state and extends into another state and who is a resident of the reservation is entitled to classification as an in-state student.

ii. Alien In-State Student Status
   1. An alien is entitled to classification as an in-state refugee student if such person has been granted refugee status in accordance with all applicable laws of the United States and has met all other requirements for domicile.

2. In accordance with the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (P.L. 104-208; 110 Stat. 3009-546), a person who was not a citizen or legal resident of the United States or who is without lawful immigration status is not entitled to classification as an in-state student pursuant to ARS §15-1802 or entitled to classification as a county resident pursuant to ARS §15-1802.01.

3. In establishing domicile, the alien must not hold a visa that prohibits establishing domicile in this state. After meeting other domicile requirements, students holding valid, unexpired visas in the following categories may be classified as in-state students:
   A Foreign Government Official or Adopted Child of a Permanent Resident
   E Treaty Traders
   G Principal Resident Representative of Recognized Foreign Member Government to International Staff
   K Spouse or Child of Spouse of a U.S. Citizen, Fiancé or Child of Fiancé of U.S. Citizen
   L Intracompany Transferee, or Spouse or Child
   N6 NATO-6
   V Spouses and Dependent Children of Lawful Permanent Residents

4. Students who hold visas as listed in section 3 above, or who were issued a visa of a type other than those listed in section 3 above and have submitted an I-485 to Citizenship and Immigration Services (CIS), may establish residency if other domicile requirements have been met. Residency eligibility for I-485 applicants may be considered one year after the date on the CIS Notice of Action letter (I-797) confirming the applicant’s approval of permanent resident status. Students must provide required residency documentation in addition to the Notice of Action for residency consideration. In establishing domicile, the alien must be in a status that does not prohibit establishing domicile in this state for at least one year immediately preceding the official starting date of the semester. In the event that an alien student's parent is domiciled in this state and is allowed to claim the student as an exemption for state or federal tax purposes
(3.c.i.2.a), the student’s parent, in order to establish domicile, must hold a valid, unexpired visa in one of the categories listed in section 3 above.

iii. Presumptions Relating to Student Status
Unless there is evidence to the contrary, the registering authority of the community college or university at which a student is registering will presume that:

1. No emancipated person has established a domicile in this state while attending any educational institution in this state as a full-time student, as such status is defined by the community college district governing board or the Arizona Board of Regents, in the absence of a clear demonstration to the contrary.

2. Once established, a domicile is not lost by mere absence unaccompanied by intention to establish a new domicile.

3. A person who has been domiciled in this state immediately before becoming a member of the Armed Forces of the United States shall not lose in-state status by reason of such person’s presence in any other state or country while a member of the Armed Forces of the United States.

iv Proof of Residency
When a student’s residency is questioned, the following proof will be required.

4. In-State Residency
   a. An affidavit signed by the student must be filed with the person responsible for verifying residency.
   b. Any of the following may be used in determining a student’s domicile in Arizona:
      1. Arizona income tax return
      2. Arizona Voter registration
      3. Arizona Motor Vehicle registration
      4. Arizona Driver’s license
      5. Employment history in Arizona
      6. Place of graduation from high school
      7. Source of financial support
      8. Dependency as indicated on federal income tax return
      9. Ownership of real property
      10. Notarized statement of landlord and/or employer
      11. Transfer of major banking services to Arizona
      12. Change of permanent address on all pertinent records
      13. Other relevant information

5. County Residency
   a. An affidavit signed by the student must be filed with the person responsible for verifying domicile to prove continuous residency in a county for fifty (50) days, and

   b. Any of the following may be used to determine a student’s county residency:
      1. Notarized statements of landlord and/or employer
      2. Source of financial support
      3. Place of graduation from high school
      4. Ownership of real property
      5. Bank accounts
      6. Arizona income tax return
      7. Dependency as indicated on a Federal income tax return
      8. Other relevant information

Under Arizona Revised Statutes §15-1807, it is unlawful for any non-resident student to register concurrently in two or more public institutions of higher education in this state including any university, college or community college for a combined student credit hour enrollment of more than six (6) credit hours without payment of non-resident tuition at one of such institutions. Any non-resident student desiring to enroll concurrently in two or more public institutions of higher education in this state including any university or community college for a combined total of more than six (6) credit hours who is not subject to non-resident tuition at any of such institutions shall pay the non-resident tuition at the institution of his choice in an amount equivalent to non-resident tuition at such institution for the combined total of credit hours for which the non-resident student is concurrently enrolled.

OTHER ADMISSION INFORMATION (AR 2.2.3)

1. Veterans
By Arizona statute, any failing grades from any Arizona university or community college that were received prior to military service will not be used to determine admission to the community college for the honorably discharged veterans with two years' service in the Armed Forces of the United States. Students admitted or readmitted to the community college under this statute are subject to progression, retention, graduation and other academic regulations and standards. (Also see Withdrawal - Appendix S-7)

2. Ability to Benefit—Classifications
Federal guidelines require that students without a high school diploma or certificate of equivalency who are applying for financial aid must demonstrate the ability to benefit. Evaluation during the admission process results in the student being admitted to the college with the status of Regular, Regular with Provisional Requirements or Special.
   A. "Regular" status, for the purpose of 2.2.3.2, is
POLICIES AND PROCEDURES

granted to an individual admitted to the college who is a high school graduate or has a GED certificate. A student without a high school diploma or GED certification and beyond the age of compulsory high school attendance may be a regular status student if the student has been assessed to benefit from college instruction by receiving qualifying scores on approved assessment instruments. All regular status students must be pursuing a degree/certificate or be in an eligible program.

B. "Regular with Provisional Requirements" status, for the purpose of 2.2.3.2, is granted to a student admitted to the college who is not a high school graduate, does not have a GED certificate, and is beyond the age of compulsory high school attendance but has been assessed to benefit from college instruction requiring developmental/remedial coursework and is pursuing a degree/certificate or be in an eligible program.

C. "Special" status, for the purpose of 2.2.3.2, is granted to a student admitted to the college for concurrent enrollment or pursuing one or more courses of special interest and who meets all the requirements for admission.

3. Transcripts
The Maricopa Community Colleges reserve the right to require an official transcript for admission to specific programs. For verification of course requisites and for determination of academic standing the official transcript must be mailed directly from the source institution to the college Admissions and Records Office/Office of Student Enrollment Services. It is the student's responsibility to ensure that official transcripts have been received and are complete.

Students entering as high school graduates may be required to submit high school transcripts. Students entering as GED recipients may be required to present a copy of the high school equivalency certificate or official report of qualifying GED scores.

4. Educational Assessment
All students are encouraged to undergo an educational assessment to determine course placement. Prospective students who do not possess a high school diploma or GED equivalence certificate are required to complete an educational assessment to determine their ability to benefit from college instruction. See Student Course Placement Process (AR 2.2.7)

CREDIT FOR PRIOR LEARNING (AR 2.2.4)
The Maricopa Community Colleges recognize that learning takes place in a variety of situations and circumstances. Many students have significant, demonstrable learning from experiences outside the traditional academic environment. Therefore, prior learning, not life experience, is the basis for the award of college credit. Students may be awarded no more than 30 credit hours, unless required by a specific program of study, within the Maricopa Community Colleges using one or more of the following assessment methods recommended by the Council for Adult and Experiential Learning (CAEL) and the American Council on Education (ACE):

- Articulated Programs
- Credit By Evaluation
- College-Level Equivalency Examinations

Credit awarded for prior learning does not count as hours in residence for graduation requirements. Exceptions may be granted at some MCCD colleges for specially approved programs. No more than 20 credit hours may be applied to AGEC. Credit received through Prior Learning Assessment is transferable within the Maricopa Community Colleges but is not necessarily transferable to other colleges and universities. Therefore, students are strongly advised to meet with a program advisor or contact the college or university they plan to attend. For further information on Prior Learning Assessment, contact the Admissions and Records Office/Office of Student Enrollment Services.

1. Credit by Evaluation
The Maricopa Community Colleges offer credit by evaluation. The American Council on Education (ACE) evaluates military training and experiences as well as non-collegiate sponsored training programs and recommends credit awards based on this evaluation. The numbers of credits listed in the ACE guide are recommendations only.

A college is not required to grant a student the number of credits recommended. The credits are included on a student's transcript.

A. Educational Experiences in the Armed Services
The Maricopa Community Colleges may award credit for military experiences based on the ACE Guide to the Evaluation of Educational Experiences in the Armed Services. A student may receive college credit if:

i. Training parallels a discipline area offered through the Maricopa Community Colleges, and

ii. Credit meets a program requirement or is used as elective credit.

Upon request, individuals who have successfully completed Basic Training, four (4) credit hours in Physical Education will be awarded as indicated in the ACE Guide and the Community College of the Air Force Catalog. Official documentation of military training is required.

B. College Credit Recommendation Service (CREDIT)
ACE evaluates training programs offered by business, industry, and government and publishes its credit recommendations in The National Guide to College Credit for Workforce Training. If a student has received training that appears in the guide, he or she may receive college credit if:
POLICIES AND PROCEDURES

i. training parallels a discipline area offered through the Maricopa Community Colleges, and

ii. credit meets a program requirement or is used as elective credit.

C. Departmental Credit by Evaluation
Students may apply for Departmental Credit By Evaluation in certain courses by obtaining the appropriate form in the Admissions and Records Office/Office of Student Enrollment Services, and completing applicable paperwork and other requirements of the college, including payment of required fee. See fee schedule for appropriate fee. Fees are not refundable if a student fails to obtain credit. Students may not request:

i. The evaluation of a course a second time;

ii. The evaluation of a course while currently enrolled in the course;

iii. To establish credit in a previously completed course; and

iv. To establish credit for a lower level of a course in which credit has been received. Exceptions may be granted at some MCCCD colleges for their unique programs of study.

Certain departments have additional requirements that must be met before credit may be granted through departmental credit by evaluation. When credit is granted as outlined above, a notation of "credit by evaluation," and the number of credits will appear on the student’s transcript. These credits are not used in computing the grade point average. Credit by evaluation is transferable within the Maricopa Community Colleges, but is not necessarily transferable to other colleges and universities.

2. College-Level Equivalency Examinations
ACE has published credit recommendations for a number of national standardized examinations such as the ones listed below in the Guide to Educational Credit By Examination. The Maricopa Community Colleges use these recommendations as guidelines to award credit for equivalent Maricopa Community Colleges coursework as well as elective credit. Scores must be sent directly to the Admissions and Records Office/Office of Student Enrollment Services from the specific testing company(s) before credit is awarded. All equivalency is subject to future review and possible catalog change.

A. Advanced Placement Examinations
Students who have taken an advanced placement course of the College Entrance Examination Board (CEEB) in their secondary school and who have taken an Advanced Placement Examination of the CEEB may receive course credit with a score of 3, 4 or 5. Scores must be received directly from CEEB before credit is awarded.

B. College Level Examination Program
The Maricopa Community Colleges may award credit to individuals who have received a score of 500 or more for the 1986 version of the College Level Examination Program (CLEP) General Examinations (610 on the 1978 version) and who meet or exceed the American Council on Education (ACE) recommended scores for awarding credit on the CLEP subject examinations. The ACE credit-granting score recommendation will be 50 (on the 20-80 scale) for all CLEP computer-based exams beginning July 1, 2001.

- Credit received through CLEP is transferable within the Maricopa Community Colleges, but is not necessarily transferable to other colleges and universities.

- Rio Salado College and Paradise Valley Community College are national CLEP test sites. For more information on registering for the CLEP examinations, contact Rio Salado College or Paradise Valley Community College.

English Composition:
Students pursuing credit for ENG 101 must take the English Composition with Essay. The Maricopa Community Colleges do not award
credit for ENG 102 through CLEP examination.

Foreign Languages:
Credit earned through CLEP examination for French, German, and Spanish meets the language proficiency requirements of the Maricopa Community Colleges. For CLEP examinations taken prior to July 1, 2001, the Maricopa Community Colleges will grant credit based on the scaled scores indicated below:

<table>
<thead>
<tr>
<th>Course</th>
<th>Spanish</th>
<th>French</th>
<th>German</th>
<th>Credit</th>
</tr>

<td>63-80</td>
<td>60-80</td>
<td>16 (101, 102, 201, 202)</td>
</tr>
</tbody>
</table>

At the discretion of the individual college, an oral exam at the 202 level may be administered.

C. Defense Activity for Non-traditional Education Support Examination Program
The Maricopa Community Colleges may award credit for the Defense Activity for Non-Traditional Education Support (DANTES) Examination Program to individuals who meet or exceed the ACE recommended scores for awarding credit on the DANTES subject examinations. The Maricopa Community Colleges do not award credit for ENG 102 through DANTES examination. Credit received through DANTES is transferrable within the Maricopa Community Colleges, but is not necessarily transferrable to other colleges and universities.

The Assessment Center at Rio Salado College is a national test site. For additional information on registering for DANTES examinations, call (480) 517-8560.

D. American College Testing Proficiency Examination Program
The Maricopa Community Colleges may award credit for the American College Testing Proficiency Examination Program (ACT-PEP) based on the scores earned.

E. Departmental Credit By Examination
Students may apply for Departmental Credit By Examination in certain courses by obtaining the appropriate form in the Admissions and Records Office/Office of Student Enrollment Services, paying the required fee, and completing the examination and other requirements of the college. See fee schedule for appropriate fees.

Students may not request:
1. To challenge a course a second time;
2. To challenge a course while currently enrolled in the course;
3. To establish credit in a previously completed course; and
4. To establish credit for a lower level of a course in which credit has been received.

- Exceptions may be granted at some MCCCD colleges for their unique programs of study.
- Certain departments may have additional requirements that must be met before credit may be granted through departmental credit by examination.
- Only grades of A, B, C, D or P earned as a result of this examination will be recorded on the student's transcript. Fees are not refundable after the examination has been administered, regardless of results.
- When credit is granted as outlined above, a notation of "credit by examination," a grade and the number of credits will appear on the student's transcript. The grade is used in computing the grade point average.

College Level Examination Program (CLEP)
NOTE: The changes to English Composition CLEP were agreed upon at their respective Articulation Task Force (ATF) meetings this year and were approved by APASC members in April, 2008. These cut scores, which represent equivalencies, are to be implemented July 1, 2009. See Table 1 following page

Advanced Placement Credit
NOTE: The changes to AP scores to include Japanese were agreed upon at their respective Articulation Task Force (ATF) meetings this year and were approved by APASC members in April, 2008. These cut scores, which represent equivalencies, are to be implemented fall 2009. See Table 2 following page

F. International Baccalaureate Diploma/Certificate
Students who present an International Baccalaureate Diploma/Certificate may qualify for college credit. MCCCD College grants credit for college-level courses only. A grade of 5 qualifies a student to receive credit for one introductory course. No credit is awarded for English B (English as a Second Language). Credit is awarded according to the "International Baccalaureate Diploma/Certificate Credit" table.

International Baccalaureate Diploma/Certificate Credit
See Table 3 page 132
3. **Health Care Integrated Educational System (HCIES) Credit for Prior Learning**

   **National/Regional Credential Recognition**

Students who have recognized credentials related to healthcare may request an evaluation for course competency equivalency on a case-by-case basis through the Integrated Competency Assessment Network (ICAN). For more information contact the ICAN office at (480) 731-8240 or by email at ican@domail.maricopa.edu. Website: [http://healthcare.maricopa.edu/healthcarecourses.php](http://healthcare.maricopa.edu/healthcarecourses.php)

When national or regional credentials are determined to be equivalent to the competencies demonstrated in corresponding courses, the recognition of external credentials will fulfill graduation credit requirements for the identified courses through Credit by Evaluation.

   **Credit by Examination and Credit by Skills Demonstration Assessment**

Health care students may apply for credit for prior learning in certain courses. Specific information and required forms can be found on [http://healthcare.maricopa.edu/healthcarecourses.php](http://healthcare.maricopa.edu/healthcarecourses.php). Credit by Examination in the HCIES is determined through the use of HCIES Competency Assessment Tests (CATs).

and/or Skills Demonstration Assessment under the direction of the HCIES Integrated Competency Assessment Network (I CAN). Students may apply for HCIES Health Care Pathway/Program Advanced Placement in certain courses by obtaining the appropriate form(s) in the Admissions and Records Office/Office of Student Enrollment Services, paying the required fee(s), and successfully completing the examination and/or skills demonstration and other requirements of the college. See fee schedule for appropriate fee. Fees are not refundable if a student fails to obtain credit. Students may not request:

A. To challenge a course a second time;
B. To challenge a course while currently enrolled in the course;
C. To establish credit in a previously completed course; or
D. To establish credit for a lower level of a course in which credit has been received.

Certain health care pathways/programs have additional requirements which must be met before credit may be granted through HCIES credit by examination and credit by skills demonstration assessment.

Grades of A, B, C, D, or P, earned as a result of examination or skills assessment will be recorded on the student’s transcript. Fees are not refundable after the examination/skills demonstration has been administered, regardless of results. A grade of P/Z is not used in computing the grade point average.

When credit is granted as outlined above, a notation of "Credit by Examination," "Credit by Evaluation," or "Credit by Skills Demonstration," and the number of credits will appear on the student’s transcript. If a grade is assigned, it will be used in computing the grade point average.

4 Transfer Credit
A. Transfer Credit into MCCCD
A student entering into one of the Maricopa Community Colleges after having attended another post-secondary institution can have course work evaluated for transfer credit. To be eligible for evaluation, course work must appear on an official transcript from the institution that offered the course work. The Admissions and Records/Enrollment Services Office at the receiving institution will complete a course-by-course evaluation for all submitted transcripts upon student request. The award of transfer credit shall not express or imply that all transfer credit will be fully applicable toward all Maricopa associate’s degree and certificate requirements. In addition, the age of credit may be considered in applying credit towards degrees and certificate programs. Transfer credit that may be applied to meet associate’s degree and certificate requirements at a Maricopa Community College is not necessarily transferable to other colleges and universities. The processes and policies that govern the award of transfer credit are as follows:

i. Inter-Institutional: Acceptance of courses that fulfill requirements other than general education is determined by individual Maricopa Community Colleges. Credits accepted in transfer from other Maricopa Community Colleges do not necessarily apply to all Maricopa degree and certificate programs.

ii. Maricopa Skill Center and the Southwest Skill Center: The Maricopa Community Colleges have agreements with the Maricopa Skill Center and the Southwest Skill Center in limited areas of study. Students who have participated in these agreements may be granted credit for prior learning. No fees will be assessed for credits awarded for prior learning. Articulated course/program credit is transferable within the Maricopa Community Colleges, but may not necessarily be transferable to other universities and colleges. Students should contact the Admissions and Records/Enrollment Services Office for specific items related to these agreements.

iii. Arizona Public Community Colleges and Universities: A course that meets general education requirements at any Arizona public community college district or university will be accepted in transfer to meet comparable general education requirements at any of the Maricopa Community Colleges provided the course was completed with a grade of C or higher (2.0 on a 4.0 scale). On an exception basis, P-grades may be allowed in the Arizona General Education Curriculum (AGEC) for credit transferred if documentation collected by the community college indicates that the P-grade is a C or better. The P-grade exception does not apply to credits awarded by AGEC granting/receiving institutions.

Acceptance of courses that fulfill requirements other than general education is determined by individual Maricopa Community Colleges.

iv. Domestic Institutions (U.S): The evaluation and award of community college transfer credit for course work originating at U.S. institutions that are regionally accredited will be based on official transcripts from all institutions previously attended. Regionally accredited institutions of higher education are those that are fully
POLICIES AND PROCEDURES

certified by New England Association of Schools and Colleges, Middle States Association of Colleges and Schools, North Central Association of Colleges and Schools, Northwest Association of Schools and Colleges, Southern Association of Colleges and Schools, and/or Western Association of Schools and Colleges. Courses from institutions that have earned candidate status from a regional accrediting association will be reviewed on a case-by-case basis.

The Admissions and Records/Enrollment Services Office at the receiving institution will complete a course-by-course evaluation for all submitted transcripts upon student request, and will determine the acceptance and applicability of transfer credit toward associate's degree and certificate requirements.

v. Foreign Institutions: Credits from foreign institutions will be reviewed for acceptance. It is the student's responsibility to have all transcripts translated into English and evaluated by an international Credential Evaluation Service before submitting them to the college.

vi. Limitations on the Award of Transfer Credit: Generally, the Maricopa Community Colleges will not award credit for courses completed at institutions not regionally accredited.

B. Transfer Credit from MCCCD

The Maricopa Community Colleges have developed formal agreements to facilitate the transfer of credit to four year colleges and universities. This is accomplished through the development of course and program articulation agreements. The Maricopa Community Colleges articulate with private, public, and international baccalaureate degree granting institutions that have achieved full accreditation or candidacy status with a regional accreditation commission. Maricopa transfer agreements are on behalf of the District as a whole and not with individual colleges within the district. Courses taken at any of the Maricopa Community Colleges are equally transferable by institutions wishing to articulate. Students planning to transfer to a university may be required to submit official transcripts from all institutions attended. The processes and policies that govern the transfer of credit are as follows:

i. Inter-Institutional: Students who transfer from one Maricopa Community College to another must have transcripts sent to the receiving institution for evaluation.

Transcript evaluation will be conducted upon student request. Acceptance of courses that fulfill requirements other than general education is determined by individual Maricopa Community Colleges. Credits transferred from one Maricopa Community College to another may not necessarily apply to all Maricopa degree or certificate programs.

ii. Arizona Public Community Colleges and Universities: Maricopa is a participant in the Arizona statewide transfer system. The aztransfer.com website is the official source of information for the statewide articulation agreements between the Arizona public community colleges and universities (Arizona State University, Northern Arizona University, and University of Arizona). Included on the aztransfer.com site is the course equivalency guide (CEG), which shows how courses transfer from Arizona public community colleges and tribal institutions to Arizona State University, Northern Arizona University, and the University of Arizona. The transferability of a course does not indicate how the course will apply to meet requirements for specific bachelor's degrees. https://www.aztransfer.com/cgi-bin/webojects/admin_ceg

iii. Domestic Institutions (U.S): The Maricopa Community Colleges have transfer agreements with U.S. universities and colleges that are regionally accredited. These partnerships are formalized through district-wide articulation agreements and are designed to help students make a smooth transition when transferring from one of the Maricopa Community Colleges to a four-year college or university. To access a list of institutions with which Maricopa has established an articulation agreement, visit: http://www.maricopa.edu/academic/ccta/artic/partner_list.php

iv. Foreign Institutions: The Maricopa Community Colleges have agreements with colleges and universities outside the United States that are approved by the Ministry of Education or other appropriate governmental agency. To access a list of international agreements, visit: http://www.maricopa.edu/academic/ccta/artic/pa rtner_list.php

v. Limitations on the Transfer of Credit: Generally, the following types of courses are not intended for transfer. See an advisor for specific information.

- Remedial/developmental courses or courses numbered below 100
- Arizona government university courses
5. **Servicemen's Opportunity College**

The Maricopa Community Colleges recognize the unique educational problems confronting many active duty military personnel in attaining their educational goals. The colleges have, therefore, established themselves as Servicemen's Opportunity Colleges. This means that the colleges recognize the peculiar needs of military personnel in that they provide courses on the various military bases located in Maricopa County and provide opportunities to complete courses through non-traditional means when education is interrupted by military obligations. Maricopa Community Colleges maintain liberal entrance requirements, offer maximum credit for educational experiences obtained in the Military Services, and follow residency statutes applicable to the special needs of servicemen. Maricopa Community Colleges follow the recommendations established by the American Council on Education. If, for any reason, Maricopa Community Colleges' status as a Servicemen's Opportunity College District is discontinued, it will nonetheless maintain its commitment to students previously enrolled. In addition, the option to enter into a "contract for a degree" allows the community college, as the college of record, to grant a degree upon completion of twelve (12) credit hours at the college and the satisfaction of graduation requirements.

**ACADEMIC ADVISING (AR 2.2.6)**

1. Academic advising assists students in the formation of educational plans and goals. This is an ongoing process of clarification, evaluation, re-clarification, and re-evaluation.
2. The ultimate responsibility for making decisions about life goals and educational plans rests with the student. The academic advisor helps to identify and assess alternatives and consequences.
3. The academic advisor also serves as a resource for accurate information. The advisor is knowledgeable about institutional policies, procedures, programs and resources and assists students in making use of printed and online materials.
4. Advisors are in a position to help students identify their learning-related needs. Feedback received from advisors could be beneficial and should be used in policy-making decisions at all levels of the institutional administration.

With the help of an academic advisor, students will:

1. gain an understanding of their academic abilities and interests
2. be reinforced in their successes
3. be provided information regarding the nature and purpose of higher education
4. be referred to counselors and other resources to explore their interests, skills, abilities, and values
5. define and refine educational goals and objectives and understand the consequences of alternative courses of action
6. consider alternative careers through counselors, workshops, seminars, and other resources
7. make course, certificate, and/or degree selections
8. understand and utilize placement test results
9. be encouraged to be active participants in their educational planning and college life
10. be informed of support services that are available and how to make an appointment, if appropriate
11. be aware of transfer articulation arrangements
12. be informed about research results and general perceptions of student experiences at the institution
13. receive accurate printed materials on academic majors, minors, and other degree and program requirements
14. be encouraged to use the technology, which supports the academic advising process

**STUDENT COURSE PLACEMENT PROCESS (AR 2.2.7)**

The Maricopa Community Colleges are committed to providing students with opportunities for successful academic experiences. Student academic achievement is directly related to the proper initial course placement. Students choosing to enroll will register for the courses indicated by their English, mathematics, or reading course placement scores on file or does not have previous college credit in English, reading and math.

### Testing for Course Placement

**A. Students will be required to complete a course placement test under any one of the following conditions:**

i. The student is taking his or her first college credit English, reading and/or math course, or any college course for which English, reading or math is a prerequisite.

ii. The student is pursuing a degree and does not have current valid district approved course placement scores on file or does not have previous college credit in English, reading and math.

iii. The student does not have a high school diploma or GED, and is applying for federal financial aid.

iv. The student for whom English is not the primary language and is taking his or her first English as a Second Language class is
POLICIES AND PROCEDURES

required to take a test of English proficiency.
v. College may determine additional conditions under which students would be required to complete course placement testing. Contact the college for additional conditions.

B. Students will be strongly encouraged to complete a course placement test under any one of the following conditions:
i. The student is taking a math course and has a college-level prerequisite on file that is more than five (5) years old.
ii. The student is taking a college course for which English, reading or math is a prerequisite, and such credit is more than five (5) years old.

C. Students MAY be exempt from a course placement test if at least one of the following conditions apply:
i. The student has earned an associate or higher degree.
ii. The student has earned college credits from a regionally accredited college in English, reading, and math with a grade of C or higher, and such credit is more than five (5) years old.
iii. The student has currently valid district approved course placement scores on file

Note: Being exempt from taking a course placement test does not exempt the student from fulfilling the minimum graduation requirements.

2. Course Placement
A. Students choosing to enroll in the courses indicated will be advised and placed into courses based on highest test or retest scores.

B. Students will be permitted one re-test in English, reading or by math level after at least a 24-hour waiting period. An additional re-test is permitted one year from the date of student’s original or re-test at any course placement testing site.

C. The vice president of student affairs or designee may approve re-testing for students with special needs or circumstances. The re-test date will then serve as the date of record.

D. Students may request a Course Placement Waiver from the appropriate department/division chair or designee. The waiver will be granted at the chair/designee’s discretion. Additional testing may also be required. The signed waiver will be noted on the student’s electronic record.

3. Implementation of Policy
To ensure consistency of the course placement process within the Maricopa Community Colleges:
A. All colleges shall accept the same approved course placement instruments.
B. All colleges shall adhere to the same approved cut-off scores.
C. Course placement scores, with the exception of the reading exemption, will be valid for two years from the date of the original or re-test.

4. Evaluation
The Maricopa Community Colleges will provide an ongoing evaluation of the course placement process. An annual report shall be submitted to the Governing Board to indicate the policy’s effectiveness noting the number of students assessed, their placement scores and their success in courses. Every three years a thorough review of the policy and procedures shall be implemented, including recommendations from the English, Reading and Math Instructional Councils regarding cut-off scores, course placement assessment tools and procedures.

REGISTRATION (AR 2.2.8)
Students must register according to the dates indicated, and in the manner described in the college class schedule. To be eligible for registration, students must have completed the appropriate steps listed under the Admissions section. The college may allow early or priority registration. Tuition and fees must be paid or payment arrangements made by the due date to secure class enrollment. Students may not attend a class for which they are not registered.

The colleges reserve the right to enroll students in courses. The final decision for admission to any class for students admitted under Section 2 of AR 2.2.1 will be determined by the designated college administrator in consultation with the department chairperson and/or faculty.

TUITION AND FEES (AR 2.2.9)
Tuition and fees are public monies within the jurisdiction and responsibility of the Maricopa Community Colleges Governing Board under the laws and regulations of the State of Arizona and must be administered by the Governing Board. The Governing Board reserves the right to change tuition and fee charges when necessary without notice. All students are classified for tuition purposes under one of the following residency classifications:

1. Maricopa County resident
2. Out-of-County resident
3. Out-of-State resident (including F-1 non-immigrant students)
4. Unclassified, Out-of-County, Out-of-State (1-6 credit hours system-wide)

Residency for tuition purposes is determined in accordance with state law (ARS §§15-1801 et seq.) and regulations of the Maricopa Community Colleges Governing Board. All of the Maricopa Community Colleges are subject to the above statutes and regulations. Students who have questions about their residency should contact the Admissions and Records Office/Office of Student Enrollment Services for clarification.

Students attending more than one Maricopa Community
College will be assessed fees for their enrollment at each of the Maricopa Community colleges/centers. (Students who are considered to be out-of-state residents for tuition and fees purposes should refer to the Concurrent Enrollment in Arizona Public Institutions of Higher Education policy under the Residency section of this publication.)

1. Time of Payment

All tuition, fees, assessments and deposits must be paid at the time of registration or by the specified deadline date and in accordance with the fee schedule approved by the Maricopa Community Colleges Governing Board.

2. Tuition and Fees Schedule (Effective July 1, 2009 for fall, spring and summer Sessions)

Current information can be found at http://www.maricopa.edu/publicstewardship/governance/adminregs/appendices/S-4.htm.

The following is the tuition and fees schedule for 2010-2011 and is provided for reference. These tuition and fees are subject to change. Consult the college’s Admissions and Records Office/Office of Student Enrollment Services for course fees in effect during the semester/term in which you intend to register. See Appendix S-4

* Students from any other county in Arizona are considered Maricopa County Residents (in county) due to a reciprocal arrangement with that county. Reciprocal agreements allow for in-county tuition rates for residents of all Arizona counties "except" Apache, Greenlee, and Santa Cruz counties without an Out-of-County Residence Affidavit.

** According to ARS §15-1802F, “A person who is a member of an Indian tribe recognized by the US Department of the Interior whose reservation lies in this state and extends into another state and who is a resident of the reservation is entitled to classification as an in-state student.” Therefore, unclassified and out-of-state surcharges do not apply to such students.

*** According to ARS §15-1470, community college districts may offer credit and noncredit courses and services outside of this state. A district is not entitled to state aid payments for students who are provided courses and services outside of this state.

A. Determine Student Residency Status

Refer to admissions information (AR 2.2.2) of the college catalog for residency information and to review the requirements for classification as a Maricopa county resident. Contact the Admissions and Records Office/Office of Student Enrollment Services if you have questions about residency requirements.

B. Use the Chart to Locate Tuition Charges

Determine the correct column based on your residency status and then select the number of credit hours. The general tuition chart is provided for reference only.

C. Add Any Additional Fees

i. A one-time, per semester $15 registration fee is due by the official start of the term (semester) or by the specified due date or at time of registration.

ii. There may also be additional course fees for classes, please refer to the college schedule for course fees.

iii. If you choose to audit a class, add an additional fee of $25 per credit hour.

iv. Additional course fees may apply for specific courses. Check with the college’s Admissions and Records Office/Office of Student Enrollment Services for a current listing of course fees.

D. Pay Your Fees

Payment of fees may be made by cash, check, money order, VISA, MasterCard, Discover or American Express. Payment Plan options are also available.

NOTE: If you do not pay your tuition and fees at the time of registration or by the specified due date, you may be dropped from your classes and may be responsible for the tuition and fees based on the refund schedule which outlines the refund deadlines for each course.

### Corporate Tuition Rate – Out-of-State

Training delivered inside the boundaries of Arizona to out-of-state employees of companies which have contracts with the Maricopa Community Colleges

- $147.00 per credit hour

Training delivered outside the boundaries of Arizona to out-of-state employees of companies which have contracts with the Maricopa Community Colleges

- Market rate
Policies and Procedures

Skill Center Tuition Rates
Regular $4.60 per contact hour
Nursing Assistant $5.60 per contact hour
Practical Nursing $5.60 per contact hour

Credit by Examination & Credit by Evaluation (excludes Allied Health courses)
Regular Rate $69.00 per credit hour
Contract Rate $34.50 per credit hour

3. Outstanding Debts
Any debt or returned check may revoke a student’s current enrollment and the student’s right to register in subsequent semesters at all Maricopa Community Colleges. Delinquent debts may require penalties, late charges, collection costs, and/or legal fees to be paid before good standing is restored to the student.

The following procedure will be used for the collection of returned checks and other outstanding debts:
A. The designated college official or fiscal officer is responsible for:
i. Verifying the student’s district wide debt,
ii. Attempting to notify the student of the debt and
iii. Attempting to collect the debt.
B. All Maricopa Community College services will be withheld pending payment of debt (at designated college office) with cash, certified check or money order or online with debit or credit card or in person with credit card. Student may be withdrawn from classes.
C. If other collection attempts fail, the Maricopa Community Colleges District Office will either collect or use other means available, including:
i. Collection agency, requiring payment of collection fees by the student;
ii. The Tax Refund Setoff Programs as stated in ARS §42-1122;
iii. Litigation, requiring payment of court costs and legal fees by the student.
D. Debt Holds may be lifted by the appropriate College or District business services designee for the extension of services provided that at least one of the following conditions are met:
i. MCCC staff verify that full payment has been made to another College;
ii. The College can deduct payment from a financial aid award made to the student (referring to student authorization guidelines for regulations on applying federal financial aid to debt balances);
iii. A third party not related to the student, such as an employer or state agency, makes a verified payment directly to the College;
iv. It is determined and verified with the appropriate MCCC office that the hold resulted from a system error and the error is due to an activity that requires correction by the appropriate College or District personnel.

4. Discounted Fees and Waivers
A. Citizens 62 years of age and older shall be issued ID cards that allow them the privilege of attending events at no cost and that allow them to use the library facilities.
B. Employees, Dependents and Mandated Groups
The Maricopa Community College District waives tuition and student activity fees for credit-hour courses for employees and their dependents, and for legislatively mandated groups. Special fees and fees for Non-credit/Special Interest Community Services courses are not waived.
C. Tuition and Registration Fee Waiver for Members of the Pima-Maricopa Indian Community Tuition and fee waivers shall be funded through Auxiliary Fund Monies for college credit courses for the enrolled members of the Pima-Maricopa community who live on the Pima-Maricopa Reservation.

All other guidelines and procedures established for the purpose of administering waivers, affidavits and exemptions are outlined in the Maricopa County Community College District tuition waiver manual.

REFUND POLICY (AR 2.2.10)
1. Refund Policy for Credit Classes
Students who officially withdraw from credit classes (in fall, spring, or summer) within the withdrawal deadlines listed below will receive a 100% refund for tuition, class and registration processing fees. Deadlines that fall on a weekend or a college holiday will advance to the next college workday except for classes fewer than 10 calendar days in length or as specified by the college. Calendar days include weekdays and weekends. Refer to individual colleges for withdrawal and refund processes.

*Course fees and registration processing fees will be refunded...
POLICIES AND PROCEDURES

only if the student qualifies for a 100% refund. Debts owed to any MCCCD college must be satisfied before any refunds are paid to the student. Refunds for students receiving federal financial assistance are subject to federal guidelines. Requests for exceptions to the refund policy must be filed within one year from the semester in which the course was taken.

2. Refund Policy for Non-Credit Classes
   Unless otherwise specified, students must drop non-credit classes prior to the course start date to be eligible for a 100% refund.

3. Canceled Classes
   When a class is canceled by the college, a 100% refund will be made.

4. Refund Exceptions
   Students withdrawing from a college or from courses for one of the following reasons must submit a written request for a refund exception to the Admissions and Records Office/Office of Student Enrollment Services or designated college official:
   A. A student with a serious illness, verifiable by a doctor’s written statement that the illness prevents the student from attending all classes for the semester. The doctor’s statement must be on file with the college before a refund can be given.
   B. Serious illness or death of an immediate family member that prevents the student from attending all classes for the semester. Immediate family members include spouse/partner, father, mother, grandfather, grandmother, child, foster child, grandchild, stepchild, sibling, stepsibling, stepfather, stepmother, or spouse’s/partner’s father, mother, grandfather, grandmother, or in-laws in any one incident. Appropriate documentation must be provided before a refund can be given.
   C. Death of a student. Appropriate documentation must be provided before a refund can be given.
   D. Requests for a total withdrawal from a college or courses for one of the above reasons may result in a partial prorated refund of tuition, provided courses have not been completed.
   E. A student in the Armed Forces or the Arizona National Guard who is called to active duty and assigned to a duty station, verifiable by a copy of the orders, will be allowed to withdraw and receive a 100% refund of tuition, provided courses have not been completed.

STUDENT FINANCIAL ASSISTANCE
(AR 2.2.11 & Appendix S-5)
The Maricopa Community Colleges provide students financial assistance to enable access to higher education. Student financial assistance shall be awarded on the basis of demonstrated financial need except where funds are specified for recognition of special talents and achievements. Additional procedural information on financial assistance is available in Appendix S-5.

Appendix S-5: Student Financial Assistance
The Maricopa Community Colleges provide students financial assistance to enable access to higher education. Student financial assistance shall be awarded on the basis of demonstrated financial need except where funds are specified for recognition of special talents and achievements.

How to Apply for Federal Financial Aid
New students must complete the Free Application for Federal Student Aid (FAFSA) or FAFSA on the Web at http://www.fafsa.ed.gov/. Each academic year, continuing students must reapply by completing a FAFSA, Renewal FAFSA, or FAFSA on the Web. Scholarships require separate applications. Specific information regarding financial assistance, including application deadlines or priority dates, may be obtained from the college Office of Student Financial Aid.

Types of Aid
Grants, loans, student employment, and scholarship funds may be available from federal, state, and/or private sources. The Maricopa Community Colleges Foundation offers a variety of scholarship opportunities. Scholarship opportunities are available year round. However, most scholarships are posted mid-January and most deadlines are the last week of March. Options are available at www.maricopa.edu/resdev/scholarships/apply.php or by calling 480-731-8400.

Distribution of Aid
Criteria by which aid is distributed among eligible financial aid applicants are available on request at the college Office of Student Financial Aid.

Rights and Responsibilities
Students should read all information provided in the process of applying for federal financial aid in order to gain a greater knowledge of all the rights as well as responsibilities involved in receiving that assistance.

Satisfactory Academic Progress
Specific requirements for academic progress for financial aid recipients are applied differently than scholastic standards. In addition to scholastic standards which are explained elsewhere in this catalog, financial aid recipients are also subject to the following Standards of Satisfactory Academic Progress. Specific information is available at the college Office of Student Financial Aid.

Standards of Satisfactory Academic Progress (SAP) for Financial Aid Eligibility
Federal regulations (34CFR 668.32(f) and 668.34) require a student to move toward the completion of a degree or certificate within an eligible program when receiving financial aid. Specific requirements for academic progress for financial aid recipients are applied differently than Scholastic Standards. Federal regulations state that Academic Progress Standards must include a review of all periods of enrollment, regardless of whether or not aid was received. The student must meet the following minimum standards in order to receive financial aid.
1. Evaluation of Financial Aid Eligibility
   A. Standards of Satisfactory Academic Progress (SAP) are applied at least once per year, beginning on or about June 1st to determine the eligibility for the following academic year.
   B. The evaluation period will be based on attendance in the immediate prior Spring, Fall, Summer term (example: for 2008-2009 academic year, academic progress will be evaluated on Spring 2008, Fall 2007, and Summer 2007).
   C. Credits evaluated will include credits attempted at the evaluating school and courses funded through consortium agreement.
   D. Students who do not meet the SAP will be notified. The student may follow the appeal process or the reinstatement procedures as outlined in V and VI.

2. Eligibility
   A. Students must meet the following criteria:
      i. Students who have attempted at least 6 credit hours in the last evaluation period must complete with a passing grade 2/3 of all credits attempted within that evaluation period, OR
      ii. Students who have NOT attempted at least 6 credit hours in the last evaluation period must complete with passing grades 2/3 of ALL credits attempted.
   AND
   B. All students must meet the following minimum credit hour/cumulative GPA requirement

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

*for which grade points are computed

Note: Grades of F,I,N,W,X,Y,Z, and courses not yet graded are considered attempted but not meeting progress standards for the purposes of financial aid.

3. Maximum Timeframe Eligibility
   A. Students who have attempted more than 150% of the credits required for their program of study are not considered to be making Satisfactory Academic Progress and therefore, are ineligible for financial aid funds.
   B. All evaluated transfer credits will be included when determining maximum timeframe eligibility.
   C. A student with a Bachelor’s degree or higher will be considered to have exhausted maximum timeframe eligibility.
   D. A student may appeal as outlined in V.
   E. Reinstatement procedures as outlined in VI are not applicable to Maximum Timeframe Eligibility.

4. Repeated, Audited, Consortium, Remedial Courses, Summer
   A. Financial aid may be used to cover the cost of repeated courses.
   B. Audited courses, non-credit courses, credit by examination, and any credit for prior learning option (as outlined in the catalog) are excluded when determining eligibility for financial aid.
   C. Courses funded through a consortium agreement are included in determining academic progress.
   D. All attempted remedial credits will be included when evaluating SAP. (A maximum of 30 remedial credit hours, excluding ESL courses may be funded.)
   E. Enrollment in any or all summer sessions within the same calendar year will be considered one term.

5. Appeal Process
   A student who has lost financial aid eligibility due to extenuating circumstances may appeal.
   A. Extenuating circumstances that may be considered include: personal illness or accident, serious illness or death within immediate family, or other circumstances beyond the reasonable control of the student.
   B. All appeals must be in writing to the Financial Aid Office where the student is applying for aid and include appropriate documentation.
   C. Examples of documentation could include an obituary notice, divorce decree, or a letter from a physician, attorney, social services agency, parole officer, etc.
   D. The condition or situation must be resolved which will allow the student the ability to complete course work successfully or an appeal will not be granted.
   E. The outcome of an appeal may include approval, a probationary period, or denial.
   F. A student will be notified in writing of the results of the appeal, and of any restrictions or conditions pertaining to their appeal.

6. Reinstatement of Financial Aid Eligibility
   A. A student who has lost financial aid eligibility may be reinstated after the student has taken (without federal funds) at least six credit hours in a semester, passed all attempted credit hours, and meets minimum cumulative GPA requirements.
   B. If the student attempts more than six hours, the student will be evaluated on all attempted credit hours within that term.
   C. Classes taken at other colleges will not be taken into consideration for reinstatement purposes.
   D. It is the student’s responsibility to notify the Financial Aid Office when this condition has been met.
For more information, please contact the college Financial Aid Office.

Refunds and Repayments
In accordance with federal regulations (CFR 668.22), a student may be required to repay federal financial aid funds if they completely withdraw, are withdrawn, or fail to earn a passing grade from all classes during a semester. Further information is available at the college Office of Student Financial Aid. This could affect a student's ability to receive Financial Aid in the future at any school. For a student receiving Financial Aid, also see Appendix S-7 for Withdrawal procedures.

Award Amount and Level of Enrollment
Award amount is determined, in part, on the level of enrollment. Federal student aid recipients are advised to register at the same time for all classes they intend to take during a semester to maximize award. Some federal aid may not be awarded for classes added at a later date. Contact the college Office of Student Financial Aid for more information.

If you are receiving federal financial aid it is important to read the information below prior to making a decision to withdraw.

Treatment of Title IV Aid When a Student Withdraws
The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Academic Competitiveness Grants, National SMART grants, TEACH Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans.

When you withdraw during your payment period or period of enrollment (you may contact the Financial Aid office to define these for you and tell you which one applies) the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If your post-withdrawal disbursement includes loan funds, your school must get your permission before it can disburse them. You may choose to decline some or all of the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school needs your permission to use the post-withdrawal grant disbursement for all other school charges. If you do not give your permission, you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

There are some Title IV funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any FFEL or Direct loan funds that you would have received had you remained enrolled past the 30th day.

If you receive (or your school or parent receives on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of:

1. your institutional charges multiplied by the unearned percentage of your funds, OR
2. the entire amount of excess funds. The school must return this amount even if it didn't keep this amount of your Title IV program funds.

If your school is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time. Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return. You can view the tuition refund policy and requirements and procedures for withdrawing from school at www.maricopa.edu/publicstewardship/governance/adminregs/students/2_2.php

VETERANS SERVICES (AR 2.9)
The Maricopa Community Colleges' veterans' services offices act as liaisons with the Department of Veterans Affairs. Each program must be approved by the State of Arizona Department of Veterans' Services. Students may be eligible to receive educational benefits if they are registered in courses that apply to the student’s approved programs. Application forms, counseling, advisement and tutoring are available for students who are eligible for veteran’s educational benefits. Students applying for veteran’s educational benefits should allow eight to ten weeks before receiving benefits. The
amount of benefits awarded is determined by the Department of Veterans Affairs, and is based on the number of credit hours or clock hours for which a student is enrolled and the length of the enrollment period for each course.

Veteran’s benefits available:
- Chapter 30 - Montgomery GI Bill
- Chapter 31 - Vocational Rehabilitation (separately served through the local VA office)
- Chapter 32 - VEAP Program
- Chapter 35 - Survivors and dependents of deceased/100% disabled veterans
- Chapter 1606 - Montgomery GI Bill, Selected Reserve

It is the student’s responsibility to notify the office that serves veterans at their campus regarding any change in enrollment, address, program of study, enrollment at another institution, or any other change that may impact their veteran’s educational benefits.

Those students receiving benefits must follow the VA academic progress policy to continue to receive benefits.

Academic Progress Policy for Students Receiving Veteran’s Educational Benefits

Department of Veterans Affairs regulations require that all persons using any type of veteran educational assistance program be making satisfactory academic progress toward achievement of their educational objective (program of study). A student who does not meet the minimum standards (see above) will be placed on probation for a maximum of two (2) consecutive semesters. At this point, if satisfactory academic progress has not been demonstrated, veteran educational benefits will be terminated. Benefits may be resumed when the student raises the cumulative grade point average to the required minimum standards or demonstrates the ability to meet these standards through the approval of a written appeal. For appeal procedures, contact the office that serves veterans at your campus.

For additional details and information regarding veteran’s educational benefits, contact the office that serves veterans at your campus.

SCHOLASTIC STANDARDS

ACADEMIC LOAD (AR 2.3.1)
Students carrying at least twelve (12) credit hours will be considered full-time students for the fall and spring semesters. Three-quarter-time is 9 - 11.9 credit hours. Half-time is 6 - 8.9 credit hours. Fewer than six (6) credit hours is considered less than half-time. Academic load for summer and special terms may be defined differently. Contact the Admissions and Records Office/Office of Student Enrollment Services for clarification. As provided in the Reduced Course Load administrative regulation, a student may be deemed a full-time student carrying fewer than twelve credit hours pursuant to an accommodation of a disability.

Courses may vary in length, and begin and end throughout the year. A credit hour indicates the value of an academic credit. Standards for the awarding of credit hours may be time based or competency based. To obtain credit, a student must be properly registered and must pay fees for the course. The fall and spring semesters are typically sixteen (16) weeks in length. Summer sessions are typically five or eight weeks in length.

Students desiring to take more than eighteen (18) credit hours must obtain approval from the designated college official. Ordinarily, only students with a grade point average of 3.0 or higher for the preceding semester or first semester students who were in the upper quarter of their high school graduating class are permitted to carry more than eighteen (18) credit hours.

Students participating in extra-curricular or co-curricular activities or receiving financial assistance may be required to maintain a specified minimum academic load.

Students who are working, have considerable extra-curricular or co-curricular activities, or have been reinstated from academic suspension/probation should plan their academic load accordingly.

Schedule Changes
Students may change their schedule by following the designated procedures at their college of enrollment. It is the student’s responsibility to notify the college if he/she will no longer be attending the class (see Appendix S-7 for Withdrawal Procedures).

ATTENDANCE (AR 2.3.2)
- Only persons who are registered for a class at any of the Maricopa Community Colleges may attend that class. Attendance requirements are determined by the course instructor. Students who do not meet the attendance requirement as determined by the course instructor may be withdrawn.
- Students who fail to attend the first scheduled class meeting, or to contact the instructor regarding absence before the first scheduled class meeting may, at the option of the instructor, be withdrawn.
- At the beginning of each course, each faculty member will provide students with written attendance requirements. It is the student’s responsibility to consult with the instructor regarding official or unofficial absences. Absences begin to
Students bear the responsibility of notifying the Admissions and Records Office/Office of Student Enrollment Services when they discontinue studies in a course or at the college. Please refer to Appendix S-7 for Withdrawal Procedures.

1. Official Absences
   A. Official absences are those that occur when students are involved in an official activity of the college, i.e., field trips, tournaments, athletic events, and present an official absence excuse form. Absences for such events shall not count against the number of absences allowed by an instructor or department. Students who must miss a class for an official reason must obtain an official absence notification card from the appropriate vice president or designee and present it to the appropriate instructor(s) before the absence. Prior arrangements must be made with each instructor for make-up work. If prior arrangements have not been made, the student will not be penalized.

   B. Other official absences include jury duty and subpoenas. Appropriate documentation will be required. Prior arrangements must be made with each instructor for makeup work. If prior arrangements have been made, the student will not be penalized.

   C. In the event of the death of an immediate family member, absences for periods of up to one week will not be counted against the number of absences allowed by an instructor or department. Students should contact instructor(s) as soon as possible to arrange for make-up work. Appropriate documentation will be required (for example, a copy of the obituary or funeral program). In specialized programs that require clinical rotations, this regulation may not apply.

2. Religious Holidays
   Students shall have the right to observe major religious holidays without penalty or reprisal by any administrator, faculty member or employee of the Maricopa Community Colleges. Absences for such holidays shall not count against the number of absences allowed by an instructor or department. At least one week before the holiday, students shall submit to their instructor(s) a written statement that includes both the date of the holiday and the reason why class attendance is impossible. Prior arrangements must be made with each instructor for make-up work. If prior arrangements have been made, the student will not be penalized.

3. Repeating a Course/Improving a Grade
   Students may repeat the course up to three times after the initial attempt to improve a grade. (A “W” or “Y” is not considered an attempt.) Students planning to repeat a course should seek advisement prior to enrolling. All enrollments in a course will appear on the transcript. Check individual courses and programs for exceptions.

4. Credit/No Credit Courses (P/Z)
   A. Some courses may be taken under a credit/no credit grading system. These courses carry grades of P (credit, equivalent to a grade of C or higher) or Z (no credit) and are not computed in

   * A “P” is judged to be equivalent to a grade of C or higher.
the student’s grade point average. Credits earned with a grade of P may be counted toward graduation with the exception of AGEC (Arizona General Education Curriculum).

B. The prescribed time limits are for full-semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly. See “Important Deadlines for Students”.

C. In courses with credit/no credit (P/Z) grading, the student may request standard grading (A, B, C, D, F), within fourteen (14) days including the date of the first class meeting. The instructor must immediately notify the Admissions and Records Office/Office of Student Enrollment Services.

D. In courses with standard grading (A, B, C, D, F), the instructor determines if the credit/no credit option is available. If the option is available, the student must obtain the permission of the instructor. The instructor must notify the Admissions and Records Office/Office of Student Enrollment Services within fourteen (14) days including the day of the first class meeting.

E. It is the student’s responsibility to verify the transferability of credit/no credit courses. Some universities place a limitation on the number of credit/no credit courses that can be transferred.

Advisory note: Some institutions outside the Maricopa Community Colleges may translate the Z grade as failing.

5. Audit Courses
A. Auditors are those who enroll in a course for the sole purpose of obtaining information; they receive no credit, grades, homework, or tests. If an auditor wishes to earn credit, he or she must change from audit status to credit status within the first week. If a student wishes to audit a course for which he or she is enrolled for credit, the change must be made within the first five (5) weeks of a semester. Auditors are subject to the same attendance policies as other students and must meet the same prerequisite requirements or obtain approval of the instructor. See the fee schedule for charges. Financial aid is not available for audited courses.

B. The prescribed time limits are for full-semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly and appear in the "Important Deadlines for Students”.

6. Important Deadlines for Students
(See Table 1)

ACADEMIC PROBATION (PROGRESS) (AR 2.3.4)

1. Probation
A student will be placed on academic probation if, after completion of twelve (12) or more credit hours, the student’s cumulative grade point average is less than:

<table>
<thead>
<tr>
<th>Credit Hours for Which Grade Points are Computed at Resident Maricopa Community College (A, B, C, D, F, and Y)</th>
<th>Minimum Grade Point Average Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>12-15</td>
<td>1.60</td>
</tr>
<tr>
<td>16-30</td>
<td>1.75</td>
</tr>
<tr>
<td>31-45</td>
<td>1.90</td>
</tr>
<tr>
<td>46 +</td>
<td>2.00</td>
</tr>
</tbody>
</table>

(Students should also be aware that graduation requires a cumulative minimum grade point average of 2.00).

Students on academic probation may take no more than twelve (12) credit hours per semester unless approved by the Admissions and Standards Committee.

2. Continued Probation
A student on academic probation who fails to raise the cumulative grade point average to the required minimum standards (see above) will be placed on continued probation and may be limited to taking six (6) credit hours. Regulations regarding continued probation do not apply to the summer session. Credit hours earned in summer sessions will be included in the cumulative grade point average.

INSTRUCTIONAL GRIEVANCE PROCESS
(AR 2.3.5 & Appendix S-6)
A student who feels that he or she has been treated unfairly or unjustly by a faculty member with regard to an academic process such as grading, testing, or assignments, has the right to appeal according to the approved procedures. The appeal process for grades expires one year from the date the grade was issued. Steps outlining the process are available in Appendix S-6.

Appendix S-6: Instructional Grievance Process
A student who feels that he/she has been treated unfairly or unjustly by a faculty member (full-time or part-time) with regard to an academic process such as grading, testing, or assignments, should discuss the issue first with the faculty member involved. This conference should be requested by the student within fifteen (15) working days from the time the student knew or reasonably should have known about the unfair or unjust treatment.

This instructional grievance process should not be utilized in a case in which a student feels he/she has experienced discrimination. If the student feels that he/she has experienced discrimination on the basis of race, color, religion, national origin, gender, age, disability, veteran status, or sexual orientation, the student should refer to the Discrimination Complaint Procedures for Students as administered by the Vice President for Student Affairs.

Steps for students to follow:
1. If, within ten (10) working days of the request for the conference with faculty member, the problem is not

Deadlines are based on calendar days and begin with the first day of class. Deadlines that fall on a weekend or holiday advance to the next college work day.
Note: The appeal process for grades expires one year from the date the grade was issued.

WITHDRAWAL (AR 2.3.6)

To withdraw from a course or courses from the college, students must follow approved procedures (See Appendix S-7). The Office of Admissions and Records provides information about the withdrawal process. The official date of withdrawal is the date the withdrawal is received in the Admissions and Records Office/Office of Student Enrollment Services. Never attending is not an allowable refund exception or an excuse of the debt incurred through registration. Please see the refund policy.

STUDENT AND FACULTY WITHDRAWAL PROCEDURES
(Appendix S-7)

Student Withdrawal Procedures

1. Withdrawal from Specific Courses
   A student may officially withdraw from specific courses in the following ways:
   A. Through the 7th week*, a student may initiate an official withdrawal from any course by completing the withdrawal process online using the student self service system or by submitting a course withdrawal form to the Admissions and Records Office/Office of Student Enrollment Services in accordance with the published deadlines. A grade of W (withdrawn, passing – not computed in the grade point average) will be assigned.
   B. After the 7th week*, a student must initiate a withdrawal request with the faculty member. If, after consultation with the student, the faculty member approves the request, a grade of W (withdrawn, passing--not computed in the grade point average) or Y (withdrawn, failing--computed in the grade point average as a failing grade) will be assigned. If the request is not approved, the student will remain in the course.
   C. A student has the right to appeal a withdrawal decision according to the approved procedures. Steps outlining the process are available in Appendix S-6.

   *The prescribed time limits are for full semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly. See Important Deadlines for Students. Failure to file an official withdrawal form may result in failing grades and responsibility for course tuition and fees. Refunds will only be processed within the refund period.

2. Complete Withdrawal from College

   Students electing to withdraw from the college must contact the Admissions and Records Office/Office of Enrollment Services no later than two weeks* before the end of the last class meeting and may be required to file a written request.

   A grade of W will be assigned in all courses for students who withdraw by the end of the 7th week* of classes. Withdrawals completed after this time will result in a grade of W (withdrawn, passing – not computed in the grade point average) or Y (withdrawn, failing – computed in the grade point average as a failing grade).

   *The prescribed time limits are for full semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly. See Important Deadlines for Students. Failure to file an official withdrawal form may result in failing grades and responsibility for course tuition and fees. Refunds will only be processed within the refund period.

3. Withdrawal of Financial Aid Students

   In accordance with federal regulations (34CFR 668.22), a student may be required to repay federal
Refunds will only be processed within the refund period in failing grades and responsibility for course tuition and fees.

Academic renewal at one of the Maricopa Community Colleges where the grades were earned.

The request must be in writing and submitted to the Admissions and Records Office/Office of Student Enrollment Services at the college where the grades were earned.

Financial aid funds if they completely withdraw or are withdrawn, or fail to earn a passing grade from all classes during a semester. Further information is available at the college Office of Student Financial Aid. This could affect a student’s ability to receive Financial Aid in the future at any school.

FACULTY WITHDRAWAL PROCEDURES
A faculty member has the option of withdrawing a student who has accumulated unofficial absences in excess of the number of times indicated in that faculty member’s attendance policy in the course syllabus (see AR 2.3.2). Students withdrawn for excessive absences may be reinstated only with the approval of the faculty member. A grade of W will be assigned through the 7th week*. After the 7th week*, a grade of W or Y will be assigned. Faculty members electing to withdraw students must record the withdrawal through the online system, including last date of attendance and withdrawal code.

*The prescribed time limits are for full semester classes. Time limits for classes which meet fewer than sixteen (16) weeks are adjusted accordingly. See Important Deadlines for Students. Failure to file an official withdrawal form may result in failing grades and responsibility for course tuition and fees. Refunds will only be processed within the refund period.

ACADEMIC RENEWAL (AR 2.3.7)
Students who are returning to this college after a separation of five (5) years or more from the Maricopa Community College District, may petition for academic renewal. The request must be in writing and submitted to the Admissions and Records Office/Office of Student Enrollment Services at the college where the grades were earned.

Academic renewal at one of the Maricopa Community Colleges does not guarantee that colleges outside the Maricopa Colleges will accept this action. Acceptance of academic renewal is at the discretion of the receiving institution.

1. Prior to petitioning for academic renewal, the student must demonstrate a renewed academic performance by earning a minimum of twelve (12) credit hours and a cumulative grade point average of 2.5 or higher within Maricopa Colleges after reenrollment.

2. Upon approval, all courses taken prior to reenrollment with a grade of "A," "B," "C," "D," "F," and "Y" will be annotated as academic renewal on the student’s permanent record. All course work affected by academic renewal will not be computed in the grade point average. Courses with grades "A," "B," or "C" will have the associated credit hours counted in the total credit hours earned. Such credit will not be computed in the grade point average.

3. All course work will remain on the student’s permanent academic record, ensuring a true and accurate academic history.

4. The academic renewal policy may be used only once approved.

5. Students who have been granted Academic Renewal must also meet the Financial Aid Standards of Academic Progress if they wish to receive financial aid.

HONORS PROGRAM (AR 2.3.8)
Each of the Maricopa Community Colleges has an honors program. Interested students should contact the college honors coordinator for information about the program and available scholarships, including the Chancellor’s, Foundation’s, and President’s Scholarships.

President’s Honor List
The President’s Honor List for each college consists of all students who complete twelve (12) or more credit hours in residence in courses numbered 100 or higher in a given semester with a college semester grade point average of 3.75 or higher.

GENERAL GRADUATION REQUIREMENTS
(AR 2.3.9)
Note: Also see “Catalog Under Which a Student Graduates” (AR 2.2.5)

All students are required to complete the degree and/or certificate requirements as approved by the MGCCD Governing Board. The college reserves the right to make necessary course and program changes in order to meet current educational standards. In addition, students must:

1. be credited in the Admissions and Records Office/Office of Student Enrollment with not fewer than: 60 semester credit units in courses numbered 100 or above for the Associate in Arts degree, Associate in Science degree, Associate in Transfer Partnership degree, and Associate in General Studies degree; 60 semester credit units for the Associate in Applied Science degree; 62 semester credits for the Associate in Business degrees. For specific certificate programs, be credited with not fewer than the minimum total of credit units required for the certificate program.

Students not continuously enrolled, as outlined in the Catalog Under Which a Student Graduates policy, must satisfy current graduation requirements.

2. have earned a minimum of 12 semester credit units toward the degree or certificate at the district college granting the degree or certificate. The 12 hours in the AAS degree curricula may be in the Required Courses area and/or Restricted Electives courses. Courses from the General Education Core and Distribution area are excluded. In cases where the certificate requires fewer than 12 credit units, a minimum of six credit units must be completed at the college awarding the certificate. The minimum of six credit hours in the certificate or degree curricula may be in the Required Courses area and/or the Restricted Electives. Courses from the General Education Core and Distribution areas are excluded.
Shared Programs are programs offered at multiple colleges but not available at all colleges. The requirements are identical at all the colleges offering the program.

A shared program requires a minimum of six credit hours from the total program requirements to be completed with a grade of “C” or better at the college awarding the certificate or degree. The exception is the Nursing program. For those shared programs with less than six credit hours, the total hours for the program must be completed at the college awarding the certificate.

3. have filed an application for the degree or certificate with the Admissions and Records Office/Office of Student Enrollment Services on the date determined by the college/center.

Students must apply for graduation from the college where they have successfully completed Block 4 of the Associate in Applied Science in Nursing.

4. have a minimum cumulative grade point average of 2.000 at the college granting the degree.

5. have a minimum cumulative grade point average of 2.000 in all courses used to fulfill degree requirements

Some specific programs have higher grade requirements. It is the student’s responsibility to be aware of these program requirements.

6. have removed, thirty (30) days after the anticipated graduation date, all deficiencies on the record to use those courses toward program completion.

7. have removed any indebtedness to any MCCCD college/center.

8. have paid required degree or certificate application fee.

See fee schedule for charges.

See Graduation with Honors for information on honors designation.

Certificates/Degrees

The Maricopa Community Colleges offer Certificates of Completion as well as Associate Degrees, one of which is conferred on each student who has completed a program of study. These certificates and degrees are as follows: (1) Certificate of Completion (Career Program Specified); (2) Academic Certificate; (3) General Education Certificate; (4) Associate in Arts; (5) Associate in Science; (6) Associate in Business; (7) Associate in General Studies; (8) Associate in Transfer Partnership; (9) Associate in Applied Science (Career Program Specified).

All candidates for a degree and/or certificate must complete the General Graduation Requirements as approved by the MCCCD Governing Board.

All students are urged to meet with a faculty advisor, program advisor or counselor as soon as possible to determine which program meets their needs and to plan their course of study.

Graduate Guarantee Policy

The Governing Board believes so strongly in the quality of its colleges' occupational training programs that it guarantees graduate competence.

1. Graduation from an Associate of Applied Science (AAS) is designed to prepare a person for entry-level employment in a specific career field. A graduate’s ability to perform approved program competencies will be judged by employers. Should the employer of a graduate who has earned an AAS Degree find the employee lacking in the technical skills normally expected of an entry-level employee in the specific career field for which that graduate prepared, the District will provide the graduate with up to the equivalent of twelve (12) credit hours of retraining for no additional tuition.

2. Because technical occupations change rapidly, initial employment in an AAS Degree-related field must occur within one year of graduation from the AAS Degree program in question.

Retraining needs to occur as cost effectively as possible. The graduate’s employer must present a list of the graduate’s skill deficiencies to the appropriate vice president or designee at the graduate’s alma mater. All retraining will be completed in a reasonable time as agreed to by the employer, the student, and the college.

Licensure Disclaimer

Maricopa Community Colleges courses and programs prepare students for entry into a variety of professions. Many of these professions require that a person hold an occupational license or certificate in order to work in a particular field. Typically, a person must meet certain legal requirements before obtaining such a license or certificate. These requirements are established by county, state or federal agencies, and often are based on a person's character, or whether the person has been convicted of a criminal offense. It is possible for a student who has obtained a degree or certificate from a community college to be denied the right to work in a particular profession after completing the degree or certificate because of concerns over the student's character or criminal background. Any student preparing to enter a field for which a professional license or certificate is required is strongly advised to consult with the appropriate government agency that issues such credentials. That agency can provide the student complete information about any requirements the law imposes for working in a particular occupation.

MCCCD General Education Statement

The general education core of the program of study for an associate degree or a certificate helps students develop a greater understanding of themselves, of their relationship with others, and of the richly diverse world in which they live. The general education experience provides students with opportunities to explore broad areas of commonly held knowledge and prepares them to contribute to society.
through personal, social, and professional interactions with others. General education fosters students’ personal development by opening them to new directions, perspectives, and processes.

Through its general education requirements, the Maricopa County Community College District is committed to helping students develop qualities and skills that will serve them throughout their lives. General education opportunities encourage students to:

- Build self-awareness, self-respect, and self-confidence
- Recognize and respect the beliefs, traditions, abilities, and customs of all people and all cultures
- Consider the local, global, and environmental impacts of personal, professional, and social decisions and actions
- Access, evaluate, analyze, synthesize, and use information wisely
- Communicate effectively personally, socially, and professionally
- Think critically, make informed decisions, solve problems, and implement decisions
- Consider the ethical implications of their choices
- Value the learning process throughout their lives
- Integrate and connect ideas and events in a historical perspective, and see relationships among the past, the present, and the future
- Develop a personal sense of aesthetics
- Use technological resources appropriately and productively
- Work cooperatively and respectfully with others to serve their communities

The general education experience at MCCCd is composed of specific elements across the curriculum designed to provide the learner with essential knowledge and skills:

- Communication
- Arts and Humanities
- Numeracy
- Scientific Inquiry in the Natural and Social Sciences
- Information Literacy
- Problem-Solving and Critical Thinking
- Cultural Diversity

General Education Designations (example: (FYC), [SB], [HU], etc.)

Effective fall 2000 the course evaluation and/or general education designation as listed in the Arizona CEG (Course Equivalency Guide) within the Arizona Course Applicability System (AZCAS) is valid for the term in which the student is awarded credit on the transcript. A course evaluation and/or general education designation may be subject to change. Given that curriculum is dynamic at both MCCCd and the institutions to which MCCCd students transfer, students have the option to petition for general education evaluations and/or general education designations.

The college reserves the right to make necessary course and program changes in order to meet current educational standards.

CATALOG UNDER WHICH A STUDENT GRADUATES (AR 2.2.5)

Students maintaining continuous enrollment at any public Arizona community college or university may graduate according to the requirements of the catalog in effect at the time of initial enrollment or according to the requirements of any single catalog in effect during subsequent terms of continuous enrollment. Students may maintain continuous enrollment whether attending a single public community college or university in Arizona or transferring among public institutions in Arizona while pursuing their degrees.

1. A semester in which a student earns course credit will be counted toward continuous enrollment. Non-credit courses, audited courses, failed courses, or courses from which the student withdraws do not count toward the determination of continuous enrollment for catalog purposes.

   EXAMPLE A
   Admitted & Earned Course Credit at a Public Community College or University
   Fall '05 (Active)
   Continued at a Public Community
   Spring '06, Fall '06 (Active)
   College Transferred to a University
   Spring '07 (2005 or Any
   Subsequent Catalog)

   EXAMPLE B
   Admitted & Earned Course Credit at a Public Community College or University
   Fall '02 (Active)
   Enrolled But Earned All Ws, Zs, or Fs
   Spring '03 (Inactive)
   Enrolled in Audit Courses Only
   Fall '03 (Inactive)
   Nonattendance
   Spring '04 (Inactive)
   Transferred to a University
   Fall '04 (2004 or Any
   Subsequent Catalog)

2. Students who do not meet the minimum enrollment standard stipulated in No. 1 during three consecutive semesters (fall/spring) and the intervening summer term* at any public Arizona community college or university are no longer considered continuously enrolled, and must meet requirements of the public Arizona community college or university catalog in effect at the time they are readmitted or of any single catalog in effect during subsequent terms of continuous enrollment after readmission.

   EXAMPLE A
   Admitted & Earned Course Credit at a Public Community College or University
   Fall '02 (Active)
   Nonattendance
   Spring '03, Fall '03, Spring
   '04 (Inactive)
   Readmitted & Earned Course Credit at a Public Community College
   Transferred to a University
   Fall '04 (Active)
   Spring '05 (2004 or Any
   Subsequent Catalog)

   EXAMPLE B
   Admitted & Earned Course Credit at a Public Community College or University
   Fall '02 (Active)
   Nonattendance
   Spring '03 (Inactive)
   Readmitted & Earned Course Credit at a Public Community College
   Nonattendance
   Summer '03 (Active)
   Transferred to a University
   Fall '03, Spring '04 (Inactive)
   Fall '04 (2002 or Any
   Subsequent Catalog)
*Students are not obligated to enroll and earn course credit during summer terms, but summer enrollment may be used to maintain continuous enrollment status.*

3. Students admitted or readmitted to a public Arizona community college or university during a summer term must follow the requirements of the catalog in effect the following fall semester or of any single catalog in effect during subsequent terms of continuous enrollment.

**EXAMPLE**

| Admitted & Earned Course Credit at a Uni
<table>
<thead>
<tr>

<tr>
<td>Transferred to a University</td>
<td>Summer '06 (2004 or Any Subsequent Catalog)</td>
</tr>
</tbody>
</table>

4. Students transferring among Arizona public higher education institutions must meet the admission requirements, residency requirements, and all curricular and academic requirements of the degree-granting institution.

**NOTE: University Department Time Limit for Transfer Coursework**

In areas of study in which the subject matter changes rapidly, material in courses taken long before graduation may become obsolete or irrelevant. Coursework that is more than eight years old is applicable to completion of degree requirements at the discretion of the student’s major department at the university. University departments may accept such coursework, reject it, or request that the student revalidate its substance. The eight-year limit on coursework applies except when program accreditation agencies limit the life of coursework to fewer than eight years. University departments may also require students to satisfy current major requirements rather than major requirements in earlier catalogs, when completing earlier requirements is no longer possible or educationally sound.

The college reserves the right to make necessary course and program changes in order to meet current educational standards.

**TRANSCRIPTS FOR TRANSFER (AR 2.3.10)**

The transcript is issued upon written request only. Those students who want to transfer to other institutions of higher education, including other Maricopa Community Colleges, must request their transcript be sent from the Admissions and Records Office/Office of Student Enrollment Services. However, transcripts may be shared within the Maricopa Community College District without the written request of the student in compliance with FERPA.

Official transcripts will not be issued to students having outstanding debts to any of the Maricopa Community Colleges. The release of transcripts is governed by the guidance of the Family Education Rights and Privacy Act of 1974 (see Records Policy in the Student Rights and Responsibilities section of this manual). There is no charge for unofficial transcripts, or for official transcripts sent between Maricopa Community Colleges. See the Tuition and Fee Schedule for charges for other official transcripts.

**COLLEGE ENVIRONMENT**

**SEXUAL HARASSMENT POLICY**

(AR 2.4.4 & 5.1.8-5.1.16)

Sexual Harassment Policy for Employees and Students (AR 2.4.4)

See the EEO/AA Section of the Administrative Regulations (AR 5.1.8).

Sexual Harassment Policy for Employees and Students (AR 5.1.8)

The policy of the Maricopa County Community College District (MCCCD) is to provide an educational, employment, and business environment free of unwelcome sexual advances, requests for sexual favors, and other verbal and/or physical conduct or communications constituting sexual harassment as defined and otherwise prohibited by state and federal law.

Sexual harassment by and between, employees; students; employees and students; and campus visitors and students or employees, is prohibited by this policy.

Violations of this policy may result in disciplinary action up to and including termination for employees; sanctions up to and including suspension or expulsion for students; and appropriate sanctions against campus visitors.

This policy is subject to constitutionally protected speech rights and principles of academic freedom. Questions about this policy may be directed to the MCCCD EEO/Affirmative Action Office.

**Examples of Policy Violations (AR 5.1.9)**

It shall be a violation of MCCCD's Sexual Harassment Policy for any employee, student or campus visitor to:

1. Make unwelcome sexual advances to another employee, student or campus visitor;

2. Make unwelcome requests for sexual favors, whether or not accompanied by promises or threats with regard to the employment or academic relationship;

3. Engage in verbal or physical conduct of a sexual nature with another employee, student or campus visitor, that may threaten or insinuate, either explicitly or implicitly, that the individual’s submission to, or rejection of, the sexual advances will in any way:

   A. Influence any personnel decision regarding that person’s employment, evaluation, wages, advancement, assigned duties, shifts or any other condition of employment or career
2. Students
Students who experience sexual harassment in the academic environment (by a faculty member, administrator, campus visitor or other student) are urged to report such conduct to the vice president of student affairs or designee at each individual campus. A student may also contact the MCCCD EEO/AA Office to obtain the name and phone number of the college official designated to respond to sexual harassment complaints.

3. General - Applicable to Both Employees and Students
Complaints will be investigated according to procedures established by the MCCCD EEO/AA Office. Copies of these procedures may be obtained in the college president’s office, Office of the Vice President of Student Affairs and the MCCCD EEO/AA Office.

The college/center/MCCCD will investigate all complaints as professionally and expeditiously as possible.

Where investigation confirms the allegations, appropriate responsive action will be taken by the college/center/MCCCD.

Confidentiality (AR 5.1.13)
Records will be maintained in a confidential manner to the extent permitted by law and insofar as they do not interfere with MCCCD’s legal obligation to investigate and resolve issues of sexual harassment.

Violations of Law (AR 5.1.14)
An employee or student may be accountable for sexual harassment under applicable local, state, and/or federal law, as well as under MCCCD policy. Disciplinary action by MCCCD may proceed while criminal proceedings are pending and will not be subject to challenge on the grounds that criminal charges involving the same incident have been dismissed or reduced.

False Statements Prohibited (AR 5.1.15)
Any individual who knowingly provides false information pursuant to filing a discrimination charge or during the investigation of a discrimination charge, will be subject to appropriate disciplinary action, up to and including, employment termination or academic dismissal.

Retaliation Prohibited (AR 5.1.16)
Retaliation against an employee or student for filing a sexual harassment complaint, or participating in the investigation of a complaint, is strictly prohibited. MCCCD will take appropriate disciplinary action, up to and including employment termination or academic dismissal if retaliation occurs.

EMISSIONS CONTROL COMPLIANCE (AR 2.4.6)
Pursuant to ARS §15-1444 C. no vehicle shall be allowed to park in any college parking lot unless it complies with ARS
§49-542 (the annual vehicle emissions inspection program). At the time of course registration, every out-of-county and out-of-state student will be required to sign an affidavit stating that the student’s vehicle meets the requirements of ARS §49-542. Vehicles that are not in compliance are subject to being towed at the owner’s expense.

PETITION SIGNATURE SOLICITATION (AR 2.4.8)

1. This regulation shall govern access to college premises by representatives who wish to solicit signatures on petitions for the purpose of submission of a ballot proposition to voters, or nomination of a candidate for elective office, in a city-, county-, or state-wide election.

2. Each college president shall designate general hours of accessibility for solicitation and a location on college premises where all representatives on behalf of any candidate or ballot proposition may solicit signatures. The location shall be in a common area where the solicitation will not serve as an obstruction to student activities or otherwise disrupt the college environment.

3. All solicitation must take place in designated areas. Standard space may include one or two tables and chairs. Campus restrictions regarding amplification will apply. Representatives may not distribute or make available to students, employees, or college visitors any tangible item, except for informational literature about the proposed candidate or ballot initiative.

4. Representatives shall notify the designated official at each college or center for their intent to be present on college premises no fewer than three working days prior to soliciting signatures. Upon obtaining authorization, representatives shall be provided a written version of this regulation.

SOLICITATION (AR 2.4.9)

1. Definitions

   A. A "solicitor" is any non-MCCCD-affiliated entity that would, on the premises of any Maricopa Community College or Center, purport to sell or promote any product, service, or idea, but does not include such an entity that would enter the premises for the purposes of promoting, opposing, or soliciting petition signatures in connection with any political candidate or initiative, or referendum ballot.

   B. A "special event" is a college-sponsored event conducted on college premises for the benefit of students that is based on a particular theme, and for which the college has deemed it essential to invite the participation of solicitors whose products, services or ideas are pertinent to the special event’s theme.

2. Requirements

   A. A solicitor must obtain prior approval for solicitation from the designated official at each college or center. A solicitor who would purport to sell any product or service is responsible for obtaining any necessary tax licenses and must submit to the designated official a certificate of commercial liability insurance and pay to the college or center, in consideration for the opportunity for solicitation, a fee in the amount of $50 per day or $125 per full week.

   B. Campus restrictions regarding location, time, date, and use of amplification may apply. All requests for space shall be granted on a first-come, first-served basis only upon completion of the requirements contained in this regulation.

   C. All solicitation must take place at tables in designated areas. Standard space will be one or two tables and chairs. Solicitors may be limited to no more than fifty (50) hours of solicitation activity per semester at each college or center.

   D. By requesting the opportunity for solicitation on the premises of a college or center, a solicitor warrants that it may lawfully sell or promote its product, service or idea and that such activity does not violate any law, and does not violate any trademark, copyright, or similar proprietary interest. The activity of any solicitor may not violate any existing Maricopa contract.

   E. The president of every college or center shall establish for such location restrictions governing the activities of solicitors. Such restrictions shall supplement, but shall not replace or waive, this regulation.

   F. A college may waive the fee prescribed in this regulation for any solicitor’s participation in a special event if the college determines that such participation will be of particular educational benefit to the interests of that college’s students; the participation is sponsored by a club, organization, or academic division; and the participation is approved by the college’s Student Life and Leadership department. A college may waive both the fee and the insurance certificate requirements prescribed in this regulation for a student purporting to sell or promote a product or service at a special event, provided that:

      i. Such product or service presents low risk of harm to a potential user;

      ii. The product or service is not food or food-related and;

      iii. The student is soliciting solely on his or her own behalf and not pursuant to any sales agreement, commission agreement, or similar affiliation or contractual relationship with another entity.

   G. Any solicitor who violates this regulation may be deemed a trespasser on college or center premises, and therefore subject to appropriate prosecution within the discretion of the College Safety department and other responsible officials at the college or center. The Maricopa County Community College District, its colleges and centers, assume no responsibility - financial
or otherwise - for the acts or omissions of any vendor whose presence on college premises pursuant to this regulation is approved by any college official.

CHILDREN ON CAMPUS (AR 2.4.10)
- Children (younger than 18) may not attend any class unless they are officially registered for the class.
- Children will not be allowed on campus unless participating in an authorized college program or under the supervision of an adult.

CRIME AWARENESS AND CAMPUS SECURITY ACT (AR 2.4.11)
Federal legislation requires the college to maintain data on the types and number of crimes on college property as well as policies dealing with campus security. To obtain additional information on this subject, contact the college Safety and Security Department.

WORKPLACE VIOLENCE PREVENTION (AR 2.4.12)
It is the policy of the Maricopa Community Colleges to promote a safe environment for its employees, students, and visitors. The Maricopa Community Colleges are committed to working with its employees to maintain an environment free from violence, threats of violence, harassment, intimidation, and other disruptive behavior.

Violence, threats, harassment, intimidation, and other disruptive behavior in our facilities will not be tolerated, and it is the responsibility of all members of the Maricopa Community Colleges to report any occurrence of such conduct. Every employee, student and visitor on Maricopa Community College District property is encouraged to report threats or acts of physical violence of which he/she is aware. All reports will be taken seriously and will be dealt with appropriately. Such behavior can include oral or written statements, gestures, or expressions that communicate a direct or indirect threat of physical harm.

This policy applies to employees and students, as well as independent contractors and other non-employees doing business with the Maricopa Community Colleges. Individuals who commit such acts may be removed from the premises and may be subject to disciplinary action, criminal penalties, or both. The Chancellor is hereby instructed to enact all administrative regulations necessary to implement this policy.

STUDENT RIGHTS AND RESPONSIBILITIES

COPYRIGHT ACT COMPLIANCE (AR 2.4.5)
Students are expected to comply with the provisions of the Copyright Act of 1976 pertaining to photocopying of printed materials, copying of computer software and videotaping. In order to assist students in complying with the Copyright Law, appropriate notices shall be placed on or near all equipment capable of duplicating copyrighted materials.

Copyright Regulation (AR 3.2)
1. It is the intent of the Governing Board of the Maricopa County Community College District to adhere to the provisions of the U.S. Copyright Law (Title 17, United States Code Section 101 et seq.). Though there continues to be controversy regarding interpretation of the Copyright Law, this policy represents a sincere effort by the Board to operate legally within the District.
2. The Governing Board directs the Chancellor or his designee(s) to develop and distribute to employees guidelines that (1) clearly discourage violation of the Copyright Law and (2) inform employees of their rights and responsibilities under the Copyright Law.
3. Each college president or provost and the Chancellor shall name an individual(s) at each district location who will assume the responsibilities of distributing copyright guidelines, act as a resource person regarding copyright matter and provide training programs on current copyright laws.
4. Employees are prohibited from copying materials not specifically allowed by the (1) copyright Law, (2) fair use guidelines, (3) Licenses or contractual agreements, or (4) other permission.
5. The Governing Board disapproves of unauthorized duplication in any form. Employees who willfully disregard this Board policy and/or the aforementioned copyright guidelines do so at their own risk and assume all liability for their actions.
6. In order to assist employees and students in complying with the Copyright Law, appropriate notices shall be placed on or near all equipment capable of duplicating copyrighted materials.

What Students Should Know About Copyright

What is copyright?
Copyright is a protection afforded under federal law for various types of creative works. A work is copyrightable if it is an original work of authorship fixed in a tangible medium of expression. Copyrightable works include literary, musical or dramatic works; motion pictures and other audiovisual works; choreographic works and pantomimes; sound recordings; and architectural works.

The owner of a copyright in a particular work has the exclusive right to copy, display, perform, distribute, and create a derivative version of the work. Generally, then, this means that you may not do things like duplicate, show or perform a copyrighted work unless it is...
expressly allowed under the Copyright Act or you have the prior permission of the copyright holder.

A copyright exists in a work at the time it becomes fixed in some tangible medium of expression. Neither registration of the copyright with the federal government nor a copyright notice on the work itself is required for copyright protection.

What is copyright infringement?
Generally, copyright infringement occurs when you copy, display, perform, distribute or create a derivative version of a copyrightable work either without the permission of the copyright holder or when such activity is not otherwise allowed under an exception provided by federal copyright law. The penalties for infringement include significant damages-potentially in excess of $100,000 for each work infringed.

How does copyright law affect information I obtain off the Internet?
Copyright law covers works in both traditional and new media, including digital media. Copyrightable materials are often available on the Internet without any indication of their copyrighted status. As a rule of thumb, you should assume that everything you find on the Internet is copyrighted, unless otherwise labeled. Even popular activities, such as file swapping or copying software or pictures from the Internet, may be copyright infringement and should be avoided.

The Digital Millennium Copyright Act, which Congress enacted in 2000, affords greater protection for copyright holders of digital works. Generally, then, even if a work appears solely in a digital form, it is likely subject to copyright law protections.

New technology has made many creative works widely available through the Internet. For example, the technology known as Peer to Peer (P2P) allows for the transmission of music, videos, movies, software, video games and other materials-most of which is subject to copyright protection.

Remember that a copyright exists in a work at the time it becomes fixed in some tangible medium of expression. That means that an image you have downloaded from the Internet, as well as a video or musical performance is almost certainly subject to copyright protection. When you download these works, transfer them to a disk or other medium, or send them to a friend, you are infringing on the rights of the copyright holder. Trafficking in such material without the permission of the copyright holder, then, violates copyright law. This includes unauthorized music file sharing over the Internet.

According to a statement recently issued by representatives of the motion picture, recording and songwriting industries, uploading and downloading copyrighted works over the Internet is theft: "It is no different from walking into the campus bookstore and in a clandestine manner walking out with a textbook without paying for it."

Why is it important for a student to be aware of copyright law?
Copyright infringement is expressly prohibited by the US Copyright Act. Anyone who infringes another’s copyright in a creative work is subject to liability, and could be required to pay large sums in damages.

In addition, as the law clearly prohibits copyright infringement, using any college resources-such as photocopi ers, desktop and laptop computers, printers, central computing facilities, local-area or college-wide networks, Internet access, or electronic mail-for the purpose of infringing a copyright in any work may be grounds for student discipline. According to Maricopa Community College District administrative regulation, "students are expected to comply with the provisions of the Copyright Act of 1976 pertaining to photocopying of printed materials, copying of computer software and videotaping."

Moreover, under the Maricopa Community Colleges Computing Resource Standards, a student is prohibited from the "use of software, graphics, photographs, or any other tangible form of expression that would violate or infringe any copyright or similar legally-recognized protection of intellectual property rights." The Standards also prohibit "transmitting, storing, or receiving data, or otherwise using computing resources in a manner that would constitute a violation of state or federal law..."

A student who violates these policies, then, can be disciplined at any of the Maricopa Community Colleges. This discipline could include suspension or even expulsion.

Does copyright law allow me to download files from a college web site?
Thanks to recent changes to copyright law, colleges and universities are allowed to transmit copyrighted images, recordings, and other materials over the Internet in connection with distance learning offerings. These changes allow for the performance of non-dramatic literary works or musical works, as well as the display of "reasonable and limited portions" of any work in an amount comparable to that typically displayed in a live classroom setting. Use of the works must, however, be "an integral part" of the distance-learning class session, and available solely to students enrolled in the class. In addition, the transmission of the copyrighted works must be under the direction or actual supervision of an instructor.

Even though the college does not hold the copyright to these works, or even have the express permission of the copyright holder, they may be delivered over the Internet to students in distance learning classes.
POLICIES AND PROCEDURES

The fact that the law authorizes such use of copyrighted materials, though, does not allow a student in these classes to freely download, copy, or re-transmit the works. They are intended solely for use by the institution in connection with distance instruction; any other use would likely constitute a violation of copyright law.

To learn more about copyright, click "Intellectual Property." While you’re there, you should read the Maricopa Community Colleges' Copyright Guidelines. You should also review the complete text of the Computing Resource Standards that can be found under the "Information Technology" link. The Standards also appear in college catalogs and student handbooks.

TAPING OF FACULTY LECTURES (AR 3.4)
MCCCD acknowledges that faculty members are, by law, afforded copyright protection in their classroom lectures and, therefore, may limit the circumstances under which students may tape (audio/visual) their classes.

Each faculty member shall inform his/her students within the first week of classes to his/her policy with regard to taping. Failure to do so will accord students the right to tape lectures.

Students with disabilities that render them unable to take adequate lecture notes are entitled to reasonable accommodation to remedy this inability. Accommodation may require a faculty member to exempt a student from his/her taping policy.

TECHNOLOGY RESOURCE STANDARDS (AR 4.4)
Introduction
The Maricopa County Community College District (MCCCD) provides its students and employees access to information resources and technologies. Maricopa recognizes that the free exchange of opinions and ideas is essential to academic freedom, and the advancement of educational, research, service, operational, and management purposes, is furthered by making these resources accessible to its employees and students.

At Maricopa, technological resources are shared by its users; misuse of these resources by some users infringes upon the opportunities of all the rest. As Maricopa is a public institution of higher education, however, the proper use of those resources is all the more important. Accordingly, Maricopa requires users to observe Constitutional and other lawful mandates whose aims are to safeguard and appropriately utilize technology resources that are acquired and maintained with public funds.

General Responsibilities
Technology resources (including, but not limited to, desktop and laptop systems, printers, central computing facilities, District-wide or college-wide networks, local-area networks, telephones, facsimile machines, scanners, access to the Internet, electronic mail and similar electronic information) of the Maricopa County Community College District are available only to authorized users, and any use of those resources is subject to these Standards. All users of Maricopa's technology resources are presumed to have read and understood the Standards. While the Standards govern use of technology resources District-wide, an individual community college or center may establish guidelines for technology resource usage that supplement, but do not replace or waive, these Standards.

Acceptable Use
Use of Maricopa’s technology resources, including websites created by employees and students, is limited to educational, research, service, operational, and management purposes of the Maricopa County Community College District and its member institutions. Likewise, data, voice, images and links to external sites posted on or transmitted via Maricopa’s technology resources are limited to the same purposes.

It is not Maricopa’s practice to monitor the content of electronic mail transmissions, files, images, links or other data stored on or transmitted through Maricopa’s technology resources. The maintenance, operation and security of Maricopa’s technology resources, however, require that network administrators and other authorized personnel have access to those resources and, on occasion, review the content of data and communications stored on or transmitted through those resources. A review may be performed exclusively by persons expressly authorized for such purpose and only for cause. To the extent possible in the electronic environment and in a public setting, a user’s privacy will be honored. Nevertheless, that privacy is subject to Arizona’s public records laws and other applicable state and federal laws, as well as policies of Maricopa’s Governing Board all of which may supersede a user’s interests in maintaining privacy in information contained in Maricopa’s technology resources.

Frequently, access to Maricopa's technology resources can be obtained only through use of a password known exclusively to the user. It is the user's responsibility to keep a password confidential. While Maricopa takes reasonable measures to ensure network security, it cannot be held accountable for unauthorized access to its technology resources by other users, both within and outside the Maricopa community. Moreover, it cannot guarantee users protection against loss due to system failure, fire, etc.

Incidental Computer Usage
Limited incidental personal use of information resources by employees of MCCCD is permitted, except as described in item 16 under prohibited conduct. Faculty and staff are responsible for exercising good judgment about personal use in accordance with regulations, local colleges’ existing policies and ethical standards for employees. Personal use refers to activities which only affect or impact the individual. MCCCD employees are required to conduct themselves in a manner which will not raise concern that they are or might be engaged in acts in violations of the public trust. Refer to the Guidelines for Incidental Computer Usage for the Maricopa Community Colleges.
Incidental Telephone Usage
Limited incidental personal use of information resources by employees of MCCCD is permitted, except as described in item 16 under prohibited conduct. Faculty and staff are responsible for exercising good judgment about personal use in accordance with regulations, local colleges’ existing policies and ethical standards for employees. Personal use refers to activities which only affect or impact the individual. MCCCD employees are required to conduct themselves in a manner which will not raise concern that they are or might be engaged in acts in violations of the public trust. Refer to the Guidelines for Incidental Telephone Usage for the Maricopa Community Colleges.

Prohibited Conduct
The following is prohibited conduct in the use of Maricopa's technology resources:

1. Posting to the network, downloading or transporting any material that would constitute a violation of Maricopa County Community College District contracts
2. Unauthorized attempts to monitor another user’s password protected data or electronic communication, or delete another user’s password protected data, electronic communications or software, without that person’s permission
3. Installing or running on any system a program that is intended to or is likely to result in eventual damage to a file or computer system
4. Performing acts that would unfairly monopolize technology resources to the exclusion of other users, including (but not limited to) unauthorized installation of server system software
5. Hosting an unauthorized website that violates the .EDU domain request.
6. Use of technology resources for non-Maricopa commercial purposes, including to advertise personal services, whether or not for financial gain.
7. Use of software, graphics, photographs, or any other tangible form of expression that would violate or infringe any copyright or similar legally-recognized protection of intellectual property rights.
8. Activities that would constitute a violation of any policy of Maricopa's Governing Board, including, but not limited to, Maricopa's non-discrimination policy and its policy against sexual harassment.
9. Transmitting, storing, or receiving data, or otherwise using technology resources in a manner that would constitute a violation of state or federal law, or MCCCD policy or administrative regulation including, but not limited to, obscenity, defamation, threats, harassment, and theft.
10. Attempting to gain unauthorized access to a remote network or remote computer system.
11. Exploiting any technology resources by attempting to prevent or circumvent access, or using unauthorized data protection schemes.
12. Performing any act that would disrupt normal operations of computers, workstations, terminals, peripherals, or networks.
13. Using technology resources in such a way as to wrongfully hide the identity of the user or pose as another person.
14. Allowing any unauthorized access to Maricopa’s technology resources.
15. Making personal long distance or other toll calls, except where the charges for the calls are incurred directly by the caller or arrangements are otherwise made at the time of the call to directly bill the caller.
16. Intermittent use of technology resources that interferes with the performance of an employee’s main responsibilities.
17. Conducting District or college-related business using any electronic mail account other than one hosted or provided by MCCCD, and approved by the Vice Chancellor of Information Technology Services, even when the email account copies all outgoing and incoming messages to the MCCCD hosted account.

Exceptions:
A. A permissible exception would include faculty to student communications that are FERPA protected and otherwise not subject to public disclosure. Employees who create administrative or operational messages on alternative devices should be mindful that the duty to retain records according to the approved retention schedule exists regardless of the communications tool that is being used.
B. If an employee has a business need to receive e-mail messages that are larger than the established limit on the MCCCD system, or that contain file types that are normally prohibited because of the potential security risks, the employee should open a help desk ticket to request changes to their e-mail account in order to accommodate their business need.

Review and Approval of Alternate E-Mail Account Systems
The prior review and approval by the Vice Chancellor of Information Technology Services is required for the implementation of alternate college electronic mail account systems. Requests will be evaluated based upon the following considerations:

1. The system must be compatible and interoperable with the MCCCD e-mail system.
2. All information within the e-mail system must be e-discoverable, per law.
3. Any proposed changes to the college e-mail system with e-discovery implications must be submitted to District ITS for approval.
4. District ITS must always have full and complete access to ensure the ability to provide any information necessary for e-discovery, local or remote, in a timely and secure manner.

Disclaimer
The home page of a web site must display, or link to, the following disclaimer in a conspicuous manner:
POLICIES AND PROCEDURES

All information published online by MCCCD is subject to change without notice. MCCCD is not responsible for errors or damages of any kind resulting from access to its internet resources or use of the information contained therein. Every effort has been made to ensure the accuracy of information presented as factual; however errors may exist. Users are directed to countercheck facts when considering their use in other applications. MCCCD is not responsible for the content or functionality of any technology resource not owned by the institution.

The statements, comments, or opinions expressed by users through use of Maricopa’s technology resources are those of their respective authors, who are solely responsible for them, and do not necessarily represent the views of the Maricopa County Community College District.

Complaints and Violations
Complaints or allegations of a violation of these standards will be processed through Maricopa’s articulated grievance procedures or resolution of controversy.

Upon determination of a violation of these standards, Maricopa may unilaterally delete any violative content and terminate the user’s access to Maricopa’s technology resources. It is the user’s responsibility to demonstrate and/or establish the relevance of content in the event that a content complaint is made official. Users retain the right to appeal actions through Maricopa’s grievance procedures or resolution of controversy.

HAZING PREVENTION REGULATION (AR 2.6)
The Maricopa County Community College District (MCCCD) strives to exceed the changing expectations of our many communities for effective, innovative, student-centered, flexible and lifelong educational opportunities. Our employees are committed to respecting diversity, continuous quality improvement and the efficient use of resources. We are a learning organization guided by our shared values of: education, students, employees, excellence, diversity, honesty and integrity, freedom, fairness, responsibility and public trust.

Central to the vitality and dignity of our community of learners is an environment that produces broadly educated responsible citizens, who are prepared to serve and lead in a free society. Academic instruction, co-curricular activities and community involvement come together to meet this goal. All members of the Maricopa Community Colleges’ community, through the best of their abilities, must be provided the opportunity to contribute in a safe, orderly, civil and positive learning environment. One factor that inhibits the achievement of the above stated purpose is the practice of hazing.

1. Hazing by any student, employee or other person affiliated with the Maricopa Community Colleges is prohibited.
2. “Hazing” is defined as any intentional, knowing or reckless act committed by a student or other person in any MCCCD college or affiliated educational setting, whether individually or in concert with other persons, against another student, and in which both of the following apply:
   A. The act was committed in connection with an initiation into, an affiliation with or the maintenance of membership in any club/organization that is affiliated with Maricopa Community Colleges; and,
   B. The act contributes to a substantial risk of potential physical injury, mental harm or personal degradation, or causes physical injury, mental harm or personal degradation.
3. Any solicitation to engage in hazing is prohibited.
4. Aiding and abetting another person who is engaged in hazing is prohibited.
5. Victim consent is not a defense for violation of the Maricopa Community Colleges Hazing Prevention Regulation.
6. All students, faculty and staff must take reasonable measures within the scope of their individual authority to prevent violations of the Maricopa Community Colleges Hazing Prevention Regulation.
7. Hazing activities and situations include, but are not limited to, the following:
   A. Pre-pledging, illegal pledging or underground activities.
   B. Acts of mental and physical abuse, including, but not limited to: paddling, slapping, kicking, pushing, yelling, biting, duck-walking, line-ups, tuck-ins, belittling, excessive exercise, beating or physical abuse of any kind, and the potentially forced consumption of any food or beverage that contributes to or causes physical injury, mental harm or personal degradation.
   C. Sleep deprivation (activities that deprive prospective and/or current students and/or members of the opportunity of a minimum of six hours sufficient sleep each day).
   D. Encouraging or forcing use of alcohol or drugs.
   E. Any type of student club/organization scavenger hunt, quest, road trip or activity that would physically or psychologically endanger prospective and/or current students and/or members or others.
   F. Stroking or physically touching in an indecent or inappropriate manner. See Sexual Harassment policy 5.1.8
   G. Student club/organization activities that subject prospective and/or current students and/or members or others to public nuisance or spectacle.
   H. Aiding or abetting theft, fraud, embezzlement of funds, destruction of public, personal or private property, or academic misconduct.
   I. Being required to wear odd or look-alike apparel that contributes to or causes physical injury, mental harm or personal degradation.
   J. Personal services that contribute to or cause physical injury, mental harm or personal degradation.
8. Alleged violations of this regulation by students or
student organizations can be reported to the vice president of student affairs’ office for investigation by any member of the college community. The vice president of student affairs’ office will investigate the complaint in accordance with the student disciplinary code, all other college and Maricopa Community Colleges policies, and local and state laws. Alleged violations of the Maricopa Community Colleges hazing prevention regulation or interference with an investigation under this regulation by students or student organizations are subject to sanctions under the student disciplinary code. The student disciplinary code shall govern all proceedings involving such a complaint. Decisions arrived at as outcomes of the proceedings shall be final, pending the normal appeal process.

9. Alleged violations of the Maricopa Community Colleges hazing prevention regulation by any faculty or staff member can be reported to the vice president of student affairs’ office for investigation by any member of the college community. The vice president of student affairs’ office will investigate the complaint in accordance with college and Maricopa Community Colleges policies, and local and state laws. Any Maricopa Community Colleges faculty or staff member who knowingly permitted, authorized or condoned the alleged hazing activity is subject to disciplinary action in accordance with college and Maricopa Community Colleges policies, and local and state laws.

10. If the vice president of student affairs’ office receives a report or complaint of an alleged hazing activity involving physical injury, threats of physical injury, intimidation, harassment or property damage, or any other conduct that appears to violate Arizona state law, the college will report such conduct to the appropriate college safety office. The said college safety office will investigate, respond to and report on the alleged hazing activity in accordance with all college, District, local, state and federal guidelines, policies and laws.

11. Should the proceedings outlined above substantiate an occurrence of hazing activity—where students or student organizations knowingly permitted, authorized or condoned the hazing activity—the college can recommend the following sanctions against student clubs/organizations:

A. Censure: Censure can include the required completion of a program designed with the intent of eliminating the hazing activity. The programs will be devised with the cooperation of all involved parties and monitored by the vice president of student affairs’ office.

B. Probation: The student club(s)/organization(s) will be placed on probation for a specified period of time. Conditions of probation will be determined by the vice president of student affairs’ office and outlined in writing to the student club(s)/organization(s). The probationary term will be monitored by the vice president of student affairs’ office.

C. Suspension: The student club(s)/organization(s) will be suspended. The terms of the suspension can be defined in the sanction, including criteria the student club(s)/organization(s) must meet within a specified time to be considered for admission or renewal of college recognition status.

D. Revocation: The student club(s)/organization(s) will have its status revoked, with the loss of all college associations, recognitions and privileges. The national or international office of an organization, if so affiliated, will be requested to revoke the charter of an organization.

12. The Maricopa Community Colleges hazing prevention regulation is not intended to prohibit or sanction the following conduct:

A. Customary athletic events, contests or competitions that are sponsored by any of the Maricopa Community Colleges.

B. Any activity or conduct that furthers the goals of a legitimate educational curriculum, a legitimate co-curricular experience or a legitimate military training program.

13. For the purposes of the Maricopa Community Colleges hazing prevention regulation: “Organization” is defined as an athletic team, association, order, society, corps, cooperative, club or other similar group that is affiliated with Maricopa Community Colleges, whose membership consists primarily of students enrolled at Maricopa Community Colleges and that may also be classroom-related or co-curricular in nature.

ABUSE-FREE ENVIRONMENT (AR 2.4.7)
See the Auxiliary Services Section of the Administrative Regulations for Tobacco-Free Environment.

1. Substance Abuse/Misuse Statement

Drug abuse and misuse has become a national issue and is receiving national attention, particularly in the academic community. The insidious effects of the abuse of these agents are also felt by all walks of life and economic levels. Therefore, as an education providing institution, we are responsible to provide knowledge and guidelines about prevention, control, and treatment of the abuse/misuse of alcohol, illegal and legal drug uses and misuses.

This policy statement has been constructed on the belief that higher education has a responsibility to face safety and health factors of substance abuse/misuse issues forthrightly and innovatively. We believe that the community college needs to adapt programs applicable to their community as well as to our individual student’s needs. The policy statements should be comprehensive, understood by those expected to comply, realistic and enforceable, consistently applied, and cover foreseeable dangers.

Construction of this statement has been founded on concerns of individual safety, educational quality, and legal liability. It is recognized that each individual is responsible for his/her actions and must be afforded an opportunity to develop knowledge, skills and talent, and be willing to share community
POLICIES AND PROCEDURES

responsibilities. The Maricopa Community College District has an equal "duty to care" responsibility and a commitment to substance abuse/misuse education for all students and employees.

The Maricopa Community College District shall:
A. Visibly demonstrate a performance of the Maricopa Community College District "duty to care".
B. Comply with requirements for federal funds.
C. Describe what the college does about substance abuse/misuse (alcohol, drugs, anabolic steroids).
D. Inform/educate members of the academic community of adverse effects of these substances.
E. Inform/educate the academic community about the policies concerning substance misuse and abuse.
F. Discourage illegal drug abuse and legal substance misuse.
G. Provide individual and group counseling.
H. Provide assistance and guidance to obtain treatment and rehabilitation of any identified problem.

To achieve these objectives, the program must provide an environment capable of:
A. Developing and implementing substance misuse/abuse prevention programs.
B. Providing educational training and prevention programs for the college and community it serves.
C. Providing timely and accurate information dissemination.
D. Establishing supportive counseling programs as needed.
E. Establishing a strong on-going evaluation of services.
F. Providing assistance to obtain treatment and rehabilitation of substance abuse/misuse.
G. Clarifying the college regulations for control of alcohol and drug use.
H. Providing procedures that the college will follow to correct and stabilize emergency situations.

Each college will identify key people to provide emergency services and to contact and work with outside agencies.

The Maricopa Community College District is committed to establishing a preventative substance abuse program at each college designed to affect positively the problems of irresponsible use of alcohol and the use and abuse of illegal substances. A main focus of the program will be on education of the campus community and assistance to individuals.

The Maricopa Community College District fully supports disciplinary action for misconduct and the enforcement of state laws governing the use of alcohol and the use, abuse, possession or distribution of controlled substances or illegal drugs.

2. Student Program to Prevent Illicit Use of Drugs and Abuse of Alcohol
A. Introduction and Purpose
The Federal Drug-Free Schools and Communities Act of 1989 (Public Law 101-226) requires federal contractors and grantees to certify that they will provide a drug-free school. As a recipient of federal grants, the District must adopt a program toward accomplishing this goal. While federal legislation has been the impetus for creation of the program, the administration and Governing Board recognize that substance abuse is a problem of national proportions that also affect students at the Maricopa Community Colleges. Based upon that concern, it is intended that this program on prevention of alcohol and drug abuse on college campuses will go beyond the strict dictates of the law and will serve as a comprehensive educational and resource tool.

The Maricopa Community Colleges are committed to maintaining learning environments that enhance the full benefits of a student’s educational experience. The Maricopa County Community College District will make every effort to provide students with optimal conditions for learning that are free of the problems associated with the unauthorized use and abuse of alcohol and drugs. Part of the educational mission of the Maricopa Community Colleges, in conjunction with this program, is to educate students about positive self-development, the benefits of a healthy lifestyle and the health risks associated with substance abuse.

The purpose of this program is to:
I. Ensure that the Maricopa Community Colleges working and learning environment for students and the public is safe, orderly and free of illegal activity.
ii. Comply with the Drug-Free School and Communities Act of 1989, and other relevant substance abuse laws.
ii. Provide students with access to appropriate treatment and rehabilitation assistance for problems associated with substance use or abuse.

B. Standards of Conduct
In the student handbooks of the Maricopa Community Colleges under codes of conduct, the following are examples of behavior that is prohibited by law and/or college rules and
POLICIES AND PROCEDURES

policies:
i. Drinking or possession of alcoholic beverages on the college campus.
ii. Misuse of narcotics or drugs.

C. Sanctions for Violation of Standards of Conduct
Disciplinary actions include, but are not limited to:
i. Warning,
ii. Loss of privileges,
iii. Suspension, or
iv. Expulsion.

D. Legal Consequences of Alcohol and Other Drugs
i. Laws Governing Alcohol
   The State of Arizona sets twenty-one as the "legal drinking age". An underage person who buys, receives, possesses or consumes alcoholic beverages is guilty of a misdemeanor and may be subject to a fine and imprisonment for up to six months.
   Arizona Revised Statutes, Title 28, Chapter 4, Article 3 prohibit driving while under the influence of intoxicating liquor or drugs (DWI). Drivers arrested for a DWI who refuse to be tested face suspension of their licenses or permits to drive for twelve months. A driver whose test results show a blood or breath alcohol concentration of 0.08 or more will, on conviction for a first offense, be sentenced to no less than ten days in jail, pay a fine of not less than $250, pay an additional assessment of $1,000, and may be required to perform community restitution and equip his or her vehicle with a certified ignition interlock device. On conviction of a second offense within 84 months, the person shall have his/her driving privilege revoked for one year. Additionally, this person shall have his/her driving privilege revoked for one year. Additionally, this person shall be sentenced to not less than 90 days in jail, pay a fine of not less than $500, pay an assessment of $2,500, and shall be ordered to perform at least 30 hours of community restitution. Additionally, the person may be required to equip his or her vehicle with a certified ignition interlock device for up to twelve months starting on the date that his or her driving privileges are restored.

ii. Federal Penalties and Sanctions for Illegal Possession of a Controlled Substance
   First conviction: Up to one year imprisonment and fined at least $1,000 but not more than $100,000, or both. (21 United States Code §844)
   After one prior drug conviction: At least fifteen days in prison, not to exceed two years and fined at least $2,500 but not more than $250,000, or both. (21 United States Code §844)
   After two or more prior drug convictions: At least ninety days in prison, not to exceed three years and fined at least $5,000 but not more than $250,000, or both. (21 United States Code §844)
   Special sentencing provisions for possession of crack cocaine (21 United States Code §844): Mandatory at least five years in prison, not to exceed twenty years and fined up to $250,000, or both, if:
   1. First conviction and the amount of crack possessed exceeds five grams.
   2. Second conviction and the amount of crack possessed exceeds three grams.
   3. Third or subsequent crack conviction and the amount of crack possessed exceeds one gram.
   Forfeiture of personal and real property used to possess or to facilitate possession of a controlled substance if that offense is punishable by more than one year imprisonment. (See special sentencing provisions re: crack) (21 United States Code §853)
   Forfeiture of vehicles, boats, aircraft or any other conveyance used to transport or conceal a controlled substance. (21 United States Code §§853 and 881(a)(4))
   Civil fine of up to $10,000 (pending adoption of final regulations). (21 United States Code §884(a))
   Denial of Federal benefits, such as student loans, grants, contracts, and professional and commercial licenses, up to one year for first offense, up to five years for second and subsequent offenses. (21 United States Code §862)
   Ineligible to receive or purchase a
Miscellaneous: Revocation of certain Federal licenses and benefits, e.g. pilot licenses, public housing tenancy, etc., are vested within the authorities of individual Federal agencies.

Note: These are only some of the Federal penalties and sanctions.

iii. State Penalties and Sanctions

Title Thirteen, Chapter 34 of the Arizona Revised Statutes lists drug offenses and their penalties. Following is list of drugs that are frequently misused with a description of the potential penalties attached to a conviction.

1. Marijuana: A first offense for possession or use of marijuana in an amount of less than two pounds constitutes a class 6 felony and carries a possible prison term of one year and a fine of not less than $750. The sale of marijuana in an amount of less than two pounds constitutes a class 3 felony and carries a prison sentence of three and one-half years and a fine of not less than $750. There are other possible penalties as well. (ARS §13-3405)

2. LSD and Methamphetamine: Possession, use and sale are felonies carrying sentences from four to five years and fines of not less than $1,000. There are other possible penalties as well, including a presumptive sentence of ten years for the sale of methamphetamine. (ARS §13-3407)

3. Heroin and Cocaine: Possession, use and sale are felonies carrying sentences up to five years and a fine of not less than $2,000. There are other possible penalties as well. (ARS §13-3408)

3. **Use of Alcoholic Beverages (AR 4.13)**

This Administrative Regulation prohibits the use of District funds to purchase alcoholic beverages or services related to them except in small amounts to be used in cooking for the District's culinary programs. Additionally, it generally prohibits the presence of alcoholic beverages on premises owned by the District, or those leased or rented by the institution. It permits a few, narrow exceptions to that latter prohibition. The exceptions are not available to the general population of District employees or officials. More importantly, they are established to ensure that the District's actions stay within the boundaries of state law and the District's insurance coverage. Therefore, strict compliance with this regulation is essential.

A. **No Funds.** No funds under the jurisdiction of the governing board of the District may be used to purchase alcoholic beverages, except for the limited purposes of purchasing small amounts of them for use solely as ingredients in food preparation for classes and at the District's culinary institutes. Alcoholic beverages may not be stored on premises owned, leased, or rented by MCCCD except as provided in Paragraph 8.

B. **No Service or Sale of Alcoholic Beverages.** The law of the state of Arizona strictly regulates the service, sale, distribution and consumption of alcoholic beverages. In light of that law, the District does not permit alcoholic beverages to be served, sold or distributed on or in the premises owned by the District or leased or rented by the Maricopa Community Colleges for District-approved educational, fund-raising or other community purposes, except as provided in Paragraphs 3 and 7.

C. **Service at District Events on District-owned Property.** The Chancellor has the sole authority to approve the service, but not the sale or other distribution, of wine or beer at District events on district-owned property that the Chancellor either sponsors or approves. The only District employees authorized to request the Chancellor’s approval are the College Presidents and the Vice Chancellors. Additionally, the law strictly limits the service of wine or beer by the District on District-owned property, and those restrictions are specified in Paragraph 5. Unless approved by the Chancellor in compliance with the law and this regulation, alcoholic beverages may not be served on District-owned property.

D. **Event Form Required.** A College President or Vice Chancellor who wishes to obtain the Chancellor’s approval for the service of wine or beer at a District-sponsored event on District-owned property shall forward a completed written request to the Chancellor no later than 30 days before the event. The request form is available at: AS-6 - Notice of Intent to Serve Beer and Wine. On signing the form, the Chancellor will provide a copy of it to the requestor and to the MCCC Risk Manager. For events that the Chancellor sponsors, he or she will complete the form, sign it and provide it to the MCCC Risk Manager no later than 10
business days before the event. The MCCCD Risk Manager will forward copies of the forms to the Arizona Department of Liquor Licenses and Control.

E. Service restrictions required by law. An event approved under Paragraph 4 must, by law, comply with the all of the following restrictions:

i. The only alcoholic beverages that may be served and consumed are wine and beer. Wine consumption is limited to 6 oz. per person, and beer consumption is limited to 24 oz;

ii. The gathering must be by invitation only, and not open to the public;

iii. The gathering may not exceed 300;

iv. Invitees may not be charged any fee for either the event or the beer or wine; and

v. The consumption may only take place between noon and 10:00 p.m.

Additionally, beer and wine may only be served by a beverage service contractor whose liquor license with the state of Arizona is in good standing, except as provided in Paragraph 6. The contractor must provide all of the beverages served and also the servers or bartender. Before the event, the contractor must provide a certificate of insurance that meets the requirements of the District’s Risk Manager and that adds the District as an additional insured. The contractor must also agree in writing to indemnify the District regarding the service of the beverages.

F. Culinary Institutes. The Chancellor may sponsor or approve an event at one of the District’s culinary institutes. Students may serve wine and beer at the event as part of their class requirements, subject to the limitations of Paragraph 5. Any student serving those beverages must, by law, be 19 years or older.

G. Third-Party Event. The Maricopa County Community College District foundation and the friends of public radio Arizona may, with the approval of the Chancellor, sponsor an event on District-owned property under this regulation. The City of Phoenix and the friends of the Phoenix Public Library may also do so, with the approval of the Chancellor, at the joint library on the campus of South Mountain Community College. These third-party, non-district entities are solely responsible for determining the steps that they are required to take to comply with Arizona’s alcoholic beverages laws. Additionally, they must comply with the following steps:

i. The entity obtains a liquor license from the Arizona Department of Liquor Licenses and control for each event and fully complies with the laws, rules and other requirements applicable to that license;

ii. The entity completes the form available at AS-7 - Request to Serve Beer and Wine - Third Party. And provides it to the Chancellor for approval along with a copy of the liquor license no later than 60 days before the event;

iii. The entity provides a certificate of insurance demonstrating that it has liquor liability coverage and that it adds the District as an additional insured;

iv. The entity agrees in writing to indemnify the District from any claims of any kind arising out of the event;

v. Beer and wine are the only alcoholic beverages served and only served through a beverage service contractor whose liquor license with the state of Arizona is in good standing;

vi. The contractor provides all of the beverages served and well as the servers or bartenders;

vii. Before the event, the contractor provides a certificate of insurance that meets the requirements of the District’s Risk Manager and that adds the District as an additional insured; and

viii. The contractor agrees in writing to indemnify the District regarding the service of the beverages.

H. Receipt of beverages; storage. It is not permissible to store wine or beer on premises owned, leased or rented by MCCCD, except as provided in this paragraph. Alcoholic beverages purchased for use in cooking in District culinary courses must be stored in such a way that it is inaccessible to anyone except the Director or designee of the culinary program. For wine and beer to be used for receptions at the district’s culinary institutes, as authorized by this administrative regulation, the following storage requirements apply:

i. Wine and beer to be served may only be brought to MCCCD property no sooner than four hours prior to the event, and remain there no longer than four hours after the event; and

ii. Once the wine and beer arrives on MCCCD property, the Director the culinary program shall assign an MCCCD employee to ensure that it is not stolen or that it is not opened until ready to be served.

I. Compliance with law. In compliance with
applicable law, any persons planning an event under this administrative regulation are required to familiarize themselves with the pertinent laws and other requirements established by the state of Arizona for the service of alcoholic beverages, particularly those in Arizona Revised Statutes Title 4 (Alcoholic Beverages) Chapters 1 (General Provisions), 2 (Regulations and Prohibitions) and 3 (Civil Liability of Licensees and Other Persons) as well as Arizona Administrative Code Title 19, Articles 1 (State Liquor Board) and 3 (Unlicensed Premises Definitions and Licensing Time-Frames).

J. Residential Housing. Lawful occupants of residential housing under the jurisdiction of the Governing Board, if over the age of 21 years and not otherwise lawfully barred from such practice, may possess and consume alcoholic beverages in the privacy of their respective leased housing facility. Guests of such occupants over the age of 21 years shall have the same privilege. No alcohol is permitted in public areas (nor common areas of a dormitory) at any time.

K. Personal Responsibility. The personal or individual purchase of alcoholic beverages by individuals attending District-approved functions held in places serving alcoholic beverages is a personal and individual responsibility. Administrative discretion shall be exercised in the approval of the location of such activities, as such decision pertains to the nature of the group involved.

4. Other Health Concerns

General Guidelines Concerning AIDS
Neither a diagnosis of AIDS nor a positive HIV antibody test will be part of the initial admission decision for those applying to attend any of the Maricopa Community Colleges. The Maricopa Community Colleges will not require screening of students for antibody to HIV.

Students with AIDS or a positive HIV antibody test will not be restricted from access to student unions, theaters, cafeterias, snack bars, gymnasiums, swimming pools, recreational facilities, restrooms, or other common areas, as there is not current medical justification for doing so.

Where academically and logistically feasible, students who have medical conditions, including AIDS, may seek accommodation in order to remain enrolled. Medical documentation will be needed to support requests for accommodation through the Office of Disabled Resources and Services or the Office of Vice President of Student Affairs.

The Maricopa Community Colleges acknowledge the importance of privacy considerations with regard to persons with AIDS. The number of people who are aware of the existence and/or identity of students who have AIDS or a positive HIV antibody test should be kept to a minimum. When a student confides in an faculty member, knowledge of the condition should be transmitted to the appropriate vice president or designee who will make the determination if the information should be further disseminated. It should be remembered that mere exposure to the person in a classroom does not constitute a need to know the diagnosis. It is, therefore, unnecessary to document in a student’s file the fact that he or she has AIDS unless the information is to be used for accommodation reasons. Sharing confidential information without consent may create legal liability.

Students are encouraged to contact the Office of Disabled Resources and Services and/or the vice president of student affairs or designee for the types of services available in the district or community on matters regarding AIDS or the HIV virus.

DISABILITY RESOURCES & SERVICES—ELIGIBILITY FOR ACCOMMODATIONS & REQUIRED DISABILITY DOCUMENTATION (AR 2.8.1)

Purpose
To specify the disability documentation requirements that will qualify (i.e., support current and essential needs) Maricopa County Community College District students for reasonable and appropriate accommodations through each college’s disability services office or designated professional. This regulation is implemented in accordance with the American’s with Disabilities Act (42 U.S.C. Chapter 126).

General Eligibility Requirements
Each applicant with a disability must meet MCCCD-admissions requirements, or be enrolled as an MCCCD student, and must provide disability resource services (DRS) with required documentation verifying the nature and extent of the disability prior to receiving any accommodation. The disability services office coordinator/program advisor is responsible for evaluating documentation and determining accommodation eligibility.

Specific Eligibility Requirements
Physical Disabilities—Required Documentation
The student must submit a written, current diagnostic report of any physical disabilities that are based on appropriate diagnostic evaluations administered by trained and qualified (i.e., certified and/or licensed) professionals (e.g., medical doctors, ophthalmologists, neuropsychologists, audiologists).
Disability diagnosis categories include:
1. Orthopedic Disability
2. Blind or Visual Impairment
3. Deaf or Hard-of-Hearing
4. Traumatic Brain Injury
5. Other Health-Related/Systemic Disabilities

The Written Diagnostic Report Must Include:
1. A clear disability diagnosis, including a clinical history that establishes the date of diagnosis, last contact with the student, and any secondary conditions that might be present.
2. The procedures used to diagnose the disability.
3. A description of any medical and/or behavioral symptoms associated with the disability.
4. A discussion of medications, dosage, frequency, and any adverse side effects attributable to their use that the student has experienced.
5. A clear statement specifying functional manifestations (i.e., substantial limitations to one or more major life activities and degree of severity) due to the disability and/or medications for which the student may require accommodations.
6. A recommendation for accommodation, including rationale. If the accommodation recommendations are specific to limitations in learning (e.g., reading, mathematics, written expression), an appropriate psycho-educational or neuropsychological evaluation must be administered to document ability/achievement discrepancies.

Specific Learning Disabilities—Required Documentation
The student shall submit a written diagnostic report of specific learning disabilities that is based on current appropriate, comprehensive, psycho educational evaluations using adult normed instruments.

The assessment or evaluation which leads to the diagnosis must be administered by a trained and qualified (i.e., certified and/or licensed) professional (e.g., psychologist, school psychologist, neuropsychologist, or educational diagnostician) who has had direct experience with adolescents and adults with learning disabilities.

An Appropriate Psycho Educational Evaluation Must Include Comprehensive Measures In Each Of The Following Areas:
1. Aptitude (the evaluation must contain a complete intellectual assessment, with all sub-tests and standard scores reported).
2. Academic achievement (the evaluation must contain a comprehensive achievement battery with all sub-tests and standard scores reported) the test battery should include current levels of functioning in the relevant areas, such as reading (decoding and comprehension), mathematics, and oral and written expression.
3. Information processing (the evaluation should assess specific information processing areas such as short- and long-term memory, sequential memory, auditory and visual perception/processing, processing speed, executive function, and motor ability).

Examples of Measures
a. Wechsler Adult Intelligence Scale-Revised (WAIS-R)
b. Wechsler Adult Intelligence Scale-Third Edition
c. Stanford Binet Intelligence Scale-Fourth Edition
d. Woodcock-Johnson Psycho-Educational Battery-Revised: Tests Of Cognitive Ability
e. Kaufman Adolescent And Adult Intelligence Test

Achievement
a. Wechsler Individual Achievement Tests (WIAT)
b. Woodcock-Johnson Psycho-Educational Battery-Revised: Tests Of Achievement (W-Jr)
c. Stanford Test of Academic Skills (TASK)
d. Scholastic Abilities Test for Adults (SATA)

Information Processing
b. Subtests on The Woodcock-Johnson Psycho-Educational Battery-Revised: Tests Of Cognitive Ability

Diagnostic Report
The diagnostic report must include the following information:
1. A diagnostic interview that addresses relevant historical information, past and current academic achievement, instructional foundation, past performance in areas of difficulty, age at initial diagnosis, and history of accommodations used in past educational settings and their effectiveness.
2. A list of all instruments used in the test battery.
3. Discussion of test behavior and specific test results.
4. A diagnostic summary statement with the following information:
   A. A clear and direct statement that a learning disability does or does not exist, including a rule-out of alternative explanations for the learning problems. Terms such as "appears," "suggests," or "probable" used in the diagnostic summary statement do not support a conclusive diagnosis.
   B. A clear statement specifying the substantial limitations to one or more major life activities.
   C. A psychometric summary of scores.
   D. A recommendation for accommodations, including rationale.

Diagnosis of specific learning disabilities that do not contain psycho-educational measures may not be used for determining eligibility for academic accommodations. For example, school plans such as individualized education plans (IEPS) or 504 plans are not adequate documentation; however, they can be included with the required evaluation. DRS reserves the right to request reassessment when questions regarding previous assessment or previous service provision arise.
Attention Deficit Hyperactivity Disorder (ADHD) / Attention Deficit Disorder (ADD)—Required Documentation

The student shall submit a current diagnosis of attention deficit hyperactivity disorder (ADHD)/attention deficit disorder (ADD) that is based on appropriate diagnostic evaluations administered by trained and qualified (i.e., certified or licensed) professionals (e.g., psychiatrists, psychologists, or neuropsychologists).

The Diagnostic Report Must Include:

1. A diagnostic interview addressing relevant historical information, past and current academic achievement, age at initial diagnosis, discussion of medication, and history and effectiveness of accommodations in past educational settings.
2. The procedures used to diagnose the disability (including a list of all instruments used in the assessment).
3. Discussion of the testing results and behavior, including the symptoms that meet the criteria diagnosis. If the student was evaluated while on medication, the effect this may have had on performance must be noted.
4. DSM-IV diagnosis (including all five axes)
5. A diagnostic summary statement that includes the following information:
   A. A clear statement that ADHD/ADD does or does not exist, including a rule-out of alternative explanations for behaviors. Terms such as "appears," "suggests," or "has problems with" used in the diagnostic summary statement do not support a conclusive diagnosis.
   B. A clear statement specifying the substantial limitations to one or more major life activities and the degree of severity. If the limitations are in learning (e.g., reading, mathematics, and written expression), an appropriate psycho-educational evaluation must be administered to document ability/achievement discrepancies.
   C. A discussion of medications and their possible impact on academic functioning (e.g., concentration, attention, sedation)
   D. A recommendation for essential accommodations relative to the diagnosed disability, including rationale.
   E. The duration for which these accommodations should be provided based on the current assessment.
   F. A recommendation regarding reevaluation to determine ongoing need for disability accommodations (e.g., one semester, one year, two years).

Temporary Impairments

Some disabilities are temporary and may require accommodations for a limited time. Each case is considered individually. The following documentation is required:

1. Written correspondence on letterhead from a qualified professional stating diagnosis, functional limitations necessitating the accommodation, and the estimated length of time services will be needed.
2. Services may be provided for ten (10) working days pending receipt of documentation. If documentation is not received by that time, services will be cancelled.

Psychological Disabilities—Required Documentation

If the diagnostic report is more than one year old, a letter from a qualified professional that provides an update of the diagnosis with a description of the individual's current level of functioning during the past year, and a rationale for the requested accommodations must be submitted.

The Diagnostic Report Must Include The Following:

1. A clinical interview, relevant historical information, age at initial diagnosis, duration and severity of the disorder.
2. Discussion of medications review of past and current academic achievement, and history of disability accommodations and their effectiveness.
3. The procedures used to diagnose the disability (include a list of all instruments used in the assessment and test scores as applicable).
4. Discussion of the assessment results.
5. DSM-IV diagnosis (include all five axes).
6. A diagnostic summary statement that includes the following:
   A. A clear statement that a disability does or does not exist. Terms such as "appears," "probable," and "suggests" used in the diagnostic summary statement do not support a conclusive diagnosis.
   B. A clear statement specifying the substantial limitations to one or more major life activities. If the limitations are in learning (e.g., reading, mathematics, and written expression), an appropriate psycho-educational evaluation must be administered to document ability/achievement discrepancies.
   C. A discussion of medications and their possible impact on academic functioning (e.g., concentration, attention, sedation)
   D. A recommendation for essential accommodations relative to the diagnosed disability, including rationale.
   E. The duration for which these accommodations should be provided based on the current assessment.
   F. A recommendation regarding reevaluation to determine ongoing need for disability accommodations (e.g., one semester, one year, two years).

Special Considerations

A requirement for documentation prescribed in this regulation may be considered at the discretion of each college's disability services office or designated professional if, in the professional opinion of the responsible college’s disability services office or designated professional, such consideration is in the best interest of the student and will neither undermine the integrity of any college offering nor violate any mandate under state or federal law. All situations shall be considered on an individual, case-by-case basis.

Reasonable accommodation is required for students with known disabilities. MCCCD will make every attempt to provide "preferred" accommodations, however, "the most effective and reasonable” accommodation may be
determined to meet sufficient accessibility needs.

Eligibility of Students Taking Reduced Course Loads (AR 2.8.2)
Although any student may register for fewer than twelve credit hours, a student with a disability may request a reduced academic load as a reasonable and appropriate accommodation. A college Disability Resource Services (DRS) professional may certify that a student who is afforded a reduced academic load as an accommodation for a disability shall nevertheless be deemed a full-time student. Such certification shall be solely to enable the student to seek eligibility for health insurance benefits and to seek eligibility to comply with mandates of the National Junior College Athletic Association. The college DRS professional will certify that a student may be deemed a full-time student as provided under this regulation only on a semester-by-semester basis.

The appropriate college offices will receive documentation of the DRS professional’s certification from the professional or the student. An incoming student may apply for such certification upon acceptance to the college. Requests for certification must be made prior to the beginning of each semester. Every attempt will be made to accommodate these requests.

The following criteria also apply:
1. Students taking a reduced course load must register for at least 6 credit hours (based on DRS approval) during the regular fall and spring semesters. It is recommended that students register for at least three (3) credit hours during the summer to offset the impact of academic eligibility.
2. Students taking a reduced course load must maintain satisfactory academic progress standards as defined by the College catalog.
3. The reduced credit load may result in an adjusted financial aid package. There may be additional ramifications including, but not limited to, extra time to complete college, insurance coverage, Vocational Rehabilitation funding, etc.
4. Eligibility for Federal Stafford Loans may be reduced according to the total number of credit hours taken in the full academic year. A student, taking a reduced course load, must be at least half time in a semester (6 credits) in order to receive a Stafford Loan.
5. The amount of Federal Financial Aid (Title IV) awarded is based on the actual number of credit hours taken.
6. Requirements for continuation of funding through Vocational Rehabilitation may differ. The student must contact his/her VR counselor to determine how a reduced course load will impact their funding.
7. The National Junior College Athletic Association (NJCAA) has published standards in regard to the designation of Certified Disabled Student-Athlete in Article V Section J of the NJCAA bylaws. This procedure addresses the NJCAA criteria for reduced course loads.

Application Process:
1. Applications for reduced course loads must be submitted to the Disability & Services professional with supporting documentation. Requests must be made prior to the beginning of each semester.
2. Supporting documentation must include a diagnostic evaluation from an appropriate professional. The documentation must meet the guidelines set forth by the Maricopa Community College District’s Documentation Policy in order to evaluate the current impact of the disability in regards to the request. Students are required to complete an application form for this status every semester, but do not need to re-submit their documentation. Continuation of this status is not automatic. Each case will be re-evaluated at the end of the semester to determine if this accommodation is still appropriate.
3. Students requesting a reduced course load should consult with their academic advisor regarding the consequences of this status for making progress toward graduation requirements and eligibility for various academic distinctions and designations.
4. Students registered in occupational and/or academic programs that have specific block formats will not be considered for reduced course loads.
5. Students who are approved for a reduced course load will be required to sign the Reduced Course Load Approval Form (see Appendix S-10), which includes a statement acknowledging that he or she has reviewed the consequences that go with reduced load status and accepts them.
6. When a reduced course load status is granted by the Disability Resources & Services professional, a copy of the Reduced Course Load Approval Form will be sent to the appropriate individuals.

ACADEMIC MISCONDUCT (AR 2.3.11)
1. Definitions
A. Academic Misconduct - includes misconduct associated with the classroom, laboratory or clinical learning process. Examples of academic misconduct include, but are not limited to, cheating, plagiarism, excessive absences, use of abusive or profane language, and disruptive and/or threatening behavior.
B. Cheating - includes, but is not limited to, (a) use of any unauthorized assistance in taking quizzes, tests, assessment tests or examinations; (b) dependence upon the aid of sources beyond those authorized by the faculty member in writing papers, preparing reports, solving problems, or carrying out other assignments; or (c) the acquisition, without permission, of tests or other academic material belonging to a member of the college faculty or staff.
C. Plagiarism - includes, but is not limited to, the use of paraphrase or direct quotation of the published or unpublished work of another person without full and clear acknowledgment.
It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials. Information gathered from the internet and not properly identified is also considered plagiarism.

2. Sanctions
Any student found by a faculty member to have committed academic misconduct maybe subject to the following sanctions: (Note: sanctions A, B, C, and D may be imposed by a faculty member. The faculty member may recommend to the department chairperson and the appropriate vice president of academic affairs or designee that sanctions E, F, or G be imposed. College suspension or expulsion will be imposed only by the appropriate vice president of academic affairs or designee.
A. Warning - A notice in writing to the student that the student has violated the academic code.
B. Grade Adjustment - Lowering of a score on a test or assignment.
C. Discretionary Sanctions - Additional academic assignments determined by the faculty member.
D. Course Failure - Failure of a student from a course where academic misconduct occurs.
E. Disciplinary Probation - Disciplinary probation is for a designated period of time and includes the probability of more severe sanctions if the student commits additional acts of academic misconduct.
F. College Suspension - Separation of the student from the college for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified. (A suspension from one Maricopa Community College will apply to all other colleges/centers in the District.)
G. College Expulsion - Permanent separation of the student from the college. (Expulsion from one Maricopa Community College will apply to all colleges/centers in the District.)

3. Appeal of Sanctions for Academic Misconduct
Students can appeal sanctions imposed for academic misconduct by following the instructional grievance process. 
(AR 2.3.5; Appendix S-6)

DISCIPLINARY STANDARDS

Disciplinary Standards (AR 2.5.1)
1. Disciplinary Probation and Suspension
According to the laws of the State of Arizona, jurisdiction and control over the Maricopa Community Colleges are vested in the District Governing Board. The Governing Board and its agents—the chancellor, administration and faculty—are granted broad legal authority to regulate student life subject to basic standards of reasonableness.

In developing responsible student conduct, the Maricopa Community Colleges prefer mediation, guidance, admonition and example. However, when these means fail to resolve problems of student conduct and responsibility, appropriate disciplinary procedures will be followed.

Misconduct for which students are subject to disciplinary action falls into the general areas of:
A. Cheating on an examination, assessment tests, laboratory work, written work (plagiarism), falsifying, forging or altering college records
B. Actions or verbal statements which threaten the personal safety of any faculty, staff, students, or others lawfully assembled on the campus, or any conduct which is harmful, obstructive, disruptive to, or interferes with the educational process or institutional functions
C. Violation of Arizona statutes, and/or college regulations and policies
D. Use of college computer resources such as the Internet in violation of Technology Resource Standards (AR 4.4) which may result in notification of law enforcement authorities

2. Disciplinary Removal from Class
A faculty member may remove a student from class meetings for disciplinary reasons. If an instructor removes a student for more than one class period, the faculty member shall notify the department/division chair and the appropriate vice president or designee in writing of the problem, action taken by the faculty member, and the faculty member’s recommendation. If a resolution of the problem is not reached between the faculty member and the student, the student may be removed permanently pursuant to due process procedures.

STUDENT CONDUCT CODE (AR 2.5.2)
The purpose of this Code is to help ensure a healthy, comfortable and educationally productive environment for students, employees and visitors.

Article I: Definitions
The following are definitions of terms or phrases contained within this Code:
1. "Accused student" means any student accused of violating this Student Conduct Code.
2. "Appellate boards" means any person or persons authorized by the college president to consider an appeal from a Student Conduct Board’s determination that a student has violated this Student Conduct Code or from the sanctions imposed by the Student Conduct Administrator. The college president may act as the appellate board.
3. "College" means a Maricopa Community College or center.
4. "College premises" means all land, buildings, facilities and other property in the possession of or owned, used or controlled by the college or District.
5. "College official" means any person employed by
the college or District, performing assigned administrative or professional responsibilities pursuant to this Student Conduct Code. The college president shall designate the college or center official to be responsible for the administration of the Student Conduct Code.

6. “Complainant” means any person who submits a charge alleging that a student violated this Student Conduct Code. When a student believes that s/he has been a victim of another student’s misconduct, the student who believes s/he has been a victim will have the same rights under this Student Conduct Code as are provided to the complainant, even if another member of the college community submitted the charge itself.

7. “Day” means calendar day at a time when college is in session, and shall exclude weekends and holidays.

8. “Disruptive behavior” means conduct that materially and substantially interferes with or obstructs the teaching or learning process in the context of a classroom or educational setting.

9. “District” means the Maricopa County Community College District.

10. “Faculty member” means any person hired by the college or District to conduct classroom or teaching activities or who is otherwise considered by the college to be a member of faculty.

11. “May” is used in the permissive sense.

12. "Member of the college community" means any person who is a student, faculty member, college official or any other person employed by the college or center. A person’s status in a particular situation shall be determined by the college president.

13. "Organization" means any number of persons who have complied with the formal requirements for college recognition.

14. "Policy" is defined as the written regulations of the college and/or District as found in, but not limited to, this Student Conduct Code and Governing Board policy.

15. "Shall" is used in the imperative sense.

16. "Student" means any person taking courses at the college whether full-time or part-time. Persons who are not officially enrolled for a particular term but who have a continuing relationship with the college are considered "students".

17. "Student Conduct Administrator" means a college official authorized on a case by case basis by the college official responsible for administration of the Student Conduct Code to impose sanctions upon students found to have violated this Student Conduct Code. A Student Conduct Administrator may serve simultaneously as a Student Conduct Administrator and the sole member or one of the members of a Student Conduct Board. The college official responsible for administration of the Student Conduct Code may authorize the same Student Conduct Administrator to impose sanctions in all cases.

18. "Student Conduct Board" means any person or persons authorized by the college president to determine whether a student has violated this Student Conduct Code and to recommend sanctions that may be imposed when a violation has been committed.

19. “Threatening behavior” means any written or oral statement, communication, conduct or gesture directed toward any member of the college community, which causes a reasonable apprehension of physical harm to self, others or property. It does not matter whether the person communicating the threat has the ability to carry it out, or whether the threat is made on a present, conditional or future basis.

Article II: Judicial Authority

1. The college official responsible for administration of the Student Conduct Code shall determine the composition of Student Conduct Board and determine which Student Conduct Administrator, Student Conduct Board, and appellate board shall be authorized to hear each case.

2. The college official responsible for administration of the Student Conduct Code shall develop procedures for the administration of the judicial program and rules for the conduct of hearings that are consistent with provisions of this Student Conduct Code.

3. Decisions made by a Student Conduct Board and/or Student Conduct Administrator shall be final, pending the normal appeal process.

Article III: Prohibited Conduct

1. Jurisdiction of the College

The Student Conduct Code shall apply to conduct that occurs on college or District premises, or at college- or District-sponsored activities that adversely affects the college community and/or the pursuit of its objectives. Each student shall be responsible for his/her conduct from the time of admission through the actual awarding of a degree, certificate, or similar indicator of completion of a course of study, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment (and even if their conduct is not discovered until after a degree is awarded). The Student Conduct Code shall apply to a student’s conduct even if the student withdraws from school while a disciplinary matter is pending.

2. Temporary Removal of Student

Disruptive behavior includes conduct that distracts or intimidates others in a manner that interferes with instructional activities, fails to adhere to a faculty member’s appropriate classroom rules or instructions, or interferes with the normal operations of the college. Students who engage in disruptive behavior or threatening behavior may be directed by the faculty member to leave the classroom or by the college official responsible for administration of the
Student Conduct Code to leave the college premises. If the student refuses to leave after being requested to do so, college safety may be summoned. For involuntary removal from more than one class period, the faculty member should invoke the procedures prescribed in the Student Conduct Code.

3. Conduct - Rules and Regulations

Any student found to have committed the following misconduct is subject to the disciplinary sanctions outlined in Article IV:

A. Acts of dishonesty, including but not limited to the following:
   i. Furnishing false information to any college official or office.
   ii. Forgery, alteration or misuse of any college document, record or instrument of identification.
   iii. Tampering with the election of any college-recognized student organization.

B. Obstruction of teaching, research, administration, disciplinary proceedings or other college activities, including its public service functions on campus, in clinical settings or other authorized non-college activities, when the conduct occurs on college premises a faculty member may remove a student from a class meeting for disciplinary reasons. If a faculty member removes a student for more than one class period, the faculty member shall notify the college official responsible for administration of the Student Conduct Code in writing of the problem, action taken by the faculty member, and the faculty member’s recommendation. If a resolution of the problem is not reached, the student may be removed permanently pursuant to appropriate due process procedures.

C. Physical abuse, verbal abuse, threats, intimidation, harassment, coercion, conduct which threatens or endangers the health or safety of any person, and/or disruptive behavior as defined in Article II.2. above.

D. Attempted or actual theft of and/or damage to property of the college or property of a member of the college community or other personal or public property.

E. Failure to comply with direction of college officials or law enforcement officers in the performance of their duties and/or failure to identify oneself to these persons when requested to do so.

F. Unauthorized possession, duplication or use of keys to any college premises, or unauthorized entry to or use of college premises.

G. Violation of any college or District policy, rule or regulation published in hard copy such as a college catalog, handbook, etc. or available electronically on the college’s or District’s website.

H. Violation of federal, state or local law.

I. Use, possession, manufacturing or distribution of illegal or other controlled substances except as expressly permitted by law.

J. Illegal use, possession, manufacturing or distribution of alcoholic beverages or public intoxication.

K. Illegal or unauthorized possession of firearms, explosives, other weapons, or dangerous chemicals on college premises, or use of any such item, even if legally possessed, in a manner that harms, threatens, or causes fear to others, or property damage.

L. Participation in a demonstration, riot or activity that disrupts the normal operations of the college and infringes on the rights of other members of the college community; leading or inciting others to disrupt scheduled and/or normal activities within any college building or area.

M. Obstruction of the free flow of pedestrian or vehicular traffic on college premises or at college-sponsored or supervised functions.

N. Conduct that is disorderly, lewd or indecent; breach of the peace; or aiding, abetting or procuring another person to breach the peace on college premises or at functions sponsored by or participated in by the college or members of the academic community. Disorderly conduct includes but is not limited to: any unauthorized use of electronic or other devices or to make an audio or video record of any person while on college or District premises without his/her prior knowledge, or without his/her effective consent or when such a recording is likely to cause injury or distress. This includes, but is not limited to, secretly taking pictures of another person in a gym, locker room, or restroom.

O. Attempted or actual theft or other abuse of technology facilities or resources, including but not limited to:
   i. Unauthorized entry into a file, to use, read or change the contents or for any other purpose
   ii. Unauthorized transfer of a file
   iii. Unauthorized use of another individual’s identification and/or password
   iv. Use of technology facilities or resources to interfere with the work of another student, faculty member or college official
   v. Use of technology facilities or resources to send obscene or abusive messages
   vi. Use of technology facilities or resources to interfere with normal operation of the college technology system or network
   vii. Use of technology facilities or resources in violation of copyright laws
   viii. Any violation of the District’s technology resource standards
   ix. Use of technology facilities or resources to
P. Abuse of the Student Conduct system, including but not limited to:
   i. Falsification, distortion or misrepresentation of information before a
      Student Conduct Board.
   ii. Disruption or interference with the orderly conduct of a Student Conduct Board proceeding.
   iii. Invoking a Student Conduct Code proceeding with malicious intent or under false pretenses
   iv. Attempting to discourage an individual's proper participation in, or use of, the Student Conduct system
   v. Attempting to influence the impartiality of the member of a judicial body prior to, and/or during the course of, the Student Conduct Board proceeding
   vi. Harassment, either verbal or physical, and/or intimidation of a member of a Student Conduct Board prior to, during and/or after a Student Conduct Board proceeding
   vii. Failure to comply with the sanctions imposed under this Student Conduct Code
   viii. Influence or attempting to influence another person to commit an abuse of the Student Conduct Code system
   ix. Failure to obey the notice from a Student Conduct Board or college official to appear for a meeting or hearing as part of the Student Conduct system.
Q. Engaging in irresponsible social conduct.
R. Attempt to bribe a college or District employee.
S. Stalking behavior, which occurs if a student intentionally or knowingly maintains visual or physical proximity toward another person on two or more occasions over a period of time and such conduct would cause a reasonable person to fear for his or her safety.

4. Violation of Law and College Discipline
   A. Disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and this Student Conduct Code (that is, if both possible violations result from the same factual situation) without regard to pending of civil or criminal litigation. Proceedings under this Student Conduct Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the college official responsible for administration of the Student Conduct Code. Determinations made or sanctions imposed under this Student Conduct Code shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of college rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.
   B. When a student is charged by federal, state or local authorities with a violation of law, the college will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also being processed under this Student Conduct Code, however, the college may advise off campus authorities of the existence of this Student Conduct Code and of how such matters will be handled internally within the college community. The college will cooperate fully with the law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators. Individual students and faculty members, acting within their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

Article IV: Student Conduct Code Procedures
   1. Charges and Student Conduct Board Hearings
      A. Any member of the college community may file charges against a student for violations of this Student Conduct Code. A charge shall be prepared in writing and directed to the Student Conduct Administrator. Any charge should be submitted as soon as possible after the event takes place, preferably within thirty (30) days following the incident.
      B. The Student Conduct Administrator may conduct an investigation to determine if the charges have merit and/or if they can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the Student Conduct Administrator. Such disposition shall be final and there shall be no subsequent proceedings. If the charges are not admitted and/or cannot be disposed of by mutual consent, the Student Conduct Administrator may later serve in the same matter as the Student Conduct Board or a member thereof. If the student admits violating institutional rules, but sanctions are not agreed to, subsequent process, including a hearing if necessary, shall be limited to determining the appropriate sanction(s).
      C. All charges shall be presented to the accused student in written form. A time shall be set for a Student Conduct Board hearing, not less than five (5) nor more than fifteen (15) days after the student has been notified. Maximum time limits for scheduling of Student Conduct Board hearings may be extended at the discretion of the Student Conduct Administrator.
      D. Hearings shall be conducted by a Student Conduct Board according to the following guidelines, except as provided by Article IV 1.G
POLICIES AND PROCEDURES

below:

i. Student Conduct Board hearings normally shall be conducted in private.

ii. The complainant, accused student and their advisors, if any, shall be allowed to attend the entire portion of the Student Conduct Board hearing at which information is received (excluding deliberations). Admission of any person to the hearing shall be at the discretion of the Student Conduct Board and/or its Student Conduct Administrator.

iii. In Student Conduct Board hearings involving more than one accused student, the Student Conduct Administrator, in his or her discretion, may permit the Student Conduct Board hearing concerning each student to be conducted either separately or jointly.

iv. The complainant and the accused shall have the right to be assisted by any advisor they choose, at their own expense. The advisor must be a member of the college community and may not be an attorney. Both the complainant and the accused are responsible for presenting their own information and, therefore, advisors are not permitted to speak or participate directly in any Student Conduct Board hearing before a Student Conduct Board.

v. The complainant, the accused student, and the Student Conduct Board may arrange for witnesses to present pertinent information to the Student Conduct Board. The college will try to arrange the attendance of possible witnesses who are members of the college community, if reasonably possible, and who are identified by the complainant and/or accused student at least two days prior to the Student Conduct Board hearing. Witnesses will provide information to and answer questions from the Student Conduct Board. Questions may be suggested by the accused student and/or complainant to be answered by each other or by other witnesses. This will be conducted by the Student Conduct Board with such questions directed to the chairperson, rather than to the witness directly. This method is used to preserve the educational tone of the hearing and to avoid creation of an adversarial environment. Questions of whether potential information will be received shall be resolved in the discretion of the chairperson of the Student Conduct Board.

vi. Pertinent records, exhibits, and written statements may be accepted as information for consideration by a Student Conduct Board at the discretion of the chairperson.

vii. All procedural questions are subject to the final decision of the chairperson of the Student Conduct Board.

viii. After the portion of the Student Conduct Board hearing concludes in which all pertinent information has been received, the Student Conduct Board shall determine (by majority vote if the Student Conduct Board consists of more than one person) whether the accused student violated the section of this Student Conduct Code which the student is charged with violating.

ix. The Student Conduct Board’s determination shall be made on the basis of whether it is more likely than not that the accused student violated this Student Conduct Code.

E. There shall be a single verbatim record, such as a tape recording, of all Student Conduct Board hearings before a Student Conduct Board (not including deliberations). The record shall be the property of the District.

F. No student may be found to have violated this Student Conduct Code because the student failed to appear before a Student Conduct Board. In all cases, the evidence and support of the charges shall be presented and considered.

G. The Student Conduct Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the complainant, accused student, and/or other witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of the college official responsible for administration of the Student Conduct Code.

2. Sanctions

A. The following sanctions may be imposed upon any student found to have violated the Student Conduct Code:

i. Warning - a written notice to the student that the student is violating or has violated institutional rules or regulations.

ii. Probation - a written reprimand for violation of specified rules or regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to violate any institutional rules or regulation(s) during the probationary period.

iii. Loss of Privileges - denial of specified privileges for a designated period of time.

iv. Restitution - compensation for loss,
D. The following sanctions may be imposed upon groups or organizations:

i. Those sanctions listed above in Article IV 2. A. 1 through 4.

ii. Loss of selected rights and privileges for a specified period of time.

iii. Deactivation - loss of all privileges, including college recognition for a designated period of time.

E. In each case in which a Student Conduct Board determines that a student and/or group or organization has violated the Student Conduct Code, the sanction(s) shall be determined and imposed by the Student Conduct Administrator. In cases in which persons other than, or in addition to, the Student Conduct Administrator have been authorized to serve as the Student Conduct Board, the recommendation of the Student Conduct Board shall be considered by the Student Conduct Administrator in determining and imposing sanctions. The Student Conduct Administrator is not limited to sanctions recommended by members of the Student Conduct Board. Following the Student Conduct Board hearing, the Student Conduct Board and the Student Conduct Administrator shall advise the accused student, group and/or organization (and a complaining student who believes s/he was the victim of another student’s conduct) in writing of its determination and of the sanction(s) imposed, if any.

3. Emergency Suspension

If a student’s actions pose an immediate threat or danger to any member of the college community or the educational processes, a college official responsible for administering the Student Conduct Code may immediately suspend or alter the rights of a student pending a Student Conduct Board hearing. Scheduling the hearing shall not preclude resolution of the matter through mediation or any other dispute resolution process. The decision will be based on whether the continued presence of the student on the college campus reasonably poses a threat to the physical or emotional condition and well-being of any individual, including the student, or for reasons relating to the safety and welfare of any college property, or any college function.

In imposing an emergency suspension, the college official responsible for administration of the Student Conduct Code may direct that the student immediately leave the college premises and may further direct the student not to return until contacted by that official. An accused student shall be in violation of this policy regardless of whether the person who is the object of the threat observes or receives it, as long as a reasonable person would interpret the communication, conduct or gesture as a serious expression of intent to harm.

4. Appeals

A. A decision reached by the Student Conduct Board judicial body or a sanction imposed by the Student Conduct Administrator may be appealed by accused students or complainants to an Appellate Board within five (5) days of receipt of the decision. Such appeals shall be in writing and shall be delivered to the Student Conduct Administrator.

B. Except as required to explain on the basis of new information, an appeal shall be limited to the review of the verbatim record of the Student Conduct Board hearing and supporting documents for one or more of the following purposes:

i. Determine whether the Student Conduct Board hearing was conducted fairly in light of the charges and information presented,
and in conformity with prescribed procedures giving the complainant a reasonable opportunity to prepare and present information that the Student Conduct Code was violated, and giving the accused student a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results.

ii. To determine whether the decision reached regarding the accused student was based on substantial information, that is, whether there were facts in the case that, if believed by the fact finder, were sufficient to establish that a violation of the Student Conduct Code occurred.

iii. To determine whether the sanction(s) imposed was appropriate to the violation of the Student Conduct Code which the student was found to have committed.

iv. To consider new information, sufficient to alter a decision or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original Student Conduct Board hearing.

C. If an appeal is upheld by the appellate board, the matter shall be returned to the original Student Conduct Board and Student Conduct Administrator for reopening of the Student Conduct Board hearing to allow reconsideration of the original determination and/or sanction(s). If an appeal is not upheld, the matter shall be considered final and binding upon all concerned.

Article V: Interpretation and Revision
Any question of interpretation regarding the Student Conduct Code shall be referred to the college official responsible for administration of the Student Conduct Code for final determination.

STUDENT RECORDS (AR 2.5.3)
1. Definitions
For the purposes of this policy, the Maricopa County Community College District has used the following definition of terms.

A. "College" includes all colleges, educational centers, skill centers and District office.

B. "Educational Records" are any record (in handwriting, print, tapes, film, or other media) maintained by the college or an agent of the college which is directly related to a student, except:

i. A personal record kept by a staff member, if it is kept in the personal possession of the individual who made the record, and information contained in the record has never been revealed or made available to any other person except the maker’s temporary substitute

ii. An employment record of an individual whose employment is not contingent on the fact that he or she is a student, provided the record is used only in relation to the individual’s employment

iii. Records maintained by the colleges security unit, if the record is maintained solely for law enforcement purposes, is revealed only to law enforcement agencies of the same jurisdiction and the security unit does not have access to education records maintained by the community college.

iv. Alumni records which contain information about a student after he or she is no longer an attendant of the community college and the records do not relate to the person as a student

2. Fees
If a copy(ies) of a portion or all of the records in a student’s file is requested, the custodian of the records may charge a fee for copies made. However, the willingness or ability to pay the fee will not effectively prevent students from exercising their right to inspect and review (under supervision of a college employee) their records. A fee will not be charged to search for or to retrieve records. Standard fees for printing and duplication services will apply.

3. Annual Notification
Students will be notified of their further rights annually by publication in the college catalog and/or the student handbook.

Rights of Access to Educational Records
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights are:

A. The right to inspect and review the student’s education records within 45 days of the day the college receives a request for access.

Students should submit to the college admissions and records department written requests that identify the record(s) they wish to inspect. The college official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the college official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

B. The right to request the amendment of the student’s education records that the student
Policies and Procedures

believes to be inaccurate or misleading.
Students may ask the college to amend a record that they believe is inaccurate or misleading. They should write the college official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the college decides not to amend the record as requested by the student, the college will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

C. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.
One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interest. A school official is defined as a person employed by the college or District in an administrative, supervisory, academic, or support staff position (including law enforcement unit and health staff); a person or company with whom the college or District has contracted (such as an attorney, auditor, or collection agent); a person serving on the Governing Board; or a person assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the college discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

D. The right to file a complaint with the US Department to Education concerning alleged failures by the college to comply with the requirements of FERPA.
The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
US Department of Education
400 Maryland Ave., S.W.
Washington, DC 20202-4605

4. Student Directory
A Maricopa community college may release directory information about any student who has not specifically requested the withholding of such information. Students who do not want directory information released may so indicate during the admissions process or notify the Office of Admissions and Records.

At any Maricopa community college, directory information is defined as a student’s name, address, telephone number, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees and awards received, dates of attendance, part-time or full-time status, most recent previous educational agency or institution attended by the student, college within the Maricopa Community Colleges where the student has been enrolled, photograph of student, and electronic mail address.

5. Use of Education Records for Advisement Purposes
All colleges within the Maricopa Community Colleges have access to the computerized degree audit program. During the advisement process, each student may have his or her academic record reviewed for coursework taken at any of the District’s colleges or centers. The institution retains the right to exercise discretion in determining the release of directory information.

6. Disclosure to Parents
In accordance with federal law, college officials may disclose educational records to parents of minors or to parents of a student who have established the student’s status as a dependent according to the Internal Revenue Code of 1986, section 152, without the written consent of the student.

STUDENT EMPLOYMENT (AR 2.5.4)
1. District Student Employees
A. Introduction
Students may be employed by the college as student help. District regulations require that students be hired in essential jobs and that they be properly trained and supervised.

B. Philosophy and Workload for Student Employees
i. It shall be the philosophy of Maricopa Community College District that a student may work to augment college and living expenses, however, the scholastic endeavor should be foremost. Sufficient time should be allotted for classroom attendance, homework, out-of-class study and participation in activities.
ii. A workload of twenty (20) hours per week should be established as the maximum number of hours a student employee may work on campus. All student employees shall be enrolled in a minimum of three (3) semester credit hours. Any combination of day and evening hours would meet this requirement. Any student employee having special reasons to work over 20 hours per week or having dropped below three (3) credit hours should request his/her immediate supervisor to obtain approval from the College president or his/her designee.

iii. During the summer sessions, students may be eligible for employment if they were enrolled for a minimum of three (3) semester credit hours at the end of the spring semester, or if they have been accepted for admission for the fall semester. Exceptions to the three (3) semester credit hours may be made by the president, or his/her designee. Summer shall be designated as the time from the official end of the spring semester to the beginning of classes for the fall semester.

C. Student Employee Benefits
   As student employees, there are no entitlements to employee benefits; i.e., vacation, retirement, sick leave, health and life, or disability insurance. Students will, however, be covered under Worker's Compensation Insurance.

D. Student Employment Records
   Student employee records will be maintained at the Financial Aid office, the office of the fiscal agent or the Career/Placement Office and will be reviewed periodically by the vice president of students affairs.

E. Student Compensation
   The hourly rate of pay for student employees shall coincide with the policies of the District Salary Schedule.

F. Employee Contracts and Forms (See Appendix FM-3)

G. Student Employee Grievance Procedure
   Part-time student employees working for one of the Maricopa Community Colleges may wish to file a grievance relating to certain working conditions or violation of student employment regulation. Please refer to the Non-Instructional Complaint Resolution Process (AR 2.3.12)

2. Student Security Guards
   A. Introduction and Philosophy
      Students may be employed by the college as student help. If student guards do not come from the ranks of Administration of Justice classes, they must undergo appropriate training to qualify them as student guards. This training program is outlined in the regulation.

B. Workload of Student Security Guards
   i. Student security guards shall be enrolled for a minimum of three (3) semester hours.
   ii. Student security guards shall be limited to 20 hours per week when the workweek starts at 7:00 a.m. on Monday and concludes at 11:00 p.m. on Friday. Additional hours may be worked if guards are assigned special duty at games or activities held on campus during the weekend, or if guards are assigned a shift on Saturday and Sunday, between 7:00 a.m. and 11:00 p.m.

C. Students not in Administration of Justice Program
   i. Use of student other than those in Administration of Justice Program:
      1. Selection of the student must be personally approved by the vice president of students affairs and chief of security.
      2. Selection of a student should not extend beyond one semester without the approval of the vice president of students affairs.
      3. Selected student must undergo a special training program directed by the chief of security and approved by the vice president of students affairs.
   ii. Recommended program for students other than those in Administration of Justice programs: Students employed by campus security who are not majors in the Administration of Justice program should be given at least twenty (20) hours of training with pay before being allowed to function independently as a campus security guard. This training should include, but not be limited to instruction in:
      1. Wearing of the uniform, general appearance, and demeanor
      2. The use of the various security report forms and how to properly complete them to provide requested information; General report writing methods
      3. Public relations methods used on the campus
      4. Crime prevention methods used on the campus; Patrol methods used in buildings and grounds.
      5. Basic techniques for interviewing students, faculty and visitors relative to the incidents
      6. Laws and regulations governing the actions of campus security personnel concerning rendering of assistance to students, faculty and visitors on the campus
      7. Basic first aid
D. Student Security Guards Employee Benefits
   As student employees there are no entitlements to employee benefits; i.e., vacation retirement, sick leave, health and life, or disability insurance. Students will, however, be covered under Worker’s Compensation Insurance.

E. Student Employment Records
   The student security guard’s employment records will be maintained at the office of the chief of security and reviewed periodically by the vice president of students affairs.

**Student Governance (AR 2.5.5)**

Student governing bodies derive their authority from the Maricopa County Community College District Governing Board that exists in accordance with Arizona Revised Statutes. The administration of the District is vested in the Chancellor who delegates responsibility for each college to the college president who serves in a management and policy implementation capacity having the ultimate responsibility for all activities of the college. The president shall designate the administrator(s) (i.e., directors of student leadership) at each college who will be charged with the responsibility for working with the college student governing body(ies) in the development of college student activities and programs.

A representative form of student governance may exist at each college-center as well as district wide to provide an effective means of communication among students, faculty, staff and administration and to provide student input in college and District matters. Eligibility requirements are to be met and spelled out in detail in each student governance constitution. These constitutions shall establish the minimum requirements for the elective/appointive officers. All student government constitutions shall be submitted to the Governing Board General Counsel to ensure compliance with federal and state laws, and the Maricopa Community Colleges Governing Board Administrative Regulations. Since Rio Salado Community College is a countywide non-campus college, the president shall ensure that opportunities exist for student involvement.

College student constitutions should be reviewed annually by student governance. The appropriate vice president or designee of each college shall be responsible for submitting any changes to the president of the college for transmittal to the Governing Board General Counsel.

1. **Officers/Members**
   All reference in this document to positions will designate whether the position is an officer position or a member position.

   Each student governance constitution shall define which of its elected positions (maximum of 5) within its structure shall be designated as officers. The persons filling those positions shall be referred to, in this document, as officers. Persons filling all other positions, elected or appointed, shall be referred to as members (excluding non-voting committee members).

   All positions filled by election shall be considered as elected positions, even though the person filling the position may have been appointed to fill an unexpired term of another individual.

2. **Designation**
   Colleges with two (2) student governments shall designate the governments as "day" or "evening." Colleges with one (1) government shall be considered day students, for the purposes of this document.

3. **Eligibility for Office**
   All student governance constitutions shall prescribe that all persons elected or appointed as officers shall be enrolled in and maintain a minimum of six (6) credit hours for day student governments, three (3) credit hours for evening student governments. Officers shall have and maintain a minimum cumulative grade point average of 2.50 and be in good standing (not on probation) according to the written district policy. Convicted felons shall be ineligible for office (ARS § 13-904). The constitution may, however, set more rigid requirements, if so desired by college student governance.

4. **Tenure of Position**
   Tenure in any student governance position shall be determined by the respective student governance constitutions. In no case shall any student be allowed to serve in any combination of officer/member positions beyond a total of ten (10) semesters. Tenure in any combination of officer positions shall be limited to four (4) semesters.

5. **Removal from Office**
   Provisions shall be made in all student governance constitutions for removal for cause of individuals from elected or appointed student governance positions.

6. **Remuneration Limitations**
   A. Student body officers may receive financial support and/or a letter grade in a leadership class during their terms of office as authorized in their respective student governance constitutions. Student body officers (maximum 5) may receive up to twenty (20) hours per week in financial support and/or up to six (6) credit hours in leadership classes per semester. Remuneration shall be for services rendered and not for merely holding the office.

   B. For qualifying students, Federal Work Study (FWS) funds may be used in accordance with Federal guidelines.

   C. The allowance for awarding honorariums or scholarships for executive student officers is a maximum of $200.00.

   D. Compensation may be received for both honorariums/scholarships and college employment in the same semester.
7. Amending Student Constitutions
College student constitutions should be reviewed annually by student governance. The appropriate vice president or designee of each college shall be responsible for submitting any constitutional changes to the President of the college for transmittal to the Governing Board General Counsel.

8. Student Governance Advisors
College organization advisors will be provided for in each student governance constitutions. Such advisors shall be full-time or part-time employees of the Maricopa Community Colleges.

   Recommendations for appointment of an advisor may be submitted to the appropriate vice president or college president. Recommendations for dismissal of an advisor with just cause may be submitted to the appropriate vice president or college president.

9. Legal/Fiscal/Financial Matters
Authority and responsibility beyond the scope specifically covered in student policies, or interpretation of such matters within laws, board policies, etc. shall rest with the offices of General Counsel and Chancellor, respectively.

10. Final Authority
In the event of a complete breakdown of the governance body, the college president will serve as the final authority.

CONSENSUAL RELATIONSHIPS (AR 4.18)

1. General
The existing Governing Board Policy on Hiring of Relatives prohibits employees from being involved in any employment or key decision that involves a relative. This would include work performance, job assignments, or pay related matters. In that such relationships can create a conflict with the interests of the Maricopa Community Colleges, and the increased potential for nepotism and favoritism, the same principles also apply in the case of consensual amorous, romantic and/or sexual relationships that occur between employees or between employees and students.

In the work and academic environment, such a relationship that might be appropriate in other circumstances is inappropriate if one of the individuals in the relationship has a professional responsibility toward, or is in a position of authority with respect to, the other, such as in the context of supervision, instruction, coaching, counseling or advisement. An element of power is present in such a context and it is incumbent upon those with authority not to abuse that power. In addition, consensual relationships may yield to third parties the appearance that unfair bias or favoritism towards the student or supervisee is taking place.

A. Definitions
i. Consensual relationships are defined as romantic, amorous and/or sexual relationships between consenting employees or between employees and adult (18 years or older) college students currently enrolled at one of the community colleges.

   ii. An employee is any individual who is employed by the Maricopa County Community College District (MCCCD). An employee includes an individual who is subject to an established employee job group policy manual, whether regular, full-time board approved, at-will, part-time, and/or temporary. An employee also includes a contract worker (special services employment, request for personnel services) working or serving as an agent or designee on behalf of the MCCCD.

   iii. A student is considered to be any person currently enrolled in a credit or non-credit class at one of the colleges or centers within the Maricopa County Community College District.

   iv. A vendor is someone who sells or can sell products or services to the Maricopa County Community College District.

   v. A recent consensual relationship is considered to be one that has taken place within the past 24 months.

B. Prohibited Conduct
i. An employee shall not maintain, engage in or be involved in a consensual relationship with another employee who is subject to that individual’s supervision or with a student that is currently enrolled in the individual's class, or a student whom the individual otherwise instructs, coaches, counsels or advises, or with a vendor if the employee manages that contract or otherwise exerts influence over the contract.

ii. The Governing Board recognizes that the personal life of its employees is not a concern of the institution, and therefore, this regulation does not seek to prohibit romantic relationships that exist between parties where the context of power-authority between employees or between employees and students is not present; and provided that the relationship does not affect the employee’s effectiveness in fulfilling his or her professional obligation. For these instances, appropriate measures should still be taken in order to avoid conflicts of interest from occurring. For relationships that may exist prior to the time that either a student or employee is placed in a situation of instruction or supervision
that is considered to be a conflict of interest, the employee(s) involved shall disclose and take immediate measures to avoid the conflict or appearance of conflict.

2. Procedures for Disclosure

Employees should first avoid allowing an inappropriate consensual, amorous or sexual relationship to develop with a supervisee or student.

A. Where the employee is already in or has had a recent consensual relationship with a supervisee, the following procedures shall be followed:
   i. Immediate disclosure by the employee of the relationship to their supervisor and to the appropriate Vice President or Vice Chancellor in order to ensure that any conflicts of interest have been adequately addressed.
   ii. The respective administrator responsible for the department or division shall place the subordinate under alternate supervision when a supervisor under his/her direction has or has had a recent consensual relationship with the employee.
   iii. The supervisor shall recuse himself or herself from any discussions or involvement with decisions related to evaluations, promotion, hiring, determination of salary, or continuation of contract or employment.
   iv. The respective Vice President or Vice Chancellor shall prepare and retain a report that specifies the appropriate alternate arrangements that have been made to eliminate the conflict of interest. The EEO/AA Office shall be provided a copy of the report along with the employees involved in the relationship.

B. Where the employee is already in or has had a recent consensual relationship with a student prior to enrollment in his or her class, the following procedures shall be followed:
   i. The faculty member shall counsel and advise the student not to enroll in his or her course.
   ii. The Consensual Relationships Policy will be made available to students via the student handbook and other appropriate communications vehicles.
   iii. If it is not possible for a student to enroll in another course, section, or course and section at another college due to a requirement for completion of a degree or certificate and no other academic option is available, disclosure of the relationship will be made to the appropriate Department Chair, Dean and Vice President of Academic Affairs or Vice President for Student Affairs as appropriate for review. The Vice President will refer the matter to the Vice Chancellor for Academic and Student Affairs for consideration. The Chancellor or his/her designee may allow a student to enroll in the class only upon a showing by the student that the enrollment is necessary to avoid an extreme hardship, and upon a showing by the college President or designee that the academic integrity of the student’s enrollment in the class will nevertheless be maintained.

3. Persons who are married, or were married, are included within the definition of persons that have or who have had a consensual amorous relationship. Disclosure in this instance may be made via the Maricopa Disclosure process at www.maricopa.edu/disclosure/.

4. An employee who fails to follow the requirements established in this policy and who does not withdraw from participation in activities or decisions that may reward or penalize a supervisee or student with whom the employee has or has had a recent consensual amorous relationship, will be considered in violation of policy and will be addressed in accordance with established processes in job group policy manuals.

OFFICIAL COURSE DESCRIPTIONS

Advancing Academic Achievement (AAA)
AAA115 - Creating College Success
LEC  1 Credit  1 Period
Strategies to create success in college. Methods for selecting and developing effective academic strategies, increasing self-awareness and developing self-management strategies. Elements of college resources and relationships with others explored in support of students’ educational experience. Prerequisites: None. Cross-References: CPD115

AAA150 - Strategies for College Success
LEC  3 Credits  3 Periods
Strategies for College Success
Focus on increasing student success through college orientation and personal growth, study skills development, and educational and career planning. Prerequisites: None. Cross-Reference: CPD150

AAA150AA - College Orientation and Personal Growth
LEC  1 Credit  1 Period
College Orientation & Personal Growth Emphasis on increasing student success through college orientation, identification of learning style and the use of time management, goal-setting, and interpersonal communication strategies. Prerequisites: None. Cross-References: CPD150AA

Accounting (ACC)
ACC105 - Payroll, Sales and Property Taxes
LEC  3 Credits  3 Periods
Tax reporting for payroll, sales, and personal property. Prerequisites: None.

ACC107 - Bookkeeping Theory & Practice
LEC + LAB  4 Credits  5 Periods
Fundamental accounting practices; application to retail stores, professional firms, and personal service operations. Prerequisites: None.

ACC109 - Accounting Concepts
LEC  3 Credits  3 Periods
Introduction to accounting with emphasis on analysis and applications of financial information. Prerequisites: None. GBS151 and reading ability equivalent to RDG091 suggested but not required.

ACC111 - Accounting Principles I
LEC  3 Credits  3 Periods
Fundamental theory of accounting principles and procedures. Prerequisites: None.

ACC112 - Accounting Principles II
LEC  3 Credits  3 Periods
Continuation of the fundamental theory of accounting principles and procedures, including interpretation of general purpose financial statements. Prerequisites: ACC111 with a grade of “C” or better, or permission of department/division.

ACC115 - Computerized Accounting
(Offered in spring only)
LEC + LAB  2 Credits  3 Periods
Mastery of a microcomputer accounting system including the general ledger, accounts receivable, accounts payable and payroll. Prerequisites: ACC107, or higher level accounting course, or permission of instructor.

ACC121 - Income Tax Preparation
LEC + LAB  3 Credits  3 Periods
Preparation of and practical experience in preparing individual federal income tax returns using computer software. Prerequisites: None.

ACC211 - Financial Accounting
LEC  3 Credits  3 Periods
Introduction to theory and practice in the preparation and interpretation of general purpose financial statements. Prerequisites: None.

ACC212 - Managerial Accounting
LEC + LAB  3 Credits  3 Periods
Development and analysis of accounting information for managerial planning and control. Prerequisites: A grade of “C” or better in (ACC111 and ACC112) or ACC211, and (CIS105 or permission of department/division).

ACC221 - Tax Accounting
LEC  3 Credits  3 Periods
Preparation of and accounting procedures for individuals; introduction to partnerships and corporate tax structures. Prerequisites: ACC111 or ACC211 or permission of department/division.

ACC230 - Uses of Accounting Information I
LEC  3 Credits  3 Periods
Introduction to the uses of accounting information for internal and external purposes with emphasis on financial statement analysis. Prerequisites: Grade of “C” or better in ACC111 or ACC211, or a grade of “C” or better in (ENG101 and MAT151 and CRE101), or equivalent, or satisfactory score on District placement exam.

ACC240 - Uses of Accounting Information II
LEC  3 Credits  3 Periods
Introduction to the uses of accounting information for internal and external purposes with emphasis on analysis for use by management. Prerequisites: ACC 230

ACC250 - Introductory Accounting Lab
LAB  1 Credit  3 Periods
Procedural details of accounting for the accumulation of information and generation of reports for internal and external users. Prerequisites: None.

AJS210 - Constitutional Law
LEC 3 Credits 3 Periods
An examination of the U.S. Constitution as it relates to the law enforcement function. Includes statutory law and judicial decisions governing the areas of arrest, search and seizure, interrogations and confessions, self-incrimination and other constitutional guarantees. Required in AJS curriculum. Prerequisites: None.

AJS212 - Juvenile Justice Procedures
LEC 3 Credits 3 Periods
Examines the history and development of juvenile justice theories, procedures, and institutions. Prerequisites: None.

AJS225 - Criminology
LEC 3 Credits 3 Periods
Study of deviance, society's role in defining behavior; theories of criminality and the economic, social, and psychological impact of crime; relationships between statistics and crime trends. Examines crime victimization and the various types of crime and categories of offenders. Required in the AJS curriculum. Prerequisites: None. [SB]

AJS260 - Procedural Criminal Law
LEC 3 Credits 3 Periods
Concerned with the understanding of procedural criminal law. Examines the rationale underlying major court holdings, the procedural requirements that stem from these holdings, and their effect on the daily operations of the criminal justice system. Prerequisites: None.

AJS270 - Community Relations
LEC 3 Credits 3 Periods
Examination, recognition and understanding of community problems; community action programs; methods of coping with human behavior, victimology, conflict and communication; ethnic and minority cultures and environments; the community and relationships with the criminal justice system. Prerequisites: None. [C, SB]

AJS275 - Criminal Investigation I
LEC 3 Credits 3 Periods
Introduction to the theory of criminal investigation. Examines crime scene procedures, case preparation, interviewing, and basic investigatory techniques. Prerequisites: None.

Animal Science (ANS)
ANS110 - Introduction to Animal Science
LEC 3 Credits 3 Periods
Survey of the total animal industry, including the basis for genetic improvement, principles of nutrition and reproduction, and scientific analysis of meat, milk, and egg production. Study of local agricultural production businesses. Prerequisites: None

ANS213 - Animal Feeding
LEC 3 Credits 3 Periods
Principles of animal nutrition and digestion. Selection, evaluation and use of feeds to meet the needs of various classes of farm animals. Study of ruminants and how they utilize feed. Essentials of a balanced ration. Feed materials, quality and preparation in developing balanced rations. Prerequisites: None.

Arabic (ARB)
ARB101 - Elementary Arabic I
LEC 4 Credits 5 Periods
Introduction to the basic alphabet, grammar, pronunciation and vocabulary of the Arabic language. Listening, speaking, reading and writing skills. Prerequisites: None.

ARB102 - Elementary Arabic II
LEC +LAB 4 Credits 5 Periods
A continuation of ARB101. Continued study of grammar and vocabulary, with emphasis on pronunciation and speaking skills. Prerequisites: ARB101 or equivalent.

Art Humanities (ARH)
ARH100 - Introduction to Art
LEC 3 Credits 3 Periods
Understanding and enjoyment of art through study of painting, sculpture, architecture design, photography, and decorative arts. Emphasis on contemporary topics and cultural diversity in the arts. Prerequisites: None. [HU]

ARH101 - Prehistoric through Gothic Art
LEC 3 Credits 3 Periods
History of art from prehistoric through medieval Period. Prerequisites: None. [H, HU]

ARH102 - Renaissance Through Contemporary Art
( offered in the spring only)
LEC 3 Credits 3 Periods
History of art from around the world from the Renaissance through contemporary period. Prerequisites: None. [H, HU]

Art (ART)
ART100 - Introduction to Computer Graphic Art
LEC 1 Credit 2 Periods
Conceptualization, visualization, and production of art using the computer. Prerequisites: None.

ART111 - Drawing I
LAB +LEC 3 Credits 6 Periods
Fundamental principles of drawing. Emphasis on composition and facility in objective and expressive representation, using variety of drawing media. Prerequisites: None.
ART112 - Two-Dimensional Design  
LEC + LAB 3 Credits 6 Periods  
Study of fundamental elements and principles of two-dimensional design. Prerequisites: None.

ART115 - Three-Dimensional Design  
LEC + LAB 3 Credits 6 Periods  
Fundamental principles of three-dimensional design. Prerequisites: ART112.

ART122 - Drawing and Composition II  
LEC + LAB 3 Credits 6 Periods  
Emphasis on composition and exploration of drawing media. Prerequisites: ART111.

ART131 - Photography I  
LEC+LAB 3 Credits 6 Periods  
Basic black and white photographic principles and techniques. Camera functions and controls. Darkroom experience in film processing and printmaking. Camera required. Prerequisites: None.

ART132 - Photography II  
LAB+LEC 3 Credits 6 Periods  
Advanced camera and darkroom techniques. Aesthetic awareness with personal expression. Prerequisites: ART131 or permission of instructor.

ART142 - Introduction to Digital Photography  
LEC + LAB 3 Credits 6 Periods  
Fundamentals of digital photography. Includes camera operations, exposure techniques, introduction to digital output, and theory of digital photography. Prerequisites: None.

ART161 - Ceramics I  
LEC + LAB 3 Credits 6 Periods  
Introduction to ceramic materials and techniques of hand construction, decorating, glazing and throwing on potter's wheel. Prerequisites: None.

ART162 - Ceramics II  
LEC + LAB 3 Credits 6 Periods  
Major emphasis on wheel throwing, glaze making and decorating techniques. Prerequisites: ART161.

ART167 - Painting I  
LEC + LAB 3 Credits 6 Periods  
Exploration of technical and expressive possibilities of various painting media in easel painting. Prerequisites: (ART111 and ART112), or permission of instructor.

ART168 - Painting II  
LEC + LAB 3 Credits 6 Periods  
Continued refinement of painting skills and investigation of new possibilities in painting. Prerequisites: ART167 or permission of instructor.

ART255AB - The Portfolio  
LEC 1 Credit(s) 1 Period(s)  
Choosing the right pieces to include, presenting art work, developing the portfolio. Prerequisites: ART255AA or permission of instructor.

ART261 - Ceramics III  
LEC + LAB 3 Credits 6 Periods  
Emphasis on wheel throwing skill and individual style development. Prerequisites: ART162.

ART262 - Ceramics IV  
LEC + LAB 3 Credits 6 Periods  
Experimental work in clays and glazes. Prerequisites: ART261.

ART298AA - Special Projects  
LAB 1 Credit 1 Period  
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or instructor.

Anthropology (ASB)  
ASB102 - Introduction to Cultural and Social Anthropology  
LEC 3 Credits 3 Periods  
Principles of cultural and social anthropology, with illustrative materials from a variety of cultures. The nature of culture; social, political, and economic systems; religion, aesthetics and language. Prerequisites: None [G, SB]

ASB223 - Buried Cities and Lost Tribes: New World  
LEC 3 Credits 3 Periods  
Introduction to archaeology through discoveries and the researchers who made them. Emphasis on methods of archaeological fieldwork and what these discoveries reveal about humanity, including the nature of archaeological inquiry, the development of human social groups, the changing role of religion in evolving societies, the origins of agriculture, the origins of settled life ways, the rise of cities and complex societies, political strife across different cultures and the forces which fragment societies. Examples drawn from North American, Central America, and South America. Prerequisites: None. [G, H, HU, SB]

Astronomy (AST)  
AST101 - Survey of Astronomy  
LEC 3 Credit(s) 3 Period(s)  
Survey of astronomy for the non technical student. The history, content, and evolution of the solar system and the universe in general. Astronomical principles and instrumentation. The planets, moons, sun, comets, stars and star formation, galaxies, and cosmology. Prerequisites: None. [SG]
### AST102 - Survey of Astronomy Laboratory

**LAB** 3 Credits 3 Periods  
Astronomical observations and exercises designed to familiarize students with the sky, telescopes, and methods used in astronomy. Prerequisites: None. May accompany AST101. [SG]

### Behavioral Health Services Technology (BHS)

### BHS101 - Introduction to Ethical Counseling Issues

Explanation of expectations and limitations of the role of the behavioral health professional on a counseling team. Exposure to the variety of modes of work available to the behavioral health professional, the ethical obligations and responsibilities of working with clients under professional supervision. Prerequisites: None.

### BHS105 - Introduction to Human Relations

Introduction to the field of Behavioral Health Professionals including exposure to basic counseling skills. Prerequisites: None.

### BHS115 - Group Dynamics

Participation in group processes with focus on group dynamics. Exploration of group developmental stages and various counseling approaches and techniques. Prerequisites: None.

### BHS130 - Chemical Dependency

Sociological, psychological and physiological aspects of chemical abuse. Consideration of a variety of treatment programs offered in community agencies. Prerequisites: None. Cross-References: SWU130

### BHS151 - Communication Skills in Counseling I

Development of communication skills important in establishing and maintaining effective helping relationships. Emphasis on rapport building, effective listening skills, appropriate feedback and the helping process. Prerequisites: BHS105 with a grade of “C” or better.

### BHS152 - Communication Skills in Counseling II

Application of communication skills important in establishing and maintaining effective helping relationships. Emphasis on rapport building, effective listening skills, appropriate feedback and the helping process. Prerequisites: BHS151 with a grade of “C” or better.

### BHS156 - Supervised Practice I

Familiarization with social service agencies through conducting intake interviews, observing agency practices, and attending staff meetings. Prerequisites: BHS115, BHS130, and BHS151, and departmental approval.

### BHS168 - Hospice Volunteer Training

Exploration of hospice care and related medical, social, emotional and spiritual concepts for the helping professional working with patients and their families. Prerequisites: None

### BHS178 - Peer Training for Behavioral Health Paraprofessionals

Role exploration and expectations of the behavioral health paraprofessional. Confidentiality, communication, attending skills and developing rapport with persons with psychiatric illnesses. Workplace responsibilities, ethics, and boundaries. Mental health recovery, psychosocial rehabilitation and best practices in the treatment of psychiatric disorders. Client management and interventions to include crises intervention, coordination of care, and psychopharmacology, and clinical documentation. Prerequisites: None

### BHS204 - Counseling in Multicultural Setting

Values, perceptions, attitudes, behaviors emphasizing intercultural communication patterns. Techniques for establishing rapport and interaction methodologies in a multicultural context. Competencies, strategies, and treatment modalities necessary for the paraprofessional working successfully with the multicultural clients. Prerequisites: BHS101, BHS151, or departmental approval.

### BHS205 - Therapeutic Intervention Models

Familiarization with at least five models of therapeutic intervention. Defines the key concepts, therapeutic process, techniques and procedures of each model. Prerequisites: BHS151 or CHD102 or permission of Department or Division.

### BHS215 - Group Process

Evaluate and demonstrate the methods and techniques for influencing change in group settings. Prerequisites: BHS151 or departmental approval.

### BHS260 - Case Report Writing

Terminology, technical forms and techniques of observation necessary to create and maintain records. Prerequisites: BHS151 or departmental approval.

### BHS263 - Applied Case Report Writing

Application of observation and documentation techniques necessary to maintain clinical records in a variety of community based behavioral health settings. Application of legal issues to case report writing. Prerequisites: BHS260

<td>BHS270</td>
<td>Introduction to Dance and Movement Therapy</td>
<td>3</td>
<td>3</td>
<td>A lively course focused on basic techniques used in expressive arts and body-based therapies. The course incorporates Tools for integrating body, mind, and spirit in a creative dance and movement format. Prerequisites: PSY101 and BHS105.</td>
</tr>
<tr>
<td>BHS272</td>
<td>Managing Difficult Children</td>
<td>3</td>
<td>3</td>
<td>Strategies for training and reinforcing positive parent child interaction. Covers behavior management strategies and techniques for oppositional, defiant and explosive children. Prerequisite: PSY240 or permission of Department r Division.</td>
</tr>
<tr>
<td>BHS278</td>
<td>Recovery Counseling</td>
<td>3</td>
<td>3</td>
<td>Recovery based mental health treatment plans and processes. Recovery based concepts, barriers, principles, practices, and environments. Organizational support, expectations, and activities related to mental health issues and recovery in the work setting. Planning techniques, learning styles, participation methods, and problem behavior due to mental health issues in the workplace. Prerequisites: BHS105</td>
</tr>
<tr>
<td>BHS281</td>
<td>Introduction to Art Therapy</td>
<td>3</td>
<td>3</td>
<td>Exploration of the process, dynamics and objectives of the therapeutic art experience. Emphasis on Art Therapy from both the psychological and artistic perspectives. Highlights topics in the history, theory and practice of Art Therapy. Prerequisites: BHS105 or departmental approval.</td>
</tr>
<tr>
<td>BHS285</td>
<td>Facilitating Art Therapy Groups</td>
<td>3</td>
<td>3</td>
<td>Emphasis on facilitating art therapy groups in a variety of settings using visual art as a medium. Process, dynamics, and objectives of group work and the therapeutic art process. Prerequisites: BHS215 and BHS281</td>
</tr>
<tr>
<td>BHS290</td>
<td>Child and Family Advocacy</td>
<td>3</td>
<td>3</td>
<td>Define and clarify the role of advocacy in relation to multiple systems affecting children and their families. Emphasis on identifying appropriate systems, community resources, wrap around theory and navigation skills in a variety of children's systems to facilitate family support and needs. Prerequisite: BHS105</td>

*OFFICIAL COURSE DESCRIPTIONS*

**BIO156 - Introductory Biology for Allied Health**  
LEC 4 Credits 3 Periods  
LAB 0 Credit 3 Periods  
An introductory biology course for allied health majors with an emphasis on humans. Topics include fundamental concepts of cell biology, histology, microbiology, and genetics. Prerequisites: None. One year of high school chemistry or one semester of college-level chemistry recommended. [SQ]

**BIO160 - Introduction to Human Anatomy and Physiology**  
LEC 4 Credits 3 Periods  
LAB 0 Credit 3 Periods  
Principles of scientific method. Structural organization, homeostasis and control mechanisms of the body. Specific chemistry concepts. Structure and function of the major systems of the body. Prerequisites: None. [SG]

**BIO175 - Research Methods in Biology**  
LEC & LAB 1 Credit(s) 2 Periods  
Fundamentals of planning and conducting biological experiments, including ones that simultaneously vary multiple experimental variables. Subsequent analysis, interpretation, and reporting of results. Prerequisites: None. BIO156 or BIO181 recommended.

**BIO181 - General Biology (Majors) I**  
LEC 4 Credits 3 Periods  
LAB 0 Credit 3 Periods  
The study and principles of structure and function of organisms at the molecular and cellular levels. A detailed exploration of the chemistry of life, the cell, and genetics. Prerequisites: None. One year of high school or one semester of college-level biology and chemistry is strongly recommended. [SQ]

**BIO182 - General Biology (Majors) II**  
LEC 4 Credits 3 Periods  
LAB 0 Credit 3 Periods  
The study and principles of structure and function of living things at cellular, organismic, and higher levels of organization. A detailed exploration of the mechanisms of evolution, biological diversity, biology of organisms, and ecology. Prerequisites: A grade of C or better in BIO181. [SG]

**BIO201 - Human Anatomy and Physiology I**  
LEC 4 Credits 3 Periods  
LAB 0 Credit 3 Periods  
Study of structure and function of the human body. Topics include cells, tissues, integumentary system, skeletal system, muscular system, and nervous system. Prerequisites: (BIO156 or BIO181 with a grade of “C” or better) or (one year high school biology course with a grade of “C” or better). (CHM130 or higher numbered CHM prefixed course) or (one year of high school chemistry) suggested but not required.

**BIO202 - Human Anatomy and Physiology II**  
LEC 4 Credits 3 Periods  
LAB 0 Credit 3 Periods  
Continuation of structure and function of the human body. Topics include endocrine, circulatory, lymphatic, respiratory, digestive, urinary, and reproductive systems; and fluid and electrolyte balance. Prerequisites: A grade of “C” or better in BIO201. [SG]

**BIO205 - Microbiology**  
LEC 4 Credits 3 Periods  
LAB 0 Credit 3 Periods  
Study of microorganisms and their relationship to health, ecology, and related fields. Prerequisites: (BIO156 or BIO181 with a grade of “C” or better) or (one year high school biology with a grade of “C” or better). (CHM130 or higher numbered CHM prefixed course) or (one year of high school chemistry) suggested but not required. [SG]

**BIO211AA - Biotechnology Seminar – Biomedical Applications**  
LEC 1 Credit 1 Period  
Special topics in biotechnology with an emphasis on current issues not covered in other life science courses. Prerequisites: None.

**BIO211AB - Biotechnology Seminar - Laboratory Protocol**  
LEC 1 Credit 1 Period  
Special topics in biotechnology with an emphasis on current issues not covered in other life science courses. Prerequisites: BIO211AA or permission of instructor.

**BIO211AC - Biotechnology Seminar - Current Topics in Agriculture**  
LEC 1 Credit 1 Period  
Special topics in biotechnology with an emphasis on current issues not covered in other life science courses. Prerequisites: BIO211AB or permission of instructor.

**BIO211AD - Biotechnology Seminar – Ethical and Moral Issues**  
LEC 1 Credit 1 Period  
Special topics in biotechnology with an emphasis on current issues not covered in other life science courses. Prerequisites: BIO211AC or permission of instructor.

**BIO212AB - Biotechnology II**  
LEC 5 Credits 3 Periods  
LAB 0 Credit 3 Periods  
Intensive introduction to biotechnology, including protein biochemistry, techniques for handling and purifying proteins, recombinant deoxyribonucleic acid (DNA), sequencing deoxyribonucleic acid (DNA), testing deoxyribonucleic acid (DNA) fragments for promoter activity and analysis of deoxyribonucleic acid (DNA) for open reading frames, promoters, and homology. Prerequisites: BIO212AA

**BIO212BA - Cell Biotechnology**  
LEC 5 Credits 3 Periods  
LAB 0 Credit 6 Periods  
Introduction to industrial laboratory biotechnology with intensive focus on the recovery of heterologous proteins from
cultivated cells and the subsequent purification and characterization of these proteins. Prerequisites: ENG101 and (BIO092 and BIO181) or BIO212AA).

BIO213 - BioSafety
LEC 1 Credit(s) 1 Period(s)
General Laboratory safety, hazardous chemical use and disposal, bio-hazardous material use and disposal, bio-safety procedures, and radiation safety. Prerequisites: None.

BIO215 - Biotechnology Internship
LEC 3 Credits 3 Periods
Internship experience in a biotechnology laboratory. Setting, achieving, and evaluating goals for hands-on learning experience in a biotechnology laboratory. Development of skills and knowledge needed to work in a biotechnology laboratory. Prerequisites: Permission of Program Director and (BIO212AA, or BIO212BA, or BIO208, or BIO209).

BIO220 - Biology of Microorganisms
LEC 4 Credits 3 Periods
LAB 0 Credits 3 Periods
Detailed study of microbial cells, their structure, genetics, physiology, and taxonomy. Prerequisites: BIO181 Corequisites: (CHM152 and CHM152LL) or (CHM154 and CHM154LL)

BIO241 - Human Genetics
LEC 4 Credits 3 Periods
LAB 0 Credit 3 Periods
An introduction to the basic concepts of human heredity and cytogenetics including Mendelian, molecular, and population genetics. Prerequisites: BIO100, or BIO181, or equivalent, or permission of instructor. [SQ]

BIO245 - Cellular and Molecular Biology
LEC 4 Credit(s) 3 Period(s)
LAB 0 Credit(s) 3 Period(s)
Concepts that underline relationship between cellular and subcellular structure and function, and integration of major metabolic and genetic processes. Includes introduction to the use of bacteriology in molecular biology, various methods of studying macromolecules found in eukaryotic and prokaryotic cells, cloning, and purification of DNA. Prerequisites: None. [S]

BIO247 - Applied Biosciences: Biotechnology
LEC 4 Credit(s) 3 Period(s)
LAB 0 Credit(s) 3 Period(s)
Applies concepts of molecular and cellular biology of bacteria, animals, and plants to real-world problems. Prerequisites: A grade of “C” or better in BIO181. One semester of college level chemistry or equivalent recommended.

BIO294 - Scientific Diving
LEC + LAB 3 Credits 4 Periods
Theory and practice of underwater research using snorkel and self-contained underwater breathing apparatus (SCUBA) Advanced diving skills, data acquisition and processing, and planning an underwater study. Prerequisites: PED102SU or equivalent (any certification card from a nationally recognized agency,) BIO145 or BIO181 recommended, but not required. Prerequisites: PED101SU or PED201SU (any certification card from a nationally recognized agency,) BIO145 or BIO181 recommended, but not required. [CS, L]

Business-Personal Computers (BPC)
BPC100 - Business-Personal Computers
LEC .5 Credits .5 Periods
Introduction to the use of personal computers in the business environment. Computer hardware components, operating system functions and concepts. Procedures for running and using business application software to produce documents and spreadsheets. Prerequisites: None.

BPC100AA - Business-Personal Computers I
LEC .5 Credits .5 Periods
Introduction to the use of personal computers in the business environment. Computer hardware components, operating system functions and concepts. Running application software. Prerequisites: None.

BPC100DD - Internet and Computing Fundamentals
LEC + LAB 3 Credits 4 Periods
Fundamental computer and Internet concepts and terminology for business and personal computers. Covers basic features of software applications. Prerequisites: None

BPC102AD - Using Windows: Level I
LEC .5 Credits .5 Periods
Basic commands and methods associated with the Windows operating system. Prerequisites: None.

BPC102AK - Using Word: Level I
LEC .5 Credits .5 Periods
Use of Word to create, manipulate and print documents on a microcomputer Prerequisites: None.

BPC103AK - Using Word: Level II
LEC .5 Credits .5 Periods
Advanced concepts and skill development using Word to format, layout and design quality documents. Prerequisites: BPC102AD and BPC103AK, or permission of department.

BPC103BK - Using Word: Level II
LEC .5 Credits .5 Periods
Advanced concepts and skill development using Word to format, layout and design quality documents. Prerequisites: BPC102AD and BPC103AK, or permission of department.

BPC104AD - Using Excel: Level I
LEC .5 Credits .5 Periods
Use of Excel to create, edit, save and print worksheets. Prerequisites: None.

BPC104BD - Using Excel: Level II
LEC .5 Credits .5 Periods
Use of Excel to enhance worksheets to include graphing and formatting, data, using complex formula and function expressions to build and analyze data, and special print options to output worksheets and graphs. Prerequisites: BPC104AD or permission of instructor.
BPC1104 - Computer Usage and Applications  
LEC + LAB 3 Credits 4 Periods  
Introduction to business and personal computer operations and usage. Software applications for analyzing and solving business problems including word processing, spreadsheet, database, and presentation graphics. Prerequisites: None. [CS]

BPC111AA - Computer Keyboarding I  
LEC + LAB 1 Credit 1.7 Periods  
Mastery of essential microcomputer keyboarding skills. Emphasis on touch typing of alphabetic and numeric keys and symbols. Prerequisites: None. Cross-References: OAS111AA

BPC1114E - Excel: Level I  
LEC + LAB 1 Credit 2 Periods  
Computer spreadsheet skills for solving business problems using Excel, including calculations, forecasting, and projections. Prerequisites: None Cross-Reference: CIS1114AE

BPC1114D - Excel Spreadsheet  
LEC + LAB 3 Credits 5 Periods  
Computer spreadsheet skills for solving business problems using Excel, including calculations, forecasting, projections, macro programming, database searching, extraction, linking, statistics, and matrix manipulation. Production of graphs and reports. Project design using multiple, integrated spreadsheets. Prerequisites: None. Cross-References: CIS1114DE

BPC1117D - Microsoft Access: Database Management  
LEC + LAB 3 Credits 5 Periods  
Introduction to the basic elements, exploration of additional components and common database management problems related to the Microsoft Access program. Prerequisites: None. Cross-References: CIS1117DM

BPC1118A - PowerPoint: Level I  
LEC + LAB 1 Credit 2 Periods  
Use of PowerPoint software to produce professional quality presentation visuals. Prerequisites: None. Cross-References: CIS1118AB

BPC1118D - Desktop Presentation: PowerPoint  
LEC + LAB 3 Credits 5 Periods  
Use of PowerPoint to produce professional-quality presentation visuals with animation and sound. Prerequisites: None. Cross-References: CIS1118DB

BPC1204 - Computer Graphics: Adobe Illustrator  
LEC + LAB 3 Credits 4 Periods  
Provides students with the capability to use Adobe Illustrator graphics software on a computer. Basic foundation course in the use of electronic techniques to create, manipulate, and edit images, text, abstract art, graphics design, color graphics and business charts; determine file formats appropriate for web and print; utilize tools to optimize graphics and create a PDF file. Prerequisites: None. Cross References: CIS1204DB

BPC120DC - Flash: Digital Animation  
LEC + LAB 3 Credits 4 Periods  
Provides students with the ability to use Flash graphics software on microcomputers. Covers basic animation techniques used in the creation, manipulation, and editing of Flash animation graphics. Prerequisites: None. Cross References: CIS120DC

BPC120DF - Computer Graphics: Adobe Photoshop  
LEC + LAB 3 Credits 4 Periods  
Provides students with the capability to use Adobe Photoshop graphics software on a computer. Basic foundation course in the use of electronic techniques to select, manipulate, and edit images, work with masks, channels and layers; combine raster and vector graphics; print in color, manage color, and create graphics for the web. Prerequisites: None. Cross-References: CIS120DF

BPC121A - Microsoft Command Line Operations  
LEC + LAB 1 Credit 2 Periods  
Use of the Microsoft command line interface: basic concepts, internal and external commands, subdirectories, and editor. Prerequisites: None. Cross-References: CIS121A

BPC1211B - Microsoft Operating System: Level I  
LEC + LAB 1 Credit 2 Periods  
Specific topics include Windows basics, navigating and customizing the desktop, maintaining hardware and software, improving performance, configurations, securing your computer, taskbar, organizing, searching and managing folders and files, installing and uninstalling applications, Internet Explorer fine tuning, security, and searching, including advanced search techniques, keyboard shortcuts, and current topics. Prerequisites: None. Cross-Reference: CIS1211B

BPC128 - Introduction to Desktop Publishing  
LEC + LAB 1 Credit 2 Periods  
Presents basic concepts of commercially prepared software used to do desktop publishing. Incorporates a combination of narrative and pictorial/graphic creation and presentation, including set up, text entry, graphic generation, text and graphic merging, and other computer-based functions. Prerequisites: None.

BPC130DK - Beginning Word  
LEC 1 Credit 2 Periods  
Using Word for Windows to create, edit, and print documents. Prerequisites: Ability to keyboard a minimum of 20 wpm or permission of instructor. Cross-Reference: OAS130DK

BPC135DD - WordPerfect: Level I  
LEC 2 Credits 2 Periods  
Using WordPerfect word processing software to create and name files, edit text, format, and print a variety of documents. Prerequisites: The ability to use a keyboard at a minimum of 24 wpm or permission of instructor.
OFFICIAL COURSE DESCRIPTIONS

BPC135DK - Word: Level I
LEC 2 Credits 2 Periods
Using Word word processing software to create and name files, edit text, format, and print a variety of documents. Prerequisites: None

BPC138AA - Windows Desktop Design & Publishing
LEC + LAB 3 Credits 4 Periods
Use of Windows based microcomputers and appropriate commercial software package to compose and print textual and graphic materials of high quality. Includes overview of micro operating system, word processing of copy, use of graphics programs, layout of design elements, and printing alternatives. Prerequisites: CIS105 or BPC110 or permission of instructor.

BPC138DA - Desktop Design and Publishing Using Adobe InDesign
LEC + LAB 3 Credits 4 Periods
Use of Adobe InDesign to compose and print textual and graphic materials of high quality. Includes word processing of copy, use of graphics programs, layout of design elements, printing alternatives, and file formats. Prerequisites: CIS105, or BPC110, or permission of instructor. Cross References: CIS138DA

BPC170 - Computer Maintenance I: A+ Essentials Prep
LEC + LAB 3 Credits 4 Periods
Technical aspects of the microcomputer, including system setup (hardware and software) and basic troubleshooting. Emphasis on basic troubleshooting, use of tools, hardware components and hardware/software interfacing. Prerequisites: CIS105 or permission of Instructor.

BPC210 - Advanced Computer Usage and Applications
LEC 3 Credits 4 Periods
Advanced application of software for business and personal computers including word processing, spreadsheet, database, and presentation. Includes integration of applications and Internet. Prerequisites: BPC110, or permission of instructor.

BPC235DD - WordPerfect: Level II
LEC + LAB 2 Credits 2 Periods
Using WordPerfect word processing software features such as math, columns, macros, styles, graphics, sort, outlines, and table of contents. Prerequisites: BPC125DD or permission of instructor.

BPC235DK - Word: Level II
LEC + LAB 2 Credits 2 Periods
Using Word word processing software features such as math, columns, macros, styles, graphics, sort, outlines, and table of contents. Prerequisites: BPC/OAS135DK or permission of instructor. Cross-References: OAS235DK

BPC270 - Computer Maintenance II: A+ Technician Prep
LEC + LAB 3 Credits 4 Periods
Advanced technical aspects of maintaining and servicing computers. Emphasis placed on installation, periodic maintenance, diagnosis, and/or problem resolution. Helps prepare students for the CompTIA A+ technician examinations including Information Technology (IT) field technician, remote support technician and bench technician. Prerequisites: BPC170 with grade of C or better, or permission of instructor.

BPC278 - Software Installation-MS Windows
LEC + LAB 3 Credits 4 Periods
Installing and configuring microcomputer software. Emphasis placed on the installation, configuration, upgrade, and related problem resolution of microcomputer operating system and applications software. Prerequisites: CIS105, BPC/CIS114 (any module whose course number suffix begins with a “D”), BPC/CIS117 (any module whose course number suffix begins with a “D”), and BPC170 with grade of C or better, or permission of instructor.

Child/Family Studies (CFS)

CFS101AH - Art Activities for the Young Child
LEC 1 Credit 1 Period
The creative use of art media and techniques at appropriate developmental levels. Prerequisites: None.

CFS101AR - Learning With Toys
LEC 1 Credit 1 Period
Use of creative imagination with toys to enable the child alone or with others to explore the world. Includes evaluating proper use of toys and appropriate developmental skills. Prerequisites: None.

CFS102 - Emergency Care for Child Care Providers
LEC 1 Credit 1 Period
Basic emergency medical care for child care providers. Emphasis on design of emergency plan of action, Basic Life Support, recognition and management of common childhood injuries and illnesses. Designed to meet the Arizona Department of Health Services child care worker requirements. Prerequisites: None.

CFS114 - Working with the Hyperactive Child
LEC 1 Credit 1 Period
Causes of hyperactivity in children; focus on the family's role in identification, treatment and school/community support. Prerequisites: None

CFS116 - Discipline and Guidance
LEC 3 Credits 3 Periods
Age appropriate principles for disciplining and guiding young children's behavior in child care settings, including interpersonal and environmental strategies. Observational opportunities provided. Prerequisites: None

CFS120 - Contemporary Issues in Early Childhood
LEC 1 Credit 1 Period
Designed to develop understanding of a broad range of contemporary issues that impact the child in today's society.
Course directed at pre-service and in-service professionals. May be repeated for Credit. Prerequisites: None. Cross-reference: ECH120

CFS123 - Health and Nutrition in Early Childhood Settings  
LEC  1 Credit  1 Period  
Creating and maintaining healthy environments and practices in programs serving young children. Emphasis on assessing the child’s health status, nutrition and food service, communicable disease recognition, transmission, and prevention, infection control, regulations and regulatory agencies, current topics, resources, and innovative practices. Prerequisites: None.

CFS125 - Safety in Early Childhood Settings  
LEC  1 Credit  1 Period  
Fundamental concepts of promoting a safe, but challenging learning environments. Establishing and maintaining safety procedures in the early childhood setting. Emphasis on indoor and outdoor equipment and activities, risk analysis, accident, evacuation, and emergency plans, regulations, regulatory agencies and resources, current topics, and innovative practices. Prerequisites: None.

CFS160 - Using Music, Speech, and Movement with Children's Literature  
LEC  1 Credit  1 Period  
Using elements of music, speech, and movement with children’s literature, including rhymes, chants, songs, and books to enhance children's social, physical, cognitive, and emotional development. Prerequisites: None.

CFS176 - Child Development  
LEC  3 Credits  3 Periods  
Study of the science of human development from conception through adolescence. Includes observation skills, parent and adult roles in the lives of children, and contemporary issues. Prerequisites: None. Cross-Reference: ECH176 [SB]

CFS178 - Survey of Early Childhood Education  
LEC  3 Credits  3 Periods  
Orientation to basic concepts of day care and nursery programs. History and philosophy of child care services including state regulations governing those services. Observation opportunities provided. Prerequisites: None.

CFS194AB - Early Childhood Program Management: Human Relations  
LEC  1 Credit  1 Period  
Basic human relations in early childhood organizations and the influence of the individual's personal needs on the overall needs and objectives of the organization. Prerequisites: None.

CFS206 - Child and Family Organizations: Management and Administration  
LEC  3 Credits  3 Periods  
Examination of management and administration of community-based child and family organizations within the context of organizational behaviors. Focus on attributes of effective organizations: the impact of organizational culture and learning, work-place diversity and employee motivation. Prerequisites: None.

CFS207 - Organization and Community Leadership in Child and Family Organizations  
LEC  3 Credits  3 Periods  
Examination of organization and community leadership as it applies to the management and administration of community-based child and family services organizations. Provides overview of leadership styles and function. Prerequisites: None.

CFS208 - Child and Family Organizations: Fiscal Management and Grant Writing  
LEC  3 Credits  3 Periods  
Examination of fiscal accountability and resource development as it applies to the management and administration of community-based child and family social service organizations. Provides overview of grant development processes beginning with research into governmental and private funding sources through fiscal and grant audit processes. Includes budget development, risk management, and cost control issues. Prerequisites: None.

CFS212 - Creative Activities for the Young Child  
LEC  3 Credits  3 Periods  
Children’s development in play, creativity and the arts. Focus on learning environment for creative expression. Field experiences with children in groups. Prerequisites: CFS/ECH176 or permission of instructor. Cross-References: ECH212

CFS242 - Curriculum Planning for Diversity  
LEC  3 Credits  3 Periods  
Practical early childhood classroom applications for a diverse population, including integration of cultures, generations, genders, and races into the classroom, facilitation of second language acquisition, and practical teaching strategies which are also developmentally appropriate. Prerequisites: CFS/ECH176. [C]

CFS269 - Child Care Seminar  
LEC  1 Credit  1 Period  
Emphasizes the blend of job-related activities including career exploration, employment procedures, human relations, and on-the-job issues. May be repeated for a total of three (3) credit hours. Prerequisites: Departmental approval. Cross-References: ECH269

CFS278 - Early Childhood Education  
LEC  3 Credits  3 Periods  
Early childhood education with emphasis on philosophy and curriculum in the preschool years. Observation and participation in school programs required. Prerequisites: CFS/ECH176, or permission of instructor. Cross-References: ECH278
CFS280 - Children with Special Needs in Early Childhood Education  
LEC 3 Credits 3 Periods  
Strategies for working with young children who have handicaps and disabilities in the preschool setting. Types of disabilities, assessment techniques, programming skills and activity design, types of programs, and working with families. Prerequisites: CFS/ECH176.

CFS282 - Mainstreaming the Young Child with a Disability  
LEC 1 Credit 1 Period  
An exploration of the educational, social, and behavioral issues and concerns involved in the successful integration of children with disabilities into typical preschool classes. Includes discussion of practical concerns such as adaptation of environment and accessing existing resources in the community. Prerequisites: None.

CFS283 - Multicultural Early Child Education  
LEC 1 Credit 1 Period  
Practical early childhood classroom applications for a diverse ethnic population, including integration of multi-cultures into the classroom, facilitation of second language acquisition, and practical teaching strategies which are also developmentally appropriate. Prerequisites: CFS/ECH176.

CFS284AA - Early Childhood Teaching Internship  
LEC + LAB 2 Credits 2 Periods  
Work experience in child care centers. 80 hours of designated work per credit. Maximum of 6 credits allowed. Prerequisites: CFS/ECH176 and permission of Department or Division. Corequisites: CFS/ECH269. Cross-References: ECH284AA

CFS285AA - Family School Interaction: Preschool  
LEC 1 Credit 1 Period  
Interaction among parents, teachers and the preschool. Emphasis on methods used cooperatively by parents and preschool teachers to provide for education and developmental needs. Prerequisites: CFS/ECH176 or CFS278 or permission of instructor.

CFS290AA - Child Abuse: ID and Reporting in Child Care Settings  
LEC 1 Credit 1 Period  
Identification, recording, and reporting by child care providers of sexual abuse, physical abuse, or neglect of young children. Prerequisites: None.

CFS296WA-WC - Cooperative Education  
LAB 1-3 Credit 5-15 Periods  
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at least twelve (12) college credits, minimum 2.6 grade point average, and be able to obtain a position related to student’s academic or career goals (student’s present job may qualify); or permission of instructor. Corequisites: Must be concurrently enrolled in at least one class which is related to student’s major or career interest or with permission of the instructor.

Community Health Advocate (CHA)  
CHA101 - Introduction to Diabetes  
LEC 2 Credits 2 Periods  
Purpose, role, and function of the Community Health Advocate. Overview of diabetes, including types, symptoms, effects, risk factors, and history of diabetes specific to Native Americans. Traditional ways of maintaining well-being. Nutritional concerns related to diabetes. Prerequisites: None. Corequisites: HCC130AA, HCC130AB, HCC130AC, HCC130AD, HCC130AE, HCC130AF and HCC146.

CHA102 - Preventive Stages of Diabetes  
LEC 3 Credits 3 Periods  
Preventative health care practices for the control of primary, secondary, and tertiary forms of diabetes. Methods of reducing risk and managing effects of diabetes, including financial, community, and medical resources to support the diabetic patient. Prerequisites: None. Corequisites: CHA101, HCC130AA, HCC130AB, HCC130AC, HCC130AD, HCC130AE, HCC130AF and HCC146.

CHA103 - Transcultural Advocacy  
LEC 3 Credits 3 Periods  
Characteristics of an effective transcultural community health advocate. Communication skills and educational methodologies and tools for working with diabetic patients and their families. Community resources for the diabetic patient. Includes 50 hours of service learning experience in a healthcare setting. Prerequisites: None. Corequisites: CHA101, HCC130AA, HCC130AB, HCC130AC, HCC130AD, HCC130AE, HCC130AF and HCC146.

CHA104 - Community Health Work  
LEC 3 Credits 3 Periods  
Preparation of Community Health workers for outreach health prevention, advocacy, education, referral, and intervention working with individuals, communities and families. Includes history of community health work programs, community systems, and resources for clients and families often in disparity. Prerequisites: None. Course Notes: A minimum of 30 hours of service learning experience in a community-based setting involving interacting with various agencies within the community, managing home visits, dealing with challenging situations, and empowering and mobilizing for action.

Chinese (CHI)  
CHI115 - Beginning Chinese Conversation I  
LEC 3 Credits 3 Periods  
Introduction to Chinese sound system, basic grammar, and vocabulary necessary to develop speaking ability in Mandarin Chinese. Designed for students seeking speaking and listening ability with little emphasis on writing and reading Chinese characters. Prerequisites: None.
CHI116 - Beginning Chinese Conversation II  
*(offered in Spring only)*

LEC  3 Credits  3 Periods

Continued development of speaking and listening skills for effective communication in Mandarin Chinese. Includes elements of Chinese culture. Prerequisites: CHI115 or equivalent.

Chemistry (CHM)

CHM107 - Chemistry and Society
LEC  3 Credits  3 Periods

A survey of chemistry and its impact on the environment. Completion of CHM107LL required to meet the Natural Science requirement. Prerequisites: None. [Both CHM107 and CHM107LL must be taken to secure the SQ designation]

CHM107LL - Chemistry and Society Laboratory
LAB  1 Credit  3 Periods
Laboratory experience in support of CHM107. Prerequisites or Co-requisites: CHM107. [SQ]

CHM130 - Fundamental Chemistry
LEC  3 Credits  3 Periods

A survey of the fundamentals of general chemistry. Emphasis on essential concepts and problem solving techniques. Basic principles of measurement, chemical bonding, structure and reactions, nomenclature, and the chemistry of acids and bases. Preparation for students taking more advanced courses in chemistry. Designed to meet needs of students in such diverse areas as agriculture, nursing, home economics, physical education and water technology. Prerequisites: Grade of “C” or better in CHM090, or MAT090, or MAT091, or MAT092, or MAT093, or MAT102, or (MAT103AA and MAT103AB), or satisfactory score on math placement exam. [Both CHM130 and CHM130LL must be taken to secure the SQ designation].

CHM130LL - Fundamental Chemistry Laboratory
LAB  1 Credit  3 Periods
Laboratory experience in support of CHM 130. Prerequisites or Co-requisites: CHM130. [SQ]

CHM151 - General Chemistry I
LEC  3 Credits  3 Periods

Detailed study of principles of chemistry for science majors and students in pre-professional curricula. Prerequisites: (CHM130 and CHM130LL), or (one year of high school chemistry with a grade of C or better taken within the last five years), and completion of intermediate algebra or equivalent. Completion of all prerequisites within the last two years is recommended. Course Note: Students may receive credit for only one of the following: CHM150 or CHM151. [Both CHM151 and CHM151LL must be taken to secure the SQ designation].
Completion of (CHM130 and CHM130LL) or (CHM150 or CHM151 and CHM151LL) within the last two years recommended. Course Note: CHM230 course content is designed to meet the needs of students in such areas as agriculture, home economics, nursing, pre-physician assistant, and physical education among others. [Both CHM230 and CHM230LL must be taken to secure the SQ designation]

CHM230LL - Fundamental Organic Chemistry Laboratory
LAB 1 Credit 3 Periods
Laboratory experience in support of CHM230. Prerequisites: CHM130LL, or CHM151LL, or equivalent. Prerequisites or Co-requisites: CHM230. [SQ]

CHM235 - General Organic Chemistry I
LEC 3 Credits 3 Periods
Rigorous introduction to chemistry of carbon-containing compounds. Reaction mechanisms and recent methods of synthesis emphasized. Prerequisites: CHM152 and CHM152LL, or CHM154 and CHM154LL. Completion of (CHM152 and CHM152LL) or (CHM154 and CHM154LL) within the last two years recommended.

CHM236 - General Organic Chemistry IIA
LEC 3 Credits 3 Periods
Study of chemistry of carbon-containing compounds continued. Structural determination and additional reaction mechanisms and modern methods of synthesis emphasized. Prerequisites: CHM235 and CHM235LL. Completion of CHM235 and CHM235LL within the last two years recommended.

CHM236LL - General Organic Chemistry IIA Laboratory
LAB 1 Credit 4 Periods
Laboratory experience in support of CHM236. Prerequisites: CHM235LL or equivalent. Prerequisites or Co-requisites: CHM236.

CHM238 - General Organic Chemistry IIB
LEC 3 Credits 3 Periods
Alternate to CHM236. Study of chemistry of carbon containing compounds continued. Structural determination and additional reaction mechanisms and modern methods of synthesis emphasized. Recommended for chemistry, chemical engineering and mining engineering majors. Prerequisites: CHM235 and CHM235LL.

CHM238LL - General Organic Chemistry IIB Laboratory
LAB 2 Credits 6 Periods
Laboratory experience in support of CHM238. Prerequisites:CHM235LL or equivalent. Prerequisites or Corequisites: CHM238.

CHM260 - Fundamental Biochemistry
LEC 3 Credits 3 Periods
Structures, properties, and functions of proteins, enzymes, nucleic acids, carbohydrates and lipids; the utilization and synthesis of these materials by living systems and the relationship of the processes to energy production and utilization. Designed for students in agriculture, dental hygiene, home economics, nursing, and physical therapy. Prerequisites: CHM230 and CHM230LL, or CHM236 and CHM236LL, or CHM238 and CHM238LL. Completion of CHM230 and CHM230LL, or CHM236 and CHM236LL, or CHM238 and CHM238LL within the last two years recommended.

CHM260LL - Fundamental Biochemistry Laboratory
LAB 1 Credit 3 Periods
Laboratory experience in support of CHM260. Prerequisites:CHM230 and CHM230LL or instructor approval. Core requisite: CHM260.

Computer Information Systems (CIS)
CIS100 - Internet: A Tool for Learning
LEC + LAB 0.50 Credits 0.50 Periods
Use of the Internet to promote learning. Focus on Internet services and access. Information provided on browsing, Internet addresses, naming conventions, search concepts and techniques, using bookmarks and capturing information. Prerequisites: None.

CIS102 - Interpersonal and Customer Service Skills for IT Professionals
LEC 1 Credit 1 Period
Examines behaviors necessary to develop and support an effective client service organization. Focuses on methods of increasing the effectiveness of help-desk professionals when responding to a range of customer conditions. Prerequisites: None

CIS105 - Survey of Computer Information Systems
LEC + LAB 3 Credits 4 Periods
Overview of computer technology, concepts, terminology, and the role of computers in business and society. Discussion of social and ethical issues related to computers. Use of word processing, spreadsheet, database, and presentation software. Includes programming and use of the Internet. Exploration of relevant emerging technologies. Prerequisites: None. [CS] Editors Note: The final term for this version of CIS105 ends with the Fall 2010 semester. It will be replaced with the version below.

CIS105 - Survey of Computer Information Systems
LEC + LAB 3 Credits 4 Periods
Overview of computer technology, concepts, terminology, and the role of computers in business and society. Discussion of social and ethical issues related to computers. Use of word processing, spreadsheet, database, and presentation software. Includes uses of application software and the Internet for efficient and effective problem solving.
Exploration of relevant emerging technologies. Prerequisites: None. **Editors Note:** This version of CIS105 becomes effective the Spring 2011 semester.

CIS114AE - Excel: Level I  
LEC + LAB 1 Credit 2 Periods  
Computer spreadsheet skills for solving business problems using Excel, including calculations, forecasting, and projections. Prerequisites: None. Cross-References: BPC114AE

CIS114DE - Excel Spreadsheet  
LEC + LAB 3 Credits 5 Periods  
Computer spreadsheet skills for solving business problems using Excel, including calculations, forecasting, projections, macro programming, database searching, extraction, linking, statistics, and matrix manipulation. Production of graphs and reports. Project design using multiple, integrated spreadsheets. Prerequisites: None. Cross-Reference: BPC114DE

CIS117DM - Microsoft Access: Database Management  
LEC + LAB 3 Credits 5 Periods  
Introduction to the basic elements, exploration of additional components and common database management problems related to the Microsoft Access program. Prerequisites: None. Cross-References: BPC117DM

CIS118AB - Powerpoint Level I  
LEC + LAB 1 Credit 2 Periods  
Use of PowerPoint software to produce professional-quality presentation visuals. Prerequisites: None. Cross-References: BPC118AB

CIS118DB - Desktop Presentation: PowerPoint  
LEC + LAB 3 Credits 5 Periods  
Use of PowerPoint to produce professional-quality presentation visuals with animation and sound. Prerequisites: None. Cross-References: BPC118DB

CIS120AF - Computer Graphics: Adobe Photoshop: Level I  
LEC + LAB 1 Credit 2 Periods  
Provides students with the capability to use Adobe Photoshop graphics software on a computer. Basic foundation course in the use of electronic techniques to select, manipulate, and edit images, work with masks, channels and layers; combine raster and vector graphics; print in color, manage color, and create graphics for the web. Prerequisites: None. Cross-References: BPC120AF

CIS120AJ - Introduction to Digital Photo Editing  
LEC + LAB 1 Credit 2 Periods  
Introduction to digital photography and image editing. Digital photo editing use of electronic techniques to select, manipulate, and edit images. Prerequisites: None. Cross-References: BPC120AJ

CIS120AK - Introduction to Digital Video Editing  
LEC + LAB 1 Credit 2 Periods  
Introduction to digital video editing provides basic video import, export, and editing functions. Prerequisites: None. Cross-References: BPC120AK

CIS120DB - Computer Graphics: Adobe Illustrator  
LEC + LAB 3 Credit 4 Periods  
Provides students with the capability to use Adobe Illustrator graphics software on a computer. Basic foundation course in the use of electronic techniques to create, manipulate, and edit images, text, abstract art, graphics design, color graphics and business charts; determine file formats appropriate for web and print; utilize tools to optimize graphics and create a PDF file. Prerequisites: None. Cross-References: BPC120DB

CIS120DC - Flash: Digital Animation  
LEC + LAB 3 Credits 4 Periods  
Provides students with the ability to use Flash graphics software on microcomputers. Covers basic animation techniques used in the creation, manipulation, and editing of Flash animation graphics. Prerequisites: None. Cross-References: BPC120DC

CIS120DF - Computer Graphics: Adobe Photoshop  
LEC + LAB 3 Credit 4 Periods  
Provides students with the capability to use Adobe Photoshop graphics software on a computer. Basic foundation course in the use of electronic techniques to select, manipulate, and edit images, work with masks, channels and layers; combine raster and vector graphics; print in color, manage color, and create graphics for the web. Prerequisites: None. Cross-References: BPC120DF

CIS120DH - Microsoft Graphics: Microsoft Visio  
LEC + LAB 3 Credits 4 Periods  
Use of graphics software to create and edit drawings with predefined shapes and templates. Addition and manipulation of images, stencils, layers, and pages to drawings. Creation of new shapes, stencils, templates, styles, and colors. Publishing and exportation of drawings. Prerequisites: None. Cross-Reference: BPC120DH

CIS120DL - Digital Video Compositing: After Effects  
LEC + LAB 3 Credits 4 Periods  
Includes creating visual effects for video projects. Techniques and methodologies used to create shots for big budget special effects will be explored. Topics such as color and light matching, keying, motion tracking, rotoscoping and working with film will be discussed. Prerequisites: None.

CIS121AB - Microsoft Command Line Operations  
LEC + LAB 1 Credit 2 Periods  
Use of the Microsoft command line interface: basic concepts, internal and external commands, subdirectories, and editor. Prerequisites: None. Cross-Reference BPC121AB

CIS121AE - Windows Operating System: Level I  
LEC + LAB 1 Credit 2 Periods  
Specific topics include Windows basics, navigating and customizing the desktop, maintaining hardware and software, improving performance, configurations, securing your computer, taskbar, organizing, searching and managing
folders and files, installing and uninstalling applications, Internet Explorer fine tuning, security, and searching, including advanced search techniques, keyboard shortcuts, and current topics. Prerequisites: None. Cross-References: BPC121AE

CIS126AA - UNIX Operating System: Level I
LEC + LAB 1 Credit 2 Periods
Use of the UNIX operating system: system components, built-in commands, files and directories, editors, and UNIX Shell and command lines. Prerequisites: None.

CIS126AL - Linux Operating System I
LEC + LAB 1 Credit 2 Periods
Introduction to the Linux Operating system. Develop knowledge and skills required to install, configure a Linux-based workstation including basic network functions. Prerequisites: None.

CIS126BA - UNIX Operating System: Level II
LEC 1 Credit 1 Period
Installation, configuration, and maintenance of the UNIX operating system Prerequisites: CIS126AA.

CIS126CA - UNIX Operating System: Level III
LEC 1 Credit 1 Period
Create login scripts and batch files, and maintain system communications. Prerequisites: CIS126BA.

CIS126DA - UNIX Operating System
LEC + LAB 3 Credits 4 Periods
Use of a UNIX operating system including system components, built-in commands, files, and directories, editors, and UNIX shell and command lines. Installation, configuration, and maintenance of a UNIX operating system. Create scripts and batch files, and maintain system communications. Prerequisites: None.

CIS133AA - Internet/World Wide Web: Level I-A
LEC + LAB 1 Credit 2 Periods
Overview of the Internet and its resources. Hands-on experience with various Internet communication tools. Prerequisites: None. Cross-references: BPC133AA

CIS133DA - Internet/Web Development Level I
LEC + LAB 3 Credits 4 Periods
Overview of the Internet/WWW and its resources. Hands-on experience with various Internet/WWW communication, resource discovery, and information retrieval tools. Web page development also included. Prerequisites: None. Cross-References: BPC133DA

CIS150 - Programming Fundamentals
LEC + LAB 3 Credits 4 Periods
Structured program design and logic tools. Use of computer problems to demonstrate and teach concepts using appropriate programming language. Prerequisites: CIS105, or permission of instructor.

CIS150AB - Object-Oriented Programming Fundamentals
LEC + LAB 3 Credits 4 Periods
Structured and Object-Oriented design and logic tools. Use of computer problems to demonstrate and teach concepts using an appropriate programming language. Prerequisites: CIS105 or permission of instructor.

CIS159 - Visual Basic Programming I
LEC + LAB 3 Credits 4 Periods
Use of the Visual Basic programming language to solve problems using suitable examples from business or other disciplines. Prerequisites: CIS105, or permission of instructor. [CS]

CIS162 - C Programming I
LEC + LAB 3 Credits 4 Periods
Beginning C Programming. Includes features needed to construct programs, functions, pointers, input and output options, data types, structures, and unions, and disk file operations. Prerequisites: CIS105, or permission of instructor.

CIS162AB - C++: Level I
LEC + LAB 3 Credits 4 Periods
Introduction to C++ programming including general concepts, program design, development, data types, operators, expressions, flow control, functions, classes, input and output operations, debugging, structured programming, and object-oriented programming. Prerequisites: CIS105, or permission of instructor. [CS]

CIS162AD - C#: Level I
LEC + LAB 3 Credits 4 Periods
Introduction to C# programming including general concepts, program design, development, data types, operators, expressions, flow control, functions, classes, input and output operations, debugging, structured programming, and object-oriented programming. Prerequisites: CIS105, or permission of instructor. [CS]

<tbody>
<tr>
<td>CIS163AA</td>
<td>JAVA Programming: Level I</td>
<td>3</td>
<td>4</td>
<td>Introduction to Java programming. Includes features needed to construct Java Applets, Java Applications, control structures, methods, arrays, character and string manipulation, graphics, and object-oriented programming. Prerequisites: CIS105, or permission of Instructor.</td>
</tr>
<tr>
<td>CIS166</td>
<td>Web Scripting/Programming</td>
<td>3</td>
<td>4</td>
<td>Software development for Web sites, including client side script and Common Gateway Interface (CGI) scripting. Covers Web-based transaction processing and use of databases in conjunction with the Web. Includes security issues. Prerequisites: CIS133CA or CIS133DA or permission of instructor.</td>
</tr>
<tr>
<td>CIS169</td>
<td>Introduction to Visual Basic for Applications</td>
<td>3</td>
<td>4</td>
<td>Introduction to Visual Basic for Applications (VBA) using Microsoft Office environments. Includes Dynamic Data structures, VBA class modules and error trapping and handling. Creation of customized office applications and network shares as well as multimedia techniques also covered. Prerequisites: CIS159 or permission of instructor. [CS]</td>
</tr>
<tr>
<td>CIS163 - Operating Juniper Networks Routers in the Enterprise</td>
<td>LEC + LAB 4 Credits 5 Periods</td>
<td>Operating Juniper Networks Routers in the Enterprise, an introductory-level course, focuses on installation, configuration, operational analysis, and troubleshooting considerations of Juniper Networks routers in the enterprise. Includes an introduction to Juniper Networks Enterprise Routing platforms including M-series and J-series models. Focuses on router configuration using both the J-Web graphical user interface (GUI) and the JUNOS software command-line interface (CLI). Real-world configuration and operational monitoring case studies provide general router configuration and RIP (Routing Information Protocol), static, OSPF (Open Shortest Path First) routing. Overview of common services, Virtual Router Redundancy Protocol (VRRP), the Multilink Point-to-Point Protocol (MLPPP) and Network Address Translation (NAT). Prerequisites: None.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>CIS181</td>
<td>IBM Mainframe Z OS – Level I</td>
<td>3</td>
<td>4</td>
<td>Fundamental knowledge and skills to begin using the basic functions of a mainframe computer. User interfaces of the z/OS mainframe operating system and the role of mainframes in today's business world. Tools, utilities and processes for developing a simple program to run on z/OS. Prerequisites: CIS105 and CIS150, or permission of instructor.</td>
</tr>
<tr>
<td>CIS190</td>
<td>Introduction to Local Area Networks</td>
<td>3</td>
<td>4</td>
<td>Overview of local area networks. Emphasis on the elements of a local area network, current issues and products, and use of a local area network. Includes terminology, hardware and software components, connectivity, resource monitoring and sharing, electronic mail and messaging, and security issues. Prerequisites: CIS105, or permission of instructor.</td>
</tr>
<tr>
<td>CIS191</td>
<td>Novell NetWare System Administration</td>
<td>3</td>
<td>4</td>
<td>Knowledge and skills required to administer or manage a Novell NetWare local area network operating system. Level I, II, and III network management tasks. Prerequisites: CIS105, or permission of instructor.</td>
</tr>
<tr>
<td>CIS214DE</td>
<td>Advanced Excel Spreadsheet: Level II</td>
<td>3</td>
<td>5</td>
<td>Advanced Excel spreadsheet features including formatting techniques, macros and Visual Basic for applications. Templates, built-in functions and lists as well as analysis tools including Pivot Tables and Goal Seek covered. Import and export data, workgroup collaboration and Internet features of Excel emphasized. Prerequisites: BPC/CIS114DE or permission of instructor. Cross-References: BPC214DE</td>
</tr>
<tr>
<td>CIS217AM</td>
<td>Advanced Microsoft Access: Database Management</td>
<td>3</td>
<td>4</td>
<td>Basic database concepts including database design, primary and secondary key selection and relationships between tables. Queries, sub forms, macros, events, Visual Basic modules and Access Internet features also covered. Prerequisites: (BPC/CIS117DM or BPC/CIS117CM). Cross-References: BPC217AM [CS]</td>
</tr>
<tr>
<td>CIS220DC</td>
<td>Flash: Advanced Animation and Action Script</td>
<td>3</td>
<td>4</td>
<td>Advanced Flash programming, action scripting, tweening, advanced buttons and user input, movie clips, using dynamic sound and text, managing information flow, Object-Oriented Programming concepts in relation to Flash. Prerequisites: BPC/CIS120DC or permission of Instructor.</td>
</tr>
<tr>
<td>CIS220DF</td>
<td>Advanced PhotoShop</td>
<td>3</td>
<td>4</td>
<td>Goes beyond the basic use of palettes, selections, layers, menus, and tool options, and focuses on using PhotoShop software's advanced features to manipulate and correct digital and digitally produced images. Prerequisites: (BPC/CIS120AF, BPC/CIS120BF and BPC/CIS120CF) or BPC/CIS120DF, or permission of instructor. Cross-References: BPC220DF</td>
</tr>
<tr>
<td>CIS225</td>
<td>Business Systems Analysis and Design</td>
<td>3</td>
<td>3</td>
<td>Investigation, analysis, design, implementation and evaluation of business computer systems. Prerequisites: Any programming language or permission of instructor.</td>

</tbody>
</table>
CIS270 - Essentials of Network and Information Security
LEC + LAB  3 Credits  4 Periods
Threats to security of information systems; responsibilities and basic tools for information security, including communication security, infrastructure security, organizational security and basic cryptography. Introduction to the language of network security and hardware, software and firmware components of an information security system for local, metropolitan, enterprise, and wide area networks. Helps prepare participants for the CompTia Security+ exam and the GIAC Security Essentials Certificate (GSEC). Prerequisites: CNT150, or (MST150 or MST150 any module), or permission of instructor.

CIS277 - Advanced Juniper Networks Routing in the Enterprise
LEC + LAB  4 Credits  5 Periods
Advanced Juniper Networks Routing in the Enterprise course provides enterprise networking engineers with knowledge and skills to use Juniper Networks routers to meet their networks' requirements. Covers advanced routing and services configurations of Juniper Networks J-series and M-series platforms, focusing on advanced configurations commonly used in the enterprise environment. Prerequisites: CIS177 or permission of Instructor.

CIS290AA-AC - Computer Information Systems Internship
LAB  1-3 Credits  6-18 Periods
Work experience in business or industry. Prerequisites: Permission of instructor. Cross-References: BPC290AA-AC

CIS296WA-WD - Cooperative Education
LAB  1 Credits  5 Periods
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: None. Co-requisites: must be concurrently enrolled in at least one class related to job/co-op subject area; must maintain an enrollment ratio of two (2) hours of Credit in other courses for every one (1) hour of Cooperative Education Credit (excluding radio and television); a maximum of sixteen (16) hours of Cooperative Education Credit is allowable in a college program.

CIS298 AA-AC - Special Projects
LAB  1-3 Credits  1-3 Periods
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment are made available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: None.

CISCO Networking Technology (CNT)
CNT138 - CCNA Discovery – Networking for Home and Small Businesses
LEC + LAB  3 Credit(s)  5 Period(s)
Introduces skills for entry-level home network installer jobs including personal computer (PC) installation, Internet connectivity, wireless connectivity, file and print sharing, and the installation of peripherals. Provides introduction to networking and the Internet using tools and hardware from home and small business environments. Prerequisites: None.

CNT140 - Cisco Networking Basics
LEC + LAB  4 Credit  6 Periods
Introduction to the computer networking field. Covers network terminology and protocols, local area networks (LAN), and wide area networks (WAN). Includes Open Systems Interconnection (OSI) models, cabling and cabling tools, routers, router programming, Ethernet, Internet Protocol (IP) addressing, and network standards. Preparation for the Cisco Certified Network Associate examination. Prerequisites: None.

CNT140AA - Cisco Networking Fundamentals
LEC + LAB  4 Credits  6 Periods
Introduction to the computer networking field. Covers network terminology and protocols, communication fundamentals in Data networks and the Internet. Includes study of the Open Systems Interconnection (OSI) model, using a top down approach, cabling and cabling tools, basic Cisco router configuration, Ether net technologies, Inter net Pr otocol (IP) addressing, and overview of Internet Protocol version 6 (IPv6), basic configuring and testing of the network, and network standards. Preparation for the Cisco Certified Network Associate (CCNA) examination. Prerequisites: None.

CNT148 - CCNA Discovery – Working at a Small-to-Medium Business or Internet Service Provider
LEC + LAB  3 Credits  5 Periods
Prepares students as network technicians. Develops skills for computer and help desk technicians including soft skills. Provides overview of routing, remote access, addressing, and security. Provides familiarity with e-mail, web, and authenticated access servers. Presents network monitoring and basic troubleshooting skills in context. Prerequisites: CNT138.

CNT150 - Cisco Networking Router Technologies
LEC + LAB  4 Credits  6 Periods
Knowledge of skills to install, configure, customize, maintain and troubleshoot Cisco routers and components. Preparation for Cisco certification examination. Prerequisites: CNT140 or permission of instructor.

CNT150AA - Cisco Routing Protocols and Concepts
LEC + LAB  4 Credits  6 Periods
Knowledge of skills to install, configure, customize, maintain and troubleshoot Cisco routers utilizing Advanced Internet Protocol (IP) addressing techniques, Variable Length Subnet
Masking (VLSM), distance vectored and Link State dynamic routing protocols, Routing Internet Protocol version 1 (RIPv1) and version 2 (RIPv2), Enhanced Interior Gateway Routing Protocol (EIGRP), Single-area Open Shortest Path First (OSPF), and understanding the structure and behavior of routing tables. Preparation for Cisco certification examination. Prerequisites: CNT140 or permission of Instructor.

CNT158 - CCNA Discovery – Introduction to Routing and Switching in the Enterprise
LEC + LAB 4 Credits 6 Periods
Familiarizes students with the equipment, applications and protocols installed in enterprise networks, with a focus on switched networks, Internet Protocol (IP) Telephony requirements, and security. Introduces advanced routing protocols such as Enhanced Interior Gateway Routing Protocol (EIGRP) and Open Shortest Path First (OSPF) Protocol. Hands-on exercises include configuration, installation, and troubleshooting. Prerequisites: CNT148.

CNT160 - Cisco Switching Basics and Intermediate Routing
LEC + LAB 3 Credits 4 Periods
Advanced Internet Protocol (IP) addressing techniques, Variable Length Subnet Masking (VLSM), Intermediate routing protocols, Routing Internet Protocol version 2 (RIPv2), Single area Open Shortest Path First (OSPF), and Enhanced Interior Gateway Routing Protocol (EIGRP), Command Line Interface configuration of switches, Ethernet switching, Virtual Local Area Networks (VLANS), Spanning Tree Protocol (STP) and Virtual local-area Network Trunking Protocol (VTP). Preparation for Cisco Certified Network Associate certification examination. Prerequisites: CNT150 or permission of Instructor.

CNT160AA - Cisco Local Area Networking (LAN) Switching and Wireless
LEC + LAB 4 Credits 6 Periods
Comprehensive, theoretical, and practical approach to learning the technologies and protocols needed to design and implement a converged switched network. Learn about the hierarchical network design model and how to select devices for each layer. Configure a switch for basic functionality and implement Virtual Local Area Networks (VLAN), VLAN Trunking Protocol (VTP), and Inter-VLAN routing in a converged network. Implementation of Spanning Tree Protocol (STP) in a converged network and a Wireless LAN (WLAN) in a small to medium network. Comprehensive hands-on labs. Preparation for Cisco certification examination. Prerequisites: CNT140AA or permission of Instructor.

CNT168 - CCNA Discovery – Designing and Supporting Computer Networks
LEC + LAB 4 Credits 6 Periods
Networking design and customer support including gathering requirements, designing basic networks, establishing proof-of-concept, and performing project management tasks.

CNT170 - Cisco Wide Area Networks (WAN) Technologies
LEC + LAB 3 Credits 4 Periods
Advanced Internet Protocol (IP) addressing techniques including Network Address Translation (NAT) Port Address Translation (PAT) and Dynamic Host Control Protocol (DHCP). Also covers Wide Area Network (WAN) technology and terminology, Point-to-Point Protocol (PPP), Integrated Services Digital Network (ISDN), Dial on Demand Routing (DDR), Frame Relay, and network management. Preparation for Cisco Certified Network Associate certification examination. Prerequisites: CNT160 or permission of Instructor.

CNT170AA - Cisco Accessing the Wide-Area Network (WAN)
LEC + LAB 4 Credits 6 Periods
Wide-Area Network (WAN) technologies and network services required by converged applications in Enterprise Networks. Cisco Enterprise Composite model (ECM) to introduce integrated network services and selection of appropriate devices and technologies to meet ECM requirements. Implement and configure common data link protocols and apply WAN security concepts, principles of traffic management, access control and addressing services. Detect, troubleshoot, and correct common enterprise network implementation issues. Includes comprehensive hands-on labs. Preparation for Cisco certification examination. Prerequisites: (CNT140AA, CNT150AA, and CNT160AA), or permission of Instructor.

CNT171 - CCNA Exam Prep
LEC + LAB 1 Credits 2 Periods
Preparation for renewal of CCNA certification by reviewing the OSI model and industry standards including network topologies, IP addressing, subnet masks, access control list, basic network design and cable installation. Practice the skills to configure, customize, maintain and troubleshoot Cisco routers and switches for Local Areas Networks (LANs) and Wide Area Networks (WANs) using Cisco IOS command set. Review any new material introduced since the last CCNA exam version. Prerequisites: CNT170 or CNT170AA or CCNA certification or permission of instructor. Course Note: CNT171 can be offered on credit (P) No credit (Z) basis. Standard grading available according to procedures outlined in college catalog.

CNT175 - Cisco Certified Network Associate Security
LEC + LAB 0 Credit 6 Periods
Associate-level knowledge and skills required to secure Cisco networks. Development of a security infrastructure, identification of threats and vulnerabilities to networks. Mitigation of security threats. Core security technologies. Installation, troubleshooting and monitoring of network devices to maintain integrity, confidentiality and availability of data and devices. Competency in the technologies that
Cisco uses in its security structure. Prerequisites: CNT170 or CNT170AA or Certified Cisco Networking Associate (CCNA) certification or permission of Instructor.

CNT178 - CCNA: Voice
LEC + LAB 4 Credits 6 Periods
Introduction to IP telephony for Medium and Small Organizations networks. Covers Packet Voice Technologies, Configuring Voice Interfaces, Voice Dial Peers, VoIP Signaling, Cisco Unified Communications Manager Express (CUCME), Cisco Unity Express (CUE) and Call Control. Includes data and voice integration solutions at the network-access level. Prerequisites: CNT170 or CNT170AA, or CCNA Certification, or permission of Instructor. Course Notes: CNT178 may be repeated for a total of Twelve (12) credit hours.

CNT181 - Cisco Securing IOS Networks
LEC + LAB 4 Credits 5 Periods
Applications of Cisco Networking technologies in designing and implementing security solutions to reduce risk of revenue loss and vulnerability. Hands-on experience and skills in security policy design and management, security technologies, products and solutions, secure router installation, configuration, and maintenance, AAA (Authentication, Authorization, and Accounting), and VPN (Virtual Private Network) implementation using routers. Preparation for the Securing Cisco IOS Networks (SECUR) exam, which applies toward the Cisco Certified Security Professional (CCSP), Virtual Private Network (VPN) Specialist, Intrusion Detection System (IDS) Specialist and the Firewall Specialist certifications. Prerequisites: CNT170 or permission of instructor.

CNT182 - Cisco Secure Firewall Appliance Configuration
LEC + LAB 4 Credits 5 Periods
Applications of Cisco Networking technologies in designing and implementing security solutions to reduce risk of revenue loss and vulnerability. Hands-on experience and skills in security policy design and management, security technologies, products and solutions, secure firewall design, installation, configuration and maintenance, Authentication, Authorization, and Accounting (AAA), Failover, and Virtual Private Network (VPN) implementation using firewalls. Prerequisites: CNT170 or permission of Instructor.

CNT185 - Cisco Network Security
LEC + LAB 4 Credits 5 Periods
Applications of Cisco Networking technologies in designing and implementing security solutions to reduce risk of revenue loss and vulnerability. Hands-on experience and skills in security policy design and management, security technologies, products and solutions, firewall and secure router design, installation, configuration and maintenance, AAA (Authentication, Authorization, and Accounting) and VPN (Virtual Private Network) implementation using firewalls and routers. Preparation for the MCNS (Managing Cisco Network Security) and CSPFA (Cisco Secure PIX Firewall Advanced) exams toward certification as a Cisco Firewall Specialist. Exams also apply to CCSP (Cisco Certified Security Professional) certification. Prerequisites: CNT170, or permission of instructor.

CNT186 - Fundamentals of Wireless LANs
LEC + LAB 4 Credits 6 Periods
Associate-level knowledge and skills required in Cisco wireless networks. Includes comprehensive hands-on labs to design, plan, implement, operate, secure, and troubleshoot wireless networks. Prerequisites: CNT170, or CNT170AA or permission of instructor. Course Notes: Prepares students to earn Cisco Certified Network Associate Wireless (CCNA Wireless) designation by taking the Implementing Cisco Unified Wireless Networks Essentials (IUWNE) exam.

CNT200 - CCNP ROUTE: Implementing Cisco IP Routing
LEC + LAB 4 Credits 6 Periods
Development of knowledge and skills needed to manage Internet Protocol (IP) traffic and access, understand scalable internetworks configure advanced routing protocols Border Gateway Protocol [BGP], Enhanced Interior Gateway Routing Protocol [EIGRP], Open Shortest Path First [OSPF], as well as Internet Protocol (IPv6), and configuration of secure routing solutions to support branch offices and mobile workers. Comprehensive labs emphasize hands-on learning and practice to reinforce configuration skills. Prerequisites: CNT170 or CCNA industry certification, or permission of Instructor. Corequisites: CNT220 Course Notes: Preparation for Cisco Certified Network Professional (CCNP) exam.

CNT210 - Cisco CCNP II: Implementing Secure Converged Wide Area Networks
LEC + LAB 4 Credits 6 Periods
Development of knowledge and skills in implementing secure enterprise-class network service for teleworkers and branch sites. Secure and expand the reach of an enterprise network with focus on VPN configuration and securing network access. Preparation for Cisco Certified Network Professional (CCNP) exam. Prerequisites: CNT170AA or CCNA industry certification, or permission of instructor. Corequisites: CNT200 and CNT220.

CNT220 - CCNP SWITCH: Implementing Cisco IP Switching
LEC + LAB 4 Credits 6 Periods
Development of knowledge and skills in building, monitoring, and maintaining switching in converged enterprise networks using advanced and multi-layer switching technologies. Planning, configuring, securing and verifying the implementation of complex enterprise switching solutions. Hands-on learning and practice to reinforce configuration skills. Prerequisites: CNT170AA or CCNA industry certification, or permission of Instructor. Corequisites: CNT200. Course Notes: Preparation for Cisco Certified Network Professional (CCNP) exam.

CNT230 - Cisco CCNP IV: Optimizing Converged Networks
LEC + LAB 4 Credits 6 Periods
Introduction to optimizing and providing effective Quality of Service (QoS) techniques in converged networks operating voice, wireless and security applications. Topics include implementing a Voice over Internet Protocol (VoIP) network, implementing QoS on converged networks, specific Internet Protocol (IP) QoS mechanisms for implementing the DiffServ
QoS model, AutoQOS, wireless security and basic wireless management. Preparation for Cisco Certified Network Professional (CCNP) exam. Prerequisites: CNT170 or CNT170AA or CCNA industry certification, or permission of instructor. CNT200, CNT210, and CNT220 suggested but not required.

CNT240 - Cisco Voice over IP
LEC + LAB 4 Credits 5 Periods
Introduction to packet telephony for both Enterprise and Service Provider networks. Covers Packet Voice Technologies, Configuring Voice Interfaces, Voice Dial Peers, VoIP Signaling and Call Control. Includes data and voice integration solutions at the network-access level. Prerequisites: CNT170 or permission of instructor.

CNT242 - Cisco Quality of Service
LEC + LAB 4 Credits 5 Periods
IP QoS theory, design issues, and configuration of various QoS mechanisms. IP Quality of Service (QoS) requirements, conceptual models using Differentiated Services (DiffServ), Integrated Services (IntServ) and Best Effort. Implementation of IP QoS on Cisco IOS switch and router platforms. Prerequisites: CNT170 or permission of instructor.

CNT244 - Cisco IP (Internet Protocol) Telephony
LEC + LAB 4 Credits 5 Periods
Knowledge of skills to install, configure, and maintain a Cisco CallManager, configure gateways, gatekeepers, switches, and build route plans to place intra-cluster and inter-cluster Cisco IP phone calls. Prerequisites: CNT240 or permission of instructor.

CNT246 - Cisco Voice Gateways and Gatekeepers
LEC + LAB 4 Credits 5 Periods
Knowledge of skills to install, configure, monitor and troubleshoot Cisco voice gateways and gatekeepers in an Enterprise network. Prerequisites: CNT244 or permission of instructor.

CNT248 - Cisco IP Telephony Troubleshooting
LEC + LAB 4 Credits 5 Periods
Knowledge of skills to install, configure, monitor and troubleshoot Cisco voice gateways and gatekeepers in an Enterprise network. Prerequisites: CNT244 or permission of instructor.

Communication (COM)

COM100 - Introduction to Human Communication
LEC 3 Credits 3 Periods
Theory and practice of communication in public, small group, and interpersonal settings. Includes study of the speech communication process. Prerequisites: None. [SB]

COM110 - Interpersonal Communication
LEC 3 Credits 3 Periods
Theory and practice of communication skills which affect day-to-day interactions with other persons. Topics may include using verbal and nonverbal symbols, interactive listening, resolving interpersonal conflict, developing and maintaining personal and professional relationships. Prerequisites: None. [SB]

COM181 - Conflict Mediation
LEC 3 Credits 3 Periods
Develop communication skills necessary to conduct mediation in formal and informal settings. Applies principles and theories of message production and responding, listening, questioning, source and receiver factors, and emotion to conflict management communication. Emphasis on respecting diversity and empowering joint problem solving throughout. Prerequisites: None. Cross-Reference Course: MCM181

COM207 - Introduction to Communication Inquiry
LEC 3 Credits 3 Periods
Overview of theory and methodological practice in communication with particular attention to scholarly writing skills. Emphasis on development of critical thinking skills through active participation in the research process. Prerequisites: ENG101 or ENG107 or equivalent, and COM100 or equivalent, or permission of instructor. Course Note: Recommended for the communication major.

COM225 - Public Speaking
LEC 3 Credits 3 Periods
Designed to enhance the student's ability to present public speeches confidently and competently. Also designed to improve information literacy and critical thinking skills. Prerequisites: ENG101 or ENG107, or equivalent. [L]

COM230 - Small Group Communication
LEC 3 Credits 3 Periods
Principles and processes of small groups and development of skills for participation and leadership in small group settings. Practice in problem solving, decision making, and information sharing. Prerequisites: None. [SB, L]

COM259 - Communication in Business and Professions
LEC 3 Credits 3 Periods
Interpersonal, group, and public communication in business and professional organizations. Emphasis on oral communication. Prerequisites: ENG101 or ENG107 or equivalent.

COM263 - Elements of Intercultural Communication
LEC 3 Credits 3 Periods
Basic concepts, principles, and skills for improving oral communication between persons from different minority, racial, ethnic, and cultural backgrounds. Prerequisites: None. [C, G, SB]

COM271 - Voice and Diction
LEC 3 Credits 3 Periods
Exercises and techniques to free the voice and improve projection, resonance, and articulation. Covers international phonetic alphabet and standard stage speech. Prerequisites: None. Cross-References: THP271
Career Personal Development (CPD)

CPD100 - Orientation for Student Development
LEC 1 Credit 1 Period
Offered to orient new students to college life. Emphasis on assessing students' academic potential, facilitating curricular advisement and registration procedures, learning academic survival skills, and becoming aware of all services available to students on campus and in the community. Prerequisites: None.

CPD101 - Personal Development
LEC 2 Credits 2 Periods
Designed to assist students in developing confidence in making personal, social, and educational decisions. Examination and assessment of individual needs, interests, abilities and values to develop and strengthen interpersonal communication, enhance transitional skills and identify realistic life planning goals. Prerequisites: None.

CPD102AB - Career Exploration
LEC 2 Credits 2 Periods
Designed to assist students make informed career decisions. Focuses on current occupational trends and outlook. Explores career-related interests, values, needs, preferences, skills, and strengths with the use of various assessments. Aids in the development of individualized educational/career goals and action plan. Prerequisites: None. Course Notes: CPD102AB may be repeated for a total of six (6) credit hours.

CPD102AD - Eliminating Self-Defeating Behavior
LEC 2 Credits 2 Periods
Designed to help students change behaviors that work against their potential, i.e., inferior feelings, shyness, nervousness, stage fright, under achievement etc. Focus on identifying undesirable thoughts, emotions and behaviors, for the purpose of developing alternative, and more desirable thoughts, emotions and behaviors. Prerequisites: None.

CPD102AH - Stress Management
LEC 2 Credits 2 Periods
Reviews the sources of stress, the physiological effects and the psychological impact of stress on the individual. Provides strategies to reduce stress. Prerequisites: None.

CPD102AN - Anger Management
LEC 2 Credits 2 Periods
Provides an understanding of the emotion of anger, explores the types, origins and typical reactions to anger. Covers stress and the need for stress management in relation to anger. Examines personal anger patterns and feelings, and the use of effective interpersonal communications in effective anger management. Prerequisites: None.

CPD103BA - Women in Transition
LEC 2 Credits 2 Periods
Designed to assist and support women who are experiencing life transitions. Emphasis on assessing self-potential, increasing self-confidence, managing life change, and exploring education/career/life options in terms of the realities of roles for women today. Prerequisites: None.

CPD103BC - African American Cultural Pride and Awareness
LEC 2 Credits 2 Periods
Develop an awareness of cultural roots, history, and traditions with emphasis on the shaping of personal identity, social, career, and educational decisions. Prerequisites: None.

CPD103BD - Latino/Hispanic American Pride and Awareness
LEC 2 Credits 2 Periods
Develop an awareness of cultural roots, history, and traditions with emphasis on the shaping of personal identity, social, career, and educational decisions. Prerequisites: None.

CPD103BE - Native American Cultural Pride and Awareness
LEC 2 Credits 2 Periods
Develop an awareness of cultural roots, history, and traditions with emphasis on the shaping of personal identity, social, career, and educational decisions. Prerequisites: None.

CPD103BL - Dynamics of Leadership
LEC 2 Credits 2 Periods
Designed to provide strategies that may be used when assuming leadership roles. Focus on improving supervisory confidence through the development of appropriate competitive behaviors, problem-solving skills, and techniques of leadership. Prerequisites: None.

CPD104 - Career and Personal Development
LEC 3 Credits 3 Periods
An overview of the process of career/life planning through self-awareness and understanding. Focus on specific skill development such as dealing with change, decision making, goal setting and understanding lifestyles. Provides opportunity to evaluate interests, skills and values. Emphasis on the development of a comprehensive career search process which includes current occupational information, specific tools for researching the job market and acquiring employment. Prerequisites: None.

CPD108 - Personal Money Management For College Students
LEC 1 Credit 1 Period
Designed to assist students in examining values related to spending, borrowing and saving money. Identify financial priorities and responsibilities associated with debt. Develop and follow a personal budget plan and learn strategies for maintaining a financially balanced personal life. Prerequisites: None.

CPD110 - Assessment & Planning for University Transfer
LEC 2 Credits 2 Periods
Designed for "undecided" students planning to transfer to a university. Assessment of individual needs, priorities, interests and abilities. Investigates university options to assist transfer oriented students in selecting a major and specific university programs best suited to their needs. Prerequisites: None.

CPD115 - Creating College Success
LEC 1 Credit 1 Period
Strategies to create success in college. Methods for selecting and developing effective academic strategies, increasing self-
awareness and developing self-management strategies. Elements of college resources and relationships with others explored in support of students’ educational experience. Prerequisites: None. Cross-Reference: AAA115

CPD125 - Employee Development: Problem Solving/Decision Making
LEC 1 Credit 1 Period
Development of decision-making skills as well as techniques for problem solving. Focus on values and value conflicts as related to decision-making. Also includes establishing short and long-term goals for personal and career development. Prerequisites: None.

CPD150 - Strategies for College Success
LEC 3 Credits 3 Periods
Focus on increasing student success through college orientation and personal growth, study skills development, and educational and career planning. Prerequisites: None. Cross-Reference: AAA150

CPD150AA - College Orientation/Personal Growth
LEC 1 Credit 1 Period
Emphasis on increasing student success through college orientation, identification of learning style and the use of time management, goal-setting, and interpersonal communication strategies. Prerequisites: None. Cross-Reference: AAA150AA

CPD150AB - Study Skills Development
LEC 1 Credit 1 Period
Emphasis on increasing student success through the use of study strategies including materials organization, note-taking, reading, test-taking, memory, and critical and creative thinking. Prerequisites: None. Cross-References: AAA150AB

CPD150AC - Educational and Career Planning
LEC 1 Credit 1 Period
Emphasis on increasing student success through educational and career planning. Prerequisites: None. Cross-References: AAA150AC

Critical Reading (CRE)
CRE101 - College Critical Reading
LEC 3 Credits 3 Periods
Emphasis on applying critical inquiry skills to varied and challenging reading materials. Includes analysis, synthesis, and evaluation through written discourse. Prerequisites: (ENG101 or ENG107) and (appropriate reading placement score or grade of “C” or better in RDG091.) [L]

Creative Writing (CRW)
CRW150 - Introduction to Creative Writing
LEC 3 Credits 3 Periods
Introduces the student to elements and techniques of creative writing in a variety of genres; teaches terminology and concepts needed for successful participation in writing workshops; facilitates writing practice and evaluation; offers individual guidance on the student’s development as a writer. Prerequisites: None.

CRW170 - Introduction to Writing Fiction
LEC 3 Credits 3 Periods
Practice in writing fiction through a process of prewriting (invention and discovery), writing, analysis and evaluation (in workshop), and revision; practice in manipulating various elements and forms of fiction; production of marketable quality short fiction. Prerequisites: None. CRW150 recommended but not required.

CRW271 - Topics in Writing: Fiction
LEC 3 Credits 3 Periods
Analysis, writing, and revision of genre or element within fiction. Prerequisites: CRW150 or permission of instructor.

CRW281 - Topics in Writing: Non-Fiction
LEC 3 Credits 3 Periods
Analysis, writing, and revision of genre or element within non-fiction. Prerequisites: CRW150 or permission of instructor.

Computer Science (CSC)
CSC100AA - Introduction to Computer Science
LEC + LAB 3 Credits 4 Periods
Concepts of problem solving, structured programming in C++, fundamental algorithms and techniques, and computer system concepts. Social and ethical responsibilities. Intended for majors other than Computer Science. Prerequisites: MAT120, or MAT121, or MAT122. [CS]

CSC181 - Applied Problem Solving with Visual BASIC
LEC 3 Credits 3 Periods
Introduction to systematic definition of problems, solution formulation, and testing. Visual BASIC programming language applied to problems in mathematics, science, and business. Prerequisites: None. [CS]

CSC181AA - Applied Problem Solving with Visual BASIC
LEC 3 Credits 4 Periods
Introduction to systematic definition of problems, solution formulation, and testing. Visual BASIC programming language applied to problems in mathematics, science, and business. Prerequisites: None. [CS]

Career/Work Experience (CWE)
CWE198AA-AC - Career/Work Experience
LEC + LAB 1-3 Credits
Participation in a work experience, gaining on-the-job training, and/or exploring a career or field of choice. Helps students relate their education to the real work world. Resume writing and interviewing skills. Development of employability skills. Prerequisites: None.
Dance Humanities (DAH)
DAH 100 - Introduction to Dance
LEC 3 Credits 3 Periods
Overview of the field of dance focusing on origins, historical development, and cultural characteristics of the various styles of dance. Prerequisites: None.

Dance (DAN)
DAN 115 AA - Contemporary Dance Trends: Hip Hop
LEC + LAB 1 Credit 3 Periods
Theory and practice of Hip Hop dance. Development of movement quality and performance skills. Prerequisites: None.

DAN 115 AB - Contemporary Dance Trends: Break Dancing
LEC + LAB 1 Credit 3 Periods
Theory and practice of Break Dancing. Development of movement quality and performance skills. Prerequisites: None.

DAN 120 AB - World Dance: Flamenco
LEC + LAB 1 Credit 3 Periods
Theory and practice of Flamenco. Development of movement quality and performance skills, individually, with a partner or in a group setting. Prerequisites: None.

DAN 131 - Ballet I
LEC + LAB 1 Credit 3 Periods
Introduction to the theory and practice of ballet at the beginning level. Development of movement quality and performance skills. Prerequisites: None. Course Note: May be repeated for a total of two (2) credit hours.

DAN 132 - Modern Dance I
LEC + LAB 1 Credit 3 Periods
Introduction to the theory and practice of modern dance at the beginning level. Development of movement quality and performance skills. Prerequisites: None. Course Note: May be repeated for a total of two (2) credit hours.

DAN 133 - Modern Jazz Dance I
LEC + LAB 1 Credit 3 Periods
Introduction to the theory and practice of modern jazz dance at the beginning level. Development of movement quality and performance skills. Prerequisites: None. Course Note: May be repeated for a total of two (2) credit hours.

DAN 134 - Ballet II
LEC + LAB 1 Credit 3 Periods
Theory and practice of ballet at the advanced beginning level. Development of movement quality and performance skills. Prerequisites: DAN 131 or permission of instructor. Course Note: May be repeated for a total of two (2) credit hours.

DAN 135 - Modern Dance II
LEC + LAB 1 Credit 3 Periods
Theory and practice of modern dance at the advanced beginning level. Development of movement quality and performance skills. Prerequisites: DAN 132 or permission of instructor. Course Note: May be repeated for a total of two (2) credit hours.

DAN 136 - Modern Jazz Dance II
LEC + LAB 1 Credit 3 Periods
Theory and practice of modern jazz dance at the advanced beginning level. Development of movement quality and performance skills. Prerequisites: DAN 133 or permission of instructor.

DAN 138 - Dance Seminar I
LEC 1 Credit 1 Period
Level I scientific evaluation and in-depth discussion of the theory and practice of work done in dance technique class. Prerequisites: None. Co requisites: Any ballet, modern dance, or modern jazz dance technique course.

DAN 140 - Tap Dance I
LEC + LAB 1 Credit 3 Periods
An introduction to the theory and practice of tap dance. May be repeated for a total of two (2) semester credit hours. Prerequisites: None.

DAN 150 - Dance Performance II
LEC + LAB 1 Credit 3 Periods
Continued study of the process and practice of dance performance at a level II. Prerequisites: DAN 150 or permission of instructor. Course Note: DAN 155 may be repeated for a total of two (2) semester credit hours.

DAN 155 - Dance Performance II
LEC + LAB 1 Credit 3 Periods
Continued study of the process and practice of dance performance at a level II. Prerequisites: DAN 150 or permission of instructor. Course Note: DAN 155 may be repeated for a total of two (2) semester credit hours.

DAN 233 - Modern Jazz Dance III
LEC + LAB 1 Credit 3 Periods
Theory and practice of modern jazz dance at the beginning intermediate level. Development of movement quality and performance skills. Prerequisites: DAN 136 or permission of instructor. Course Note: May be repeated for a total of two (2) credit hours.

DAN 264 - Choreography I
LEC + LAB 3 Credits 3 Periods
Study of basic dance choreography to include construction of a phrase, structure and form in a composition, and the basic elements of time, space and energy. Prerequisites: None.

DAN 265 - Choreography II
LEC 3 Credits 3 Periods
Exploration of the craft of choreography at the intermediate level. Experimentation with the various approaches to contemporary choreography as established by 20th century artists. Prerequisites: DAN 264.
### Engineering Science (ECE)

**ECE102 - Engineering Analysis Tools and Techniques**
**LEC + LAB** 2 Credits 4 Periods
Learning culture of engineering, engineering use of computer tools, and computer modeling as applied to engineering analysis and design. Prerequisites: Two years of high school algebra or MAT122 or departmental approval. Co-requisites: MAT151 or MAT182 or MAT187.

**ECE103 - Engineering Problem Solving and Design**
**LEC + LAB** 2 Credits 4 Periods
Fundamentals of the design process: engineering modeling, communication, and problem-solving skills in a team environment. Emphasis on process-based improvements to the design process. Introduction to engineering as a profession. Prerequisites: ECE102 and (high school physics or PHY111).

**ECE201 - Introduction to Engineering Statics**
**LEC** 2 Credits 2 Periods
**LAB 0 Credit** 1 Periods
Introduction to engineering statics, including force systems, resultants, equilibrium of particles and rigid bodies, introduction to centroids and centers of mass, area moments of inertia, distributed loading, and friction. Prerequisites: (ECE103 or ECE103AB), and (MAT230 or MAT231), and (PHY115 or PHY121).

**ECE211 - Engineering Mechanics-Statics**
**LEC** 3 Credits 3 Periods
**LAB 0 Credit** 2 Periods
Mathematical treatment of the basic physical principles of statics. Methods of vector algebra and vector calculus. Prerequisites: ECE103, (MAT230 or MAT231), and (PHY115 or PHY121). Co-requisites: MAT241.

**ECE212 - Engineering Mechanics – Dynamics**
**LEC** 3 Credits 3 Periods
**LAB 0 Credits** 2 Periods
Kinematics and kinetics of particles, translating and rotating coordinate systems, rigid body kinematics, dynamics of systems of particles and rigid bodies, and energy and momentum principles. Prerequisites: ECE211 and MAT241.

**ECE214 - Engineering Mechanics**
**LEC** 4 Credits 4 Periods
**LAB 0 Credits** 2 Periods
Foundations of engineering mechanics, including force systems, resultants, equilibrium of particles and rigid bodies, centroids and centers of mass, area and mass moments of inertia, friction, internal forces in structures, kinematics and kinetics of particles, kinematics and kinetics of rigid bodies, energy and momentum principles. Prerequisites: (ECE103 or ECE103AB), (MAT230 or MAT231), and (PHY115 or PHY121). Co-requisites: MAT240 or MAT241.

**ECE298AB - Special Projects**
**LAB** 2 Credits 2 Periods
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or instructor.

### Early Childhood Education (ECH)

**ECH100 - Montessori 2.5-6 Overview**
**LEC** 3 Credits 3 Periods
Montessori principles and activities needed to understand and teach the 2.5-6 year old in a Montessori classroom. Covers Montessori Philosophy, Practical Life, Sensorial, Mathematics, Language, Cultural Studies, Art, Music, Movement, Geography, History, and Science in the Montessori Early Childhood setting. Prerequisites: Permission of Instructor. Course Note: Instructors for ECH100 must have Montessori Early Childhood 2.5-6 Certification.

**ECH110 - Montessori Curriculum Practical Life/Philosophy**
**LEC** 3 Credits 3 Periods
Focus on Montessori principles and philosophy, curriculum ideas and activities based on Montessori practices in a preschool environment. Specific presentations of the Montessori Practical Life exercises. Prerequisites or Co requisites: CFS176 and permission of the Program Director.

**ECH111 - Montessori Curriculum Sensorial/Art/Music/Movement**
**LEC** 3 Credits 3 Periods
Sensorial curriculum through which the child develops and refines his/her senses. Focus on developing, refining, and implementing the skills necessary to an effective Montessori teacher in the areas of art, music and movement. Prerequisites: ECH110 and permission of the Program Director.

**ECH120 - Contemporary Issues in Early Childhood**
**LEC** 1 Credit 1 Period
Designed to develop understanding of a broad range of contemporary issues that impact the child in today's society. Course directed at pre-service and in-service professionals. May be repeated for credit. Prerequisites: None. Cross-References: CFS120

**ECH125 - Writing for Early Childhood Professionals**
**LEC** 1 Credit 1 Period
Elements of effective written communication and use in the field of early childhood education. Practical experience using common classroom documents. Course surveys document purpose, readers needs, information organization, and clear expression of ideas. Prerequisites: None.

**ECH176 - Child Development**
**LEC** 3 Credits 3 Periods
Study of the science of human development from conception through adolescence. Includes observation skills, parent and adult roles in the lives of children, and contemporary issues. Prerequisites: None. Cross-References: CFS176 [SB]
ECH181 - Enhancing Infant Development  
LEC 1 Credit 1 Period  
Introduction to principles of development in infants from birth through 18 months. Emphasis on infant individuality and adult-infant interactions in practical care and play activities. Prerequisites: None.

ECH182 - Enhancing Toddler Development  
LEC 1 Credit 1 Period  
Overview of the developmental needs of children from 15 through 30 months. Emphasis on the adult role in providing a safe, stimulating everyday environment where toddlers may explore, imitate and communicate with others. Prerequisites: None.

ECH210 - Montessori Curriculum Language/Physical and Life Science  
LEC 3 Credits 3 Periods  
Focus on Montessori principles for teaching science to young children (zoology, botany and physical science) both in the classroom and the outdoor environment. Prerequisites: ECH111 and permission of the Program Director.

ECH211 - Montessori Curriculum Math/Social Studies  
LEC 3 Credits 3 Periods  
Montessori principles and activities needed to teach mathematics, including arithmetic (both whole numbers and fractions) and supplemental math concepts including measurement, money, and time. Montessori principles and materials needed to teach geography and multicultural awareness. Study of time, calendars, seasons, and personal timelines. Prerequisites: ECH210 and permission of the Program Director.

ECH220 - Montessori Student Teaching/Practicum A Seminar  
LEC 2 Credits 2 Periods  
Course includes 30 hours of seminar workshops related to the practicum experience. Techniques for observation, assessment, management, communication, and referral in the Montessori preschool classroom. Focus on math and social studies integration of the Montessori curriculum using different teaching strategies. Prerequisites: ECH210, ECH220, ECH221 and permission of the Program Director. Corequisites: ECH211 and ECH223.

ECH222 - Montessori Student Teaching/Practicum B Seminar  
LEC 2 Credits 2 Periods  
Course includes 30 hours of seminar workshops directly related to the practicum experience. Techniques for observation, assessment, management, communication, and referral in the Montessori preschool classroom. Focus on math and social studies integration of the Montessori curriculum using different teaching strategies. Prerequisites: ECH210, ECH220, ECH221 and permission of the Program Director. Corequisites: ECH211 and ECH223.

ECH223 - Montessori Student Teaching/Practicum B Field  
LAB 1 Credit 1 Period  
Course includes 20 hours/week of supervised classroom teaching. Focus on techniques for observation, assessment, management, communication, and referral in the Montessori supervised classroom. Focus on math and social studies integration of the Montessori curriculum using different teaching strategies. Prerequisites: ECH210, ECH220, ECH221 and permission of the Program Director. Corequisites: ECH211 and ECH222.

ECH236 - Learning Materials For Young Children  
LEC 1 Credit 1 Period  
Design aspects of traditional early childhood play materials examined for teaching/learning potential. Includes design, production, and field-testing of teacher made devices. Prerequisites: None.

ECH238 - Computers in Early Childhood  
LEC 1 Credit 1 Period  
Comparison of computers as a teaching device with traditional early childhood learning materials. Hands-on experience with child/computer interaction and software evaluation. Prerequisites: None.

ECH269 - Child Care Seminar  
LEC 1 Credit 1 Period  
Emphasizes the blend of job-related activities including career exploration, employment procedures, human relations, and on-the-job issues. May be repeated for a total of three (3) Credit hours. Prerequisites: Departmental approval. Cross-References: CFS269

ECH270 - Observing Young Children  
LEC 1 Credit 1 Period  
Introduction to techniques of observing young children. Recording methods, interpretation and use of collected information including legal and ethical implications. Prerequisites: None.

ECH271 - Arranging the Environment  
LEC 1 Credit 1 Period  
Exploration of the influence of the environment on the behavior of young children. Indoor and outdoor spaces considered and analysis of environments practiced. Prerequisites: None.
ECH272 - Science for the Young Child  
LEC 1 Credit 1 Period  
Methods and techniques for encouraging beginning scientific thinking among young children. Focus upon the theory of Jean Piaget. Prerequisites: None.

ECH273 - Mathematics for the Young Child  
LEC 1 Credit 1 Period  
Methods and techniques for encouraging the beginnings of mathematical/logical thought with young children. Focus upon the theory of Jean Piaget. Prerequisites: None. Cross-References: CFS273

ECH275 - Literacy Development and the Young Child  
LEC 1 Credit 1 Period  
Literacy from birth through the early childhood years. Focus on developmentally appropriate ways to encourage speaking, listening, writing, and reading in the home and classroom. Prerequisites: None. Cross-References: CFS275

ECH277 - Language and Literacy for the Bilingual Child  
LEC 1 Credit 1 Period  
Overview of language acquisition for young children in both home and school environments. Emphasis on adults’ roles in fostering emerging languages and literacy skills in both the home language and English. Listening, speaking, reading and writing skills included. Prerequisites: CFS/ECH275

ECH279 - Early Childhood Curriculum Development  
LEC 1 Credit 1 Period  
An intensive focus on the process of building curriculum units appropriate to the developmental needs and abilities of the young child. Design, use and evaluation of materials and activities. May be repeated for a total of four (4) Credits. Prerequisites: None.

ECH280 - Food Experiences With Young Children  
LEC 1 Credit 1 Period  
A discussion of the nutritional needs of young children and the cultural and social meanings of foods, feeding and eating. Includes planning and managing food experiences in home and group settings. Prerequisites: None.

ECH281 - Movement/Music for the Young Child  
LEC 1 Credit 1 Period  
Consideration of motor development in the toddler through the 8-year-old and exploration of age appropriate rhythmic, musical and creative movement methods. Prerequisites: None.

ECH282 - Discipline and Guidance of Child Groups  
LEC 1 Credit 1 Period  
Exploration of techniques for guiding children in groups with focus on individual child and adult needs for a disciplined environment. Prerequisites: None.

ECH283 - Physical Well-Being of the Young Child  
LEC 1 Credit 1 Period  
Ensuring the physical health and safety of young children through age-appropriate environments, routines, and learning experiences. Prerequisites: None.

ECH284AA - Early Childhood Teaching Internship  
LEC + LAB 2 Credits 2 Periods  
Work experience in child care centers. 80 hours of designated work per Credit. Maximum of 6 Credits allowed. Prerequisites: CFS/ECH176 and permission of department. Co-requisites: CFS/ECH269. Cross-References: CFS284AA

ECH287 - Professional Development in Early Childhood Education  
LEC 1 Credit 1 Period  
Emerging professionalism within the field of early childhood education. Consideration of job responsibilities, rewards, ethics and current issues facing practitioners. Includes assessment and career planning. Prerequisites: None. Cross-References: CFS287

ECH296WA-WD - Cooperative Education  
LAB 1 Credit 5 Periods  
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at least twelve (12) college credits, minimum 2.6 grade point average, and be able to obtain a position related to student’s academic or career goals (student’s present job may qualify); or permission of instructor. Corequisites: Must be concurrently enrolled in at least one class which is related to student’s major or career interest or with permission of the instructor.

Economics (ECN)  
ECN211 - Macroeconomic Principles  
LEC 3 Credits 3 Periods  
A descriptive analysis of the structure and functioning of the American economy. Emphasis on basic economic institutions and factors that determine national income and employment levels. Consideration given to the macroeconomic topics of national income, unemployment, inflation and monetary and fiscal policies. Prerequisites: None. [SB]

ECN212 - Microeconomic Principles  
LEC 3 Credits 3 Periods  
Microeconomic analysis including the theory of consumer choice, price determination, resource allocation and income distribution. Includes noncompetitive market structures such as monopoly and oligopoly; and the effects of government regulation. Prerequisites: None. [SB]

Education Montessori (EDM)  
EDM110 - Montessori Philosophy/Elementary Classroom Management/Mathematics I  
LEC 4 Credits 4 Periods  
Montessori philosophy of education and principles of child development with emphasis on the 6-12 aged child. Comparison with contemporary theories of education. Areas and elements of Montessori Elementary classroom management. Montessori Mathematics I with focus on the history of numbers, linear concepts, the decimal system, the

<tr>
<td>EDM210</td>
<td>Montessori 9-12 Philosophy/Management/Language Arts</td>
<td>4</td>
<td>4</td>
<td>Instruction in Montessori upper elementary Education Philosophy, Classroom Management, and Language Arts curricula. Philosophy covers the Montessori Method of education and principles of child development with emphasis on the 9-12 aged child, and its comparison with traditional education theories; Management addresses the practical issues of directing a classroom and providing for student needs; and Language Arts covers the structure, content, and progression of the language and grammar lessons. Prerequisites: Bachelor's degree from a regionally accredited United States college/university, CFS/ECH176, Montessori Certification for ages 2.5-6 or ECH100, completion of Montessori Certification coursework for ages 6-9, and permission of the Montessori Elementary Program Coordinator. Corequisites: EDM211.</td>
</tr>
<tr>
<td>EDM211</td>
<td>Montessori 9-12 Mathematics</td>
<td>3</td>
<td>3</td>
<td>Instruction in the Montessori upper elementary Mathematics curriculum with focus on the development of the mathematical mind of the 9-12 aged student. Covers the structure, content, and progression of the mathematics lessons. Prerequisites: Bachelor's degree from a regionally accredited United States college/university, and CFS/ECH176, and Montessori Certification for ages 2.5-6 or ECH100, and completion of Montessori certification coursework for ages 6-9, and permission of the Montessori Elementary Program Coordinator. Corequisites: EDM210.</td>
</tr>
</tbody>
</table>
### EDM212 - Montessori 9-12 History/Geography/Physical Sciences
**LEC** 4 Credits 4 Periods
Instruction in Montessori upper elementary History, Geography, and Physical Science curricula. Covers the purpose, structure, content, progression, and integration of the lessons in these subject areas. Prerequisites: EDM210 and EDM211, and permission of the Montessori Elementary Program Coordinator. Corequisites: EDM213.

### EDM213 - Montessori 9-12 Geometry/Life Sciences
**LEC** 4 Credits 4 Periods
Instruction in Montessori upper elementary Geometry, Measurement, and Life Sciences curricula. Covers the structure, content, and progression of the lessons in these subject areas, and their integration with other subject areas. Prerequisites: EDM210 and EDM211, and permission of the Montessori Elementary Program Coordinator. Corequisites: EDM212.

### EDM214 - Montessori 9-12 Practicum A Field
**LAB** 4 Credits 4 Periods
First semester of practicum requirement, focusing on the development and implementation of core curricula, teaching expertise, classroom management skills and professionalism. Prerequisites: EDM212 and EDM213, and permission of the Montessori Elementary Program Coordinator. Corequisites: EDM212.

### EDM215 - Montessori 9-12 Curriculum Development and Design
**LEC** 3 Credits 3 Periods
Development of upper level curricula with focus on the creation and implementation of auxiliary programs for the 9-12 aged student. Covers Practical Life, Visual Arts & Crafts, Music, Movement & Physical Education, and Computers. Also covers elements of curriculum design including the criteria for choosing, creating, and adapting teaching materials for all curricula areas of a Montessori program. Prerequisites: EDM212 and EDM213, and permission of the Montessori Elementary Program Coordinator. Corequisites: EDM214.

### EDM216 - Montessori 9-12 Practicum B Field
**LAB** 4 Credits 4 Periods
Focus on the development and implementation of curricula, teaching expertise, classroom management skills, and professionalism. Prerequisites: EDM214 and EDM215, and permission of the Montessori Elementary Program Coordinator. Course Notes: Practicum with a minimum of 600 contact hours.

### EDM217 - Leadership and Administration
**LEC** 1 Credit 1 Period
Provides an overview of leadership responsibilities and opportunities in Montessori and general education communities. Addresses issues related to administration of a school, and professional presentation of educational issues. Prerequisites: EDM216, and permission of the Montessori Elementary Program Coordinator.

### Education (EDU)

#### EDU105 - Substitute Teacher Training
**LEC + LAB** 2 Credits 2 Periods
Survey of issues important to substitute teaching in Arizona. Discussion of certification, professional behavior, and classroom techniques. In school practicum provides hands-on application of concepts. In Prerequisites: None

#### EDU202 - Bilingual Storytelling
**LEC** 3 Credits 3 Periods
Introduction to bilingual storytelling as a genre. Research, develop, and craft bilingual stories. Find appropriate contexts and venues for telling. Assist in the integration and application of bilingual storytelling to the learning environment in the classroom. Prerequisites: None. Cross-reference: STO202

#### EDU221 - Introduction to Education
**LEC** 3 Credits 3 Periods
Overview of the historical, political, economic, social, and philosophical factors that influence education and make it so complex. Opportunity for students to assess their interest and suitability for teaching. Prerequisites: None. Course Note: Requires minimum of 30 hours of field experience in elementary or secondary classroom environment. [SB]

#### EDU222 - Introduction to the Exceptional Learner
**LEC** 3 Credits 3 Periods
Overview of the exceptional learner, one who differs from the average or normal, with emphasis on factors relating to current practices, identification, characteristics, and educational adaptations. Issues related to mildly disabled, severely disabled, emotionally and behaviorally disordered, mentally retarded, and gifted students. Prerequisites: None. [C, SB]

#### EDU230 - Cultural Diversity in Education
**LEC** 3 Credits 3 Periods
Examination of the relationship of cultural values to the formation of self-concept and learning styles. Examination of the role of prejudice, stereotyping and cultural incompatibilities in education. Emphasis on teacher preparation (preservice and/or inservice) to offer an equal educational opportunity to students of all cultural groups. Prerequisites: None. [C]

#### EDU230 - Cultural Diversity in Education
**LEC** 3 Credits 3 Periods
Examination of the relationship of cultural values to the formation of self-concept and learning styles. Examination of the role of prejudice, stereotyping and cultural incompatibilities in education. Emphasis on teacher preparation (preservice and/or inservice) to offer an equal educational opportunity to students of all cultural groups. Prerequisites: None. [C]

#### EDU250 - Teaching and Learning in the Community College
**LEC** 3 Credits 3 Periods
The history, functions, organization and current issues in the community/junior college with emphasis on the Arizona community colleges. Includes focus on the design and practice of effective community college teaching and learning with special emphasis on the Maricopa County Community College District. Prerequisites: None.

#### EDU283AA - Using Storytelling in Educational Settings
**LEC** 1 Credit 1 Period
The application of storytelling and storytelling activities in educational settings. Prerequisites: None. Cross-Reference: STO289AA
EDU291 - Children’s Literature
LEC  3 Credits     3 Periods
Review of folk and modern literature from a variety of world cultures, including application of literary criteria to folk and modern literature for children. Prerequisites: None. Cross-References: ENH291 [HU]

EDU292 - The Art of Storytelling
LEC  3 Credits     3 Periods
Explore the art and origin of storytelling. Provide a variety of storytelling techniques, styles and exercises to enhance the delivery of telling stories. Assist in the integration and application of storytelling to the learning environment in the classroom. Prerequisites: None. Cross-References: ENH292, STO292 [C, HU]

EDU294 - Multicultural Folktales
LEC  3 Credits     3 Periods
Study of multicultural folktales, exploring the impact of the oral tradition in American society and showing classroom applications. Prerequisites: None. Cross-References: ENH294, STO294. [C, HU]

EDU298AA - Special Projects
LAB  1 Credit     1 Period
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or instructor.

**Early Education (EED)**

EED200 - Foundations of Early Childhood Education
LEC  3 Credits     3 Periods
Overview of early childhood education (birth to age eight) in American society, including current issues and responsibilities. Emphasis on issues of professionalism, ethics and program types. Opportunities for students to explore potential career paths. Prerequisites: None. Course Note: EED200 requires a minimum of 30 hours of field experience in birth to age eight environments. [SB]

EED212 - Guidance, Management and the Environment
LEC  3 Credits     3 Periods
Principles for guiding young children in early care and education environments. Exploration of guidance, management, and how the environment impacts the lives of young children. Includes observation of classrooms of children ages birth to age eight. Prerequisites: None.

EED215 - Early Learning, Health, Safety, Nutrition and Fitness
LEC  3 Credits     3 Periods
Consideration of public health issues and safety procedures within early childhood settings, serving young children birth to age eight. Overview of nutritional needs and issues of physical fitness and well-being in young children. Includes field experiences. Prerequisites: None

EED220 - Child, Family, Community and Culture
LEC  3 Credits     3 Periods
Examines family, community and cultural influences on development of the young child (birth to age eight). Considers trends and threats to attachment, relationships and cultural identity. Includes social and emotional experiences and their impact on the developing brain. Prerequisites: None.

EED222 - Introduction to the Exceptional Young Child: Birth to Age Eight
LEC  3 Credits     3 Periods
Overview of the exceptional learner (birth - age eight), one who differs from the average or the norm, with emphasis on observation, techniques, characteristics, identification, types of programs, and work with families. Issues related to learning exceptionalities, sensory and communication disorders, social and emotional problems, physical and health related disorders, and giftedness. Includes field experience. Prerequisites: None. [C, SB]

EED230 - Diversity in Early Childhood Education
LEC  3 Credits     3 Periods
Examination of the relationship of cultural values to the formation of the young child’s concept of self and the learning process. Emphasis on preparing future early education educators to offer an equal educational opportunity to young children of all cultural groups. Prerequisites: None.

EED260 - Early Childhood Infant/Toddler Internship
LEC  1 Credit     1 Period
Work experience with infants and toddlers in early care and education settings. 80 hours of designated work per credit. Prerequisites: Permission of department. Course Note: May be repeated for a total of six (6) credit hours.

EED261 - Early Childhood Preschool Internship
LAB  1 Credit     1 Period
Work experience with preschoolers in early care and education settings. 80 hours of designated work per credit. Prerequisites: Permission of department. Course Note: May be repeated for a total of six (6) credit hours.

EED276 - Global Child Development
LEC  3 Credits     3 Periods
Exploration of the ways that biology and cultures influence the well-being and development of children around the world. Considers traditional and scientific views of the child, as well as threats to the well-being of the young in the contemporary world. Prerequisites: None.

EED278 - Early Learning: Curriculum and Instruction – Birth/Preschool
LEC  3 Credits     3 Periods
Considerations and evaluations of curriculum appropriate to the developmental characteristics of learners, birth through five years. Includes how early childhood standards,
An introduction to the field of electronics for those who may
nonmathematical in nature; includes familiarization with a
wide range of electronic components. Application to
electronic systems, such as radio transmitters and receivers
controls, and computers. Application also to automotive
both AM and FM, television transmitters and receivers, logic

Prerequisites: None.

EMT104 - Basic Emergency Medical Technology
LEC + LAB 8 Credits 9.45 Periods
Techniques of emergency medical care in accordance with
national and state curriculum. Study of the human body, patient assessment, treatment of medically or dramatically compromised patients, special hazards, and medical operations. IV monitoring, Sudden Infant Death Syndrome (SIDS), patient-assisted medication administration, automated external defibrillators, and blood-glucose monitoring. Includes participation in two eight-hour clinical rotations through a local emergency department scheduled during the semester outside normal class hours. Requires personal pocket mask, stethoscope, pen light, and trauma scissors. Prerequisites: Must be at least 18 years of age prior to applying to the BLS (Basic Life Support) Training Program per Arizona Revised Statutes, and must have a current validation in Basic Life Support (BLS) Health Care Provider/Professional Rescuer. Minimum ninth grade level reading proficiency on the Nelson-Denney Examination or appropriate Reading course placement score. Proof of: TB testing or chest x-ray with a negative result within 6 months prior to registration; Immunity to rubella (German measles) and rubeola. Cross-References: FSC104

English (ENG)
ENG081 - Basic Writing Skills
LEC 3 Credits 3 Periods
Emphasis on preparation for college-level composition with a focus on foundational skills. Establishing effective writing strategies through six or more writing projects comprising at least 1500 words in total. Prerequisites: Appropriate writing placement test score, or a grade of C or better in ENG071 or ESL077, or permission of Department or Division.

ENG091 - Fundamentals of Writing
LEC 3 Credits 3 Periods
Emphasis on preparation for college-level composition with a focus on organizational skills. Developing effective writing strategies through five or more writing projects comprising at least 2000 words in total. Prerequisites: Appropriate writing placement test score, or a grade of C or better in ENG081 or ESL087, or permission of Department or Division.

ENG095AA - Tutored Developmental Writing: Generating and Drafting
LEC + LAB 1 Credit 1 Period
Structured tutorial assistance in writing skills to help students achieve success in a developmental writing course in which they are concurrently enrolled. Emphasis on generative writing skills. Prerequisites: None. Corequisites: ENG081 or ENG091. Course Notes: ENG095AA may be repeated for credit.

ENG100AE - Composition Skills
LEC 1 Credit 1 Period
Developing generative and evaluative writing skills using selected software programs. Prerequisites: None.

ENG101 - First Year Composition
LEC 3 Credits 3 Periods
Emphasis on rhetoric and composition with a focus on expository writing and understanding writing as a process. Establishing effective college-level writing strategies through four or more writing projects comprising at least 3,000 words in total. Prerequisites: Appropriate writing placement test score, or a grade of C or better in ENG091 or ESL097. [FYC]

ENG102 - First Year Composition
LEC 3 Credits 3 Periods
Emphasis on rhetoric and composition with a focus on persuasive, research-based writing and understanding writing as a process. Developing advanced college-level writing strategies through three or more writing projects comprising at least 4,000 words in total. Prerequisites: Grade of C or better in ENG101. [FYC]

**English as a Second Language (ESL)**

**ESL001 - Basic English as a Second Language I**

**LEC** 6 Credits 6 Periods

Listening, speaking, reading, and writing in English at a basic level. Focus on survival skills related to life in the United States. Introduction to elementary grammatical patterns. Prerequisites: None.

**ESL001AD - Basic English as a Second Language I: Employment**

**LEC** 1 Credit 1 Period

Listening, speaking, reading and writing in English at a basic level. Focus on survival skills related to employment when living in the United States. Introduction to elementary grammatical patterns. Prerequisites: ESL001AC, or ESL001CA, or permission of instructor. Course Note: Credit (P) or no credit (Z). Standard grading available according to procedures outlined in catalog. May be repeated for a total of two (2) credits.

**ESL001AF - Basic English as a Second Language I: Everyday Life**

**LEC** 1 Credit 1 Period

Listening, speaking, reading and writing in English at a basic level. Focus on survival skills related to everyday life when living in the United States. Introduction to elementary grammatical patterns. Prerequisites: ESL001AE, or permission of instructor. Course Note: Credit (P) or no credit (Z). Standard grading available according to procedures outlined in catalog. May be repeated for a total of two (2) credits.

**ESL002BB - Basic ESK II: Services & Employment**

**LEC** 2 Credits 2 Periods

Listening, speaking, reading, and writing English at a high beginning level. Focus on survival skills related to services and employment when living in the United States. Continuing development of grammatical patterns. May be repeated for a total of four (4) credits. Prerequisites: ESL002BA or permission of instructor. Course Note: Credit (P) or no credit (Z). Standard grading available according to procedures outlined in catalog. May be repeated for a total of two (2) credits.

**ESL010 - English as a Second Language I-Grammar**

**LEC** 3 Credits 3 Periods

First level of English as a Second Language (ESL). Emphasis on basic conversational skills, pronunciation, vocabulary building and grammar. Some reading and sentence level writing. Credit (P) or no Credit (Z). Standard grading available according to procedures outlined in catalog. May be repeated for a maximum of six (6) Credits. Prerequisites: Appropriate ESL placement test score or ESL002. Course Notes: ESL010 may be repeated for a maximum of six (6) credits.

**ESL020 - English as a Second Language II-Grammar**

**LEC** 3 Credits 3 Periods

Second level of English as a Second Language (ESL). Continued emphasis on conversational skills, pronunciation, vocabulary building and grammar with some reading and sentence level writing. Credit (P) or no Credit (Z). Standard grading available according to procedures outlined in catalog. May be repeated for a maximum of six (6) Credits. Prerequisites: Appropriate ESL placement test score, or a grade of “P” or “C” or better in ESL010, or (ESL010AA, ESL010AB, and ESL010AC)

**ESL021 - English as a Second Language II Listening and Speaking**

**LEC** 3 Credits 3 Periods

Emphasis on listening and speaking skills involving social exchange. Asking and answering questions, using tag questions. Practice with question and answer patterns. Polite questions and responses. May be repeated for a maximum of six (6) credits. Prerequisites: Appropriate ESL placement test score or ESL010 or ESL011 or ESL012 or RDG010.

**ESL030 - English as a Second Language III-Grammar**

**LEC** 3 Credits 3 Periods

Third level of English as a Second Language (ESL). Emphasis on sentence structure and paragraph building. Extensive grammar study and writing practice. Credit (P) or no Credit (Z). Standard grading available according to procedures outlined in catalog. May be repeated for a maximum of six (6) Credits. Prerequisites: Appropriate ESL placement test score, or a grade of “P” or “C” or better in ESL020, or (ESL020AA, ESL020AB, and ESL020AC).

**ESL031 - English as a Second Language III Listening and Speaking**

**LEC** 3 Credits 3 Periods

Emphasis on listening and speaking skills related primarily to the academic environment. Asking questions, working in small groups, using college resources, informal oral presentation. May be repeated for a maximum of six Credits. Prerequisites: Appropriate ESL placement test score or ESL020 or ESL021 or ESL022 or RDG020.

**ESL032 - ESL III – Writing with Oral Practice**

**LEC** 3 Credits 3 Periods

Emphasis on complex sentence patterns in writing and speech. Introduction to the prewriting and writing process in a college setting. May be repeated for a maximum of six (6) credits. Prerequisites: Appropriate ESL course placement score, or a grade of C or better in ESL022, or permission of instructor.

**OFFICIAL COURSE DESCRIPTIONS**

ESL040 - English as a Second Language IV-Grammar
LEC 3 Credits 3 Periods
Fourth level of English as a Second Language (ESL). Continued emphasis on sentence structure and paragraph building. Extensive grammar study and writing practice. Credit (P) or no Credit (Z). Standard grading available according to procedures outlined in catalog. May be repeated for a maximum of six (6) Credits. Prerequisites: Appropriate ESL placement test score, or a grade of “P” or “C” or better in ESL030, or (ESL030AA, ESL030AB, and ESL030AC).

ESL041 - English as a Second Language IV-Listening and Speaking
LEC 3 Credits 3 Periods
Emphasis on academic skills. Listening to Lectures, note taking, peer interaction, accessing and using media resources, formal oral presentations. May be repeated for a maximum of six (6) credits. Prerequisites: Appropriate ESL course placement score, or a grade of C or better in ESL032, or permission of instructor.

ESL049 - General Vocational English as a Second Language
LEC 3 Credits 3 Periods
General English speaking, listening, reading, and writing skills needed for use at work. Prerequisites: Appropriate ESL course placement score, or a grade of “C” or better in ESL032, or (ESL010AA, ESL010AB, and ESL010AC), or permission of instructor.

ESL050 - Review Grammar For ESL
LEC 3 Credits 3 Periods
Review of grammatical concepts for ESL (English as a Second Language) students who have some previous experience in reading and writing English. Appropriate for students who want to practice sentence skills in English. May be repeated for a total of six (6) credits. Prerequisites: Appropriate ESL course placement score, or a grade of C or better in ESL040, or permission of instructor.

ESL051 - Pronunciation Improvement for ESL Speakers
LEC 3 Credits 3 Periods
Individualized pronunciation practice and drills for English as a second language (ESL) speakers. May be repeated for a maximum of six (6) Credits. Prerequisites: Appropriate ESL course placement score, or a grade of C or better in ESL020 or ESL021 or ESL022 or RDG020, or permission of instructor.

ESL052 - Job-Specific Writing and Speaking Skills for ESL
LEC 3 Credits 3 Periods
Using and understanding English for specific employment or vocational training. Includes English speaking, reading and writing skills. Prerequisites: Appropriate ESL test score or satisfactory completion of ESL049, or permission of instructor.

ESL054 - American Culture
LEC 3 Credits 3 Periods
Reading and writing about American culture including history, institutions and sports, and entertainment. Prerequisites: Appropriate ESL placement test score, or a grade of C or better in ESL040, or (ESL040AA, ESL040AB, and ESL040AC), or RDG040, or permission of instructor.

ESL061 - Informal Conversational and Written English for Non-native Speakers
LEC 3 Credits 3 Periods
Practice speaking and writing English in informal settings. Emphasis on friendly conversational techniques and effective use of the computer and the Internet to communicate in a friendly, relaxed manner. Prerequisites: Appropriate ESL placement test score, or completion of ESL020 or ESL021 or ESL022 or RDG020 with a grade of “P” or “C” or better.

Employment Support Systems (ESS)

ESS101 - Introduction to Employment Support
LEC 3 Credits 3 Periods
Roles and responsibilities of the Employment Support Specialist. Philosophy and values of employment support systems. Procedures and practices for establishing relationships with trainees, identifying suitable employment and assisting the trainee in learning the job for job acquisition. Prerequisites: None.

ESS103 - Employment Support Systems Practices
LEC + LAB 3 Credits 5 Periods
Specific characteristics and safety requirements for developmental, physical and serious mental illness disabilities. Skills and techniques for Employment Support Specialists to assist trainees after employment acquisition. Responsibilities and on-the-job application in the employment setting including orientation, task/job analysis, training “assists”, data collection and documentation. Prerequisites: ESS101 or permission of department.

ESS110 - Americans with Disabilities Act Overview
LEC 2 Credits 2 Periods
Titles of Americans with Disabilities Act regulations and requirements including employment, transportation, accessibility, community awareness and assertive technology. Prerequisites: None.

Exercise Science (EXS)

EXS101 - Introduction to Exercise Science, Kinesiology, and Physical Education
LEC 3 Credits 3 Periods
Introductory course that will provide the student with a general overview of the disciplines and professions associated with the fields of Exercise Science, Kinesiology
EXS112 - Professional Applications of Fitness Principles  
LEC  3 Credits  3 Periods 
Basic principles of fitness for the prospective fitness professional. Planning and teaching in a fitness program. Topics include exercise risks and safety, weight control, components of fitness, fitness assessment, and exercise programming. Prerequisites: None.

EXS125 - Introduction to Exercise Physiology  
LEC  3 Credits  3 Periods 
Principles of exercise science applied to teaching fitness/aerobics. Major factors related to the function of the human body. Emphasis on anatomy/physiology, exercise physiology, and biomechanics. Prerequisites: None

EXS130 - Strength Fitness – Physiological Principles and Training Techniques  
LEC + LAB  3 Credits  4.50 Periods 
Principles and techniques of strength training including strength physiology, performance factors, training recommendations, exercise techniques, and program design and management. Prerequisites: None.

EXS132 - Cardiovascular Fitness: Physiological Principles and Training Techniques  
LEC  2 Credits  2 Periods 
Covers principles and techniques of aerobic training and the application of these to the development of aerobic training programs. Includes instructional techniques and safety, and stresses injury prevention. Prerequisites: None.

EXS145 - Guidelines for Exercise Testing and Prescription  
LEC + LAB  3 Credits  4.50 Periods 
Follows the current ACSM guidelines for health appraisal, risk assessment, safety of exercise, exercise testing, and exercise prescription. Prerequisites: None.

EXS212CR - Instructional Competency Laboratory: Cardiorespiratory Exercises and Activities  
LEC + LAB  2 Credits  3 Periods 
Fundamental methods of instructing and leading fitness activities including cardiorespiratory exercises and activities. Core competencies identified by professional certification agencies. Prerequisites: None.

EXS212FL - Instructional Competency Laboratory: Flexibility and Mind-Body Exercises  
LEC + LAB  2 Credits  3 Periods 
Fundamental methods of instructing and leading fitness activities including flexibility activities. Core competencies identified by professional certification agencies. Prerequisites: None.

EXS212SC - Instructional Competency Laboratory: Muscular Strength and Conditioning  
LEC + LAB  2 Credits  3 Periods 
Fundamental methods of instructing and leading fitness activities including strength and conditioning activities. Core competencies identified by professional certification agencies. Prerequisites: None.

EXS239 - Practical Applications of Personal Training Skills and Techniques Internship  
LEC + LAB  3 Credits  5.4 Periods 
Work experience in a fitness or health related facility. Eighty (80) hours of designated work per credit. Prerequisites: EXS142 or HES154 within the past two years, or current CPR certification, or permission of Department or Division. Course Notes: CPR certification must be current through the duration of the internship. EXS239 may be repeated for a maximum of six (6) credits.

EXS265 - Theory of Coaching  
LEC  3 Credits  3 Periods 
Discusses the impact of sports on the American culture, legal liabilities of coaching, principles of a coaching philosophy, the role of teaching skill, physical conditioning and nutrition in coaching, components of team/group psychology and dynamics, motivation and aggression in sport. Prerequisites: None. EXS281, suggested but not required.

EXS265BA - Baseball Theory of Coaching  
LEC  3 Credits  3 Periods  
Reviews the principles, philosophy, strategies and theory of coaching baseball, as a competitive sport. Prerequisites: None. Course Note: EXS265BA may not be repeated for credit.

EXS265BB - Basketball Theory of Coaching  
LEC  2 Credits  2 Periods  
Reviews the principles, philosophy, strategies and theory of coaching basketball, as a competitive sport. Prerequisites: None. Course Note: EXS265BB may not be repeated for credit.

EXS265GO - Golf Theory of Coaching  
LEC  3 Credits  3 Periods  
Reviews the principles, philosophy, strategies and theory of coaching golf, as a competitive sport. Prerequisites: None. Course Note: EXS265GO may not be repeated for credit.

EXS265GO - Golf Theory of Coaching  
LEC  3 Credits  3 Periods  
Reviews the principles, philosophy, strategies and theory of coaching golf, as a competitive sport. Prerequisites: None. Course Note: EXS265GO may not be repeated for credit.

EXS275 - Methods of Enhancing Physical Performance  
LEC  3 Credits  3 Periods  
Theoretical and practical applications of performance enhancement methodologies and practices. Basic sport mechanics and exercise physiology. Training clients for speed, power, agility, balance, and endurance activities to enhance athletic performance. Application of training principles to specific sports and design of training programs. Prerequisites: EXS125 or EXS130 or permission of Instructor.
EXS281BA - Baseball Methods of Coaching
LEC 3 Credits 3 Periods
Overview of the art and science of coaching baseball including: identifying various coaching styles, elements of effective communication, methods and techniques of coaching baseball. Prerequisites: None. Course Note: EXS281BA may not be repeated for credit.

EXS281BB - Basketball Methods of Coaching
LEC 3 Credits 3 Periods
Overview of the art and science of coaching basketball including: identifying various coaching styles, elements of effective communication, methods and techniques of coaching basketball. Prerequisites: None. Course Note: EXS281BB may not be repeated for credit.

EXS281GO - Golf Methods of Coaching
LEC 3 Credits 3 Periods
Overview of the art and science of coaching golf including: identifying various coaching styles, elements of effective communication, methods and techniques of coaching golf. Prerequisites: None. Course Note: EXS281GO may not be repeated for credit.

EXS281SB - Softball Methods of Coaching
LEC 3 Credits 3 Periods
Overview of the art and science of coaching softball including: identifying various coaching styles, elements of effective communication, methods and techniques of coaching softball. Prerequisites: None. Course Note: EXS281SB may not be repeated for credit.

EXS281SO - Soccer Methods of Coaching
LEC 3 Credits 3 Periods
Overview of the art and science of coaching soccer including: identifying various coaching styles, elements of effective communication, methods and techniques of coaching soccer. Prerequisites: None. Course Note: EXS281SO may not be repeated for credit.

EXS281VB - Volleyball Methods of Coaching
LEC 3 Credits 3 Periods
Overview of the art and science of coaching volleyball including: identifying various coaching styles, elements of effective communication, methods and techniques of coaching volleyball. Prerequisites: None. Course Note: EXS281VB may not be repeated for credit.

EXS285 - Exercise Program Design and Instruction
LEC 3 Credits 3 Periods
Business aspects of the fitness profession such as program administration, quality assurance, and effective communication skills for the professional personal trainer and/or strength and conditioning coach. Implementation of behavioral strategies, progression of program planning, and development of programs for populations with special physical/medical needs. Designing exercise programs in an internship setting. Prerequisites: EXS145 or permission of instructor.

Family and Consumer Science (FCS)
FCS250 - Portfolio Development and Professional Writing
LEC 3 Credits 3 Periods
Techniques of portfolio development to document prior learning gained through experience, training, and/or previous education. Includes study of learning styles and levels, analysis of personal and vocational experiences, synthesis of these with competencies for specific courses, and integration of the above with other material to create a portfolio to be introduced for evaluation for credit. Prerequisites: Completion of twelve (12) credit hours of FCS and/or FCS coursework and permission of Program Coordinator.

FCS260 - Family and Consumer Science Internship
LEC 1 Credit 1 Period
Work experience in community-based, family-focused service and/or educational organizations. 80 hours of designated work per credit. Prerequisites: Permission of instructor. Course Note: May be repeated for a total of six (6) credit hours

Financial Planning (FIN)
FIN110 - Introduction to Financial Planning
LEC 3 Credits 3 Periods
A survey of the financial planning process; introduction to regulations affecting financial planners; construction of financial statements; analysis of client's current financial situation; overview of economic environment; presentation of time value of money concepts; introduction to case analysis. Prerequisites: ACC111 or permission of instructor.

FIN281 - Basics of Technical Analysis for Investing
LEC 3 Credits 3 Periods
Basic overview of Technical Analysis for use and application in securities investing. Emphasis on price action and charting formations. Consideration of indicators and oscillators. Development of appropriate levels of money management and risk management. Prerequisites: None

FIN283 - Basics of Trading the FOREX Market
LEC 3 Credits 3 Periods
Basic overview of the FOREX market for use and application in currency trading and investing. Emphasis on price action and charting formations. Consideration of indicators and oscillators. Development of appropriate levels of money management and risk management. Prerequisites: None. Course Notes: Lecture and use of trading simulation software (fee based) required. FIN283 may be repeated for credit.

FIN285 - Basics of Futures and Options for Investing
LEC 3 Credits 3 Periods
Basic overview of Futures and Options for investing. Review of underlying markets and pricing. Consideration of history and development. Emphasis on use and types of trading. Prerequisites: FIN281 or permission of instructor.
FIN287 - Automated FOREX Trading Strategies Using Metatrader
LEC 3 Credits 3 Periods
Introduction to automated trading of Forex Currency Market using MetaTrader 4, and MQL4 language. Students will learn the basics of Forex and programming in MQL4 to automate basic strategies. Prerequisites: None. Course Notes: Use of trading simulation software (fee based) required. FIN287 may be repeated for credit.

FIN288 - Advanced Options for Investing and Trading
LEC 3 Credits 3 Periods
Advanced overview of Securities Options for investing and trading. Review of underlying markets and pricing. Consideration of theories and concepts. Emphasis on use of advanced and complex trading tactics and systems. Prerequisites: FIN285 or permission of Instructor. Course Notes: Use of trading simulation software (fee based) required. FIN288 may be repeated for credit.

FIN291 - Advanced Concepts of Technical Analysis for Investing
LEC 3 Credits 3 Periods
Advanced overview of Technical Analysis for use and application in securities investing. Consideration of theories and concepts. Emphasis on strategies and patterns. Development of advanced trading tactics and set-ups. Overview and use of systems. Prerequisites: FIN281 or permission of instructor.

Food and Nutrition (FON)
FON100 - Introductory Nutrition
LEC 3 Credits 3 Periods
Basic nutrition concepts for health and fitness. Emphasizes current dietary recommendations for maximizing well-being and minimizing risk of chronic disease. Focuses on use of tables, food guides, and guidelines for making healthy food choices. Includes unique nutrition needs for selected stages of the lifecycle, methods for evaluating creditability of nutrition claims, principles of vegetarian nutrition, safe and economic use of supplements, principles of energy balance, basic elements of food safety, diet for exercise and sports, and personal dietary evaluation techniques. Not for predietetics or selected other preprofessional majors. May not be taken for credit if credit has been earned in FON100AA and/or FON100AC. Prerequisites: None.

FON210 - Sports Nutrition and Supplements for Physical Activity
LEC 3 Credits 3 Periods
Description: Principles of nutrition applied to fitness, exercise, and sports. Dietary fundamentals as applied to body fuels, hydration, and other unique needs for exercise and sports. Includes dietary guidelines for weight or endurance training, glycogen loading, the pre-game meal, and glycogen recovery. Emphasis on maximizing fitness, performance, and safety. Discussion of supplements and their effects on metabolic enhancement. Discussion of anabolic, catabolic, and energy-producing agents. Addresses current supplements on the market. Prerequisites: FON100AA, or FON100, or equivalent, or permission of instructor.

FON230 - Nutrition for Special Populations
LEC 3 Credits 3 Periods
Managing and understanding the nutrition needs of special populations. These populations include people who are diagnosed with heart disease, diabetes, women who are pregnant, children who are suffering from obesity, and senior adults. Prerequisites: FON100 or permission of instructor.

FON241 - Principles of Human Nutrition
LEC 3 Credits 3 Periods
Scientific principles of human nutrition. Emphasis on health promotion and concepts for conveying accurate nutrition information in a professional setting. Addresses therapeutic nutrition principles for treatment of common health conditions. Includes exploration of food sources of nutrients, basic metabolism of nutrients in the human body, relationship between diet and other lifestyle factors, use of supplements, current recommendations for food selection throughout the life cycle, and use of nutrition tools for planning food intake or assessment of nutritional status. Prerequisites: None.

FON247 - Weight Management Theory
LEC 3 Credits 3 Periods
Comprehensive study of genetic, physiological, psychological, metabolic, and environmental influences on body weight. In-depth study of the theories of body weight with emphasis on distinguishing between behavioral and biological approaches. Focus on discovering successful healthful long-term weight management strategies. Prerequisites: FON100 or FON241 or permission of instructor.

French (FRE)
FRE085AA - Speedy French I
LEC 1 Credit 1 Period
Basic vocabulary and grammar to develop conversational skills in French. Prerequisites: None.

FRE085AB - Speedy French II
LEC 1 Credit 1 Period
Intermediate vocabulary and grammar to develop conversational skills in French. Prerequisites: FRE085AA.

FRE085AC - Speedy French III
LEC 1 Credit 1 Period
Advanced vocabulary and grammar to develop conversational skills in French. Prerequisites: FRE085AA.

FRE085AB - Speedy French II
LEC 1 Credit 1 Period
Intermediate vocabulary and grammar to develop conversational skills in French. Prerequisites: FRE085AA.

FRE101 - Elementary French I
LEC 4 Credits 4 Periods
Basic grammar, pronunciation and vocabulary of the French language. Includes the study of French culture, practice of listening, speaking, reading and writing skills. Prerequisites: None.
FRE102 - Elementary French II
LEC 4 Credits 4 Periods
Continued study of grammar and vocabulary of the French language along with the study of French culture. Emphasis on speaking, listening, reading and writing skills. Prerequisites: FRE101 or equivalent.

Fire Science Technology (FSC)
FSC105 - Hazardous Materials/First Responder
LEC 3 Credits 3 Periods
Basic methods of recognition and identification based upon the chemical and physical properties of hazardous materials; basic safety procedures when utilizing specific types of protective clothing and equipment; basic tactical information relating to scene management. Confined space operations in accordance with the National Fire Protection Agency. Prerequisites: None.

FSC139 - Emergency Response to Terrorism
LEC 3 Credits 3 Periods
Fundamentals of emergency response to suspected terrorist events. Historical perspective of terrorist activities and methods by which responders can identify and protect themselves and the public from these threats. Coordination of responding agencies. Prerequisites: None. Cross-Reference: AJS139

FSC146 - Disaster Recovery Operations
LEC 3 Credits 3 Periods
Specialized knowledge and skills for the emergency manager in developing programs and activities associated with disaster recovery assistance and mitigation actions that reduce losses from future disasters. Prerequisites: None. Cross-References: AJS146

FSC147 - Emergency Preparedness
LEC 3 Credits 3 Periods
Emergency preparedness related to natural and manmade disasters. Planning concepts and the planning process; awareness and education programs and strategies for the general community as well as business and industries. Prerequisites: None. Cross-References: AJS147

FSC148 - Fundamentals of Emergency Management
LEC 3 Credits 3 Periods
Emergency management systems including career opportunities, function, tasks and responsibilities of the emergency management program manager, role of the emergency manager in mitigation, preparedness, response, and recovery. Past civil defense and current emergency management systems since evolution from World War II. Prerequisites: None. Cross-References: AJS148

FSC149 - Hazard Mitigation
LEC 3 Credits 3 Periods
Knowledge and skills required to develop programs to reduce losses from future disasters, emergencies, and other extreme events caused by natural and manmade hazards. Prerequisites: None. Cross-References: AJS149

FSC211 - Fundamentals of Flammable Hazardous Materials
LEC 3 Credits 3 Periods
Fundamentals of chemistry used in fire service, chemistry of flammable hazardous materials, containers used to store and transport flammable hazardous materials, and equipment and materials used in controlling emergencies involving flammables. Also includes tactics for hazardous materials emergencies, and laws at federal, state, and local levels pertaining to the use, storage, and transportation of hazardous materials and hazardous wastes. Prerequisites: FSC105.

FSC212 - Dangerous and Explosive Hazardous Materials
LEC 3 Credits 3 Periods
The chemistry of reactive and unstable hazardous materials, the toxicology of dangerous chemicals, and the measures taken to protect responders, the community, and the environment of chemical accidents. Also includes an introduction to field sampling of unknown substances. Prerequisites: FSC211.

FSC224 - Incident Command Systems
LEC 3 Credits 3 Periods
Methods for managing emergency incidents including command, control and coordination of response to all types of incidents, including hazardous materials, natural hazards, fire and multiple casualty incidents. Emphasis on stabilization and protecting life, property, and environment. Prerequisites: None

General Business (GBS)
GBS110 - Human Relations in Business and Industry
LEC 3 Credits 3 Periods
Exploration of fundamental theories and concepts of human relations in business and industry. Particular emphasis is placed on developing effective interpersonal relationships and leadership skills within an organization. Prerequisites: None.

GBS131 - Business Calculations
LEC 3 Credits 3 Periods
Review of basic arithmetic and application of mathematics to business problems, includes percentage, interest, discount, and markups. Prerequisites: None.

GBS132 - Personal and Family Financial Security
LEC 3 Credits 3 Periods
Principles and practices of personal and family financial planning, includes savings, budgeting, credit, buying versus renting and general principles of consumerism. Prerequisites: None. Cross-References: HEC132

GBS151 - Introduction to Business
LEC 3 Credits 3 Periods
Characteristics and activities of current local, national, and international business. An overview of economics, marketing, management and finance. Prerequisites: None.
GBS161 - Mathematics of Business  
LEC 3 Credits 3 Periods  
Applications of basic financial mathematics; includes interest, financial statement, stocks and bonds, and international business. Prerequisites: GBS131, or MAT102, or permission of department/division.

GBS205 - Legal Ethical, and Regulatory Issues in Business  
LEC 3 Credits 3 Periods  
Legal theories, ethical issues and regulatory climate affecting business policies and decisions. Prerequisites: None.

GBS207 - Business Law (General Corporate)  
LEC 3 Credits 3 Periods  
Legal and ethical aspects of agency, partnerships, corporations, bankruptcy, antitrust, securities, and other regulations of business. Prerequisites: None.

GBS220 - Quantitative Methods of Business  
LEC 3 Credits 3 Periods  
Business applications of quantitative optimization methods in operations management decisions. Prerequisites: (Grade of “C” or better in MAT150, or MAT151, or MAT152) or equivalent, or satisfactory score on district placement exam.

GBS221 - Business Statistics  
LEC 3 Credits 3 Periods  
Business applications of descriptive and inferential statistics, measurement of relationships, and statistical process management. Includes the use of spreadsheet software for business statistical analysis. Prerequisites: Grade of C or better in GBS220 or MAT217.

GBS233 - Business Communication  
LEC 3 Credits 3 Periods  
Internal and external business communications, including verbal and nonverbal techniques. Prerequisites: ENG 101 or ENG 107 with grade of “C” or better, or permission of department/division. [L]

GBS261 - Investments I  
LEC 3 Credits 3 Periods  
Evaluation of various investment forms including study of inflation, taxation, government securities, stocks and bonds, real estate and retirement plans. Prerequisites: None.

GBS298AA-AC - Special Projects  
LAB 1-3 Credits 1-3 Periods  
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: Permission of Program Director or instructor.

Geography (GCU)  
GCU102 - Introduction to Human Geography  
LEC 3 Credits 3 Periods  
Systematic study of human use of the earth. Spatial organization of economic, social, political, and perceptual environments. Prerequisites: None [G, SB]

German (GER)  
GER085AA - Speedy German I  
LEC 1 Credit 1 Period  
Basic grammar and vocabulary of the German language to practice listening and speaking skills. Prerequisites: None.

GER085AB - Speedy German II  
LEC 1 Credit 1 Period  
Intermediate vocabulary, German syntax and inflections to further develop conversational skills in German. Prerequisites: GER085AA.

GER085AC - Speedy German III  
LEC 1 Credit 1 Period  
Continued development of German speaking and listening skills to express opinions and thoughts on a variety of subjects. Prerequisites: GER085AA and GER085AB.

GER101 - Elementary German I  
LEC 4 Credits 4 Periods  
Basic grammar, pronunciation and vocabulary of the German language. Includes the study of German culture, practice of listening, speaking, reading and writing skills. Prerequisites: None.

GER102 - Elementary German II  
LEC 4 Credits 4 Periods  
Continued study of grammar and vocabulary of the German language along with the study of German culture. Emphasis on German language skills. Prerequisites: GER101 or equivalent.

GER201 - Intermediate German I  
LEC 4 Credits 4 Periods  
Review of essential grammar of the German language and study of the German culture. Continued practice and development of reading, writing, and speaking skills. Prerequisites: GER102, two years of high school German, or departmental approval.

GER202 - Intermediate German II  
LEC 4 Credits 4 Periods  
Continued development of German language skills and continued study of the German culture. Prerequisites: GER201, or equivalent, or departmental approval.
Geology (GLG)

GLG101 - Introduction to Geology I - Physical Lecture
LEC 3 Credits 3 Periods
A study of the kind and arrangement of materials composing the earth’s crust and the geological processes at work on and within the earth’s surface. Prerequisites: None. [G, SQ]

GLG102 - Introduction to Geology II - Historical Lecture
LEC 3 Credits 3 Periods
Outlines the origin and history of the earth with emphasis on North America—its dynamic, geographic, and climatic changes; animals and plants of the past; the evolution of life. Prerequisites: None. [H, SG]

GLG103 - Introduction to Geology I: Physical LAB
LAB 1 Credit 3 Periods
May accompany GLG 101. Study of common rock forming minerals, rocks and maps. Prerequisites: None. [SQ]

GLG104 - Introduction to Geology II: Historical LAB
LAB 1 Credit 3 Periods
May accompany GLC 102. Study of geological structures and rocks, fossils, and geologic maps. May require field trips. Prerequisites: None. [SG]

GLG110 - Geologic Disasters and the Environment
LEC 3 Credits 3 Periods
Acquaints students with the use and importance of geological studies as they apply to the interactions between people and the earth. Includes geological processes and hazards such as floods, earthquakes and landslides; use of fossil fuels; mining of raw materials. Prerequisites: None. [G, SG]

GLG111 - Geologic Disasters and the Environment LAB
LAB 1 Credit 3 Periods
May accompany GLG 110. Basic geological processes and concepts. Emphasis on geology-related environmental problems concerning Arizona. Case histories and field studies. May require field trips. Prerequisites: None. [SG]

General Technology (GTC)

GTC127 - Beginning Woodworking
LEC + LAB 3 Credits 4 Periods
Introduction to woodworking fundamentals and applications. Familiarization with the basic woodworking tools emphasizing the safe and proper use of woodworking hand tools and stationary and portable power tools. Class projects develop a working project plan, identify material needs, cost analysis, basic construction of the project, and basic finishing techniques. Prerequisites: None.

GTC128 - Intermediate Woodworking
LEC + LAB 3 Credits 4 Periods
Further development and application of basic woodworking skills. Complex projects with emphasis on planning and calculating and buying needed materials. Introduction of joinery, complex fitting, more advanced finishing, and wood carving. Prerequisites: GTC127 or previous woodworking experience.

GTC130 - Furniture Construction I
LEC + LAB 3 Credits 6 Periods
Process of building a piece of furniture including calculating and buying needed material, using tools properly and safely (hand tools and machines), jointery, wood preparation and basic finishing techniques. Prerequisites: GTC128 or previous woodworking experience and permission of instructor.

HCC109 - CPR for Health Care Provider
LEC 0.50 Credits 0.50 Periods
Current American Heart Association standards for one and two rescuer cardiopulmonary resuscitation (CPR) and obstructed airway procedures on the adult, infant, and pediatric victim. Use of automatic, external defibrillation and resuscitation equipment. Prerequisites: None. Cross-References: EMT109, RES109

GTC131 - Furniture Construction II
LEC + LAB 3 Credits 6 Periods
Continuation of GTC130 including special set-ups on machines, special joints, adhesives, special finishes, panel doors, panel drawers, metal drawer guides and plastic laminates. Prerequisites: GTC130 or permission of instructor.

GTC144 - Introduction to Cabinetmaking
LEC + LAB 3 Credits 5 Periods
Techniques and projects to produce complex cabinet projects. Includes project planning, working from plans, material cost analysis, and advanced finishing techniques. Prerequisites: GTC130 and permission of Instructor.

GTC145 - Advanced Cabinetmaking
LEC + LAB 3 Credits 5 Periods
Further exploration of advanced woodworking techniques on complex projects. Prerequisites: GTC144 and permission of instructor.

Health Core Curriculum (HCC)

HCC130 - Fundamentals of Health Care Delivery
LEC 3 Credits 3 Periods
Overview of current health care professions including career and labor market information. Health care delivery systems, third party payers, and facility ownership. Health organization structure, patient rights and quality care. Health care and life values. Definition and importance of values, ethics, and essential behaviors in the workplace. Worker rights and responsibilities. Healthful living practices to include nutrition, stress management and exercise. Occupational Safety and Health Administration (OSHA) standard precautions and facility safety. Use of principles of body mechanics in daily living activities. Basic communication skills which facilitate teamwork in the health care setting. Focus on development of personal communication skills and an understanding of how effective communication skills promote teamwork. Focus on intercultural communication strategies. Prerequisites: None.

HES271 - Prevention and Treatment of Athletic Injuries
LEC 3 Credits 3 Periods
Prevention and care of athletic injuries, emphasizing use of modern training techniques and support materials. Utilization of preventive taping, strapping, bandaging, cardiopulmonary resuscitation, massage, cryotherapy, hydrotherapy, and practical application of muscle reconditioning. Prerequisites: None.

HES273 - Athletic Training: Advanced Wrapping and Taping Techniques
LEC 2 Credits 2 Periods
Expands and enhances practical uses of basic taping and wrapping skills. Hands-on experience in the use of braces, athletic taping, and elastic wraps to care for athletic injuries. Prerequisites: HES271 or permission of instructor.

History (HIS)
HIS101 - History of Western Civilization Middle Ages to 1789
LEC 3 Credits 3 Periods
Survey of origin and development of Western civilization and its institutions from the Renaissance and Reformation through Age of Enlightenment. Prerequisites: None. [H, HU, SB]

HIS102 - History of Western Civilization 1789 to Present
LEC 3 Credits 3 Periods
Survey of origin and development of Western civilization and its institutions from French Revolution through the present. Prerequisites: None. [G, H, HU, SB]

HIS103 - United States History to 1865
LEC 3 Credits 3 Periods
The political, economic, and social development of United States from Pre-Columbian period through the end of the Civil War (1865). Prerequisites: None. [H, HU, SB]

HIS104 - United States History 1865 to Present
LEC 3 Credits 3 Periods
The political, economic, and social development of United States from 1865 to the present time. The political, economic, and social development of United States from 1865 to the present time. Prerequisites: None. [H, SB]

HIS105 - Arizona History
LEC 3 Credits 3 Periods
The prehistoric and contemporary Native American experience, Spanish colonial times, the Mexican National Period, the U.S. federal territorial years, and Arizona’s political and economic development during the twentieth century. Prerequisites: None. [H, SB]

HIS106 - Southwest History
LEC 3 Credits 3 Periods
Survey of Hispanic, Anglo, African-American and Native cultures of the peoples who have settled the American Southwest. Emphasis on cattle, mining, fur trade and transportation industries and role development of the region. Prerequisites: None. [C, H, SB]

HIS109 - Mexican-American History and Culture
LEC 3 Credits 3 Periods
Examination of origins and development of Spanish-American and Mexican-American peoples and their contribution to culture, history and development of United States. Emphasis on Mexican-American War and its impact on educational, social, and economic conditions of the Mexican-Americans of the southwest. Prerequisites: None. [C, H, SB]

HIS140 - American Indian History
LEC 3 Credits 3 Periods
Survey of American Indian history with emphasis on the last 200 years including developments in the 20th century. Focuses on selected groups such as the Cherokee, Iroquois Confederation, Navajo, Sioux and Indians of the Southwest in relation to cultural, economic, political and social continuity and changes. Topics include development and influence of federal policies, past and present issues confronting Native Americans and how Native American individuals and communities maintain their identities as they confront social changes. Prerequisites: None. Cross-References: AIS140 [C, H, SB]

HIS201 - History of Women in America
LEC 3 Credits 3 Periods
Introduction to women’s history from the colonial Period to the present. Deals chronologically with changes and developments which have influenced the lives of women. Prerequisites: None. [SB, C, H]

HIS203 - African-American History to 1865
LEC 3 Credits 3 Periods
History and cultural heritage of African-Americans from their beginnings in Ancient Africa through the experience of chattel slavery in the Americas to their eventual emancipation and participation in the American Civil War. Prerequisites: None. [C, H, SB]

HIS204 - African-American History 1865 to Present
LEC 3 Credits 3 Periods
Multifaceted experiences of African-American people from the post-Civil War period (1865) to the present, including the collective struggle for freedom, equality, and self-determination in the United States. Prerequisites: None.

HIS243 - History of World Religions
LEC 3 Credits 3 Periods
Historical context for the development, practice and spread of various world religions. Focus on environmental factors (social, political, economic) influencing religious though. Consideration of the changes in belief systems throughout different periods and social contexts. Prerequisites: None. [G, HU]

- **HUM100 - Great Ideas Symposium**: Interrelationships among cultures and behavior in the modern world. Focuses on selected themes and topics. Prerequisites: None.
- **HUM101 - General Humanities**: A general humanities course concentrating on three great ages of outstanding human achievement: The Golden Age of Greece, the Renaissance and the 20th Century. Prerequisites: None. [HU]
- **HUM190AA-AI - Honors Forum**: Interdisciplinary studies of selected issues confronting the individual and society. Formal Lectures followed by informal discussions with outstanding scholars and social leaders. Supplemented by readings and pre- and post-forum discussion and critique. Varied content from module to module due to changing forum themes and issues. Prerequisites: Admission to the College Honors Program or Permission of the Instructor. [AH & AI prefix have HU designation]
- **HUM205 - Introduction to Cinema**: Survey of the history and development of the art of motion pictures, including criticism of aesthetic and technical elements. Prerequisites: None. Cross-References: THE205 [HU]
- **HUM210 - Contemporary Cinema**: A study of contemporary films, directors and critics with emphasis on evaluating film as an art form. Prerequisites: None. Cross-References: THE210 [HU]
- **HUM213 - Hispanic Film**: Analysis of Hispanic film as art form and as social commentary. Prerequisites: None. [G, HU]
- **HUM214 - African-Americans in Film**: Study of films featuring African-American performers and directors from the Silent Era to the present. Emphasis on the historical and social elements of African Americans in film and basics of film analysis. Prerequisites: None. [C, HU]
- **HUM250 - Ideas and Values in the Humanities**: An historical analysis of the interrelationships of art, architecture, literature, music, and philosophy from the early civilizations to the Renaissance, including western and nonwestern cultures. Prerequisites: ENG101. [H, HU, L]

### Information Technology Security (ITS)

<th>Periods</th>
</tr>
</thead>
<tbody>
<tr>
<td>ITS100</td>
<td>Information Security Awareness</td>
<td>1</td>
<td>2</td>
</tr>
</tbody>
</table>

- **ITS100 - Information Security Awareness**: Computer and network security topics, including network communication. Includes security policy, implementation of basic security measures, the importance of backups and the value of protecting intellectual property. Real-life examples and practical projects to reinforce the need for computer security. Prerequisites: None.
ITS110 - Information Security Fundamentals
LEC + LAB 4 Credits 5 Periods
Fundamental concepts of information technology security. Topics include authentication methods, access control, cryptography, Public Key Infrastructure (PKI), network attack and defense methods, hardening of operating systems and network devices, securing remote access and wireless technologies and securing infrastructures and topologies. Emphasis on hands-on labs in both the Windows and Linux environments. Builds on thorough understanding of Transmission Control Protocol/Internet Protocol (TCP/IP) and security concepts and Microsoft (MS) Windows and Linux Administration. Prerequisites: (CIS126DA or CIS126DL) and (CNT150 and MST150XP), or permission of Instructor.

Journalism (JRN)
JRN125 - Photo Editing
LEC + LAB 3 Credits 3 Periods
Basic techniques of photo composition and editing for media reproduction. Teach how to crop and size photographs. Use of photo editing and design software in paginating a newspaper page on the computer. The effect and impact of color vs. black and white photographs. Basic techniques of photo essay, photo page and photo story and/or multimedia news products and the impact of photos on typography. Prerequisites: None.

JRN133 - Development of Small Publications
LEC 3 Credits 3 Periods
Design, plan and write newsletters, brochures, and advertisements. Desktop computer production and paste-up techniques. Prerequisites: None. Computer experience and (BPC138AA or BPC138AB) suggested but not required.

JRN201 - News Writing
LEC + LAB 3 Credits 5 Periods
Writing news for the print media. Composing at the computer keyboard. Associated Press editing style, writing skills, and organizational structure for news. Prerequisites: ENG101, ENG107 or equivalent. [L]

JRN202 - Reporting
LEC + LAB 3 Credit(s) 5 Period(s)
Emphasis on interviewing and in-depth reporting; mastery of reporting, rewriting skills, and legal and ethical concerns. Prerequisites: JRN201 or permission of instructor.

JRN212 - Broadcast Writing
LEC + LAB 3 Credits 5 Periods
Writing techniques for basic broadcast scripts: promotions, commercials, public service announcements, news leads, news stories, audio and video, sports, weather, traffic checks, five-minute newscasts, reports, using broadcast style rules. Prerequisites: ENG101.

JRN225 - News Production
LEC + LAB 3 Credits 5 Periods
Writing, editing, and publishing the student newspaper. Emphasis on news judgment, page design, computer pagination, photo usage, headline writing, editorial writing, newsroom management, and legal and ethical considerations. Emphasis may vary according to student goals. Prerequisites: None.

JRN234 - Feature Writing
LEC + LAB 3 Credits 3 Periods
Emphasis on crafting stylized stories for publications. Includes research, interviewing, writing techniques, editing and professional concerns. Prerequisites: ENG101, or ENG107, or equivalent. [L]

JRN240AB - Journalism Internship
LEC + LAB 2 Credits 2 Periods
Journalism work experience with a newspaper or other news organization. 80 hours of designated work per credit. Maximum of 6 credits allowed. Prerequisites: JRN215.

JRN298AA - Special Projects
LAB 1 Credit 1 Period
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development.

Library Skills (LBS)
LBS101 - Library Resource Concepts and Skills
LEC 2 Credits 2 Periods
Information access skills for print and electronic resources. Use of libraries and their structure, tools, and staff to identify, locate, evaluate and make effective and ethical use of information. Emphasizes critical thinking skills. Prerequisites: None.

LBS201 - Electronic Resources Concepts and Skills
LEC 1 Credit 1 Period
Use of computers to access electronic databases and to process search results. Includes search concepts and strategies, evaluating search results, and bibliographic citing of electronic sources. Prerequisites: None.

LBS220 - Information Literacy and the Internet
LEC 1 Credit 1 Period
Exploration of the Internet as an informational resource. Development of basic information literacy skills. Prerequisites: None.

Mathematics (MAT)
MAT065 - Graphing Calculator
LEC 1 Credit 1 Period
Computations, graphing, matrices, and elementary programming using a graphing calculator. Prerequisites: None.
### MAT082 - Basic Arithmetic
**LEC** 3 Credits 3 Periods
Primary emphasis placed on fundamental operations with whole numbers, fractions, decimals, integers, and rational numbers; proportions, and percentages. Other topics include representations of data, geometric figures, and measurement. Prerequisites: None. Course Notes: Students may receive credit for only one of the following: MAT081, MAT082, or MAT083.

### MAT090 - Developmental Algebra
**LEC** 5 Credits 5 Periods
Linear behavior; linear equations and inequalities in one and two variables; graphs; systems of equations in two variables; function notation, graphs, and data tables; operations on polynomials; properties of exponents; applications. Prerequisites: Grade of “C” or better in MAT082, or MAT102, or equivalent, or satisfactory score on District Placement exam. Course Note: May receive credit for only one of the following: MAT090, MAT091, MAT092, or MAT093.

### MAT091 - Introductory Algebra
**LEC** 4 Credits 4 Periods
Linear behavior; linear equations and inequalities in one and two variables; graphs; systems of equations in two variables; function notation, graphs, and data tables; operations on polynomials; properties of exponents; applications. Prerequisites: Grade of “C” or better in MAT082, or MAT102, or equivalent, or satisfactory score on District Placement exam. Course Note: May receive credit for only one of the following: MAT090, MAT091, MAT092, or MAT093.

### MAT092 - Introductory Algebra
**LEC** 3 Credits 3 Periods
Linear behavior; linear equations and inequalities in one and two variables; graphs; systems of equations in two variables; function notation, graphs, and data tables; operations on polynomials; properties of exponents; applications. This course will be supplemented by instruction in anxiety reducing techniques, math study skills, and test taking techniques. Prerequisites: Grade of “C” or better in MAT082, or MAT102, or equivalent or satisfactory score on District placement exam. Course Note: Students may receive credit for only one of the following: MAT090, MAT091, MAT092, or MAT093.

### MAT093 - Introductory Algebra/Math Anxiety Reduction
**LEC** 5 Credits 5 Periods
Linear behavior; linear equations and inequalities in one and two variables; graphs; systems of equations in two variables; function notation, graphs, and data tables; operations on polynomials; properties of exponents; applications. This course will be supplemented by instruction in anxiety reducing techniques, math study skills, and test taking techniques. Prerequisites: Grade of “C” or better in MAT082, or MAT102, or equivalent or satisfactory score on District placement exam. Course Note: Students may receive credit for only one of the following: MAT090, MAT091, MAT092, or MAT093.

### MAT102 - Mathematical Concepts/Applications
**LEC** 3 Credits 3 Periods
A problem solving approach to mathematics as it applies to life and the world of work. Development, demonstration, and communication of mathematical concepts and formulas that relate to measurement, percentage, statistics, and geometry. Prerequisites: Grade of “C” or better in MAT082, or equivalent, or satisfactory score on District placement exam.

### MAT108 - Tutored Mathematics
**LEC** 2 Credits 2 Periods
Structured tutorial assistance and math study skills to help students achieve success in a mathematics course in which they are concurrently enrolled. Mathematics study skills emphasized. Prerequisites: None. Corequisites: MAT082, or MAT090, or MAT091, or MAT092, or MAT120, or MAT121, or MAT122, or MAT140, or MAT 141, or MAT 142, or MAT150, or MAT151, or MAT152, or permission of department chair. Course Note: MAT108 may be repeated for a total of ten (10) credits.

### MAT120 - Intermediate Algebra
**LEC** 5 Credits 5 Periods
Quadratic, rational, radical, exponential, and logarithmic functions and equations; graphs of quadratic, exponential, and logarithmic functions; equations quadratic in form; operations on rational expressions, radical expressions, and complex numbers; rational exponents; applications. Prerequisites: Grade of “C” or better in MAT090, MAT091, MAT092, MAT093, or equivalent, or a satisfactory score on the District placement exam. Course Note: Students may receive credit for only one of the following: MAT120, MAT121, or MAT122.

### MAT121 - Intermediate Algebra
**LEC** 4 Credits 4 Periods
Quadratic, rational, radical, exponential, and logarithmic functions and equations; graphs of quadratic, exponential, and logarithmic functions; equations quadratic in form; operations on rational expressions, radical expressions, and complex numbers; rational exponents; applications. Prerequisites: Grade of “C” or better in MAT090, MAT091, MAT092, MAT093, or equivalent, or a satisfactory score on the District placement exam. Course Note: May receive credit for only one of the following: MAT120, MAT121, or MAT122.

### MAT122 - Intermediate Algebra
**LEC** 3 Credits 3 Periods
Quadratic, rational, radical, exponential, and logarithmic functions and equations; graphs of quadratic, exponential, and logarithmic functions; equations quadratic in form; operations on rational expressions, radical expressions, and complex numbers; rational exponents; applications. Prerequisites: Grade of “B” or better in MAT090, MAT091, MAT092, MAT093, or equivalent, or a satisfactory score on the District placement exam. Course Note: May receive credit for only one of the following: MAT120, MAT121, or MAT122.
MAT141 - College Mathematics
LEC  4 Credits    4 Periods
Working knowledge of college-level mathematics and its applications to real-life problems. Emphasis on understanding mathematical concepts and their applications. Topics include set theory, probability, statistics, finance, and geometry. Prerequisites: Grade of “C” or better in MAT120, or MAT121, or MAT122 or equivalent, or satisfactory score on District placement exam. Course Note: Appropriate for the student whose major does not require college algebra or precalculus. [MA]

MAT142 - College Mathematics
LEC  3 Credits    3 Periods
Working knowledge of college-level mathematics and its applications to real-life problems. Emphasis on understanding mathematical concepts and their applications. Topics include set theory, probability, statistics, finance, and geometry. Prerequisites: Grade of “C” or better in MAT120, or MAT121, or MAT122 or equivalent, or satisfactory score on District placement exam. Course Note: Appropriate for the student whose major does not require college algebra or precalculus. [MA]

MAT151 - College Algebra/Functions
LEC  4 Credits    4 Periods
Analysis and interpretation of the behavior and nature of functions including polynomial, rational, exponential, logarithmic, power, absolute value, and piecewise-defined functions; systems of equations, modeling and solving real world problems. Additional topics may include matrices, combinatorics, sequences and series, and conics. Prerequisites: Grade of “C” or better in MAT120, or MAT121, or MAT122, or equivalent, or satisfactory score on District placement exam. Course Note: Students may receive credit for only one of the following: MAT150, MAT151, MAT152, or MAT187. [MA]

MAT156 - Mathematics for Elementary Teachers I
LEC  3 Credits    3 Periods
Focuses on numbers and operations. Algebraic reasoning and problem solving integrated throughout the course. Prerequisites: Grade of “C” or better in MAT142 or MAT150 or MAT151 or MAT152 or equivalent, or satisfactory score on District placement exam.

MAT157 - Mathematics for Elementary Teachers II
LEC  3 Credits    3 Periods
Focuses on measurement, geometry, probability and data analysis. Appropriate technologies, problem solving, reasoning, and proof are integrated throughout the course. Prerequisite: MAT156 or equivalent.

MAT172 - Finite Mathematics
LEC  3 Credits    3 Periods
An introduction to the mathematics required for the study of social and behavioral sciences. Includes sets, combinatorics, probability, matrix algebra, linear programming and mathematics of finance. Prerequisites: Grade of “C” or better in MAT150, or MAT151, or MAT152, or MAT187 or equivalent, or satisfactory score on District placement exam. [MA]

MAT182 - Plane Trigonometry
LEC  3 Credits    3 Periods
A study of measures of angles, properties of graphs of trigonometric functions, fundamental identities, addition and half-angle formulas, inverse trigonometric functions, solutions of trigonometric equations, complex numbers and properties of triangle solution. May receive credit for only one of the following: MAT 182 or MAT 187. Prerequisites: Grade of “C” or better in MAT150, or MAT151, or MAT152, or equivalent, or concurrent registration in MAT150, or MAT151, or MAT152, or satisfactory score on District placement exam. [MA]

MAT187 - Pre-calculus
LEC  5 Credits    5 Periods
A precalculus course combining topics from college algebra and trigonometry. Preparation for analytic geometry and calculus. Prerequisites: Grade of B or better in MAT120, or MAT121, or MAT122, or equivalent, or satisfactory score on district placement exam. Course Note: Strongly recommended that students have some knowledge of trigonometry. Students may receive credit for only one of the following: MAT150, MAT151, MAT152, or MAT187. [MA]

MAT212 - Brief Calculus
LEC  3 Credits    3 Periods
Introduction to the theory, techniques and applications of the differential and integral calculus of functions with problems related to business, life, and the social sciences. Prerequisites: Grade of “C” or better in MAT150, or MAT151, or MAT152, or MAT187 or equivalent, or appropriate Math placement test score. Course Notes: Students may receive credit for only one of the following: MAT212 or MAT213. [MA]

MAT218 - Mathematical Analysis for Business
LEC  4 Credits    4 Periods
An introduction to the mathematics required for the study of business. Includes multivariable optimization, Lagrange multipliers, linear programming, linear algebra, probability, random variables, discrete and continuous distributions. Prerequisites: Grade of C or better in MAT212 or MAT213.

MAT220 - Calculus with Analytic Geometry I
LEC  5 Credits    5 Periods
Limits, continuity, differential and integral calculus of functions of one variable. Prerequisites: Grade of “C” or
better in [MAT182 and (MAT150, MAT151 or MAT152)], or MAT187, or appropriate Math placement test score. Course Note: Students may receive credit for only one of the following: MAT220 or MAT221. [MA]

MAT221 - Calculus with Analytic Geometry I  
LEC 4 Credits 4 Periods  
Limits, continuity, differential and integral calculus of functions of one variable. Prerequisites: Grade of “C” or better in [MAT182 and (MAT150, MAT151 or MAT152)], or MAT187, or appropriate Math placement test score. Course Note: Students may receive credit for only one of the following: MAT220 or MAT221. [MA]

MAT231 - Calculus with Analytic Geometry II  
LEC 4 Credits 4 Periods  
Techniques of integration for both proper and improper integrals with applications to the physical and social sciences, elements of analytic geometry, and the analysis of sequences and series. Prerequisites: Grade of “C” or better in MAT220, or MAT221, or equivalent. Course Note: Students may receive credit for only one of the following: MAT230 or MAT231. [MA]

MAT241 - Calculus with Analytic Geometry III  
LEC 4 Credits 4 Periods  
Multivariate calculus including vectors, vector-valued functions, partial differentiation, multiple integration and an introduction to vector fields. Prerequisites: Grade of “C” or better in MAT230 or MAT231. Course Note: Students may receive credit for only one of the following: MAT240 or MAT241. [MA]

MAT262 - Differential Equations  
LEC 3 Credits 3 Periods  
Ordinary differential equations with applications including Laplace transforms with numerical methods. Prerequisites: Grade of “C” or better in MAT230 or MAT231 or equivalent. [MA]

MAT276 - Modern Differential Equations  
LEC 4 Credits 4 Periods  
Introduces differential equations, theoretical and practical solution techniques with applications. Problem solving using MATLAB. Prerequisites: Grade of “C” or better in MAT230 or MAT231 or permission of Department or Division. Course Notes: Students may receive credit for only one of the following: MAT276 or MAT277. [MA]

Mediation and Conflict Management (MCM)  
MCM181 - Conflict Mediation  
LEC 3 Credits 3 Periods  
Develop communication skills necessary to conduct mediation in formal and informal settings. Applies principles and theories of message production and responding, listening, questioning, source and receiver factors, and emotion to conflict management communication. Emphasis on respecting diversity and empowering joint problem solving throughout. Prerequisites: None. Cross-Reference Course: COM181

Mass Communications (MCO)  
MCO120 - Media and Society  
LEC 3 Credits 3 Periods  
Study of historical and contemporary roles of media and its pervasiveness in society as it related to politics, education and culture. Prerequisites: ENG101 or ENG107, or equivalent. [SB]

Management (MGT)  
MGT101 - Techniques of Supervision  
LEC 3 Credits 3 Periods  
Overview of the foundations of supervision and how to get things done within an organization through other people. The functions of planning, organizing, staffing, motivating and controlling presented. Prerequisites: None.

MGT135 - Global Procurement and Supply Management  
LEC 3 Credits 3 Periods  
The evolution of purchasing to supply management. Underlying fundamentals of tactical purchasing and strategic supply management. Prerequisites: MGT102 or permission of department.

MGT147 - Supply Chain Management  
LEC 3 Credits 3 Periods  
Supply chain management, including basic concepts and underlying principles of logistics and inventory management. Prerequisites: None.

MGT179 - Utilizing the Human Resources Department  
LEC + LAB 3 Credits 3 Periods  
Provides the opportunity to learn how to appropriately utilize the human resources department within an organization in order to improve job performance. Topics include staffing, training and development, manpower planning, compensation and benefits, federal labor laws and why people seek outside representation. Prerequisites: None.

MGT229 - Management and Leadership I  
LEC 3 Credits 3 Periods  
Covers management concepts and applications for business, industry, and government organizations. Prerequisites: None.

MGT230 - Management and Leadership II  
LEC 3 Credits 3 Periods  
Includes practical applications of activities, issues, and problems related to current managerial and supervisory skills and talents. Prerequisites: MGT 229 or departmental approval.
MGT251 - Human Relations in Business  
LEC 3 Credits 3 Periods  
Analysis of motivation, leadership, communications, and other human factors. Cultural differences that may create conflict and affect morale individually and within organizations. Prerequisites: None. MGT 101 or MGT 175 or MGT 229 suggested, but not required.

MGT253 - Owning and Operating a Small Business  
LEC 3 Credits 3 Periods  
Starting, organizing, and operating a small business, including location, finance management processes, advertisement and promotion, Credit, inventory control and ethics. Prerequisites: None.

MGT275 - Office Management and Procedures  
LEC 3 Credits 3 Periods  
Covers basic administrative office services and systems, including analysis and management of operations, information systems, human resources, and facilities design. Prerequisites: None. MGT 175 or MGT 229 suggested but not required.

MGT276 - Personnel/Human Resource Management  
LEC 3 Credits 3 Periods  
Human resource planning, staffing, training, compensating, and appraising employees in labor management relationships. Prerequisites: None. MGT101, or MGT175, or MGT229 suggested but not required.

MKT112 - Retail Customer Service  
LEC 1 Credit 1 Period  
Introduction to the field of retail sales. Emphasis on customer service and sales techniques. Prerequisites: None.

MKT263 - Advertising Principles  
LEC 3 Credits 3 Periods  
Introduces the advertising function within business, including media study, creative strategies, and advertising campaigns. Prerequisites: None. MKT 271 recommended, but not required.

MKT267 - Principles of Salesmanship  
LEC 3 Credits 3 Periods  
Analyzes and applies the steps and techniques used in personal selling. Highlights the role of the professional sales representative and his/her functions as they relate to the company’s mission and customer expectations. Prerequisites: None.

MKT268 - Merchandising  
LEC 3 Credits 3 Periods  
Surveys structure and operation of retail organizations. Emphasizes merchandising to include price, location, time promotion and quantity. Prerequisites: None. MKT271 suggested but not required.

Music History/Literature (MHL)  
MHL140 - Survey of Music History  
LEC 3 Credits 3 Periods  
Study of composers, compositions, styles, and periods in music history. Prerequisites: None. [H, HU]

MHL145 - American Jazz and Popular Music  
LEC 3 Credits 3 Periods  
The study of cultural and social contributions to the evolution of American jazz and popular music from the mid-1800's to present. Prerequisites: None. [C, HU]

MHL153 - Rock Music and Culture  
LEC 3 Credits 3 Periods  
History of Rock music and how cultural, social, political, and economic conditions have shaped its evolution. Prerequisites: None. [H, HU]

MHL156 - Music in Latin America and the Caribbean  
LEC 3 Credits 3 Periods  
To discuss the role of music in Latin and Caribbean cultures and the impact of these cultures on music. To present a historical survey to the evolution and development of musical styles from rumba to reggae. Among the topics, and to include: origins, gender, race, ethnicity, politics, elements of music, instruments, both sacred and secular music, and significant individuals influencing the evolution of many different genres of music in Latin America and Caribbean cultures. Prerequisites: None.

Marketing (MKT)
MKT112 - Retail Customer Service  
LEC 1 Credit 1 Period  
Introduction to the field of retail sales. Emphasis on customer service and sales techniques. Prerequisites: None.

MKT263 - Advertising Principles  
LEC 3 Credits 3 Periods  
Introduces the advertising function within business, including media study, creative strategies, and advertising campaigns. Prerequisites: None. MKT 271 recommended, but not required.

MKT267 - Principles of Salesmanship  
LEC 3 Credits 3 Periods  
Analyzes and applies the steps and techniques used in personal selling. Highlights the role of the professional sales representative and his/her functions as they relate to the company’s mission and customer expectations. Prerequisites: None.

MKT268 - Merchandising  
LEC 3 Credits 3 Periods  
Surveys structure and operation of retail organizations. Emphasizes merchandising to include price, location, time promotion and quantity. Prerequisites: None. MKT271 suggested but not required.
### OFFICIAL COURSE DESCRIPTIONS

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Name</th>
<th>Credits</th>
<th>Periods</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>MKT271</td>
<td>Principles of Marketing</td>
<td>3</td>
<td>3</td>
<td>An analysis of the marketing process and environment with regard to the product, pricing, distribution, and communication in order to satisfy buyer needs. Prerequisites: None.</td>
</tr>
<tr>
<td>MST140</td>
<td>Microsoft Networking Essentials</td>
<td>3</td>
<td>4</td>
<td>Emphasis on local area network with overview of wide area networks. Includes terminology, hardware and software components, connectivity, network architecture, packet structure, topologies, communication standards and protocols, and security issues. Preparation for Microsoft certification examination. Prerequisites: None. (BPC110 or CIS105, and BPC121AB) suggested but not required.</td>
</tr>
<tr>
<td>MST150</td>
<td>Microsoft Windows Professional</td>
<td>3</td>
<td>4</td>
<td>Knowledge and skills necessary to perform day-to-day administration tasks in a Microsoft Windows based network. Preparation for Microsoft certification examination. Prerequisites None. CIS190, or CNT140, or MST140 suggested but not required.</td>
</tr>
<tr>
<td>MST150SV</td>
<td>Microsoft Windows 7 Configuration</td>
<td>3</td>
<td>4</td>
<td>Knowledge and skills necessary to perform installation and day-to-day support of the Microsoft Windows 7 operating system. Prerequisites: None. CIS190, or CNT140AA, or MST140 suggested but not required. Course Notes: Preparation for Microsoft certification examination 70-680.</td>
</tr>
<tr>
<td>MST150XP</td>
<td>Microsoft Windows XP Professional</td>
<td>3</td>
<td>4</td>
<td>Knowledge and skills necessary to perform day-to-day administration tasks of Microsoft Windows XP Professional. Preparation for Microsoft certification examination Prerequisites: None. CIS190, or CNT140, or MST140 suggested but not required.</td>
</tr>
<tr>
<td>MST152</td>
<td>Microsoft Windows Server</td>
<td>4</td>
<td>5</td>
<td>Knowledge and skills necessary to install, configure, customize, optimize, network, integrate, and troubleshoot Windows Server. Preparation for Microsoft certification examination. Prerequisites or Corequisites: Any MST150 course or permission of instructor.</td>
</tr>
<tr>
<td>MST152DB</td>
<td>Microsoft Windows Server</td>
<td>4</td>
<td>5</td>
<td>Knowledge and skills necessary to install, configure, customize, optimize, network, integrate, and troubleshoot Windows 2003 Server. Preparation for Microsoft certification examination. Prerequisites or Co-requisites: Any MST150 course or permission of instructor.</td>
</tr>
<tr>
<td>MST155</td>
<td>Implementing Windows Network Infrastructure</td>
<td>3</td>
<td>4</td>
<td>Knowledge and skills to install, configure, maintain, and support a Microsoft Windows network infrastructure. Preparation for Microsoft certification examination. Prerequisites or Co-requisites: MST152 or permission of instructor.</td>
</tr>
<tr>
<td>MST157</td>
<td>Implementing Windows Directory Services</td>
<td>3</td>
<td>4</td>
<td>Knowledge and skills to install, configure, and administer Microsoft Windows Active Directory services. Preparation for Microsoft certification examination. Prerequisites Any MST152 course or permission of instructor.</td>
</tr>
<tr>
<td>MST157DA</td>
<td>Active Directory Windows Server Configuration</td>
<td>4</td>
<td>5</td>
<td>Information and skills necessary to install, configure and administer Active Directory service. Covers tasks required to create users and groups, and to implement Group Policies which provide centralized management of users and computers. Prerequisites: Any MST course or permission of Instructor. Course Notes: MST157DA is a preparation for the Microsoft 70-640 professional certification test.</td>
</tr>
<tr>
<td>MST232</td>
<td>Managing a Windows Network Environment</td>
<td>3</td>
<td>4</td>
<td>Knowledge and skills necessary to administer Windows network operating systems. Preparation for Microsoft certification examination. Prerequisites: MST140, MST150, and MST152, or permission of instructor.</td>
</tr>
<tr>
<td>MST240</td>
<td>Microsoft Transmission Control Protocol/IP</td>
<td>3</td>
<td>4</td>
<td>Knowledge and skills necessary to install, configure, use, and support TCP/IP on Microsoft Windows Network. Preparation for Microsoft certification examination. Prerequisites: MST152 or permission of instructor.</td>
</tr>
<tr>
<td>MST259</td>
<td>Design Windows Network Security</td>
<td>3</td>
<td>4</td>
<td>Knowledge and skills to analyze business requirements and processes to design a security solution for a Microsoft Windows network. Preparation for Microsoft certification examination. Prerequisites or Co-requisites: MST157 or permission of instructor.</td>
</tr>
<tr>
<td>MTC101</td>
<td>Introduction to Music Theory</td>
<td>3</td>
<td>3</td>
<td>Designed to develop written and aural skills necessary for advanced study of music theory and skills. Recommended for music majors. Prerequisites: None.</td>
</tr>
<tr>
<td>MTC105</td>
<td>Music Theory I</td>
<td>3</td>
<td>3</td>
<td>The chronological study of music theory including: harmony, melody, texture, structure and timbre through analysis,</td>
</tr>
</tbody>
</table>
original compositions and basic exercises to demonstrate musical concepts. Prerequisites: MTC100 or MTC101 or permission of instructor; Co-requisites: MTC106.

MTC106 - Aural Perception I
LEC + LAB 1 Credit 2 Periods
The development of listening and performing skills through dictation, sight singing and keyboard harmony. Co-requisites: MTC105.

MTC155 - Music Theory II
LEC 3 Credits 3 Periods
A continuation of Music Theory I with emphasis on harmony and part-writing procedures. Prerequisites: MTC105. Co-requisites: MTC156.

MTC156 - Aural Perception II
LEC + LAB 1 Credit 2 Periods
A continuation of Aural Perception I, including harmonic practices. Prerequisites: None. Co-requisites: MTC155.

Music: Commercial/Business (MUC)
MUC109 - Music Business: Merchandising and the Law
LEC 3 Credits 3 Periods
Operation, scope, and career opportunities in the music business. Focuses on music in the marketplace, songwriting, publishing, copyright procedures, and business affairs, agents, artist management, and concert production. Prerequisites: None.

MUC110 - Music Business: Recording and Mass Media
LEC 3 Credits 3 Periods
The operation, scope, and career opportunities in the music business. Focuses on music in the marketplace, songwriting, publishing, copyright procedures, and business affairs, agents, artist management, and concert production. Prerequisites: None.

MUC111 - Digital Audio Workstation I (DAW I)
LEC + LAB 3 Credits 5 Periods
Use of digital mixing and automation software in conjunction with editing and recording. Includes computer operation, troubleshooting, and file management. Prerequisites: MUC195 or MUC195AA.

MUC195 - Studio Music Recording I
LEC + LAB 3 Credits 5 Periods
Basic principles of studio sound recording. Emphasis on musical acoustics, operation of recording equipment, studio setups, and multitrack recording. Includes studio session process and musical production decisions. Prerequisites: None.

MUC295AA - Self Promotion for Music
LEC 1 Credit 1 Period
Career goal development. Includes self-presentation and communication skills, keeping files and records, and developing self-promotional materials. Prerequisites: None.

MUC297AB - Music Internship
LEC + LAB 2 Credits 2 Periods
Music Internship work experience in a business or industry eighty (80) hours of designated work per credit. A maximum of 12 credits allowed. Prerequisites: MUC110.

Music: Performance (MUP)
MUP 101AA-CJ - Private Instruction
LEC + LAB 1 Credit .6 Periods
Private Instruction emphasizing developmental improvement of musicianship and technique from an entering skill level. Four course sequence required of all students. Prerequisites: None. Editors Note: See online course catalog for additional private instruction course descriptions.

MUP102AA-CJ - Private Instruction
LEC + LAB 2 Credits 1.2 Periods
Private Instruction emphasizing musicianship, literature, technique and performance. Four course sequence designed for university transfer equivalency. Prerequisites: None. Editors Note: See online course catalog for additional private instruction course descriptions.

MUP110 - Concert Music
LEC 0.50 Credits 0.50 Periods
Attendance at concerts, recitals and music lectures on and off campus. Required each semester for all music majors. Prerequisites: None.

MUP131 - Class Piano I
LEC + LAB 2 Credits 3 Periods
Development of beginning piano techniques and the fundamentals of music including basic hand position, music reading skills of melodic and harmonic material, major scales, transposition, and harmonization's including the I, IV, V7 chords. Prerequisites: None.

MUP132 - Class Piano II
LEC + LAB 2 Credits 3 Periods
Continuation of Piano I with emphasis on elementary piano techniques including major and minor scales, transposition, improvisation, and sight reading. Prerequisites: MUP 131 or permission of instructor.

MUP133 - Class Voice I
LEC + LAB 2 Credits 3 Periods
Introduction to the fundamentals of vocal production. Emphasis on breathing techniques, tone production and performances in class of solo vocal literature. Prerequisites: None.

</table>
Navajo (NAV)
NAV101 - Elementary Navajo I
LEC 4 Credits 4 Periods
Basic grammar, pronunciation, and vocabulary of the Navajo language. Practice of listening, speaking, reading, and writing skills. Includes the study of the Navajo culture with participation in an off-campus Navajo cultural event. Prerequisites: None.

NAV115 - Beginning Navajo Conversation I
LEC 3 Credits 3 Periods
Beginning conversational Navajo with emphasis on basic listening and speaking skills, including basic pronunciation, vocabulary, sentence structure, and cultural awareness. Prerequisites: None.

NAV116 - Beginning Navajo Conversation II
LEC 3 Credits 3 Periods
Continued development of speaking and listening skills for effective communication in Navajo. Focuses on vocabulary for home, community, schools, and businesses. Prerequisites: NAV115, or departmental approval.

Nursing (NUR)
NUR158 - Nurse Assisting
LEC + LAB 6 Credits 10 Periods
Introduction to the role of the nursing assistant for clients across the wellness/illness continuum within the nurse assisting scope of practice. Includes basic problem solving processes specific to meeting the basic and holistic needs of clients, therapeutic communication skills essential for the nursing assistant, interventions to ensure the needs and safety of the client, specific types of diseases, conditions and alterations in behavior of the client, and principles of nutrition and fluid balance. Focus is on special needs of the elder client in the acute and long-term care settings, and basic emergency care skills and procedures. Provides opportunity for the development of clinical competency in the performance of selected nurse assisting skills and procedures through participation in the care of clients. Prerequisites: Completed Health and Safety Documentation Form (proof of immunity or immunizations for Rubella, Rubeola, Mumps, Varicella, Hepatitis B, Td, current TB testing, current HealthCare Provider CPR card and current Fingerprint Clearance Card) and completed Health Care Provider Signature form.

NUR294AN - Nursing Theory and Practice
LEC + LAB 18 Credits 36 Periods
Provides the knowledge and skills within the scope of practice of the professional nurse. Focus on core principles of nursing practice including therapeutic communications, patient safety, therapeutic interventions, and critical thinking skills. Emphasis on nursing process to care for adult and geriatric patients with acute, chronic, and life-threatening medical and surgical conditions, patients experiencing pregnancy and delivery, neonates, infants, and children. Includes clinical experiences to care for well clients and patients with mental health and psychiatric conditions. leadership, management, and caregiver roles of the professional nurse.

Office Automation Systems (OAS)
OAS090 - Touch Keyboarding
LAB 0.50 Credits 0.50 Periods
Introduction to computer keyboarding skills for personal use. Emphasis on touch keyboarding of alphabetic and punctuation keys only. Prerequisites: None.

OAS108 - Business English
LEC 3 Credits 3 Periods
Comprehensive coverage of correct use of English grammar including spelling, punctuation, capitalization, and number style mechanics in a business context. Prerequisites: None.

OAS111AA - Computer Keyboarding I
LEC + LAB 1 Credit 1.70 Periods
Mastery of essential microcomputer keyboarding skills. Emphasis on touch typing of alphabetic and numeric keys and symbols. Prerequisites: None. Cross-References: BPC111AA

OAS125 - Introduction to the Professional Office
LEC 3 Credits 3 Periods
Expectations of the professional in the electronic office of today. Realistic and practical coverage of roles, responsibilities, and environment. Prerequisites: None.

OAS135DD - WordPerfect: Level I
LEC 2 Credits 2 Periods
Using WordPerfect word processing software to create and name files, edit text, format, and print a variety of documents. Prerequisites: The ability to use a keyboard at a minimum of 24 wpm or permission of instructor. Cross-References: BPC135DD

OAS135DK - Word: Level I
LEC 2 Credits 2 Periods
Using Word word processing software to create and name files, edit text, format, and print a variety of documents. Prerequisites: None. Cross-References: BPC135DK

OAS235DK - Word: Level II
LEC 2 Credits 2 Periods
Using Word word processing software features such as math, columns, macros, styles, graphics, sort, outlines, and table of contents. Prerequisites: BPC/OAS135DK or permission of instructor. Cross-References: BPC235DK

OAS296WA-WD - Cooperative Education
LAB 1-4 Credits 5-20 Periods
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at least twelve (12) college Credits, minimum 2.6 grade point average, and be able to obtain a position
related to student’s academic or career goals (student’s present job may qualify); or permission of instructor. Co-requisites: Must be concurrently enrolled in at least one class which is related to student’s major or career interest or with permission of the instructor.

OFFICIAL COURSE DESCRIPTIONS

PED101ZU - Zumba Fitness
LEC + LAB 1 Credit 2 Periods
Zumba® dynamic fitness program. Fuses hypnotic Latin rhythms and easy to follow moves. Interval training sessions where fast and slow rhythms and resistance training are combined to tone and sculpt while burning fat. Prerequisites: None. Course Notes: PED101ZU may be repeated for credit. The PED101ZU Zumba course does not qualify students to teach Zumba dance fitness.

PED102BA - Baseball: Intermediate
LEC + LAB 1 Credit 2 Periods
To improve upon basic skills and game strategy of baseball at the intermediate level. Class emphasis on competition and drills. Prerequisites: None. Prior experience recommended. Course Note: PED102BA may be repeated for credit.

PED102BB - Basketball – Intermediate
LEC + LAB 1 Credit 2 Periods
To improve upon basic skills and game strategy of basketball at the intermediate level. Class emphasis on competition and drills. Prerequisites: None. Prior experience recommended.

PED102BC - Boot Camp - Intermediate
LEC + LAB 1 Credit 2 Periods
Vigorous training at an intermediate level incorporating cardiovascular, core fitness, strength training, and flexibility. Emphasis will be placed on proper body mechanics and safety. Prerequisites: None. Prior experience recommended. Course Note: PED102BC may be repeated for credit.

PED102GO - Golf - Intermediate
LEC + LAB 1 Credit 2 Periods
Instruction and practice for all skill levels, beginning through advanced. Assistance on shot making, club selection and etiquette on the course. Prerequisites: None. Course Note: PED103GO may be repeated for credit.

PED103BC - Boot Camp
LEC + LAB 0.5 Credits 1 Periods
Vigorous physical and mental conditioning incorporating cardiovascular, core fitness, strength training, and flexibility. Emphasis will be placed on proper body mechanics and safety. Prerequisites: None. Course Notes: PED103BC may be repeated for credit.

PED104GO - Golf
LEC + LAB 0.50 Credits 1 Period
Instruction and practice for all skill levels, beginning through advanced. Assistance on shot making, club selection and etiquette on the course. Prerequisites: None. Course Note: PED103GO may be repeated for credit.

PED115 - Lifetime Fitness
LEC + LAB 2 Credits 4 Periods
Fitness activity and wellness study to help develop a lifetime of regular exercise, stress management, and proper nutrition. Workout includes warm-up/stretch, aerobic exercise, selected strength exercises, and cool down/stretch. Prerequisites: None. Course Note: PED115 may be repeated for credit.

PED117 - Weight Training for Wellness
LEC + LAB 2 Credits 4 Periods
Weight training activity and wellness study to help develop a lifetime of regular exercise, stress management, and proper nutrition. Workout includes warm-up/stretch, selected endurance/strength exercises, and cool down/stretch. Prerequisites: None. Course Note: PED117 may be repeated for a maximum of eight (8) credits.

PED120AF - Special Emphasis Activities: Weight Training
LEC + LAB 2 Credits 4 Periods
Intensive experience in weight training. Prerequisites: None. Course Note: PED120AF may be repeated for a total of 8 credits.

PED133 - Olympic Style Weight Lifting
LEC + LAB 2 Credits 4 Periods
Advanced study of the science, strategy, and techniques of Olympic Style Weightlifting. For the fitness professional who is interested in competing, or is seeking to incorporate advanced strength and conditioning modalities. Addresses current topics, theories and techniques. Prerequisites: None.

Philosophy (PHI)
PHI101 - Introduction to Philosophy
LEC 3 Credits 3 Periods
General consideration of human nature and the nature of the universe. Knowledge, perception, freedom, and determinism, and the existence of God. Prerequisites: None. [HU]

PHI103 - Introduction to Logic
LEC 3 Credits 3 Periods
Informal logic, logical fallacies, elementary symbolic logic, analysis of argument forms, and construction of proofs for validity. Prerequisites: ENG101 or ENG107 or equivalent. [HU, L]
PHI213 - Medical and Bio-Ethics
LEC 3 Credits 3 Periods
A philosophical consideration of moral problems that arise in relation to medicine and biology, e.g., death, patient’s rights and biological experimentation. Prerequisites: None. [HU]

PHI218 - Philosophy of Sexuality
LEC 3 Credits 3 Periods
Philosophical examination of sexuality in human life. Historical and critical survey of philosophical and theological views. Comparison and evaluation of contemporary theories about the nature of sexual desire and sexual acts. Implications of theories for contemporary moral problems. Prerequisites: None. [HU]

Physical Science (PHS)
PHS110 - Fundamentals of Physical Science
LEC 4 Credits 3 Periods
LAB 0 Credit 3 Periods
Survey of the principles of physics and chemistry. Prerequisites: Grade of “C” or better in MAT090, or MAT091, or MAT092, or MAT093, or equivalent, or satisfactory score on Math placement exam. [SQ]

Physics (PHY)
PHY101 - Introduction to Physics
LEC 4 Credits 3 Periods
LAB 0 Credits 3 Periods
A survey of physics emphasizing applications of physics to modern life. Prerequisites: Grade of “C” or better in MAT090, or MAT091, or MAT092, or MAT093, or equivalent, or satisfactory score on Math Placement exam. Course Note: Students may receive credit for only one of the following: PHY101 or PHY101AA. [SQ]

PHY111 - General Physics I
LEC 4 Credits 3 Periods
LAB 0 Credit 3 Periods
Includes motion, energy, and properties of matter. Prerequisites: MAT182, or MAT 187, or one year high school Trigonometry with a grade of C or better, or permission of Department or Division. Course Note: PHY111 is recommended for preprofessional and suggested for certain other majors. Students may receive credit for only one of the following: PHY111 or PHY111AA. [SQ]

PHY112 - General Physics II
LEC 4 Credits 3 Periods
LAB 0 Credit 3 Periods
Includes electricity, electromagnetism, and modern physics. Prerequisites: PHY105 or PHY111. [SQ]

PHY121 - University Physics I: Mechanics
LEC 4 Credits 3 Periods
LAB 0 Credit 3 Periods
Kinematics, Newton’s laws, work, energy, momentum, conservation laws, dynamics of particles, solids, fluids, mechanical waves, and sound. Prerequisites: MAT220, or MAT221, or permission of Department or Division. One year of High School physics or PHY111 and PHY112 suggested but not required. [SQ]

PHY131 - University Physics II: Electricity and Magnetism
LEC 4 Credits 3 Periods
LAB 0 Credit 3 Periods
Electric charge and current, electric and magnetic fields in vacuum and in materials, and induction. AC circuits, displacement current, and electromagnetic waves. Prerequisites: MAT230, or MAT231, or permission of Department or Division, and PHY121. Co requisites: MAT241 or permission of Department or Division. [SQ]

Political Science (POS)
POS110 - American National Government
LEC 3 Credits 3 Periods
Study of the historical backgrounds, governing principles, and institutions, of the national government of the United States. Prerequisites: None. [SB]

POS220 - U.S. and Arizona Constitution
LEC 3 Credits 3 Periods
Examination of the United States Constitution and the constitution and government of the State of Arizona. Prerequisites: None.

POS221 - Arizona Constitution
LEC 1 Credit 1 Period
Examination of the Constitution of the State of Arizona. Equivalent to the second part of POS220. May not enroll in POS220 and POS221 concurrently. Prerequisites: None.

POS222 - U.S. Constitution
LEC 2 Credits 2 Periods
Examination of the United States Constitution. Equivalent to the first part of POS220. May not enroll in POS220 and POS222 concurrently. Prerequisites: None.

POS223 - Civil Rights
LEC 2 Credits 3 Periods
The historic background and current status of major civil rights issues in the United States. Prerequisites: None. [C, SB]

Psychology (PSY)
PSY101 - Introduction to Psychology
LEC 3 Credits 3 Periods
To acquaint the student with basic principles, methods and fields of Psychology such as learning, memory, emotion, perception, physiological, developmental, intelligence, social and abnormal. Prerequisites: None. [SB]

PSY123 - Psychology of Parenting
LEC 3 Credits 3 Periods
The demonstration and application of psychological principles to the development and guidance of children and adolescents. Prerequisites: None.

</table>
Designed for students who are learning English as a second language. Includes instruction for more advanced vocabulary and reading comprehension skills. Prerequisites: Appropriate ESL placement test score or grade of “C” or better in RDG020 or permission of instructor.

**RDG031 - Advanced Vocabulary for ESL Speakers (Non-native Speakers)**

**LEC** 3 Credits 3 Periods
Designed to expand and improve reading vocabulary skills. Emphasis on understanding advanced vocabulary in both context and isolation through practice and review. Vocabulary building strategies which will aid in on-going study of words. Emphasis on both learning and using more advanced vocabulary effectively. Prerequisites: RDG020 with grade of C or better, or permission of instructor.

Course Note: Recommended for reading students at ESL Levels III and IV.

**RDG040 - Reading English as a Second Language IV**

**LEC** 3 Credits 3 Periods
Developed for students of English as a second language. Includes development of advanced vocabulary, comprehension skills, and culture awareness. Prerequisites: Appropriate ESL placement test score or grade of “C” or better in RDG030 or permission of instructor.

**RDG085 - Adult Reading Skills for the Workplace**

**LEC** 1 Credit 1 Period
Small cooperative group settings used to discuss readings to enhance comprehension, oral communication, and problem solving skills. Emphasis on reading and thinking skills as applied to overall job performance. Using context clues, constructing graphs, following written directions, using diagrams and flow charts, locating main ideas, recognizing cause and effect, and identifying logical order in written text. Prerequisites: Appropriate score on placement test.

**RDG086 - Problem Solving and Reading in the Workplace**

**LEC** 1 Credit 1 Period
Small cooperative group setting used to discuss readings to enhance comprehension, oral communication, and problem solving skills. Emphasis on evaluating reading and thinking skills as applied to overall job performance. Previewing; determining main points and purpose of general and work-related materials; interpreting charts and graphs. Prerequisites: Appropriate score on placement test or RDG085.
Real Estate Principles (REA)
REA201 - Real Estate Principles I and II
LEC 6 Credits 6 Periods
Comprehensive survey of real estate principles to include careers in real estate, nature and description of real estate, rights and interests in land, forms of real property ownership, forms of business organization, methods of title transfer, title search and insurance, contract law, real estate sales contracts, mortgage and notes payable, deeds of trust, lending practices, loans and consumer rights, sources of financing real estate loans, types of financing instruments, real property taxes and assessments, title closing, escrow and settlement procedures, property management and real estate leases, real estate appraisal, state licensing laws and professional affiliations, real estate brokerage, real estate agency, fair housing and equal credit laws, types of residential real estate, real property insurance, land use control, economics of real estate, and investment considerations. Prerequisites: None. Course Note: This course is intended to satisfy the state of Arizona's requirement for 90 hours of prelicensure education. Students must attend all scheduled class meetings to meet the State's attendance requirement.

REA290AH - Real Estate Seminar: Contract Writing
LEC 0.50 Credits 0.50 Periods
Contract writing skills, techniques, and requirements. Writing of basic real estate contracts, including purchase offers, counter offers, sales listing agreements, and riders. Prerequisites: None.

Religious Studies (REL)
REL203 - American Indian Religions
LEC 3 Credits 3 Periods
Tribal traditions of the peoples native to North America, and pan-Indian religions in the twentieth century. Prerequisites: ENG101 or ENG107 or equivalent. Cross References: AIS213 [C, HU, L]

REL213 - Introduction to the Qur’an
LEC 3 Credits 3 Periods
Historical context, development, canonization, historical transmission, translation and Interpretation of the Qur’an. Prerequisites: None.

REL243 - World Religions
LEC 3 Credits 3 Periods
The development of various religions from the prehistoric to modern times. Political, economic, social and geographic relationships among world religions. Consideration of both Eastern and Western religions. Prerequisites: None. [G, HU]

Respiratory Care (RES)
RES109AE - Heartsaver CPR for Adult, Child and Infant
LEC 0.50 Credit 0.50 Period

Small Business Management (SBS)
SBS200 - Small Business Operations
LEC 2 Credits 2 Periods
In-depth analysis of and individual plan development for the “day-to-day” problems encountered in the operation of a small business. Includes the development of an individual business operations plan including finance, purchasing, production scheduling, maintenance, shipping/receiving, personnel management and insurance/risk management requirements. Investigation of daily problems related to inventory control and business expansion. Prerequisites: None.

SBS202 - Small Business Bookkeeping and Tax Preparation
LEC 1 Credit 1 Period
Introduces accounting and record-keeping with emphasis on practical use of financial data for the successful management of a small business. Develops an understanding of the accounting cycle and preparation of financial statements. Includes section on tax consequences and preparation for small business owners. Designed for the non-financially oriented owner/manager of a small business. Prerequisites: None.

SBS203 - Financing and Cash Management For a Small Business
LEC 1 Credit 1 Period
Planning for and meeting the financial needs of the small business including cash flow planning, identification of financial needs and sources, equity and debt financing, and preparation of loan packages. Participants complete a financial plan for their individual company, with emphasis on cost controls, sales revenue projection, expense allocation, and inventory cost control. Day-today operational budgeting also included. Prerequisites: None.

SBS204 - Small Business Marketing and Advertising
LEC 2 Credits 2 Periods
Introduction to marketing and advertising strategies and methods including business image, target market analysis, and customer buying behavior profile. Analysis and selection of advertising/business promotion methods and timing. Methods of deciding product and market segment focus included. Design of an individual marketing and advertising/promotion plan. Prerequisites: None.

SBS210 - Tax Planning and Preparation
LEC 1 Credit 1 Period
Explores the areas of tax planning and preparation essential to small business operation. Includes tax requirements and forms, special tax topics affecting business decisions, tax planning techniques, and common tax problems for the small business. Prerequisites: None.
### SBS211 - Small Business Computer Applications
**LEC 1 Credit 1 Period**
Hands-on opportunity for the small business owner to test several current computer application programs. Emphasizes practical applications, hardware and software purchasing decision criteria, and technological developments. Prerequisites: None.

### SBS213 - Hiring and Managing Employees
**LEC 1 Credit 1 Period**
Methods and techniques for managing employees in a small business. Includes supervisor’s role, leadership styles, interpersonal communications, staff planning, employee work styles, techniques for handling problem employees, and employee motivation. Focuses on real life situations to enable the business owner to gain high performance from their employee team. Includes segment on hiring, new employee orientation, training, benefits, and developing future staffing needs assessment. Prerequisites: None.

### SBS214 - Small Business Customer Relations
**LEC 1 Credit 1 Period**
Developing and improving customer relations for the small business. Planning and delivering quality customer service. Includes topics on attitude of employees, customer perceptions and motivations, handling customer dissatisfaction, and developing customer, supplier, vendor, and distributor loyalty. Prerequisites: None.

### SBS215 - Managing Stress in Small Business
**LEC 1 Credit 1 Period**
Explores the common causes of stress related to the operation of a small business. Includes discussion of the physiological and psychological effects of stress, and specific methods for dealing with the small business owner or manager stresses in business and personal life. Prerequisites: None.

### SBS216 - Planning for a Small Business
**LEC 2 Credit 2 Period**
Relates business management issues to a specific small business through development of an individual study plan. Provides on-site review of business operation by trained instructor. Prerequisites: SBS200 and SBS204 or permission of instructor.

### SBS217 - Starting/Managing a Home Business
**LEC 1 Credit 1 Period**
Analysis of the successful operation of a home-based business. Includes study of economic feasibility, practicality, and adjustments for the family. Analysis of the advantages/disadvantages of operating a home based business, versus a "store-front" business. Review of current trends in home business opportunities and franchises. Descriptions of home businesses that have succeeded in local, national, and international markets. Prerequisites: None.

### SBS218 - Establishing an Import/Export Business
**LEC 1 Credit 1 Period**
Basic marketing and management techniques for exporting and importing. Includes researching viability of an import/export business, marketing an export or securing a product for import, and implementing the transaction. Prerequisites: None.

### SBS220 - Internet Marketing for Small Business
**LEC 2 Credits 2 Periods**
Focuses on “e-Commerce”-doing business on the Internet and planning a website. Topics include: how the Internet can help growth and success of business; examples of successful marketing on the Internet; availability of Internet services; necessary hardware and software for marketing on the Internet; determining products/services appropriate for Internet marketing; budget constraints and on-going operations of the Internet site. Prerequisites: None.

### SBS230 - Financial and Tax Management for Small Business
**LEC 2 Credits 2 Periods**
An overview of accounting and record-keeping for the successful management of a small business. Develops an understanding of the accounting cycle and preparation of financial statements. Includes section on tax consequences and the choice of legal entity choice based on taxation. Prerequisites: None.

### SLG101 - American Sign Language I
**LEC 4 Credits 4 Periods**

### SLG102 - American Sign Language II
**LEC 4 Credits 4 Periods**
Continued development of knowledge and language skills for communicating with deaf people who sign. Includes numbers, finger spelling, and culture. Emphasis on enhancement of receptive sign skills and continued development of expressive sign skills. Application of rudimentary, syntactical, and grammatical structure stressed
with continued development of sign vocabulary. Prerequisites: SLG101, with a grade of “C” or better, or permission of department/division.

**Sociology (SOC)**
SOC101 - Introduction to Sociology
LEC 3 Credits 3 Periods
Fundamental concepts of social organization, culture, socialization, social institutions and social change. Prerequisites: None. [SB]

SOC140 - Racial & Ethnic Minorities
LEC 3 Credits 3 Periods
Contemporary racial and ethnic intergroup relations emphasizing cultural origins, developments, and problems of minority groups in the United States. Prerequisites: None. [C, SB]

SOC157 - Sociology of Marriage and Family
LEC 3 Credits 3 Periods
The study of courtship, marriage, and family patterns, their historical development, their adaptation to a changing culture, and their impact on individuals. Prerequisites: None. [SB]

SOC251 - Social Problems
LEC 3 Credits 3 Periods
A sociological exploration of selected social problems and inequalities. Analyzes issues in health care, dependencies, crime/violence, inequalities in race/class/gender/region/age, family, education, work, the economy, population migration/immigration, the environment, war and global insecurity. Prerequisites: None. [SB]

**Spanish (SPA)**
SPA085AA - Speedy Spanish I
LEC 1 Credit 1 Period
Basic vocabulary and grammar to develop conversational skills in Spanish. Emphasis on speaking skills. Prerequisites: None.

SPA085AB - Speedy Spanish II
LEC 1 Credit 1 Period
Intermediate development of vocabulary and grammar to develop conversational skills in Spanish. Emphasis on speaking skills. Prerequisites: SPA085AA.

SPA085AC - Speedy Spanish III
LEC 1 Credit 1 Period
Advanced development of vocabulary and grammar to develop conversational skills in Spanish. Emphasis on speaking skills. Prerequisites: SPA085AB.

SPA101 - Elementary Spanish I
LEC 4 Credits 4 Periods
Basic grammar, pronunciation and vocabulary of the Spanish language. Includes the study of the Spanish speaking cultures. Practice of listening, speaking, reading, and writing skills. Prerequisites: None.

SPA102 - Elementary Spanish II
LEC 4 Credits 4 Periods
Continued study of grammar and vocabulary of the Spanish language and study of the Spanish-speaking cultures. Emphasis on speaking, reading, and writing skills. Prerequisites: SPA 101 or departmental approval.

SPA115 - Beginning Spanish Conversation I
LEC 3 Credits 3 Periods
Basic pronunciation, vocabulary, sentence structures, and cultural awareness, necessary to develop speaking and listening skills in Spanish. Prerequisites: None.

SPA116 - Beginning Spanish Conversation II
LEC 3 Credits 3 Periods
Continued study of basic pronunciation, vocabulary, sentence structures, and a cultural awareness necessary to develop speaking and listening skills in Spanish. Prerequisites: SPA115 or permission of department or division.

SPA117 - Health Care Spanish I
LEC 3 Credits 3 Periods
Basic conversational Spanish for health care workers or students. Emphasis on basic sentence structure, pronunciation and vocabulary used in health care settings. Prerequisites: None.

SPA117AA - Health Care Spanish I: Introduction
LEC 1 Credit 1 Period
Part one of basic medical terminology in Spanish for health care personnel or students. Emphasis on pronunciation and vocabulary needed in health care setting, including coverage of routine information gathered. Prerequisites: None.

SPA119 - Spanish for Educational Settings I
LEC 3 Credits 3 Periods
Basic conversational Spanish for teachers, counselors, administrators and other school personnel. Emphasis on basic sentence structure, pronunciation and vocabulary used in educational settings. Prerequisites: None.

SPA120 - Spanish for Educational Settings II
LEC 3 Credits 3 Periods
Basic conversational Spanish for teachers, counselors, administrators and other school personnel. Continuation of SPA119, expanding into secondary and post-secondary educational settings. Emphasis on basic sentence structure, pronunciation and vocabulary. Prerequisites: SPA119 or permission of department.

SPA201 - Intermediate Spanish I
LEC 4 Credits 4 Periods
Continued study of essential Spanish grammar and Spanish speaking cultures. Continued practice and development of reading, writing, and speaking skills in Spanish. Emphasis on fluency and accuracy in spoken Spanish. Prerequisites: SPA102, or SPA111, or permission of department. [G]
SPA202 - Intermediate Spanish II
LEC 4 Credits 4 Periods
Review of grammar, continued development of Spanish language skills with continued study of the Spanish speaking cultures. Prerequisites: SPA 201 or departmental approval.

SPA296WA - Cooperative Education
LAB 1 Credit 5 Periods
Work-college experiences that involve the combined efforts of educators and employers to accomplish an outcome related to the career objectives of the students. Prerequisites: Completion of at least twelve (12) college credits, minimum 2.6 grade point average, and be able to obtain a position related to student's academic or career goals (student's present job may qualify); or permission of instructor. Co requisites: Must be concurrently enrolled in at least one class which is related to student’s major or career interest or with permission of the instructor.

Special Projects
298AA-AC - Special Projects
LAB 1-3 Credits 1-3 Periods/arranged
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment are made available for student use. Allows the best aspects of independent study and individualized learning to be combined to maximize student development. Prerequisites: None. Note: Special Projects may be used under most disciplines. However, the student must communicate with the instructor of his/her class for assistance in having a special project section initiated.

Storytelling (STO)
STO100 - Introduction to Storytelling
LEC 3 Credits 3 Periods
Introduction to the art of storytelling. Finding, crafting and telling traditional, fact based, and personal stories in and out of class. Prerequisites: None.

STO100AA - How to Tell Traditional Stories
LEC 1 Credit 1 Period
Introduction to the art of storytelling. Finding, crafting and telling a traditional story in and out of class. Prerequisites: None

STO100AB - How to Tell Fact Based Stories
LEC 1 Credit 1 Period
Introduction to the art of storytelling. Finding, crafting and telling fact-based stories in and out of class. Prerequisites: None

STO100AC - How to Tell Personal Stories
LEC 1 Credit 1 Period
Introduction to the art of storytelling. Finding, crafting and telling personal stories in and out of class. Prerequisites: None

STO101 - Storytelling for Literacy
LEC 1 Credit 1 Period
Introduction to the natural process from oral to written language and the role of storytelling in both. Focus will be on the development and sharing of oral and written stories. Prerequisites: None.

STO200AA - Biographical Storytelling
LEC 1 Credit 1 Period
Exploration of the art and craft of finding, developing and telling biographical stories. Prerequisite: None.

STO202 - Bilingual Storytelling
LEC 3 Credits 3 Periods
Introduction to bilingual storytelling as a genre. Research, develop, and craft bilingual stories. Find appropriate contexts and venues for telling. Assist in the integration and application of bilingual storytelling to the learning environment in the classroom. Prerequisites: None. Cross-reference: EDU202

STO250AA - Benefiting from the Storytelling Festival Experience
LEC 1 Credits 1 Period
Observation of master storytellers in performance. Structured observation, inquiry, and reflection in the context of a major national storytelling festival. Prerequisites: None. Course Note: STO250AA may be taken up to 3 times for different festival experiences.

STO282AA-AC - Volunteerism for Education: A Service Learning Experience
LAB 1-3 Credits 1-3 Periods
Service-learning field experience within educational systems, citizen advocacy groups, and human service organizations / agency. May be repeated for a total of six (6) STO282 Credit hours; may not repeat specific agency assignment for more than three (3) Credit hours. Standard grading available according to procedures outlined in catalog. Prerequisites: Permission of instructor.

STO283 - The African Storytelling Tradition
LEC 3 Credits 3 Periods
Introduction to the history and practice of storytelling in Africa. Overview of African myths, legends, folktales, parables, and fables. Great story tellers and story collectors of the past and present. Researching, developing, and crafting African stories for telling. Prerequisites: None.

STO286 - Using Storytelling in a Variety of Settings
LEC 3 Credits 3 Periods
The application of storytelling and storytelling activities in the world of health care, business, parks, museums, hospitals, and education. Prerequisites: None.
STO288 - Telling Sacred Stories from Around the World
LEC 3 Credits 3 Periods
Introduction to sacred stories as a genre. Researching, developing, and crafting traditional and personal sacred stories. Finding appropriate applications and venues for telling. Prerequisites: None

STO289AA - Using Storytelling in Educational Settings
LEC 1 Credit 1 Period
The application of storytelling and storytelling activities in educational settings. Prerequisites: None Cross-Reference: EDU283AA

STO289AB - Using Storytelling in Business Settings
LEC 1 Credit 1 Period
The application of storytelling and storytelling activities in business settings. Prerequisites: None.

STO289AC - Using Storytelling in Healing Settings
LEC 1 Credit 1 Period
The application of storytelling and storytelling activities in healing settings. Prerequisites: None.

STO289AD - Using Storytelling in Interpretive Settings
LEC 1 Credit 1 Period
The application of storytelling and storytelling activities in interpretive settings including museums, gardens, parks, and zoos. Prerequisites: None.

STO290 - The Irish Storytelling Tradition
LEC 3 Credits 3 Periods
Introduction to the history and practice of storytelling in Ireland. Overview of Irish myths, legends, folktales and humorous tales. Great story tellers and story collectors of the past and present. Researching, developing and crafting Irish stories for telling. Prerequisites: None.

STO291AA - Storytelling Circle
LEC + LAB 1 Credit 1.5 Periods
Designed to provide opportunities for students to practice and develop critical listening and storytelling skills. Prerequisites: EDU292, or HUM292, or STO292, or permission of instructor.

STO292 - The Art of Storytelling
LEC 3 Credits 3 Periods
Explore the art and origin of storytelling. Provide a variety of storytelling techniques, styles and exercises to enhance the delivery of telling stories. Assist in the integration and application of storytelling to the learning environment in the classroom. Prerequisites: None. Cross-References: EDU292, HUM292 [C, HU]

STO293 - The Art of Storytelling II
LEC 3 Credits 3 Periods
Further exploration of the art of storytelling. Provide opportunities for the expansion of storytelling skills and a deeper appreciation of storytelling and its applications. Prerequisites: EDU292 or HUM292 or STO292

STO294 - Multicultural Folktales
LEC 3 Credits 3 Periods
Study of multicultural folktales, exploring the impact of the oral tradition in American society and showing classroom applications. Prerequisites: None. Cross-References: EDU294, ENH294 [C, HU]

STO295 - Multicultural Folktales II
LEC 3 Credits 3 Periods
Study of storytelling focusing on the cultural context in which stories are told, their meaning in those contexts, and ways of telling those stories that honor their original contexts and tellers. Prerequisites: EDU294 or ENH294 or STO294.

STO297 - Creating and Telling Personal Stories
LEC 3 Credits 3 Periods
Exploration of the art and craft of finding, developing and telling personal stories. Prerequisites: EDU292 or HUM292 or STO292.

STO298AA – AC - Special Projects
LAB 2 Credits 3 Periods
Organized and tailored around the interests and needs of the individual student. Structured to provide an atmosphere of individualized research and study paralleled by professional expertise and guidance. Professional-type facilities and equipment available for student use. Allows the best aspects of independent study and individualized learning to be combined to m Prerequisites: Permission of Program Director or instructor.

Social Work (SWU)
SWU101AA - Self-Awareness for Paraprofessional Helpers
LEC 1 Credit 1 Periods
Explores the paraprofessional helper's feelings and values, and encourages examination of one's own strengths, weaknesses and coping skills within the context of the helping relationship Prerequisites: None

SWU101AB - Awareness of Others for Paraprofessional Helpers
LEC 1 Credit 1 Periods
Applies the paraprofessional helper's insights about themselves within the context of knowledge about client populations, diversity, ethics, and beginning stages of assessment. Prerequisites: SWU101AB.

SWU101AC - Intervention Assessment for Paraprofessional Helpers
LEC 1 Credit 1 Periods
Introduction for the paraprofessional helper to intervention techniques, beginning communication skills, community resources, and development of action plans. Prerequisites: SWU101AA.

SWU102 - Introduction to Social Work
LEC 3 Credits 3 Periods
An introduction to the fields within the area of social work through a study of the disciplines of social case work, social group work, and community organization. Opportunities to
experience the various techniques of practice within each discipline. Required for students enrolled in the associate degree program of the social work curriculum. Prerequisites: Eligibility for ENG101 and CRE101. [H, SB]

SWU171 - Introduction to Social Welfare
LEC  3 Credits  3 Periods
Analysis of contemporary social welfare services and professional social work. Prerequisites: None. [H, SB]

Theater (THE)
THE111 - Introduction to Theatre
LEC  3 Credits  3 Periods
A survey of theatre, including basic elements and principles of production, styles, and/or historical perspectives of theatre, dramatic literature, and criticism. Prerequisites: None. [HU]

THE205 - Introduction to Cinema
LEC  3 Credits  3 Periods
Survey of the history and development of the art of motion pictures, including criticism of aesthetic and technical elements. Prerequisites: None. [HU]

THE210 - Contemporary Cinema
LEC  3 Credits  3 Periods
A study of contemporary films, directors, and critics with emphasis on evaluating film as an art form. Prerequisites: None. Cross-References: HUM210, [HU]

THE220 - Modern Drama
LEC  3 Credits  3 Periods
Analysis of dramatic literature studied within political, historical, and cultural contexts and examined from the perspective of the playwright’s structure and style. Prerequisites: ENG101 or ENG107 or equivalent. [HU, L]

Theater Performance/Production (THP)
THP112 - Acting I
LEC + LAB  3 Credits  4 Periods
Fundamental techniques and terminology of acting through physical and vocal expression, improvisation, and monologue and scene work. Emphasis on characterization. Prerequisites: None.

THP115 - Theatre Makeup
LEC + LAB  3 Credits  4 Periods
Purposes, materials, and techniques of theatrical makeup. Prerequisites: None.

THP120AB - Audition Techniques: Cold Readings
LEC + LAB  1 Credit  2 Periods
Practice in the techniques of auditioning for the stage. Identifies and illustrates techniques of the cold reading audition. Prerequisites: None.

THP201AA - Theatre Production I
LAB  1 Credits  2 Periods
Designed to give college Credit to the cast and technical production crews of college theatre productions. May be repeated for up to a maximum of four (4) Credits. Prerequisites: None.

THP201AB - Theatre Production II
LAB  2 Credits  4 Periods
Designed to give college Credit to the cast and technical production crews of college theatre productions. May be repeated for up to a maximum of four (4) Credits. Prerequisites: None.

THP210 - Acting: TV/Film
LEC + LAB  3 Credits  4 Periods
Special technical aspects of acting before a camera. Prerequisites: THP112 or permission of instructor.

THP211 - Creative Drama
LEC  3 Credits  3 Periods
Theory and practice of creative drama, including improvisation, storytelling, puppetry, and script and program development in drama, and their application to elementary and secondary school levels. Prerequisites: None.

THP211AB - Creative Drama: Storytelling/ Puppets
LEC  1 Credit  1 Period
Theory and practice of creative drama in storytelling and puppetry. Covers use of puppets to enhance storytelling skills. Emphasis on application in elementary and secondary school levels. Prerequisites: None.

THP212 - Acting II
LEC + LAB  3 Credits  4 Periods
Fundamental techniques of acting through script analysis, rehearsal, and performance. Prerequisites: THP112 or departmental approval.

THP213 - Introduction to Technical Theatre
LEC + LAB  3 Credits  5 Periods
Procedures of technical theatre production and demonstration. Topics include design and construction of scenery; lighting and properties. Prerequisites: None.

THP214 - Directing Techniques
LEC  3 Credits  3 Periods
Contemporary theory and practice in directing, the evolution of present-day directing procedures, and a sampling of scripts for directing practice. Principles of script analysis, blocking, casting, rehearsing, and performing. Prerequisites: THP112 and THE220, or permission of instructor.
THP271 - Voice and Diction
LEC  3 Credits  3 Periods
Exercises and techniques to free the voice and improve projection, resonance, and articulation. Covers international phonetic alphabet and standard stage speech. Prerequisites: None. Cross-Reference: COM271

THP281 - Production and Acting I
LEC + LAB  3 Credits  4 Periods
Provides the continuing acting student with opportunities to expand the versatility of characterization skills. Emphasis on relating the actor's work to the total production process. Performance of monologues, scenes, and one-act plays. Prerequisites: Departmental approval. Telecommunications Technology(TLT)

Telecommunications Technology (TLT)

TLT101 - Introduction to Telecommunications
LEC  3 Credits  3 Periods
Introduction to the field of telecommunications. Telecommunications history, emerging technologies, career opportunities, customer service principles, and Internet research methods are discussed. Overview of telecommunications concepts, terminology, and communications systems, which include basic principles related to data, voice, and video transmissions. Prerequisites: None.

TLT105 - Cable (TV) Telecommunications I
LEC + LAB  3 Credits  3 Periods
Overview of cable systems that trace the signal from a source to customers' premises. Procedures and methods for performing aerial /underground drops and interior/exterior dwelling installations. Instruction related to: safety procedures, proper tool usage, installation techniques, signal level meter, signal level calculations, signal leakage, powering, splicing, amplifier distribution theory, and CATV troubleshooting. Prerequisites: None. TLT101 suggested but not required for students with no prior telecommunications experience.

TLT115 - Telecommunications Electronics I
LEC + LAB  4 Credits  6 Periods
Direct current electrical theory, practical lab experience, and application of mathematic principles, which include basic algebra, scientific notation, and metric conversions. Analysis of series, parallel, and series-parallel circuits using Ohm's Law, Kirchhoff's Laws, and power formulas. Concepts related to capacitance, inductance, and basic AC waveforms. Prerequisites: None. TLT101 suggested but not required for students with no prior telecommunications experience.

TLT118 - Copper-Based Cabling
LEC + LAB  3 Credits  5 Periods
Explains copper-based twisted-pair technology of the telecommunications industry and services provided. Information and techniques required to install and maintain telephone/data systems. Safety procedures, proper tool usage, connectorization, installation techniques, meter usage, trouble-shooting techniques, codes, standards, and regulations related to residential cabling. Prerequisites: None.

TLT204 - Telephony
LEC + LAB  3 Credits  3 Periods
Overview of voice telecommunications systems that include both central office based and premises based platforms. Switching and transmission telecommunications concepts include numbering plans, powering, types of switches, call processing, signaling systems, traffic engineering. Topics include PBXs, and peripheral equipment, T1 trunk lines, and VoIP (Voice over Internet Protocol) basics. Set-up and basic trouble-shooting of PBX systems: programming phones and voice mail. Prerequisites: None. TLT101 suggested but not required for students with no prior telecommunications experience.

TLT206 - Fiber Optics
LEC + LAB  3 Credits  4 Periods
Introduces photonics, fiber optic theory, and the fundamentals of fiber optic networks. Techniques to connect, splice, and test single-mode and multi-mode fiber cables. Includes fiber optic system components, wave guide transmission, lasers, electro-optics, and fiber optic sensors. Prerequisites: None. TLT101 suggested but not required for students with no prior telecommunications experience.

Translation and Interpretation (TRS)

TRS100 - Survey of Translation and Interpretation
LEC  4 Credits  4 Periods
Professional, sociolinguistic, and cognitive aspects of translation and interpretation. Includes social justice goals and language policy for interpretation and translation, role of translators and interpreters, consecutive interpretation, role of norms in legal translation, conservation of meaning, register, and style, meaning of translation, health care interpretation and translation, business and technical translation. Prerequisites: None.

TRS102 - Translation of English to Spanish
LEC  3 Credits  3 Periods
Analysis of the Spanish language with an emphasis on cross-language similarities and differences. Includes the structure of Spanish, cultural and stylistic components, semantics, dialectal differences and lexical obstacles. Widening of lexicon across specific lexical fields and wider shared underpinnings of Greco-Latin etymologies. Brief introduction to historical development of the Spanish language with specific focus on cognates and false cognates. Prerequisites: (SPA202 or SPA204) and permission of Department or Division.
Women's Education (WED)

WED110 - Principles of Physical Fitness and Wellness
LEC 3 Credits 3 Periods
Stress basic, lifetime health and skill-related components of fitness to achieve total wellness. Topics include nutrition, weight control, exercise and aging, cardiovascular and cancer risk reduction, stress management, prevention of sexually transmitted diseases, substance abuse control, and overall management of personal health and lifestyle habits to achieve the highest potential for well-being. Prerequisites: None. [SB]

Yaqui Indian History and Culture (YAQ)

YAQ100 - Yaqui Indian History and Culture
LEC 3 Credits 3 Periods
Surveys Yaqui Indian history and culture from pre-contact to the present. Explores themes of resistance, dispersion, survival, tradition, family, community, belief systems, and identity. Places Yaqui history within the context of Arizona, American Indian, Mexican, and Mexican-American History. Examines historical writing and analysis, life histories, poetry, language, and emphasis on Yaqui experiences in 20th century Arizona. Prerequisites: None. [C, SB]

YAQ110 - Yaqui Language & Culture
LEC 3 Credits 3 Periods
Introduction to the Yaqui language and overview of the traditional culture as a background for language use. Instruction in the grammar and writing system to assist student in speaking, reading, and writing Yaqui. Prerequisites: None.
